MARSH POINTE PATIO HOMES @ MARSH LANDING UNIT 15

EXHIBIT B
TO THE RESOLUTION

APRIL 14, 1988

In Accordance with the procedure established in Section 8-3, "Implementation of a PUD," the attached Final Development Plan prepared by Prosser, Hallock & Kristoff, Inc., and the following text regarding compliance with Section 8-4, are submitted for your consideration.

Project Description:

The subject property is a 2.5 acre patio home site located within an area of the PUD Master Plan identified as Multi-Family. The project site fronts the existing platted Bridle Way near the intersection of Bridle Way and Marsh View Court. Seven (7) patio homes are proposed to be constructed on the site along with a gazebo area for passive recreation. Drainage will be accomplished via sideyard swales. Sanitary sewer and potable water will be provided from the extension of existing utility lines.

8-4-1 Open Space

The Final Development Plan depicts Marsh area within the Property which is to be utilized as open space of "Common Areas." Every homeowner shall have a right of use and an easement of enjoyment in the Marsh area, except where its use is limited by the applicable sections of the Declaration of Covenants and Restrictions. The open space will be used as a conservation area. The Marsh area will be maintained by the Marsh Landing at Sawgrass Master Association, Inc.

8-4-2 Waiver of Yard, Dwelling Unit, Frontage Criteria, and Use Restriction

All development which is to occur within the Property will comply with the spirit and intent of the Zoning Ordinance. There will be no more than 7 residences on the property. Specific setback lines are as follows: a 20-foot front setback line, a 30-foot rear setback line to the Marsh area, and a 15-foot separation between any two units; each setback and/or separation is to be measured from the wall of the building. A resident may be located wholly within a single plotted lot.

8-4-3 Project Size

The Marsh Pointe Patio Homes at Marsh Landing Unit 15 PUD consists of more than 20 acres.

8-4-4 Support Legal Documents for Open Space

The Covenants and Restrictions of Marsh Landing at Sawgrass Master Association, Inc., which apply to the Marsh area, assure adequate management and maintenance of the common property.

- a. The Covenants and Restrictions provide for the conveyance of title to the common property to, and ownership by, the homeowner's association, a duly constituted and legally responsible community association.
- b. The Covenants and Restrictions, appropriately limits the use of the common property.
- c. The Covenants and Restrictions assign responsibility for management and maintenance of the common property to the homeowner's association.
- d. The Covenants and Restrictions places responsibility for enforcement of the covenants contained therein upon the homeowner's association.

- e. The Covenants and Restrictions permits the subjection of each lot to assessment for its proportionate share of maintenance costs.

8-4-5 Access

As graphically depicted on the Final Development Plan, each lot is provided vehicular access within the subdivision via the existing private platted rights-of-way.

8-4-6 Privacy

Under Sections 8.6.3, 8.6.13, and 8.6.15 each dwelling unit will be provided visual and acoustical privacy. Landscaping shall be required as stated in the Covenants and Restrictions for the protection and aesthetic enhancement of the property.

8-4-7 Community Facilities

- a. None of the utility facilities serving the Property are proposed for dedication to St. Johns County; therefore, the provisions of subparagraph "a" are inapplicable.
- b. All requirements for off-street parking and loading set forth in Article 9 of the St. Johns County Zoning Ordinance are addressed specifically below:

9-1-1 Drainage

The general drainage plan for the Property so as to prevent damage to abutting parcels and streets is graphically depicted on the Plan. Specific drainage plans for each lot upon which a residence is to be constructed will be consistent with the general drainage plan.

9-1-2 Separation from Walkway and Street

Each unit will have an individual garage and driveway which will provide the required off-street parking. No combined off-street parking and loading facilities will be constructed on the Property.

9-1-3 Entrances and Exits

The location and design of the entrances and/or exits to all streets will be in accordance with County specifications.

9-1-4 Interior Drives

As shown on the Final Development Plan, there will be no interior drives on the property.

9-1-5 Marking of Parking Spaces

As shown on the Final Development Plan, there will be no parking spaces in lots of more than ten.

9-1-6 Lighting

Lighting within the Property will meet or exceed minimum lumens of 100 watt high pressure sodium fixture lights affixed 16 feet above the roadway and 300 feet on the center.

9-1-7 Screening

Section 9-1-7 is inapplicable since there will be no parking spaces for ten or more vehicles in any one location on the Property; however, landscaping will be required.

9-2 Location

The required off-street parking facilities will be located upon the same parcel of land they are intended to serve.

9-3-1 Off-Street Parking; Numbers Required

The Property will be used for single family residential lots or one single family per lot. Therefore, in accordance with Subsection d of 9-3, at least one off-street parking space will be provided per dwelling on the same parcel they intend to serve. This space, located within the driveway for the residence, is in addition to the parking spaces allowed for in the garage. Nevertheless, owners shall be required to store automobiles in garages when not in use. All garages will be two car garages.

9-4-1 Off-Street Loading Requirement

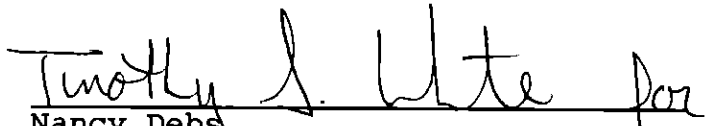

This section does not apply to residential developments.

- c. The Final Development Plan illustrates the anticipated traffic flow pattern. Sufficient space has been allowed to permit access for fire fighting equipment, furniture moving vans, fuel trucks, refuse collection, deliveries, and debris removal. Location of the fire hydrants and water and sewer lines serving the Property are also depicted on the Final Development Plans.
- d. All utilities serving the Property, including telephone, power, cable television, sewer lines, and water lines, will be installed underground.

Also shown on the Final Development Plan are general drainage arrows to the lake from the lots facilitating proper drainage of storm waters and preventing erosion and the formation of dust.

- e. Specifications for all streets and roadways depicted on the Final Development Plan shall conform to the rules and regulations adopted by the St. Johns County Board of County Commissioners.
