Section 5. Creation of Affordable Housing Economic Incentive Program; Amount Allocated for AHEI Assistance.

An Affordable Housing Economic Incentive Program is created and established in St. Johns County, in order to lessen the potential negative impact on the construction of affordable housing within the County, which may be related to the imposition of increased residential Impact Fees by the Board.

For the County Fiscal Year that begins October 1, 2005, the total amount of AHEI assistance allocated shall be set by the Board, by Resolution. Thereafter, for each County Fiscal Year that the AHEI continues, the Board shall, by Resolution, set the total amount of AHEI assistance.

Section 6. Applicability of Affordable Housing Economic Incentive; Limitations.

To the extent that the AHEI Program contains sufficient funds, and an application for assistance under the AHEI Program has been submitted by a Qualified Person, and subsequently approved by the County, then an otherwise Qualified Residential Unit is eligible for assistance under the AHEI. The amount of assistance available to an applicant (deemed under this Ordinance as a Qualified Person) for a Qualified Residential Unit shall be determined by the Administrator of the AHEI Program. For purposes of this Ordinance, the Administrator of the AHEI Program shall be the County Administrator or his/her designee.

The amount of AHEI assistance received will be applied to Impact Fees, and therefore off-set Impact Fees on a Qualified Residential Unit by a corresponding amount.

For a Qualified Residential Unit, AHEI assistance is available to reduce the following residential Impact Fees imposed by the Board: a) roads; b) public buildings; c) law enforcement; d) fire/rescue; and e) parks. A Qualified Residential Unit is not entitled to AHEI assistance in order to off-set, reduce, lessen, and/or eliminate the Educational Facilities Impact Fee.

For a Qualified Residential Unit, AHEI assistance is available only to the extent that sufficient funds remain within the AHEI Program.

No one Qualified Person may secure AHEI assistance for one or more Qualified Residential Units, when the AHEI assistance (for such Unit or Units) would represent more than twenty percent (20%) of the total amount of AHEI assistance allocated by the Board for any one County Fiscal Year. The purpose of this provision is to ensure that AHEI assistance may be available to more than one Qualified Person and/or Qualified Residential Unit. Nevertheless, a Qualified Person may seek a waiver of this 20% limitation, for cause. A Qualified Person seeking waiver of the 20% limitation must submit to the County, a written request, describing in detail the reason(s) for such request, and the benefit that the County would receive by granting such a waiver request. Thereafter, the Board, within sixty (60) days of such waiver request, shall consider such waiver request, and either approve or deny such waiver request. In order for the Board to grant such a waiver request, the Board must determine that the granting of such waiver request will provide an overall benefit for the County with respect to promoting Affordable Housing in the County.

Section 7. No Effect on Educational Facilities Impact Fee; Exceptions. Except as noted in Section 10 of this Ordinance, this Ordinance shall in no way effect, reduce, and/or lessen the Educational Facilities Impact Fee that is currently in effect in the County. As a result, the existing Educational Facilities Impact Fee enacted by virtue of County Ordinance 2005-27 remain, and such Educational Facilities Impact Fee shall be paid in full, unless reduced, delayed, and/or waived by a subsequent authorized action by the Board, or order, or directive by a court of competent jurisdiction.

Section 8. Procedure for Seeking AHEI Assistance; Disqualification Under Certain Circumstances.

In order to receive AHEI assistance, an applicant (deemed a Qualified Person) must apply for such assistance on behalf of a Qualified Residential Unit. An applicant must provide to the

County AHEI Program Administrator all required information on a County-approved application form. An applicant's submitted application form must be complete and correct. Failure to submit a complete and correct application form will toll/suspend any timeframes for administrative review and/or action. Moreover, the submission of false information will disqualify an applicant from being deemed a Qualified Person, and will disqualify the applicant from seeking and/or receiving AHEI assistance for a period of twenty-four (24) months from the date that Administrator of the AHEI Program issues a disqualification letter.

It is expressly noted that a complete and correct application form does not entitle and/or guarantee an applicant to AHEI assistance. Moreover, a complete and correct application form does not entitle and/or guarantee an applicant (deemed a Qualified Person) AHEI assistance on a Qualified Residential Unit.

Section 9. Eligibility for Other Measures.

A Qualified Residential Unit that receives AHEI assistance may be eligible for the following: (a) expedited permitting; and (b) exemption from individual building plan review if part of a set of pre-approved plans. A Qualified Residential Unit may also be eligible for a utility connection deferral under the procedures set forth in County Ordinance 2001-25, as may be amended (the County's Utility Ordinance). It is expressly understood, that none of the other measures noted in this Section are guaranteed. Moreover, the final determination of eligibility will be made by the County, and is determined on a case-by-case basis.

Section 10. Automatic AHEI Assistance for Grandfathered Affordable Housing Projects.

Prior to the enactment of County Ordinance 2005-27, the Board approved various forms of residential Impact Fee relief for the following projects: 1) Hancock Place, 32 units under HAP; 2) Northridge Lakes, 61 units under HAP; 3) Ravenswood Forest, 81 units under HOME; 4) Dream Homes of the First Coast, 35 units scattered throughout the County under HOME; and 5) The Housing League, 40 units scattered throughout the County under HOME.

The Board recognizes that in spite of the enactment of County Ordinance 2005-27, such Affordable Housing projects should be grandfathered for purposes of retaining prior approved relief for certain residential Impact Fees.

It is specifically noted, that such grandfathered affordable housing projects might not have qualified for AHEI assistance under one or more criteria noted in this Ordinance. Nevertheless, for purposes of this Ordinance, such grandfathered affordable housing projects are deemed qualified for automatic AHEI assistance. As such, the Qualified Residential Units in such grandfathered affordable housing projects are deemed qualified for automatic AHEI assistance. Such grandfathered Qualified Residential Units will receive enough AHEI assistance, so as to off-set all residential Impact Fees imposed under County Ordinances 87-57, as previously amended, 87-58, as previously amended and 87-59, as previously amended, or County Ordinance 2005-27 (whichever is applicable)

Section 11. Imposition of Lien on Qualified Residential Units that Receive AHEI Assistance. Any Qualified Residential Unit that receives AHEI assistance from the County shall be subject to the imposition of a lien in the manner, form, and format established by County policy, and/or County Resolution. Under such circumstances, a Qualified Person shall execute a Mortgage Lien Agreement that is consistent with the County SHIP policies and procedures.

Section 12. Effective Date. This Ordinance shall be effective upon its proper filing with the Department of State of Florida.

PASSED AND ENACTED by the Board of County Commissioners of St. Johns County, Florida, this 1 day of November, 2005.
