

RESOLUTION NO. 85-105

WHEREAS, the Board of County Commissioners of St. Johns County published its intent to consider an amendment to the Ponte Vedra Zoning Regulations as required by law; and,

WHEREAS, the Board of County Commissioners of St. Johns County considered the opinions expressed at its duly called and published meeting and determined that the best interests of the citizens of Ponte Vedra and the County would be served by amending the Ponte Vedra Zoning Regulations;

NOW, THEREFORE, BE IT RESOLVED this 25th day of July, 1985, by the Board of County Commissioners of St. Johns County, Florida, that the Ponte Vedra Zoning Regulations that were originally adopted by this Board on October 26, 1965, are further amended by deleting paragraph 1 of Section VIII and adding and substituting the following therefor:

Section VIII:

1. Towers, gables, spires, radio and television receiving or transmitting antennae or devices, or structures of a similar nature which are attached to or detached from the main structure and exceed a height of thirty-five (35) feet above finished grade are prohibited. In addition, all line-of-sight dish type and all satellite receiving or transmitting antennae, regardless of size, shape, configuration, height, or location within the Ponte Vedra Zoning District, are permitted only if such antennae are placed in locations where they cannot be viewed at eye level from adjoining property or public property. Eye level shall be construed to mean visible to a person six feet tall standing at ground level.

PASSED by the Board of County Commissioners of St. Johns County, State of Florida, this 25th day of July, 1985.
