

ORDINANCE NUMBER 82-73

INTRODUCED BY: COMMISSIONER WALDRON

AN ORDINANCE OF THE COUNTY OF ST. JOHNS, STATE OF
FLORIDA, REZONING LANDS AS DESCRIBED HEREINAFTER FROM
PRESENT ZONING CLASSIFICATION OF OPEN RURAL TO PLANNED
UNIT DEVELOPMENT

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS
COUNTY, FLORIDA:

SECTION 1: As requested by August Development, Ltd., in its
application for zoning change filed October 23, 1981, (hereinafter,
the "Anastasia Shores PUD Application"), the zoning classification
of the lands described in said application is hereby changed from
Open Rural to Planned Unit Development, (hereinafter, the "Anastasia
Shores PUD").

SECTION 2: All materials, stipulations, exhibits and maps included
in and attached to the Anastasia Shores PUD Application No. R-PUD
82-59, including the application itself, the certificate of
property owners, certificate and zoning search of surrounding
property owners, letter of authorization, statement of intended
plan of development, statement of schedule of development, statement
regarding ownership of common facilities, statement regarding
maintenance of the Planned Unit Development, proposed deed restrictions,
addendum, revised schedule of development submitted by letter
from John D. Bailey, Jr., dated November 18, 1982, site plans of
the development, phase maps, survey and topographic map, water
and sewer plans, renderings of units and typical floor plans are
hereby incorporated in and made a part of this Ordinance.

SECTION 3: In connection with the Anastasia Shores PUD Application, August Development, Ltd. has submitted a preliminary sketch plan as required by Section 8-2-2 of the St. Johns County Zoning Ordinance which shows a preliminary vehicular and pedestrian circulation system. It is understood this sketch plan is for informational purposes only and the developer shall not be bound by the details shown on the sketch plan. It is further understood, however, that the sketch plan is illustrative of the approach which August Development, Ltd., shall be required to take to solve the problem of vehicular and pedestrian circulation and any final development plan submitted pursuant to the Anastasia Shores PUD will be approved only if it comports with the spirit and intent of the PUD Ordinance as manifested in the preliminary sketch plan.

If significant physical development of Phase I of the Anastasia Shores PUD has not commenced within three years after the latter of (1) the effective date of the Ordinance creating the Anastasia Shores PUD or (2) the date upon which the right of appeal from the order giving development approval for the Anastasia DRI expires, or (3) the date of any final decision upon an appeal from that order, the developer shall be required to apply to the St. Johns County Board of County Commissioners for a determination of whether this PUD should lapse. The running of the three year period shall be tolled between the dates on which applications for approval of final development plans necessary to meet the requirements of this section are filed and the dates on which such final development plans are approved or rejected.

SECTION 4: The bike and jogging paths referred to in the Addendum to the Anastasia Shores PUD shall be physically separated from motorized vehicles and shall be designated on the final development

plan submitted for each phase of the development.

SECTION 5: The developer shall construct a bridge over the outfall canal located on the northeast portion of the project immediately west of Cooksey's Campground so that tidal flow into the canal will not be interrupted.

SECTION 6: In the event the developer requires sprinkler systems to be utilized in the single-family area as specified in the proposed deed restrictions, water for these sprinkler systems shall be provided by a method other than through the use of wells.

SECTION 7: In addition to the fire protection specified in the statement regarding maintenance of the planned unit development and in the Addendum to the Anastasia Shores PUD, the developer shall install sprinkler systems in the rooms in each unit and in all common areas of all three and five story structures according to standards established in the National Fire Protection Association (NFPA) Code No. 13, "The pamphlet sprinkler code."

SECTION 8: During the first year of Phase V of the Anastasia Shores PUD the developer shall open Ocean Avenue to provide additional emergency ingress and egress for the development. If Mizell Road is extended from 16th Street to Ocean Avenue, the developer shall utilize the Mizell Road extension for additional ingress and egress and hereby agrees to the closing and vacating of that portion of Ocean Avenue which lies east of its intersection with Mizell Road. Developer will not then allow Ocean Avenue to be used as a road without prior County approval.

SECTION 9: In case of conflict between the express provisions of this Ordinance and the Anastasia Shores DRI development order, the more stringent provisions shall control.

SECTION 10: The zoning inspector is hereby authorized to issue construction permits allowed by zoning classification as rezoned hereby upon approval of the final development plan.

SECTION 11: The overall density of the Anastasia Shores Development shall be reduced from the stated density of 1886 units to not more than 1,754 units. The reduction in units shall occur in the areas immediately adjacent to the marsh and shall be implemented by the removal of not less than 11, 3 story apartment and/or townhouse buildings in Phases IV and V.

SECTION 12: The dates for development of the phases described in the revised ADA shall be as follows: Phase I (1982-1987), Phase II (1984-1990), Phase III (1989-1993), Phase IV (1992-1995), Phase V (1994-1997). Developer may, upon prior approval by County resolution(s), develop one or more phase during different dates. No construction shall occur under any phase except during the times herein specified or during such other times as may be approved by future Board resolutions.

SECTION 13: This Ordinance shall take effect immediately upon receipt of official acknowledgment of the office of the Secretary of State to the Clerk of the Board of County Commissioners of St. Johns County, that the same has been filed.
