JOHNS COUNTY ORDINANCE 94-07, AS PREVIOUSLY AMENDED, BY DELETION AND REPLACEMENT OF SECTIONS 13, 24, AND 33 OF ORDINANCE 94-07 THEREBY CHANGING THE DATE RESIDENCES, DWELLING UNITS AND HABITATS ARE COUNTED FOR PURPOSES OF THE ORDINANCE ASSESSMENTS FROM SEPTEMBER 15 OF EACH YEAR TO AUGUST 1 OF EACH YEAR; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED by the Board of County Commissioners of St. Johns County, Florida that:

Section 1. St. Johns County Ordinance 94-07, as previously amended, is hereby amended by deleting Section 13 thereof and by adding and substituting the following in its stead:

Section 13. Levy of Assessments: On October 1, 1994, or as soon thereafter as taxes are due in the manner described in Florida Statute 197.333 (1993) as amended from time to time, and on each October 1 (or as soon thereafter as taxes are due in the manner described in Florida Statutes 197.333 (1993) as amended from time to time) thereafter until modified by subsequent ordinance(s) there is hereby charged, assessed, and levied upon each Non-Exempt Residential Property within the MSBU (i) an annual non ad valorem special assessment, the Collection Assessment, and (ii) an annual non ad valorem special assessment, the Recycle Assessment, the amounts of which are to be determined by multiplying the number of residences, dwelling units, and habitats, whether occupied or not, located upon such Non-Exempt Residential Property on the preceding August 1st by a collection rate and a recycle rate respectively. The collection rate and the recycle rate shall be established from time to time by resolution of the Board and shall not exceed the respective then current maximum collection rate and the then current maximum recycle rate that have been established by Board resolution. The methods of establishing the actual collection rates and recycle rates to be used to determine the amounts of the Collection Assessments and Recycle Assessments during any given year(s) shall be established by resolution(s) of the Board and such methods shall be consistent with this Ordinance. For such residences, dwelling units and habitats that are located on Non-Exempt Residential Property on August 1st that precedes the October 1st levy, the Collection Assessments and the

Recycle Assessments shall be collected in the manner provided by the Uniform Assessment Collection Act. For such residences, dwelling units, and habitats on Non-Exempt Residential Property that are constructed upon or moved onto such Non-Exempt Residential Property, or that are on such property and receive County approval for Electrical Energizing after the August 1st that precedes the October 1st levy and for which the Collection Assessment and the Recycle Assessment are not yet being levied and collected in the manner provided above, there is hereby charged, assessed, and levied upon such Non-Exempt Residential Property for each such added or energized residence, dwelling unit and habitat, a prorated Collection Assessment and a prorated Recycle Assessment which shall be calculated and collected in the manner provided by Section 33. The actual rates to be used during a given year to calculate the amounts of the Collection Assessments and Recycle Assessments may be determined at a public hearing held in the manner provided by the Uniform Assessment Collection Act. At such public hearing the Board may also establish the actual rates that will be used during future years. For the purpose of this section, a "habitat" shall include an improvement that has been constructed to allow the placement and occupancy of a mobile home or other structure or shelter or vehicle as a residence or dwelling, whether temporary or permanent, by human beings.

In the event that the Board fails to establish a collection rate or a recycle rate for any given year, such rate for that year shall be the same as was established for the prior year.

Section 2. St. Johns County Ordinance 94-07, as previously amended, is hereby amended by deleting Section 24 thereof and by adding and substituting the following in its stead:

Section 24. Adjustments to Assessment Roll. On or before December 31 of each year the County Administrator may delete property from that year's assessment roll and/or authorize the Tax Collector to delete or reduce the amount of the Collection Assessment and/or the Recycle Assessment assessed, levied and/or charged on property that year upon receipt by the County Administrator of proof that (i) such property was not Non-Exempt Residential Property on the preceding August 1; or (ii) the property or units thereon would have been exempted from the Collection Assessment and/or the recycle Assessment pursuant to Section 14 hereof had an application for exemption been timely filed. The County Administrator and/or the Tax Collector may add and/or increase the Collection Assessments

and/or Recycle Assessments to or on an assessment roll when such additional is justified by reason of the addition of new or additional residences, dwelling units or habitats on Non-Exempt Residential property. The Board may by resolutions establish additional procedures and regulations for the levy and collection of the Collection Assessments, the Recycle Assessments, the prorated Collection Assessments or the prorated Recycle Assessments upon Non-Exempt Residential Property; for the addition or deletion of properties from the Collection Assessment Roll and/or the Recycle Assessments roll occasioned by new construction and changes in use of assessed property, and changes in exemptions; to correct errors or omissions in the assessment rolls; and to otherwise accomplish the purpose of the MSBU.

Section 3. St. Johns County Ordinance 94-07, as previously amended, is hereby amended by deleting Section 33 thereof and by adding and substituting the following in its stead:

Section 33. A. The amount of the prorated Collection Assessment and the amount of the prorated Recycle Assessment shall be determined by prorating the amount of the Annual Collection Assessment and the amount of the Annual Recycle Assessment respectively (i) from the date that the County approves the Electrical Energizing of the improvement to the next January 1, if such approval is given on January 1 through August 1; or (ii) from the date that the County approves the Electrical Energizing of the improvement to the second January 1 after such date, if such approval is given on August 2 through December 31. Such prorated Collection Assessments and prorated Recycle Assessments shall be paid to the County Administrator or his designees as prerequisite for approval of Electrical Energizing. Such approval shall not be given until the appropriate prorated Collection Assessments and prorated Recycle Assessments have been paid.

B. All prorated Collection Assessment proceeds and all prorated Recycle Assessment proceeds that are collected pursuant to subparagraph A shall be properly accounted for and shall be used only for the purposes set forth in Sections 17 and 18.

C. The provisions of this Section 33 may be amended and modified by Board resolutions.

Section 4. This Ordinance shall take effect upon receipt by the Secretary of State.

PASSED AND ENACTED by the Board of County Commissioners of St. Johns County, State of Florida, this 22nd day of July, 1997.
