

WHEREAS, the County Road & Bridge Department has many miles of road ways to maintain in the County, and

WHEREAS, this road work requires construction machinery that can be maintained in an economical and timely manner to preclude, in so far as possible, the loss of working man hours due to unoperable and uneconomically repairable equipment, and

WHEREAS, the County Road & Bridge Department has a requirement to replace an uneconomically repairable D7G Caterpillar Tractor and has located a used 1986 Caterpillar D7H Tractor with approximately 1045 hours operating time, and

WHEREAS, the used 1986 Caterpillar Tractor is immediately available from Ring Power Corporation for \$130,000.00 less \$32,000.00 trade-in on used Caterpillar D7G Tractor, for a total cost to the County of \$98,000.00 providing a considerable cost savings to the County, and

NOW THEREFORE BE IT RESOLVED, by the Board of County Commissioners of St. Johns County, Florida, the Board authorizes the County Administrator to purchase from the Ring Power Corporation, Jacksonville, Florida, One (1) Used 1986 Tractor Caterpillar Model D7H in the amount of \$98,000.00 after trade-in of Caterpillar Model D7G Serial No.: 9ZV1585, as provided in Florida Law 81-843 Paragraph (c) when the goods, supplies or materials are used or damaged.

ADOPTED this 10th day of January, 1989  
by the St. Johns County Board of Commissioners.
