# STATISTICAL SECTION

(Unaudited)

Included in the Statistical Section are financial presentations which are intended to provide a broader and more complete understanding of the government and its financial health than is possible from the basic financial schedules included in the Financial Section, Notes and Supplementary Information.

Contents	Page							
<b>Financial Trends</b> – These schedules contain trend information to help the reader understand how St. Johns County's financial performance and well-being have changed over time.								
<b>Revenue Capacity</b> – These schedules contain information to help the reader assess the County's most significant revenue resource; property taxes.	-224-							
<b>Debt Capacity</b> – These schedules present information to help the reader assess the affordability of the current levels of outstanding debt and the County's ability to issue additional debt in the future.								
<b>Demographic and Economic Information</b> – These schedules offer demographic and economic indicators to help the reader in understanding the environment which St. Johns County operates in.	-237-							
<b>Operating Information</b> – These schedules contain service and infrastructure data to assist the reader in understanding the County's financial report and how it relates to county services and activities.								

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports and the Financial Plan for the relevant year as prepared by the Office of Management and Budget.
