

ORDINANCE NUMBER: 91-37

AN ORDINANCE OF THE COUNTY OF ST. JOHNS, STATE OF FLORIDA, REZONING LANDS AS DESCRIBED HEREINAFTER FROM PRESENT ZONING CLASSIFICATION OF PUD TO PLANNED UNIT DEVELOPMENT

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA:

SECTION 1. That as requested by Dunavant Enterprises, Inc. in its application with supporting documents for zoning change, dated May 3, 1991, (hereinafter, the "PUD Application"), the zoning classification of the lands described on the attached Exhibit "A" is hereby changed from PUD to Planned Unit Development.

SECTION 2. That development of the lands within this PUD shall proceed in accordance with the PUD Application and supporting documents which are a part of zoning file number: R-PUD-91-011 and which are incorporated by reference into and made a part of this ordinance, and as supplemented by the provisions of this ordinance. In the case of conflict between the PUD Application or supporting documents and the below described provisions of this Ordinance, the below described provisions shall prevail.

SECTION 3.

a. The allowable uses within development pods designated as "commercial" on the Master Plan attached as Exhibit B to the PUD Application shall be those uses identified on the attached Schedule 1.

b. Within the development pods identified as "commercial" on the Master Plan attached as Exhibit B to the PUD Application, all sales and display of goods shall be conducted within a completely enclosed building unless the outside sales display event receives Planning and Zoning Agency approval as to the specific use, location and time.

c. All buildings over 35 feet will be sprinkled for fire safety purposes unless such requirement is waived or modified by the St. Johns County Fire Service and approved by the Board at the time of subdivision or final development plan approval.

d. In the event of a conflict between the description of the project contained in the Saint Johns Application for Development Approval submitted October 16, 1990, the Response to Request for Additional Information submitted January 30, 1991, Response to Second Request for Additional Information submitted March 18, 1991 and the Saint Johns DRI Development Order (collectively, the "DRI") and in the PUD Application or this PUD Ordinance (collectively, the "PUD"), then the description in the DRI shall control. In the event of a conflict between the requirements, conditions and commitments contained in the DRI and in the PUD, then the more stringent or restrictive of either the PUD or DRI shall control.

e. The stormwater management and drainage system for the property described in the PUD Application shall be constructed in individually functional components.

f. Transportation shall be monitored in accordance with the monitoring requirements contained in the DRI.

SECTION 4. That all roads and parking areas within the project either public or private shall be constructed to approved County Standards unless a proposed deviation is approved by the Board of County Commissioners in connection with final development plan approval.

SECTION 5. That all easements, if any, required for project drainage purposes shall be granted to the County at no cost, upon County's Request.

SECTION 6. All building code, zoning ordinance and other land use and development regulations of St. Johns County including Level of Service Standards for public facilities,, as may be amended from time to time, shall be applicable to the Development, except those permitting variances and special exceptions and except to the extent that they conflict with specific provisions of the approved development plan or resolution. Modification to approved development plans by variance or special exception shall be prohibited. Nothing in this section shall, however, be deemed to: (a) supersede any applicable "grandfathering" or "vested rights" provisions contained in the Florida Statutes including Section 163.3167(8) of the Florida Statutes or in any such future building code, zoning ordinance, other land use and development regulations or provisions establishing Level of Service Standards for public facilities; (b) supersede any concurrency exemption determination made by the Concurrency Review Committee or the Board; or (c) constitute a waiver of the applicant's right to contest application of any such building code, zoning ordinance, other land use and development regulations or provisions establishing Level of Service Standards for public facilities as applied to this project under the Florida or United States Constitutions.

SECTION 7. The Applicant shall submit final development plans for said Planned Unit Development in accordance with the St. Johns County Zoning Code.

SECTION 8. The St. Johns County Building Department Office is hereby authorized to issue building permits, certificates and other documents authorizing construction of said Planned Unit Development in accordance with final development plans after approval of such final development plans pursuant to the Zoning Code.

SECTION 9. This Ordinance shall take effect immediately upon receipt of official acknowledge of the Department of State to the Clerk of the Board of County Commissioners of St. Johns County, Florida, that the same has been filed.
