RE: Proposed Final Plat of Salt Creek Pointe  

Gentlemen:  

Based upon the information contained in a title search prepared by Freedomland Title Co., Inc., we find that, as of the date of this letter, the title to the land described in the proposed plat of Salt Creek Pointe (the "Property") is vested in Arvida/JMB Partners, a Florida general partnership. The legal description of the Property is attached as Exhibit A. Title to the Property is subject to the following matters of record in the public records of St. Johns County, Florida. 

In addition to the matters discussed in the proceeding paragraph, our opinion as to title to the Property is also subject to: 

1. The rights of parties in possession, if any. 
2. Unrecorded mechanic's or materialman's liens. 
3. Unrecorded easements, if any, above or below the surface. 
4. Riparian rights entitled to submerged lands, if any.
