SECTION 1.03. Resolution to Constitute Contract. In consideration of the purchase and acceptance of any or all of the Bonds by those who shall hold the same from time to time, the provisions of this Resolution shall be deemed to be and shall constitute a contract between the Issuer and the Holders from time to time of the Bonds and shall be a part of the contract of the Issuer with any Credit Bank and any Insurer. The pledge made in this Resolution and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the Issuer shall be for the equal benefit, protection and security of the Holders of any and all of the Bonds and for the benefit, protection and security of any Credit Bank and any Insurer. All of the Bonds, regardless of the time or times of their issuance or maturity, shall be of equal rank without preference, priority

or distinction of any of the Bonds over any other thereof except as expressly provided in or pursuant to this Resolution.

SECTION 1.04. Findings. It is hereby ascertained, determined and declared as follows:

(A) The Issuer deems it necessary, desirable and in the best interests of the Issuer that the Initial Project be acquired and constructed and that the Refunded Bonds be refunded, all in the manner hereinafter provided.

(B) The Cost of the Initial Project shall be financed with the proceeds of the Series 1989B Bonds, and the cost of such refunding shall be financed with the proceeds of the Series 1989A Bonds.

(C) The Issuer deems it necessary, desirable and in the best interest of the Issuer that the Pledged Funds be pledged to the payment of the principal of and interest on the Bonds. No part of the Pledged Funds has been pledged or encumbered in any manner, except that certain of the Pledged Funds have been pledged as security for the Refunded Bonds; and such pledge in favor of the Refunded Bonds shall be extinguished simultaneously with the issuance of the Series 1989 Bonds.

(D) The Issuer has been advised by its consulting engineers and it is hereby found and determined that the estimated Cost of the Initial Project is \$ 9,225,000, the estimated annual Gross Revenues of the System is \$ 1,994,400, and the estimated annual Operating Expenses and principal and interest on the Bonds is \$ 1,772,202. * The net cost of refunding the Refunded Bonds, to be paid with the proceeds of the Series 1989A Bonds, is estimated to be \$1,895,000. The revenues to be derived annually from the Rates will be sufficient to pay, as the same shall become due and payable, the principal of and interest on the Bonds and Operating Expenses. * The Issuer currently has \$ 780,000 to apply toward the Cost of the Project.

(E) No Bondholder shall ever be entitled to compel the payment of the principal of and interest on the Bonds or any other payments provided for in this Resolution from any funds or revenues of the Issuer other than the sources herein provided in accordance with the terms hereof; nor will any Bondholder or any Credit Bank or any Insurer have the right to compel the exercise of the ad valorem taxing power of the Issuer to pay the principal of or interest on the Bonds or to make any other payments provided for in this Resolution, and the Bonds shall not constitute a lien upon the System or any other property of the Issuer or situated within its territorial limits, except the Pledged Funds.

(F) The Issuer presently levies and collects from each new customer of the System, with respect to additions to the System, at the time such customer requests utilities services,

It is in the best interest of the finances and economy of the Issuer that the Initial Project be financed instead in the manner herein provided and, accordingly, it is appropriate that the Issuer repeal said Resolution No. 88-241 and said Resolution No. 88-253.

SECTION 1.05. Initial Project Authorized. The acquisition and construction of the Initial Project in the manner herein provided is hereby authorized.

The Issuer hereby authorizes the issuance of Bonds of the Issuer to be designated as "St. Johns County, Florida, Water and Sewer Revenue Bonds," which may be issued in one or more Series as hereinafter provided. The aggregate principal amount of the Bonds which may be executed and delivered under this Resolution is not limited except as may hereafter be provided by Supplemental Resolution or as limited by the Act or by other applicable law.

The Bonds may, if and when authorized by the Issuer pursuant to this Resolution or Supplemental Resolution, be issued in one or more Series, with such further appropriate particular designations added to or incorporated in such title for the Bonds of any particular Series as the Issuer may determine and as may be necessary to distinguish such Bonds from the Bonds of any other Series. From and after any maturity date of any of the Bonds (deposit of moneys and/or Securities for the payment of the principal and interest on such Bonds having been

made by the Issuer with the Paying Agents), notwithstanding that any of such Bonds shall not have been surrendered for cancellation, no further interest shall accrue upon the principal or upon the interest which shall have accrued and shall then be due on such date, and such Bonds shall cease to be entitled to any lien, benefit or security under this Resolution, and the Holders shall have no rights in respect of such Bonds except to receive payment of such principal and unpaid interest accrued to the maturity date.

issued as fully registered Bonds; and shall be numbered consecutively from one upward in order of maturity preceded by the letter "R;" shall be in such denominations and shall bear interest at a rate or rates not exceeding the maximum rate permitted by law (calculated on the basis of a 360-day year of twelve 30-day months), payable in such manner and on June 1 and December 1 in each year; shall consist of such amounts of Serial Bonds, Term Bonds, Variable Rate Bonds and Capital Appreciation Bonds, maturing in such amounts and on June 1 or December 1 in such years not exceeding forty (40) years from their date; shall be payable in such place or places; shall have such Paying Agents and Registrars; and shall contain such redemption provisions; all as the Issuer shall hereafter provide by Supplemental Resolution.

In the event the interest payable on any Series 1989 Bond is not punctually paid or duly provided for by the Issuer on such Interest Date, such defaulted interest will be paid to the Holder in whose name such Bond shall be registered at the close of business on a special record date for the payment of such defaulted interest as established by notice to such Holder, not less than ten (10) days preceding such special record date. All payments of principal of or Redemption Price, if applicable, and interest on the Series 1989 Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

A sum sufficient to pay all costs and expenses in connection with the preparation, issuance and sale of the Series 1989 Bonds, including fees of financial advisors, engineering and other consulting fees, legal fees, bond insurance premiums, printing fees, rating agency fees and all other similar costs shall be deposited to the credit of the Costs of Issuance Account, and all such costs and expenses shall be promptly paid by the Issuer to the persons respectively entitled to receive the same. When all moneys on deposit to the credit of the Costs of Issuance Account shall have been disbursed by the Issuer for the payment of such costs and expenses, the Costs of Issuance Account shall be closed; provided, however, that if any balance shall remain in the Costs of Issuance Account six months after issuance of the Series 1989 Bonds, such moneys shall be transferred by the Issuer to the Construction Fund and the Costs of Issuance Account shall be closed. After the Costs of Issuance Account shall be closed, the Issuer may pay from the Construction Fund any unpaid issuance expenses.

(D) The remaining proceeds of the Series 1989A Bonds which, together with the moneys held by the Issuer for the payment of the principal of and interest on the Refunded Bonds and a reserve therefor and interest earnings thereon, shall be sufficient to pay in full the principal of the Refunded Bonds, interest to accrue thereon to the date of maturity or redemption and any premium payable upon redemption shall be paid by the Issuer to the owners and holders of the Refunded Bonds or deposited with a bank or trust company and held for the benefit of such owners and holders pursuant to an escrow deposit agreement to be executed by the Issuer in favor of such bank or trust company and hereafter provided for by Supplemental Resolution.

(E) The balance of the Series 1989B Bond proceeds shall be deposited in the Construction Fund.

SECTION 2.04. Execution of Bonds. The Bonds shall be executed in the name of the Issuer with the manual or facsimile signature of the Chairman and the official seal of the Issuer shall be imprinted thereon, attested and countersigned with the manual or facsimile signature of the Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds or whose facsimile signature shall appear thereon shall

cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Bond shall hold the proper office of the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Bonds shall be actually sold and delivered.

SECTION 2.05. Authentication. No Bond of any Series shall be secured hereunder or entitled to the benefit hereof or shall be valid or obligatory for any purpose unless there shall be manually endorsed on such Bond a certificate of authentication by the Registrar or such other entity as may be approved by the Issuer for such purpose. Such certificate on any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Resolution. The form of such certificate shall be substantially in the form provided in Section 2.10 hereof.

SECTION 2.06. Temporary Bonds. Until the definitive Bonds of any Series are prepared, the Issuer may execute, in the same manner as is provided in Section 2.04, and deliver, upon authentication by the Registrar pursuant to Section 2.05 hereof, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in denominations authorized by the Issuer by resolution of the Governing Body, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Issuer, at its own expense, shall prepare and execute definitive Bonds, which shall be authenticated by the Registrar. Upon the surrender of such temporary Bonds for exchange, the Registrar, without charge to the Holder thereof, shall deliver in exchange therefor definitive Bonds, of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution. All temporary Bonds surrendered in exchange for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith cancelled by the Registrar.

SECTION 2.07. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, or be destroyed,

stolen or lost, the Issuer may, in its discretion, issue and deliver, and the Registrar shall authenticate, a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder furnishing the Issuer and the Registrar proof of such Holder's ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer and the Registrar may incur. All Bonds so surrendered or otherwise substituted shall be cancelled by the Registrar. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same or cause the Bond to be paid, upon being indemnified as aforesaid, and if such Bonds be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this Section 2.07 shall constitute original, additional contractual obligations on the part of the Issuer whether or not the lost, stolen or destroyed Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on the Pledged Funds to the same extent as all other Bonds issued hereunder and shall be entitled to the same benefits and security as the Bond so lost, stolen or destroyed.

SECTION 2.08. Interchangeability, Negotiability and Transfer. Bonds, upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of registered Bonds of the same Series and maturity of any other authorized denominations.

The Bonds issued under this Resolution shall be and have all the qualities and incidents of negotiable instruments under the laws of the State of Florida, subject to the provisions for registration and transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Issuer shall maintain and keep, at the office of the Registrar, books for the registration and transfer of the Bonds.

Each Bond shall be transferable only upon the books of the Issuer, at the office of the Registrar, under such reasonable regulations as the Issuer may prescribe, by the Holder thereof in person or by such Holder's attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed and guaranteed by the Holder or such Holder's duly authorized attorney. Upon the transfer of any such Bond, the Issuer shall issue, and cause to be authenticated, in the name of the transferee a new Bond or

Bonds of the same aggregate principal amount and Series and maturity as the surrendered Bond. The Issuer, the Registrar and any Paying Agent or fiduciary of the Issuer may deem and treat the Person in whose name any Outstanding Bond shall be registered upon the books of the Issuer as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if applicable, and interest on such Bond and for all other purposes, and all such payments so made to any such Holder or upon such Holder's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid and neither the Issuer nor the Registrar nor any Paying Agent or other fiduciary of the Issuer shall be affected by any notice to the contrary.

The Registrar, in any case where it is not also the Paying Agent in respect to any Series of Bonds, shall forthwith (a) following the fifteenth day of the calendar month next preceding an interest payment date for such Series, (b) following the fifteenth day next preceding the date of first mailing of notice of redemption of any Bonds of such Series, and (c) at any other time as reasonably requested by the Paying Agent of such Series, certify and furnish to such Paying Agent the names, addresses and holdings of Bondholders and any other relevant information reflected in the registration books. Any Paying Agent of any fully registered Bond shall effect payment of interest on such Bonds by mailing a check or draft to the Holder entitled thereto or may, in lieu thereof, upon the request and at the expense of such Holder, transmit such payment by bank wire transfer for the account of such Holder.

In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Issuer shall execute and the Registrar shall authenticate and deliver such Bonds in accordance with the provisions of this Resolution. Execution of Bonds by the Chairman and the Clerk for purposes of exchanging, replacing or transferring Bonds may occur at the time of the original delivery of the Series of which such Bonds are a part. All Bonds surrendered in any such exchanges or transfers shall be cancelled by the Registrar. For every such exchange or transfer of Bonds, the Issuer or the Registrar may make a charge sufficient to reimburse it for any tax, fee, expense or other governmental charge required to be paid with respect to such exchange or transfer. The Issuer and the Registrar shall not be obligated to make any such exchange or transfer of any Bonds which shall have been selected for redemption or of Bonds of any Series during the fifteen (15) days next preceding an Interest Date on the Bonds of such Series (other than Capital Appreciation Bonds and Variable Rate Bonds), or, in the case of any proposed redemption of Bonds, during the fifteen (15) days next preceding the date of selection of Bonds to be redeemed.

The Issuer may elect to issue any Bonds as uncertificated registered public obligations (not represented by instruments), commonly known as book-entry obligations, provided it shall establish a system of registration therefor by resolution of the Governing Body.

SECTION 2.09. Coupon Bonds. The Issuer, at its discretion, may by Supplemental Resolution authorize the issuance of Coupon Bonds, registrable as to principal only or as to both principal and interest. Such Supplemental Resolution shall provide for the negotiability, transfer, interchangeability, denominations and form of such Bonds and coupons appertaining thereto. Coupon Bonds (other than Taxable Bonds) shall only be issued if an opinion of Bond Counsel is received to the effect that issuance of such Coupon Bonds will not adversely affect the exclusion of the interest payable on such Bonds from gross income for federal income tax purposes.

SECTION 2.10. Form of Bonds. Except as otherwise provided pursuant to Section 2.09 hereof and except for Capital Appreciation Bonds and Variable Rate Bonds, the form of which shall be provided by Supplemental Resolution, the Bonds shall be in substantially the following form with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or the Clerk prior to the issuance thereof (which necessity and/or desirability and approval shall be evidenced conclusively by the Issuer's delivery of the Bonds to the purchaser or purchasers thereof):

It is expressly agreed by the Registered Holder of this bond that the full faith and credit of the Issuer, is not pledged to the payment of the principal of or premium, if any, or interest on this bond and that the Registered Holder shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer to the payment of such principal, premium, if any, and interest. ARTICLE III

REDEMPTION OF BONDS

SECTION 3.01. Privilege of Redemption. The terms of this Article III shall apply to redemption of Bonds other than Capital Appreciation Bonds or Variable Rate Bonds. The terms and provisions relating to redemption of Capital Appreciation Bonds and Variable Rate Bonds shall be provided by Supplemental Resolution.

SECTION 3.02. Selection of Bonds to be Redeemed. The Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. The Issuer shall, at least sixty (60) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Registrar) notify the Registrar of such redemption date and of the principal amount of Bonds to be redeemed. For purposes of any redemption of less than all of the Outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected not more than forty-five (45) days prior to the redemption date by the Registrar from the Outstanding Bonds of the maturity or maturities designated by the Issuer by such method as the Registrar shall deem fair and appropriate and which may provide for the selection for redemption of Bonds or portions of Bonds in principal amounts of \$5,000 and integral multiples thereof.

If less than all of the Outstanding Bonds of a single maturity are to be redeemed, the Registrar shall promptly notify the Issuer and Paying Agent (if the Registrar is not the Paying Agent for such Bonds) in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

SECTION 3.03. Notice of Redemption. Unless waived by any Holder of Bonds to be redeemed, notice of any redemption made pursuant to this section shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by registered or certified mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each Holder of Bonds to be redeemed at the address of such Holder shown on the registration books maintained by the Registrar or at such other address as shall be furnished in writing by such Holder to the Registrar; provided, however, that no defect in any notice given pursuant to this section to any Holder of Bonds to be redeemed nor failure to give such notice shall in any manner defeat the effectiveness of a call for redemption as to all other Holders of Bonds to be redeemed.

Every official notice of redemption shall be dated and shall state:

- (1) the redemption date,
- (2) the Redemption Price,
- (3) if less than all outstanding Bonds are to be redeemed, the number (and, in the case of a partial redemption of any Bond, the principal amount) of each Bond to be redeemed,
- (4) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (5) that such Bonds to be redeemed, whether as a whole or in part, are to be surrendered for payment of the Redemption Price plus accrued interest at the office of the Paying Agent.

Prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of and accrued interest on all the Bonds or portions of Bonds which are to be redeemed on that date.

In addition to the foregoing notice, further notice shall be given by the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(1) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any other descriptive information needed to identify accurately the Bonds being redeemed.

(2) Each further notice of redemption shall be sent at least thirty-five (35) days before the redemption date by registered or certified mail or overnight delivery service to any Insurer which shall have insured, or any Credit Bank which shall have provided a Credit Facility for, any of the Bonds being redeemed and to all registered securities depositories then in the business of holding substantial amounts of obligations of types similar to the type of which the Bonds consist (such depositories now being Depository Trust Company of New York, New York, Midwest Securities Trust Company of Chicago, Illinois, Pacific Securities Depository Trust Company of San Francisco, California,

and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(3) Each such further notice shall be published one time in the Bond Buyer of New York, New York or, if such publication is impractical or unlikely to reach a substantial number of the Holders of the Bonds, in some other financial newspaper or journal which regularly carries notices of redemption of obligations similar to the Bonds, such publication to be made at least 30 days prior to the date fixed for redemption.

SECTION 3.04. Redemption of Portions of Bonds. Any Bond which is to be redeemed only in part shall be surrendered at any place of payment specified in the notice of redemption (with due endorsement by, or written instrument of transfer in form satisfactory to the Registrar duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Issuer shall execute and the Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds, of the same interest rate and maturity, and of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bonds so surrendered.

SECTION 3.05. Payment of Redeemed Bonds. Official notice of redemption having been given substantially as aforesaid, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar and/or Paying Agent at the appropriate Redemption Price, plus accrued interest. Each check or other transfer of funds issued by the Registrar and/or Paying Agent for the purpose of the payment of the Redemption Price of Bonds being redeemed shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be cancelled by the Registrar and shall not be reissued.

ARTICLE IV

SECURITY, SPECIAL FUNDS AND APPLICATION THEREOF

SECTION 4.01. Bonds not to be Indebtedness of Issuer.

The Bonds shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of any constitutional or statutory provision, but shall be special obligations of the Issuer, payable solely from and secured by a lien upon and pledge of the Pledged Funds in accordance with the terms of this Resolution. No Holder of any Bond or any Credit Bank or any Insurer shall ever have the right to compel the exercise of the ad valorem taxing power of the Issuer to pay such Bond or be entitled to payment of such Bond from any moneys of the Issuer except the Pledged Funds, in the manner provided herein.

SECTION 4.02. Security for Bonds. The payment of the principal of or Redemption Price, if applicable, and interest on the Bonds shall be secured forthwith equally and ratably by a pledge of and lien upon the Pledged Funds. The Pledged Funds shall be subject to the lien of this pledge immediately upon the issuance and delivery of the Series 1989 Bonds, without any physical delivery by the Issuer of the Pledged Funds or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind against the Issuer, in tort, contract or otherwise. The Issuer does hereby irrevocably pledge the Pledged Funds in the manner provided in this Resolution to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds.

SECTION 4.03. Additional Security. Anything herein to the contrary notwithstanding, however, the Issuer may cause any Series of Bonds to be payable from and secured by a Credit Facility or an insurance policy of an Insurer not applicable to any one or more other Series of Bonds, as shall be provided by Supplemental Resolution, in addition to the security of the Pledged Funds provided herein.

SECTION 4.04. Construction Fund. The Issuer covenants and agrees to establish a separate fund with an Authorized Depository to be known as the "St. Johns County Water and Sewer System Construction Fund," which shall be used only for payment of the Costs of Projects. Moneys in the Construction Fund, until applied in payment of any item of the Cost of a Project in the manner hereinafter provided, shall be held in trust by the Issuer and shall be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

There shall be paid into the Construction Fund the amounts required to be so paid by the provisions of this Resolution or

Supplemental Resolution, and there may be paid into the Construction Fund, at the option of the Issuer, any moneys received for or in connection with a Project by the Issuer from any other source.

The Issuer shall establish within the Construction Fund a separate account for the Initial Project and each Additional Project, the Cost of which is to be paid in whole or in part out of the Construction Fund.

The proceeds of insurance maintained pursuant to this Resolution against physical loss of or damage to a Project, or of contractors' performance bonds with respect thereto pertaining to the period of construction thereof, shall be deposited into the appropriate account of the Construction Fund.

The Issuer covenants that the acquisition and construction of each Project will be completed without delay and in accordance with sound engineering practices. The Issuer shall make disbursements or payments from the Construction Fund to pay the Cost of a Project upon the filing with the Clerk of documents and/or certificates signed by an Authorized Issuer Officer stating with respect to each disbursement or payment to be made: (1) the item number of the payment, (2) the name and address of the Person to whom payment is due, (3) the amount to be paid, (4) the Construction Fund account from which payment is to be made, (5) the purpose, by general classification, for which payment is to be made, and (6) that (A) each obligation, item of cost or expense mentioned therein has been properly incurred, is in payment of a part of the Cost of a Project and is a proper charge against the account of the Construction Fund from which payment is to be made and has not been the basis of any previous disbursement or payment, or (B) each obligation, item of cost or expense mentioned therein has been paid by the Issuer, is a reimbursement of a part of the Cost of a Project, is a proper charge against the account of the Construction Fund from which payment is to be made, has not been theretofore reimbursed to the Issuer or otherwise been the basis of any previous disbursement or payment and the Issuer is entitled to reimbursement thereof. The Clerk shall retain all such documents and/or certificates of the Authorized Issuer Officers for seven (7) years from the dates of such documents and/or certificates. The Clerk shall make available the documents and/or certificates at all reasonable times for inspection by any Holder of any of the Bonds or the agent or representative of any Holder of any of the Bonds.

The date of completion of a Project shall be determined by the Authorized Issuer Officer who shall certify such fact in writing to the Governing Body. Promptly after the date of the completion of a Project, and after paying or making provisions for the payment of all unpaid items of the Cost of such Project, the Issuer shall deposit in the following order of priority any

balance of moneys remaining in the Construction Fund in (1) another account of the Construction Fund for which the Authorized Issuer Officer has stated that there are insufficient moneys present to pay the Cost of the related Project, (2) the Reserve Account, to the extent of a deficiency therein, (3) the Debt Service Fund, and (4) such other fund or account of the Issuer, including those established hereunder, as shall be determined by the Governing Body, provided the Issuer has received an opinion of Bond Counsel to the effect that such transfer shall not adversely affect the exclusion, if any, of interest on the Bonds from gross income for federal income tax purposes.

SECTION 4.05. Funds and Accounts. The Issuer covenants and agrees to establish with one or more Authorized Depositories separate funds to be known as the "St. Johns County Water and Sewer System Revenue Fund," the "St. Johns County Water and Sewer System Connection Charges Fund," the "St. Johns County Water and Sewer System Operation and Maintenance Fund," the "St. Johns County Water and Sewer Revenue Bonds Debt Service Fund," the "St. Johns County Water and Sewer System Renewal and Replacement Fund," and the "St. Johns County Water and Sewer Revenue Bonds Rebate Fund." The Issuer shall maintain in the Debt Service Fund four accounts: the "Interest Account," the "Principal Account," the "Bond Amortization Account," and the "Reserve Account." Moneys in the Debt Service Fund, until applied in accordance with the provisions hereof, shall be subject to a lien and charge in favor of the Holders and for the further security of the Holders. The Issuer shall maintain in the Connection Charges Fund two accounts: the "Current Account" and the "Stabilization Account."

The Issuer shall at any time and from time to time appoint one or more Authorized Depositories to hold, for the benefit of the Issuer and/or the Bondholders, any one or more of the funds and accounts established hereby. Such depository or depositories shall perform at the direction of the Issuer the duties of the Issuer in depositing, transferring and disbursing moneys to and from each of such funds and accounts as herein set forth, and all records of such depository in performing such duties shall be open at all reasonable times to inspection by the Issuer and its agent and employees.

SECTION 4.06. Flow of Funds.

(A) Gross Revenues and Connection Charges. The Issuer shall deposit the Connection Charges into the Current Account, promptly upon the receipt thereof, until an amount equal to the Connection Charges Debt Service Components for the then current Bond Year shall have been deposited into the Current Account in such Bond Year. After an amount equal to such Connection Charges Debt Service Components shall have been deposited into the Current

Account in such Bond Year, the Issuer shall deposit additional Connection Charges received in such Bond Year into the Stabilization Account.

On or before the last day of each month, commencing with the month in which delivery of the Series 1989 Bonds shall be made to the purchasers thereof, all or any portion of the moneys in the Current Account may, at the option of the Issuer, be deposited or credited to the Debt Service Fund in the manner described in part (2) hereof; provided, however, that such moneys shall be deposited or credited to the Debt Service Fund in the manner described in part (2) hereof in the event that moneys in the Revenue Fund are insufficient or unavailable to make all of the deposits into the Debt Service Fund required by part (2) hereof. The balance of any moneys remaining in the Current Account after such deposits, if any, shall be transferred to the Stabilization Account.

Moneys in the Stabilization Account may, to the extent such moneys are lawfully available for such purpose, be applied only (i) to the Current Account in an amount which shall not exceed the Connection Charges Debt Service Components for the then current Bond Year, less amounts previously transferred from the Current Account to the Debt Service Fund during such Bond Year, (ii) to the purchase or redemption of Bonds or (iii) to the Issuer, from time to time, for the acquisition and construction of Expansion Facilities.

Notwithstanding anything to the contrary contained in this Resolution, the aggregate amount of Connection Charges applied and allocated to the aggregate Debt Service Requirements for the Bonds shall never exceed the aggregate Connection Charges Debt Service Components for the Bonds.

The Issuer shall deposit all Gross Revenues into the Revenue Fund, promptly upon the receipt thereof. On or before the last day of each month, commencing with the month in which delivery of the Bonds shall be made to the purchasers thereof, the moneys in the Revenue Fund shall be deposited or credited in the following manner and in the following order of priority:

(1) Operation and Maintenance Fund. The Issuer shall deposit into or credit to the Operation and Maintenance Fund such sum as shall be necessary to cause the moneys in the Operation and Maintenance Fund to be sufficient to pay Operating Expenses for the next succeeding month according to the Annual Budget; provided, however, that subject always to the provisions of Section 5.06 hereof, the Issuer shall transfer moneys from the Revenue Fund to the Operation and Maintenance Fund at any time to pay Operating Expenses to the extent there shall be a deficiency

in the moneys in the Operation and Maintenance Fund for such purpose. Moneys in the Operation and Maintenance Fund shall be paid out from time to time by the Issuer to pay reasonable and necessary Operating Expenses as and when the same shall be incurred.

(2) Debt Service Fund. Next, the Issuer shall deposit into or credit to the Debt Service Fund, from moneys in the Revenue Fund and/or the Current Account, such sums as shall be required for all of the deposits, transfers and payments described in this part (2). The moneys on deposit in the Debt Service Fund shall be applied by the Issuer in the manner provided herein solely for the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds and for the purchase of, and reinstatement of the maximum limits of, any Reserve Account Insurance Policy and/or Reserve Account Letter of Credit, and shall not be available for any other purpose. The moneys transferred from the Revenue Fund and from the Current Account to the Debt Service Fund shall be deposited or credited in the following manner and in the following order of priority:

(a) Interest Account. The Issuer shall deposit into or credit to the Interest Account the sum which, together with the surplus moneys in the Interest Account not theretofore allocated to supplement any previous monthly deposit to the credit of the Interest Account, will be sufficient to pay one-sixth (1/6) of all interest coming due on the Bonds on the next Interest Date, plus the full balance of any continuing deficiencies in prior deposits to the Interest Account. Moneys in the Interest Account shall be applied by the Issuer to pay interest on the Bonds as and when the same become due, whether by redemption or otherwise, and for no other purpose. The Issuer shall adjust the amount of the deposit into the Interest Account not later than the month immediately preceding any Interest Date so as to provide sufficient moneys in the Interest Account to pay the interest on the Bonds coming due on such Interest Date.

(b) Principal Account. Next, the Issuer shall deposit into or credit to the Principal Account the sum which, together with the surplus moneys in the Principal Account not theretofore allocated to supplement any previous monthly deposit to the credit of the Principal Account, will be sufficient to pay (i) the principal amount of all Outstanding Bonds other than Term Bonds due and unpaid and (ii) one-twelfth (1/12) of the principal amount of the Bonds other than Term Bonds which shall thereafter mature during the then current Bond Year. Serial Capital Appreciation Bonds (including their respective interest components) shall be payable entirely from moneys in the Principal Account on their respective maturity dates, and deposits or credits to the Principal Account to provide funds for such purpose shall commence in the month which is one year prior to each such maturity date. Moneys in the Principal Account shall be applied by the Issuer to

pay the principal of the Bonds other than Term Bonds as and when the same shall mature, and for no other purpose.

(c) Bond Amortization Account. Payments to the Bond Amortization Account shall be on a parity with payments to the Principal Account. Commencing in the month which is one year prior to the due date of each Amortization Installment, the Issuer shall deposit into or credit to the Bond Amortization Account the sum which, together with the balance in said account held for the credit of such Amortization Installment and all Outstanding Term Bonds due and unpaid and not theretofore allocated to supplement any previous monthly deposit, will be sufficient to pay (i) one-twelfth (1/12) of such Amortization Installment and (ii) the full balance of any continuing deficiencies in prior deposits to the Bond Amortization Account for such Amortization Installment and the principal amount of all such Outstanding Term Bonds due and unpaid. Term Capital Appreciation Bonds (including their respective interest components) shall be payable entirely from moneys in the Bond Amortization Account on the respective due dates of the Amortization Installments applicable thereto, and deposits or credits to the Bond Amortization Account to provide funds for such purpose shall commence in the month which is one year prior to each such Amortization Installment due date. Moneys in the Bond Amortization Account shall be applied by the Issuer to purchase or redeem Term Bonds in the manner herein provided, and for no other purpose.

Amounts accumulated in the Bond Amortization Account with respect to any Amortization Installment may be applied by the Issuer, on or prior to the sixtieth (60th) day preceding the due date of such Amortization Installment (i) to the purchase of Term Bonds of the Series and maturity for which such Amortization Installment was established, at a price not greater than the Redemption Price at which such Term Bonds may be redeemed on the first date thereafter on which such Term Bonds shall be subject to redemption, or (ii) to the redemption at the applicable Redemption Price of such Term Bonds. The applicable Redemption Price (or principal amount of maturing Term Bonds) of any Term Bonds so purchased or redeemed shall be deemed to constitute part of the Bond Amortization Account until such Amortization Installment date, for the purposes of calculating the amount of such Account. As soon as practicable after the sixtieth (60th) day preceding the due date of any such Amortization Installment, the Issuer shall proceed to call for redemption on such due date, by causing notice to be given as provided in Section 3.03 hereof, Term Bonds of the Series and maturity for which such Amortization Installment was established (except in the case of Term Bonds maturing on an Amortization Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Amortization Installment. The Issuer shall pay out of the

Bond Amortization Account and the Interest Account to the respective Paying Agents, on or before the day preceding such redemption date (or maturity date), the amount required for the redemption (or for the payment of such Term Bonds then maturing), and such amount shall be applied by such Paying Agents to such redemption (or payment). All expenses in connection with the purchase or redemption of Term Bonds shall be paid by the Issuer from the Revenue Fund.

(d) Reserve Account. Next, the Issuer shall deposit into or credit to the Reserve Account such sum, if any, as will be necessary to immediately restore the funds on deposit therein to an amount equal to the Reserve Account Requirement including the reinstatement of any Reserve Account Insurance Policy or Reserve Account Letter of Credit on deposit therein or the cash replacement thereof. On or prior to each Interest Date and each maturity or redemption date for the payment of any principal of the Bonds, moneys in the Reserve Account shall be applied by the Issuer to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds to the extent moneys in the Interest Account, the Principal Account and the Bond Amortization Account shall be insufficient for such purpose. Whenever there shall be surplus moneys in the Reserve Account by reason of a decrease in the Reserve Account Requirement, such surplus moneys shall be deposited by the Issuer into the Interest Account.

Upon the issuance of any Series of Bonds, under the terms, limitations and conditions as herein provided, the Issuer shall provide for the funding of the Reserve Account in an amount equal to the Reserve Account Requirement. Such required amount may be paid in full or in part from the proceeds of such Series of Bonds or may be accumulated in equal monthly payments from the Revenue Fund, on a parity with the payments required by the first sentence of this subpart (d), to the Reserve Account over a period of months from the date of issuance of such Series of Bonds, which shall not exceed the greater of (a) sixty (60) months, or (b) the number of months for which interest on such Series of Bonds has been capitalized, as determined by Supplemental Resolution.

Whenever moneys on deposit in the Reserve Account, together with the other available amounts in the Debt Service Fund, are sufficient to fully pay all Outstanding Bonds (including principal and interest thereon) in accordance with their terms, the funds on deposit in the Reserve Account shall be applied to the payment of Bonds.

Notwithstanding the foregoing provisions, in lieu of the required deposits into the Reserve Account, the Issuer may, at its sole option and discretion, cause to be deposited a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit in an amount equal to the difference between the Reserve Account

Requirement applicable thereto and the sums then on deposit in the Reserve Account, if any. Such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit shall be payable to the Paying Agent for such Series (upon the giving of notice as required thereunder) on any interest payment or redemption date on which a deficiency exists which cannot be cured by funds in any other fund or account held pursuant to this Resolution and available for such purpose. The issuer providing such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit shall be either (a) an insurer (i) whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated in one of the two highest rating categories (without regard to gradations, such as "plus" or "minus" of such categories) by either Standard & Poor's Corporation or Moody's Investors Service, or (ii) who holds one of the two highest policyholder ratings accorded insurers by A. M. Best & Company, or any comparable service, or (b) a commercial bank, insurance company or other financial institution the bonds payable or guaranteed by which have, or whose obligation to pay is guaranteed by a commercial bank, insurance company or other financial institution which has, been assigned a rating by either Moody's Investors Service or Standard & Poor's Corporation in one of the two highest rating categories (without regard to gradations, such as "plus" or "minus" of such categories).

If fifteen (15) days prior to an Interest Date, a principal maturity date or a mandatory redemption date, the Issuer shall determine that a deficiency exists in the amount of moneys available to pay in accordance with the terms hereof interest and/or principal due on Bonds on such date, the Issuer shall immediately notify (a) the issuer of the applicable Reserve Account Insurance Policy and/or the issuer of the Reserve Account Letter of Credit, and (b) the Insurer, if any, of the amount of such deficiency and the date on which such payment is due, and shall take all action to cause such issuer or Insurer to provide moneys which, together with the sum then on deposit in the Reserve Account, are sufficient to pay all amounts due on such interest payment or redemption date.

If a disbursement is made from a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit provided pursuant to this Section 4.06(A)(2)(d), the Issuer shall reinstate the maximum limits of such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit immediately following such disbursement as soon as moneys are available in the Reserve Account in accordance with the provisions of the first paragraph of this Section 4.06(A)(2)(d), by depositing funds in the amount of the disbursement made under such instrument, with the issuer thereof, together with interest thereon to the date of reimbursement at the rate set forth in such Reserve Account Insurance Policy or such Reserve Account Letter of Credit, but in no case greater

than the maximum rate of interest permitted by law. In addition, and in the same manner, the Issuer shall reimburse the issuer of the Reserve Account Insurance Policy and/or the issuer of the Reserve Account Letter of Credit for all reasonable expenses incurred by such issuer in connection with the draw on such Reserve Account Insurance Policy or the Reserve Account Letter of Credit, as the case may be.

The Issuer may evidence its obligation to reimburse the issuer of any Reserve Account Letter of Credit or Reserve Account Insurance Policy by executing and delivering to such issuer a promissary note therefor, provided, however, any such note (i) shall not be a general obligation of the Issuer the payment of which is secured by the full faith and credit or taxing power of the Issuer, and (ii) shall be payable solely from moneys available in the Reserve Account in accordance with the provisions of the first paragraph of this Section 4.06(A)(2)(d).

To the extent the Issuer causes to be deposited into the Reserve Account, a Reserve Account Insurance Policy and/or a Reserve Account Letter of Credit for a term of years shorter than the life of the Series of Bonds so insured or secured, then the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit shall provide, among other things, that the issuer thereof shall provide the Issuer with notice as of each anniversary of the date of the issuance of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit of the intention of the issuer thereof to either (i) extend the term of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit beyond the expiration dates thereof, or (ii) terminate the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit on the initial expiration dates thereof or such other future date as the issuer thereof shall have established. If the issuer of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit notifies the Issuer pursuant to clause (ii) of the immediately preceding sentence or if the Issuer terminates the Reserve Account Letter of Credit and/or Reserve Account Insurance Policy, then the Issuer shall deposit into the Reserve Account pursuant to the first sentence of this Section 4.06(A)(2)(d), during the first full calendar month following the date on which such notice of intent to terminate is received by the Issuer and in each succeeding month, such sums as shall be sufficient to pay each month an amount equal to a fraction, the numerator of which is one (1) and the denominator of which is equal to the number of months remaining in the term of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit, of the portion of the Reserve Account Requirement covered by the Reserve Account Letter of Credit and/or the Reserve Account Insurance Policy on the date such notice was received, until the sum on deposit in the Reserve Account, and no later than the expiration of such Reserve Account Insurance Policy

and/or such Reserve Account Letter of Credit, shall be equal to the Reserve Account Requirement.

If any Reserve Account Letter of Credit or Reserve Account Insurance Policy shall terminate prior to the stated expiration date thereof, the Issuer agrees that it shall fund the Reserve Account pursuant to the first sentence of this Section 4.06(A)(2)(d), during a period not to exceed sixty (60) months when it shall make consecutive equal monthly payments in order that the amount on deposit in such account at the end of such period shall be equal to the Reserve Account Requirement; provided, the Issuer may at its sole option and discretion, with the prior written consent of the Insurer, if any, obtain a new Reserve Account Letter of Credit or a new Reserve Account Insurance Policy in lieu of making the payments required by this paragraph.

(3) Renewal and Replacement Fund. Next, whenever the balance on deposit in the Renewal and Replacement Fund shall be less than the Renewal and Replacement Fund Requirement, the Issuer shall deposit into or credit to the Renewal and Replacement Fund the balance of all moneys remaining in the Revenue Fund to the extent necessary to cause the moneys in the Renewal and Replacement Fund to equal the Renewal and Replacement Fund Requirement. If at anytime the balance on deposit in the Renewal and Replacement Fund shall exceed the Renewal and Replacement Fund Requirement, such excess shall be withdrawn by the Issuer from the Renewal and Replacement Fund and deposited into the Revenue Fund. The moneys in the Renewal and Replacement Fund shall be applied by the Issuer to the payment of the cost of extensions, improvements and additions to, or renewals and replacements of the capital assets of, the System, or extraordinary repairs of the System; provided, however, that whenever moneys in the Debt Service Fund shall be insufficient to pay all or any part of the principal of, Redemption Price or interest on any of the Bonds, moneys in the Renewal and Replacement Fund shall first be used to supplement the Debt Service Fund to the extent necessary to prevent a default on the Bonds.

(4) Subordinated Indebtedness. Next, the Issuer shall apply available moneys in the Revenue Fund to the payment of the debt service for any Subordinated Indebtedness.

(5) Rebate Fund. Next, the Issuer may, at its option, deposit into or credit to the Rebate Fund the amount described in Section 4.07(A) hereof.

(6) Excess Revenues. Finally, the Issuer may withdraw the balance of all moneys remaining on deposit to the credit of the Revenue Fund and apply the same to any lawful county purpose.

(B) Discretionary Purchase or Redemption. The Issuer, in its discretion, may use moneys in the Principal Account and the Interest Account to purchase or redeem Bonds coming due on the next principal payment date, provided such purchase or redemption does not adversely affect the Issuer's ability to pay the principal or interest coming due on such principal payment date on the Bonds not so purchased or redeemed.

(C) Deposit with Paying Agent. At least one (1) business day prior to the date established for payment of any principal of or Redemption Price, if applicable, or interest on the Bonds, the Issuer shall withdraw from the Debt Service Fund sufficient moneys to pay such principal or Redemption Price, if applicable, or interest and deposit such moneys with the Paying Agent for the Bonds to be paid.

(D) Reimbursement of Credit Bank. In the case of Bonds secured by a Credit Facility, amounts on deposit in any funds or accounts established for such Bonds may be applied as provided in the applicable Supplemental Resolution to reimburse the Credit Bank for amounts drawn under such Credit Facility to pay the principal of or Redemption Price, if applicable, and interest on such Bonds or to pay the purchase price of any such Bonds which are tendered by the Holders thereof for payment.

SECTION 4.07. Rebate Fund. Amounts on deposit in the Rebate Fund shall be held in trust by the Issuer and used solely to make required rebates to the United States Treasury (except to the extent the same may be transferred to the Revenue Fund) and the Bondholders shall have no right to have the same applied for debt service on the Bonds. The Issuer agrees to undertake all actions required of it in its arbitrage certificate, dated the date of issuance of the Bonds, relating to the Bonds, including, but not limited to:

(A) making a determination in accordance with the Code of the amount required to be deposited in the Rebate Fund;

(B) depositing from moneys in the Revenue Fund or from other moneys of the Issuer derived from sources other than ad valorem taxation and legally available for such purpose the amount determined in clause (A) above into the Rebate Fund;

(C) paying on the dates and in the manner required by the Code to the United States Treasury from the Rebate Fund and any other legally available moneys of the Issuer derived from sources other than ad valorem taxation such amounts as shall be required by the Code to be rebated to the United States Treasury; and

(D) keeping such records of the determinations made pursuant to this Section 4.07 as shall be required by the Code, as well as evidence of the fair market value of any investments purchased with proceeds of the Bonds of the Series of which such accounts were created.

The provisions of the above-described arbitrage certificate may be amended from time to time as shall be necessary, in the opinion of Bond Counsel, to comply with the provisions of the Code.

Foley & Lardner, Jacksonville, Florida, is hereby appointed to serve as rebate administrator hereunder with respect to every Series of the Bonds until the Issuer shall by resolution appoint as successor rebate administrator any other Bond Counsel or any certified public accountant, bank or trust company, or other agent of the Issuer who shall be qualified to assure compliance by the Issuer with the requirements of this section. The rebate administrator is hereby authorized to hire counsel, accountants, and other experts which the rebate administrator may, in its sole discretion, determine advisable for the purpose of obtaining the required calculations of the rebate amounts and determinations as to the due dates for the rebate thereof and other matters necessary for compliance with Section 148(f) of the Code as the same relates to the Bonds. The rebate administrator will not be liable for any loss occasioned by its reliance upon the instructions of such experts or upon the Issuer's certification of the amounts earned on nonpurpose investments, as such term is defined in Section 148(b)(2) of the Code, in which gross proceeds of the Bonds shall be invested. The duties and responsibilities of the rebate administrator may be performed by more than one Person.

SECTION 4.08. Investments. The Construction Fund, the Revenue Fund, the Connection Charges Fund, the Debt Service Fund and the Renewal and Replacement Fund shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State. Moneys on deposit in the Construction Fund, the Revenue Fund, the Connection Charges Fund, the Operation and Maintenance Fund, the Rebate Fund, the Renewal and Replacement Fund and the Debt Service Fund, other than the Reserve Account, may be invested and reinvested in Authorized Investments maturing not later than the date on which the moneys therein will be needed. Moneys on deposit in the Reserve Account may be invested or reinvested in Authorized Investments which shall mature no later than five (5) years from the date of acquisition thereof.

Any and all income received by the Issuer from the investment of moneys in the Construction Fund, in the Rebate Fund,

in the Interest Account, the Principal Account and the Bond Amortization Account in the Debt Service Fund, in the Revenue Fund, in the Current Account and in the Stabilization Account, in the Operation and Maintenance Fund, in the Renewal and Replacement Fund and in the Reserve Account in the Debt Service Fund (to the extent the amount therein is less than the Reserve Account Requirement), shall be retained in such respective fund or account unless otherwise required by applicable law.

Any and all income received by the Issuer from the investment of moneys in the Reserve Account in the Debt Service Fund (to the extent the amount therein is greater than the Reserve Account Requirement) shall be deposited in the Interest Account.

All investments shall be valued at cost. Nothing contained in this Resolution shall prevent any Authorized Investments acquired as investments of or security for funds held under this Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

SECTION 4.09. Separate Accounts. The moneys required to be accounted for in each of the foregoing funds and accounts established herein may be deposited in a single bank account, and funds allocated to the various funds and accounts established herein may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds and accounts as herein provided.

The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

ARTICLE V

SUBORDINATED INDEBTEDNESS ADDITIONAL BONDS, AND COVENANTS OF ISSUER

SECTION 5.01. Subordinated Indebtedness. The Issuer will not issue any other obligations, except under the conditions and in the manner provided herein, payable from the Pledged Funds or voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien thereon in favor of the Bonds and the interest thereon. The Issuer may at any time or from time to time issue evidences of indebtedness that are not

Additional Bonds and that are payable in whole or in part out of the Pledged Funds and which may be secured by a pledge of the Pledged Funds; provided, however, that such pledge shall be, and shall be expressed to be, subordinated in all respects to the pledge of the Pledged Funds created by this Resolution. The Issuer shall have the right to covenant with the holders from time to time of any Subordinated Indebtedness to add to the conditions, limitations and restrictions under which any Additional Bonds may be issued pursuant to Section 5.02 hereof.

SECTION 5.02. Issuance of Additional Bonds. No Additional Bonds, payable from the Pledged Funds on a parity with the Bonds then Outstanding pursuant to this Resolution, shall be issued except upon the conditions and in the manner herein provided. The Issuer may issue one or more Series of Additional Bonds for any one or more of the following purposes: financing the Cost of an Additional Project, or the completion thereof or of the Initial Project, or refunding any or all Outstanding Bonds or of any Subordinated Indebtedness of the Issuer.

No such Additional Bonds shall be issued unless the following conditions are complied with:

(A) The Issuer shall certify that it is current in all deposits into the various funds and accounts established hereby and all payments theretofore required to have been deposited or made by it under the provisions of this Resolution and has complied with the covenants and agreements of this Resolution.

(B) There shall have been obtained and filed with the Issuer a certificate of an independent certified public accountant: (1) stating that he has examined the books and records of the Issuer relating to the collection and receipt of the Gross Revenues and the Connection Charges; (2) stating the amount of Net Revenues and the Connection Charges actually deposited into the Current Account during the immediately preceding Fiscal Year or any twelve (12) consecutive months selected by the Issuer of the twenty-four (24) months immediately preceding the issuance of such Additional Bonds; (3) stating that such Net Revenues, adjusted as provided in Section 5.02(E) hereof, equal at least 1.10 times the Maximum Debt Service Requirement for all Outstanding Bonds and such Additional Bonds then proposed to be issued; (4) stating that such Net Revenues and such Connection Charges, adjusted as provided in Section 5.02(E) hereof, equal at least 1.20 times the Maximum Debt Service Requirement for all Outstanding Bonds and such Additional Bonds then proposed to be issued; and (5) stating that no Event of Default was disclosed in the report of the most recent Annual Audit, or if such Event of Default was so disclosed, that it shall have been cured.

(C) In computing Maximum Debt Service Requirement for purposes of this Section 5.02, the interest rate on outstanding Variable Rate Bonds, and on additional parity Variable Rate Bonds then proposed to be issued, shall be deemed to be the Maximum Interest Rate applicable thereto.

(D) For the purposes of this Section 5.02, the phrase "immediately preceding Fiscal Year or any twelve (12) consecutive months selected by the Issuer of the twenty-four (24) months immediately preceding the issuance of such Additional Bonds" shall be sometimes referred to as "twelve consecutive months."

(E) The Net Revenues and the Connection Charges deposited into the Current Account may be adjusted by the independent certified public accountant, at the option of the Issuer, as follows:

(1) If the Issuer, prior to the issuance of the proposed Additional Bonds but not prior to the beginning of such twelve consecutive months, shall have increased the Rates, and/or shall have begun to derive revenues from newly acquired facilities of the System, the Net Revenues for the twelve consecutive months shall be adjusted to show the Net Revenues which would have been derived in such twelve consecutive months if such increased Rates had been in effect, and/or such new facilities had produced revenues, during all of such twelve consecutive months.

(2) In the event the Issuer shall have completed additions, extensions or improvements to the System prior to the issuance of the proposed Additional Bonds but not prior to the beginning of such twelve consecutive months and/or shall be constructing or acquiring additions, extensions or improvements to the System to be financed wholly or in part from the proceeds of such Additional Bonds or from any other source, from which Project or Projects the Issuer expects to derive revenues within three (3) years after issuance of such Additional Bonds, such Net Revenues may be adjusted by adding thereto the net revenues estimated by the Consulting Engineers to be derived during the first twelve (12) months of operation of such Project after completion of the construction or acquisition thereof.

(3) If the Issuer, in connection with the issuance of Additional Bonds, shall enter into a contract (with a duration not less than the final maturity of such Additional Bonds) with any public or private entity whereby the Issuer agrees to furnish services in connection with any water and/or sewer system, then the Net Revenues of the System during the twelve (12) consecutive months shall be increased by the least amount which said public or private entity shall guarantee to pay in any one year for the furnishing of said services by the Issuer, after deducting

therefrom the proportion of operating expenses and repair, renewal and replacement cost attributable in such year to such services.

(4) In the event the Issuer shall be constructing or acquiring additions, extensions or improvements to the System from the proceeds of such Additional Bonds and shall have established fees, rates or charges to be charged and collected from users of such facilities when service is rendered, such Net Revenues and such Connection Charges may be adjusted by adding thereto the Net Revenues and the Connection Charges (in an amount not exceeding the Connection Charges Debt Service Component for the proposed Additional Bonds for the first Bond Year commencing after completion of the construction or acquisition of said additions, extensions and improvements) estimated by the Consulting Engineers to be derived during the first twelve (12) months of operation after completion of the construction or acquisition of said additions, extensions and improvements from the proposed users of the facilities to be financed by Additional Bonds together with other funds on hand or lawfully obtained for such purpose.

(F) Additional Bonds shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and all of the other covenants and other provisions of this Resolution (except as to details of such Additional Bonds inconsistent therewith) shall be for the equal benefit, protection and security of the Holders of all Bonds issued pursuant to this Resolution; provided, however, any Supplemental Resolution authorizing the issuance of Additional Bonds may provide that any of the covenants herein contained will not be applicable to such Additional Bonds, provided that such provision shall not, in the opinion of Bond Counsel, adversely affect the rights of any Bonds which shall then be Outstanding. Except as provided in Sections 4.02 and 4.06 hereof, all Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Pledged Funds and their sources and security for payment therefrom without preference of any Bonds over any other; provided, however, that the Issuer shall include a provision in any Supplemental Resolution authorizing the issuance of Variable Rate Bonds pursuant to this Section 5.02 that in the event the principal thereof is accelerated due to such Bonds being held by the issuer of a Credit Facility, the lien of such Bonds on the Pledged Funds shall be subordinate in all respects to the pledge of the Pledged Funds created by this Resolution.

(G) In the event any Additional Bonds are issued for the purpose of refunding any Bonds then Outstanding, the conditions of this Section 5.02 shall not apply, provided that the issuance of such Additional Bonds shall not result in an increase in the aggregate amount of principal of and interest on the Outstanding Bonds becoming due in the current Fiscal Year and all subsequent Fiscal Years. The conditions of Section 5.02(B) hereof shall apply to Additional Bonds issued to refund Subordinated

Indebtedness and to Additional Bonds issued for refunding purposes which cannot meet the conditions of this paragraph.

(H) In the event that the total amount of the Bonds herein authorized to be issued are not issued simultaneously, such Bonds which are subsequently issued shall be subject to the conditions of Section 5.02(B) hereof.

(I) In addition to all of the other requirements specified in this Section 5.02, the Issuer must comply with any applicable provisions of any financing documents relating to outstanding Subordinated Indebtedness to the extent such provisions impact on the ability of the Issuer to issue Additional Bonds.

SECTION 5.03. Bond Anticipation Notes. The Issuer may issue notes in anticipation of the issuance of Bonds which shall have such terms and details and be secured in such manner, not inconsistent with this Resolution, as shall be provided by resolution of the Issuer.

SECTION 5.04. Accession of Subordinated Indebtedness to Parity Status with Bonds. The Issuer may provide for the accession of Subordinated Indebtedness to the status of complete parity with the Bonds, if (A) the Issuer shall meet all the requirements imposed upon the issuance of Additional Bonds by Section 5.02 hereof, assuming, for purposes of said requirements, that such Subordinated Indebtedness shall be Additional Bonds, and (B) the Issuer shall provide for the funding of the Reserve Account, upon such accession, in an amount equal to the increase in the amount of the Reserve Account Requirement occasioned by such accession in accordance with Section 4.06(A)(2)(d) hereof. If the aforementioned conditions are satisfied, the Subordinated Indebtedness shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and such Subordinated Indebtedness shall be considered Bonds for all purposes provided in this Resolution.

SECTION 5.05. Operation and Maintenance. The Issuer will maintain or cause to be maintained the System and all portions thereof in good condition and will operate or cause to be operated the same in an efficient and economical manner, making or causing to be made such expenditures for equipment and for renewals, repairs and replacements as may be proper for the economical operation and maintenance thereof. The Issuer will obtain and renew to the full extent required by applicable law all permits for acquisition, construction and operation of the System.

SECTION 5.06. Annual Budget. The Issuer shall annually prepare and adopt, prior to the beginning of each Fiscal Year, an Annual Budget in accordance with applicable law. No expenditure for Operating Expenses shall be made in any Fiscal Year in excess of the amount provided therefor in the Annual Budget, (A) without

a written finding and recommendation by an Authorized Issuer Officer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures, and (B) until the Governing Body shall have approved such finding and recommendation by resolution.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, other than the first Fiscal Year, the preliminary budget for such Fiscal Year, if it be approved by the Consulting Engineers, shall be deemed to be in effect for such Fiscal Year until the Annual Budget for such Fiscal Year shall be adopted; and if the preliminary budget shall not have been approved by the Consulting Engineers, the Annual Budget for the preceding Fiscal Year shall be deemed to continue in effect.

The Issuer may at any time adopt an amended Annual Budget for the then current Fiscal Year, but no such amended Annual Budget shall supersede any prior budget until it shall be approved by the Consulting Engineers as being, in their opinion, reasonable and necessary.

The Issuer shall mail copies of such Annual Budgets and amended Annual Budgets and all resolutions authorizing increased expenditures for Operating Expenses to any Holder who shall file an address with the Clerk and request in writing that copies of all such Annual Budgets and resolutions be furnished to such Holder and shall make available all such Annual Budgets and resolutions authorizing increased expenditures for Operating Expenses at all reasonable times to any Holder or to anyone acting for or on behalf of any Holder. The Issuer shall be permitted to make a reasonable charge for furnishing to any Holder such Annual Budgets and resolutions.

SECTION 5.07. Rates and Connection Charges. The Issuer shall fix, establish, maintain and collect such Rates, and revise the same effective at the beginning of each Fiscal Year, in the manner provided in this Section 5.07, to the extent necessary, as will always provide Net Revenues in each Fiscal Year, (A) which, if Connection Charges are currently being imposed and clause (B) hereof shall be satisfied, are adequate at all times to pay in each Fiscal Year at least one hundred ten percent (110%) of the current annual Debt Service Requirement becoming due in such Fiscal Year on each Series of Outstanding Bonds and at least one hundred percent (100%) of any amounts required by the terms hereof to be deposited in the subaccounts of the Reserve Account or in the Renewal and Replacement Fund or with any issuer of a Reserve Account Letter of Credit or Reserve Account Insurance Policy in such Fiscal Year, and (B) which, together with Connection Charges actually deposited in the Current Account, are adequate to pay at least one hundred twenty percent (120%) of the current annual Debt Service Requirement becoming due in such Fiscal Year on each

Series of Outstanding Bonds. Such Rates shall not be so reduced that the same will be insufficient to provide Net Revenues in each Fiscal Year fully adequate for the purposes provided therefor by this Resolution. Provided, however, anything herein to the contrary notwithstanding, no provision hereof shall be construed to obligate the Issuer to impose or, once imposed, continue Connection Charges; but at anytime and while Connection Charges shall be in effect and imposed by the Issuer, the same shall be pledged hereunder to the extent provided herein.

The Issuer covenants and agrees that prior to the beginning of each Fiscal Year, whenever the Rates which shall be projected by the Annual Budget proposed for such Fiscal Year shall be insufficient for the coverages required by the first paragraph of this section, the Issuer shall revise the Rates by adopting a schedule thereof by resolution or ordinance in the manner provided by applicable Florida law.

The Issuer further covenants and agrees that after receipt by the Issuer of each Annual Audit, if the Net Revenues shall be shown by such Annual Audit to have been insufficient in the Fiscal Year audited for the coverages required by the first paragraph of this section, the Issuer shall, prior to the commencement of the next succeeding Fiscal Year, revise the Rates by adopting a schedule thereof by resolution or ordinance in the manner provided by applicable Florida law, with respect to which revised Rates schedule the Issuer shall have obtained a certificate in writing from an independent firm of certified public accountants of suitable qualifications and experience that (1) had such revised schedule been in effect during such immediately preceding Fiscal Year the coverages required by this section would have been met or exceeded, and (2) had the same been in effect since the beginning of the then current Fiscal Year, (a) based upon the current Annual Budget said coverages would be met or exceeded for such current Fiscal Year and (b) estimated Gross Revenues for such current Fiscal Year as reflected in the current Annual Budget would exceed the actual Gross Revenues received in such immediately preceding Fiscal Year as reflected in such Annual Audit by at least the amount that the estimated Operating Expenses for such current Fiscal Year as reflected in the current Annual Budget shall exceed the actual Operating Expenses during such immediately preceding Fiscal Year as reflected in such Annual Audit. If and whenever the Issuer shall be required to increase the Rates by reason of the provisions of this paragraph, the Issuer shall cause the Consulting Engineers to review its Rates, Gross Revenues, Operating Expenses and methods of operation and to make written recommendations as to the means, including further Rate increases, by which the Issuer may best assure Net Revenues in the next succeeding Fiscal Year sufficient for compliance with all of the terms of this Resolution. The Issuer shall implement such recommendations by making any recommended revisions in the Rates in the aforesaid manner, effective at the

beginning of the next succeeding Fiscal Year or as soon thereafter as shall be possible, and by taking any other recommended action as soon thereafter as shall be practicable.

The Issuer shall proceed diligently to perform legally and effectively all steps required in the collection of the Connection Charges. Upon the due date of any such Connection Charges, the Issuer shall diligently proceed to collect the same and shall exercise all legally available remedies to enforce such collections now or hereafter available under State law.

SECTION 5.08. Books and Records. The Issuer will keep books, records and accounts of the receipt of the Pledged Funds in accordance with generally accepted accounting principles, and any Credit Bank, Insurer, or Holder of any Bonds Outstanding or the duly authorized representatives thereof shall have the right at all reasonable times to inspect all books, records and accounts of the Issuer relating thereto.

The Issuer covenants that within one hundred eighty (180) days of the close of each Fiscal Year it will cause to be prepared and filed with the Clerk and mailed to all Credit Banks, Insurers and Holders who shall have filed their names and addresses with the Clerk for such purpose a statement setting forth in respect of the preceding Fiscal Year: (A) the amount of the Pledged Funds received in the preceding Fiscal Year; (B) the total amounts deposited to the credit of each fund and account created under the provisions of this Resolution; (C) the principal amount of all Bonds issued, paid, purchased or redeemed; and (D) the amounts on deposit at the end of such Fiscal Year to the credit of each such fund or account.

SECTION 5.09. Annual Audit. The Issuer shall, immediately after the close of each Fiscal Year, cause the financial statements of the Issuer to be properly audited by a recognized independent firm of certified public accountants, and shall require such accountants to complete their report of such Annual Audit in accordance with applicable law. Such Annual Audits shall contain, but not be limited to, a balance sheet, an income statement, a statement of changes in financial position, a statement of change in retained earnings, a statement of insurance coverage, and any other statements as required by law or accounting convention, and a certificate by such accountants disclosing any material default on the part of the Issuer of any covenant or agreement herein. Each Annual Audit shall be in conformity with generally accepted accounting principles. A copy of each Annual Audit shall regularly be furnished to any Credit Bank, to any Insurer and to any Holder who shall have furnished an address to the Clerk and requested in writing that the same be furnished to such Holder. The Issuer shall be permitted to make a reasonable charge for furnishing to any Holder such Annual Audit.

SECTION 5.10. Mortgage, Sale or Closing of Facilities.

The Issuer irrevocably covenants, binds and obligates itself not to sell, lease, encumber or in any manner dispose of any facilities of the System except as provided in this section, until all of the Bonds and all interest thereon shall have been paid in full or provision for payment has been made in accordance with Section 8.01 hereof.

The Issuer shall have and hereby reserves the right to close any facility of the System or part thereof and/or sell, lease or otherwise dispose of any site, facilities or property comprising a part of the System in the manner provided in this Section 5.10, if in the judgment of the Issuer such closing or disposition will not adversely affect the security for the Bondholders and any one of the following conditions exist: (A) such site, facilities or property is not necessary for the operation of the System, (B) such site, facilities or property is not useful in the operation of the System, (C) such site, facilities or property is not profitable in the operation of the System, or (D) in the case of a lease of such site, facilities or property, such lease will be advantageous to the System.

Prior to the Issuer's closing, sale, lease or other disposition of any facility of the System or part thereof, an Authorized Issuer Officer shall first make a finding in writing and the Consulting Engineers shall first make an engineering finding in writing determining that one or more of the conditions for the closing, sale, lease or other disposition of property provided for in the second paragraph of this Section 5.10 have been met, and the Governing Body shall, by resolution, duly adopt, approve and concur in such finding. Prior to any such sale, lease or other disposition of said property: (1) if the value thereof at original cost is not in excess of one-half (1/2) of one percent (1%) of the value of the gross plant of the System at original cost, an Authorized Issuer Officer shall make a finding in writing determining that one or more of the conditions for the closing, sale, lease or disposition of property provided for in the second paragraph of this Section 5.10 have been met; or (2) if the value of said property at original cost shall be in excess of one-half (1/2) of one percent (1%) of the value of the gross plant of the System at original cost, an Authorized Issuer Officer shall first make a finding in writing and the Consulting Engineers shall first make an engineering finding in writing determining that one or more of the conditions for the closing, sale, lease or other disposition of property provided for in the second paragraph of this Section 5.10 have been met, and the Governing Body shall, by resolution, duly adopt, approve and concur in such findings.

The proceeds from any such sale, lease or other disposition shall be deposited into the Revenue Fund.

The transfer of the System as a whole from the control of the Governing Body to some other board or authority which may hereafter be created for such purpose and which constitutes a governmental entity, interest on obligations issued by which is excluded from gross income of the holders thereof for federal income tax purposes under Section 103 of the Code, shall not be deemed prohibited by this Section 5.10 and such successor board or authority shall fall within the definition of "Issuer" in Section 1.01 hereof.

Notwithstanding the foregoing provisions of this Section 5.10, the Issuer shall have the authority to sell for fair and reasonable consideration any land comprising a part of the System which is no longer necessary or useful in the operation of the System and the proceeds derived from the sale of such land shall be deposited into the Revenue Fund.

The Issuer may make contracts or grant licenses for the operation of, or grant easements or other rights with respect to, any part of the System if such contract, license, easement or right does not, in the opinion of the Consulting Engineers, as evidenced by a certificate to that effect filed with the Issuer, impede or restrict the operation by the Issuer of the System, but any payments to the Issuer under or in connection with any such contract, license, easement or right in respect of the System or any part thereof shall constitute Gross Revenues.

SECTION 5.11. Insurance. So long as the Net Revenues are pledged hereunder, the Issuer will carry, with a reputable insurance carrier or carriers, such insurance as is ordinarily carried by private or public corporations owning and operating water and sewer facilities similar to the System, including public liability insurance, in such amounts as the Issuer shall determine to be sufficient. The property loss or damage insurance shall at all times be in an amount or amounts equal to the fair appraisal value of the buildings, furniture, fixtures and equipment of the System.

The Issuer may establish certain minimum levels of insurance for which the Issuer may self-insure. Such minimum levels of insurance shall be in amounts as recommended in writing by an insurance consultant who has a favorable reputation and experience and is qualified to survey risks and to recommend insurance coverage for Persons engaged in operations similar to the System.

SECTION 5.12. No Impairment. The pledging of the Pledged Funds in the manner provided herein shall not be subject to repeal, modification or impairment by any subsequent ordinance,

resolution or other proceedings of the Governing Body. This provision shall not, however, be deemed to prohibit the reduction or elimination of the Rates in the manner provided in Section 5.07 hereof.

SECTION 5.13. Special Covenants Relating to Reserve Account Insurance Policy or Reserve Account Letter of Credit.

(A) The Issuer shall annually submit to the issuer of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit, records of withdrawals on such Reserve Account Insurance Policy or such Reserve Account Letter of Credit, as the case may be, received by the Paying Agent and remaining unpaid, the respective dates of such withdrawals, the interest accrued on such withdrawals and the aggregate amount of interest due by the Issuer to the issuer of such Reserve Account Insurance Policy or such Reserve Account Letter of Credit, as the case may be.

(B) The Issuer hereby acknowledges that the issuer of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit shall be deemed a third-party beneficiary of this Resolution for the purpose of enforcing the terms, conditions and obligations of the Resolution which benefit the issuer of such Reserve Account Insurance Policy or such Reserve Account Letter of Credit, as the case may be.

SECTION 5.14. Covenants with Credit Banks and Insurers.
The Issuer may make such covenants as it may in its sole discretion, determine to be appropriate with any Insurer, Credit Bank or other financial institution that shall agree to insure or to provide for Bonds of any one or more Series credit or liquidity support that shall enhance the security or the value of such Bonds. Such covenants may be set forth in the applicable Supplemental Resolution and shall be binding on the Issuer, the Registrar, the Paying Agent and all the Holders of Bonds the same as if such covenants were set forth in full in this Resolution.

SECTION 5.15. Federal Income Tax Covenants; Taxable Bonds.

(A) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds), that it shall not use the proceeds of such Series of Bonds in any manner which would cause the interest on such Series of Bonds to be or become includable in the gross income of the Holder thereof for federal income tax purposes.

(B) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that neither the Issuer nor any Person under its control or direction will knowingly make any use of the proceeds of such Series of Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause

such Series of Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and neither the Issuer nor any such other Person shall knowingly do any act or fail to do any act which would cause the interest on such Series of Bonds to become includable in the gross income of the Holder thereof for federal income tax purposes.

(C) The Issuer hereby covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that it will use its best efforts to comply with all provisions of the Code necessary to maintain the exclusion of interest on the Bonds from the gross income of the Holder thereof for federal income tax purposes, including, in particular, the payment of any amount required to be rebated to the United States Treasury pursuant to the Code.

(D) The Issuer may, if it so elects, issue one or more Series of Taxable Bonds the interest on which is (or may be) includible in the gross income of the Holder thereof for federal income taxation purposes, so long as each Bond of such Series states in the body thereof that interest payable thereon is (or may be) subject to federal income taxation and provided that the issuance thereof will not cause the interest on any other Bonds theretofore issued hereunder to be or become includable in the gross income of the Holder thereof for federal income tax purposes. The covenants set forth in subsections (A), (B) and (C) of this Section 5.15 shall not apply to any Taxable Bonds.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. The following events shall each constitute an "Event of Default" hereunder:

(A) Default shall be made in the payment of the principal of, Amortization Installment, redemption premium or interest on any Bond when due.

(B) There shall occur the dissolution or liquidation of the Issuer, or the filing by the Issuer of a voluntary petition in bankruptcy, or the commission by the Issuer of any act of bankruptcy, or adjudication of the Issuer as a bankrupt, or assignment by the Issuer for the benefit of its creditors, or appointment of a receiver for the Issuer, or the entry by the Issuer into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Issuer in any proceeding for its reorganization instituted under the provisions of the Federal Bankruptcy Act, as amended, or under any similar act in any jurisdiction which may now be in effect or hereafter enacted.

(C) The Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Resolution on the part of the Issuer to be performed, and such default shall continue for a period of thirty (30) days after written notice of such default shall have been received from any Insurer or the Holders of not less than twenty-five percent (25%) of the aggregate principal amount of Bonds Outstanding or any Credit Bank. Notwithstanding the foregoing, the Issuer shall not be deemed in default hereunder if such default can be cured within a reasonable period of time and if the Issuer in good faith institutes curative action and diligently pursues such action until the default has been corrected.

SECTION 6.02. Remedies. Any Holder of Bonds issued under the provisions of this Resolution or any trustee or receiver acting for such Bondholders may either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights under the laws of the State, or granted and contained in this Resolution, and may enforce and compel the performance of all duties required by this Resolution or by any applicable statutes to be performed by the Issuer or by any officer thereof. This paragraph shall not be deemed to be a waiver by the Issuer of its venue rights.

The Holder or Holders of Bonds in an aggregate principal amount of not less than twenty-five percent (25%) of the Bonds then Outstanding may by a duly executed certificate in writing appoint a trustee for Holders of Bonds issued pursuant to this Resolution with authority to represent such Bondholders in any legal proceedings for the enforcement and protection of the rights of such Bondholders and such certificate shall be executed by such Bondholders or their duly authorized attorneys or representatives, and shall be filed in the office of the Clerk. Notice of such appointment, together with evidence of the requisite signatures of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding and the trust instrument under which the trustee shall have agreed to serve shall be filed with the Issuer and the trustee and notice of appointment shall be given to all Holders of Bonds in the same manner as notices of redemption are given hereunder. After the appointment of the first trustee hereunder, no further trustees may be appointed; however, the Holders of a majority in aggregate principal amount of all the Bonds then Outstanding may remove the trustee initially appointed and appoint a successor and subsequent successors at any time.

SECTION 6.03. Directions to Trustee as to Remedial Proceedings. The Holders of a majority in principal amount of the Bonds then Outstanding (or any Insurer insuring, or any Credit Bank providing a Credit Facility for, any then Outstanding Bonds)

have the right, by an instrument or concurrent instruments in writing executed and delivered to the trustee, to direct the method and place of conducting all remedial proceedings to be taken by the trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions hereof, and that the trustee shall have the right to decline to follow any such direction which in the opinion of the trustee would be unjustly prejudicial to Holders of Bonds not parties to such direction.

SECTION 6.04. Remedies Cumulative. No remedy herein conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 6.05. Waiver of Default. No delay or omission of any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given by Section 6.02 of this Resolution to the Bondholders may be exercised from time to time, and as often as may be deemed expedient.

SECTION 6.06. Application of Moneys After Default. If an Event of Default shall happen and shall not have been remedied, the Issuer or a court-appointed trustee or receiver shall apply all Pledged Funds as follows and in the following order:

(A) To the payment of the reasonable and proper charges, expenses and liabilities of the trustee or receiver, Registrar and Paying Agent hereunder; and

(B) To the payment of the amounts required for reasonable and necessary Operation Expenses, and for the reasonable renewals, repairs and replacements of the System necessary to prevent loss of Gross Revenues, as certified by the Consulting Engineers; and

(C) To the payment of the interest and principal or Redemption Price, if applicable, then due on the Bonds, as follows:

(1) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due, in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the

amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference;

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due at maturity or upon mandatory redemption prior to maturity (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of Section 8.01 of this Resolution), in the order of their due dates, with interest upon such Bonds from the respective dates upon which they became due, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Persons entitled thereto without any discrimination or preference; and

THIRD: to the payment of the Redemption Price of any Bonds called for optional redemption pursuant to the provisions of this Resolution.

(2) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, with interest thereon as aforesaid, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto without any discrimination or preference.

SECTION 6.07. Control by Insurer or Credit Bank. Upon the occurrence and continuance of an Event of Default, each Insurer or Credit Bank, if such Insurer or Credit Bank shall have honored all of its commitments under its Bond Insurance Policy or its Credit Facility, as the case may be, shall be entitled to direct and control the enforcement of all rights and remedies with respect to the Bonds it shall insure or for which such Credit Facility is provided.

ARTICLE VII

SUPPLEMENTAL RESOLUTIONS

SECTION 7.01. Supplemental Resolution Without Bondholders' Consent. The Issuer, from time to time and at any time, may adopt such Supplemental Resolutions without the consent of the Bondholders (which Supplemental Resolution shall thereafter form a part hereof) for any of the following purposes:

(A) To cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Resolution or to clarify any matters or questions arising hereunder.

(B) To grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders.

(C) To add to the conditions, limitations and restrictions on the issuance of Bonds under the provisions of this Resolution other conditions, limitations and restrictions thereafter to be observed.

(D) To add to the covenants and agreements of the Issuer in this Resolution other covenants and agreements thereafter to be observed by the Issuer or to surrender any right or power herein reserved to or conferred upon the Issuer.

(E) To specify and determine at any time prior to the first delivery of any Series of Bonds the matters and things referred to in Sections 2.01, 2.02 or 2.09 hereof, and also any other matters and things relative to such Bonds which are not contrary to or inconsistent with this Resolution as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination.

(F) To authorize Additional Projects or to change or modify the description of the Initial Project or any Additional Project.

(G) To specify and determine matters necessary or desirable for the issuance of Capital Appreciation Bonds or Variable Rate Bonds.

(H) To authorize Additional Bonds or Subordinated Indebtedness.

(I) To make any other change that, in the opinion of Bond Counsel, would not materially adversely affect the security for the Bonds. In making such determination, Bond Counsel shall not take into consideration any Bond Insurance Policy.

Except Supplemental Resolutions described in subsections (E), (F) and (H) of this Section 7.01 and Supplemental Resolutions adopted for the purpose of authorizing Additional Bonds in compliance with all applicable provisions hereof, no Supplemental Resolution adopted pursuant to this Article VII shall become effective unless approved by every Insurer; and the Issuer covenants and agrees to furnish to each Insurer an executed original transcript of the Issuer's proceedings with respect to the adoption of each Supplemental Resolution.

SECTION 7.02. Supplemental Resolution With Bondholders' Insurer's and Credit Bank's Consent. Subject only to the terms and provisions contained in this Section 7.02 and Section 7.01 hereof, the Holder or Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, to consent to and approve the adoption of such Supplemental Resolution or Resolutions hereto as shall be deemed necessary or desirable by the Issuer for the purpose of supplementing, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series or maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 7.02. Any Supplemental Resolution which is adopted in accordance with the provisions of this Section 7.02 shall also require the written consent of the Insurer of, or any Credit Bank providing a Credit Facility for, any Bonds which are Outstanding at the time such Supplemental Resolution shall take effect. No Supplemental Resolution may be approved or adopted which shall permit or require (A) an extension of the maturity of the principal of or the payment of the interest on any Bond issued hereunder, (B) reduction in the principal amount of any Bond or the Redemption Price or the rate of interest thereon, (C) the creation of a lien upon or a pledge of the Pledged Funds which adversely affects the rights granted by the Bonds or this Resolution in favor of any Bondholders, (D) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (E) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Resolution. Nothing herein contained, however, shall be construed as making necessary the approval by Bondholders, the Insurer or the Credit Bank of the adoption of any Supplemental Resolution as authorized in Section 7.01 hereof.

If at any time the Issuer shall determine that it is necessary or desirable to adopt any Supplemental Resolution pursuant to this Section 7.02, the Clerk shall cause the Registrar to give notice of the proposed adoption of such Supplemental Resolution and the form of consent to such adoption to be mailed, postage prepaid, to all Bondholders at their addresses as they appear on the registration books and to all Insurers of, and Credit Banks providing a Credit Facility for, Bonds Outstanding. Such notice shall briefly set forth the nature of the proposed Supplemental Resolution and shall state that copies thereof are on file at the offices of the Clerk and the Registrar for inspection by all Bondholders. The Issuer shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause the notice required by this Section 7.02 to be mailed and any such failure

shall not affect the validity of such Supplemental Resolution when consented to and approved as provided in this Section 7.02.

Whenever the Issuer shall deliver to the Clerk an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Issuer may adopt such Supplemental Resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such Supplemental Resolution shall have consented to and approved the adoption thereof as herein provided, no Holder of any Bond shall have any right to object to the adoption of such Supplemental Resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any Supplemental Resolution pursuant to the provisions of this Section 7.02, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Issuer and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

SECTION 7.03. Amendment with Consent of Insurer and/or Credit Bank Only. If all of a Series of Bonds Outstanding hereunder are insured or secured as to payment of principal and interest by an Insurer or Insurers and/or by a Credit Facility provided by a Credit Bank or Credit Banks, and the Insurer or Insurers and/or the Credit Bank or Credit Banks, as applicable, are not in default, and such Bonds, at the time of the hereinafter described amendment, shall be rated by the rating agencies which shall have rated the Bonds at the time such Bonds were insured or such Credit Facility was provided no lower than the ratings assigned thereto by such rating agencies on the date such Bonds were insured or such Credit Facility was provided, the Issuer may enact one or more Supplemental Resolutions amending all or any part of Articles I, IV, V, VI and VIII hereof with the written consent of said Insurer or Insurers and/or said Credit Bank or Credit Banks, as applicable, and the acknowledgment by said Insurer or Insurers and/or said Credit Bank or Credit Banks that its Bond Insurance Policy or its Credit Facility, as the case may

be, will remain in full force and effect. The consent of the Holders of any Bonds shall not be necessary. The foregoing right of amendment, however, does not apply to any amendment to Section 5.15 hereof with respect to the exclusion, if applicable, of interest on said Bonds from the gross income of the Holders thereof for federal income tax purposes nor may any such amendment deprive the Holders of any Bond of right to payment of the Bonds from, and their lien on, the Pledged Funds and any additional security pledged hereunder. Upon filing with the Clerk of evidence of such consent of the Insurer or Insurers and/or the Credit Bank or Credit Banks as aforesaid, the Issuer may adopt such Supplemental Resolution. After the adoption by the Issuer of such Supplemental Resolution, notice thereof shall be mailed in the same manner as notice of an amendment under Section 7.02 hereof.

ARTICLE VIII

MISCELLANEOUS

SECTION 8.01. Defeasance. If the Issuer shall pay or cause to be paid or there shall otherwise be paid to the Holders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of the Pledged Funds and any additional security pledged hereunder, and all covenants, agreements and other obligations of the Issuer to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Paying Agents shall pay over or deliver to the Issuer all money or securities held by them pursuant to the Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

Any Bonds or interest installments appertaining thereto, whether at or prior to the maturity or redemption date of such Bonds, shall be deemed to have been paid within the meaning of this Section 8.01 if (A) in case any such Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (B) there shall have been deposited in irrevocable trust with a banking institution or trust company by or on behalf of the Issuer either moneys in an amount which shall be sufficient, or Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with such bank or trust company at the same time shall be sufficient, to pay the principal of or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be. Neither the Securities nor any moneys so deposited with such bank or trust

company nor any moneys received by such bank or trust company on account of principal of or Redemption Price, if applicable, or interest on said Securities shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal of or Redemption Price, if applicable, of the Bonds for the payment or redemption of which they were deposited and the interest accruing thereon to the date of maturity or redemption thereof; provided, however, the Issuer may substitute new Securities and moneys for the deposited Securities and moneys if the new Securities and moneys are sufficient to pay the principal of or Redemption Price, if applicable, and interest on such Bonds, and any trust agreement governing the deposit of such Securities and moneys may provide for the investment of moneys unclaimed by Bondholders and for the payment to the Issuer of such unclaimed moneys and the investment earnings thereon.

For purposes of determining whether Variable Rate Bonds shall be deemed to have been paid prior to the maturity or the redemption date thereof, as the case may be, by the deposit of moneys, or specified Securities and moneys, if any, in accordance with this Section 8.01, the interest to come due on such Variable Rate Bonds on or prior to the maturity or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than the Maximum Interest Rate for any period, the total amount of moneys and specified Securities on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to satisfy this Section 8.01, such excess shall be paid to the Issuer free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under this Resolution.

In the event the Bonds for which moneys are to be deposited for the payment thereof in accordance with this Section 8.01 are not by their terms subject to redemption within the next succeeding sixty (60) days, the Issuer shall cause the Registrar to mail a notice to the Holders of such Bonds that the deposit required by this Section 8.01 of moneys or Securities has been made and said Bonds are deemed to be paid in accordance with the provisions of this Section 8.01 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of or Redemption Price, if applicable, and interest on said Bonds.

Nothing herein shall be deemed to require the Issuer to call any of the Outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to

impair the discretion of the Issuer in determining whether to exercise any such option for early redemption.

In the event that the principal of or Redemption Price, if applicable, and interest due on the Bonds or any portion thereof shall be paid by an Insurer or Insurers or a Credit Bank or Credit Banks and such Insurer or Credit Bank shall not have been reimbursed by the Issuer, such Bonds or any portion thereof shall remain Outstanding, shall not be defeased and shall not be considered paid by the Issuer, and the pledge of the Pledged Funds and any additional security pledged hereunder, and all covenants, agreements and other obligations of the Issuer to the Bondholders shall continue to exist and such Insurer or Insurers or such Credit Bank or Credit Banks shall be subrogated to the rights of such Bondholders.

SECTION 8.02. Capital Appreciation Bonds. For the purposes of (A) receiving payment of the Redemption Price if a Capital Appreciation Bond is redeemed prior to maturity, or (B) receiving payment of a Capital Appreciation Bond if the principal of all Bonds becomes due and payable under the provisions of this Resolution, or (C) computing the amount of Bonds held by the Holder of a Capital Appreciation Bond in giving to the Issuer or any trustee or receiver appointed to represent the Bondholders any notice, consent, request or demand pursuant to this Resolution for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value.

SECTION 8.03 General Authority. The members of the Governing Body and the Issuer's officers, attorneys and other agents and employees are hereby authorized to do all acts and things required of them by this Resolution or desirable or consistent with the requirements hereof for the full, punctual and complete performance of all of the terms, covenants and agreements contained in the Bonds and this Resolution, and they are hereby authorized to execute and deliver all documents which shall be required by Bond Counsel or the initial purchasers of the Bonds to effectuate the sale of the Bonds to said initial purchasers.

SECTION 8.04 No Personal Liability. No representation, statement, covenant, warranty, stipulation, obligation or agreement herein contained, or contained in the Bonds, or in any certificate or other instrument to be executed on behalf of the Issuer in connection with the issuance of the Bonds, shall be deemed to be a representation, statement, covenant, warranty, stipulation, obligation or agreement of any member of the Governing Body, officer, employee or agent of the Issuer in his or her individual capacity, and none of the foregoing persons nor any officer of the Issuer executing the Bonds or any certificate or other instrument to be executed in connection with the issuance of the

Bonds, shall be liable personally thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

SECTION 8.05 No Third Party Beneficiaries. Except such other Persons as may be expressly described herein or in the Bonds, nothing in this Resolution, or in the Bonds, expressed or implied, is intended or shall be construed to confer upon any Person other than the Issuer and the Holders any right, remedy or claim, legal or equitable, under and by reason of this Resolution or any provision hereof, or of the Bonds, all provision hereof and thereof being intended to be and being for the sole and exclusive benefit of the Issuer and the Persons who shall from time to time be the Holders.

SECTION 8.06. Sale of Bonds. The Bonds shall be issued and sold at public or private sale at one time or in installments from time to time and at such price or prices as shall be consistent with the provisions of the Act, the requirements of this Resolution and other applicable provisions of law.

SECTION 8.07. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions of this Resolution shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements and provisions of this Resolution and shall in no way affect the validity of any of the other covenants, agreements or provisions hereof or of the Bonds issued hereunder.

SECTION 8.08. Repeal of Inconsistent Resolutions. Resolution No. 88-241 and Resolution No. 88-253 of the Issuer are hereby repealed. All other resolutions or parts thereof in conflict herewith are hereby superseded and repealed to the extent of such conflict.

SECTION 8.09. Table of Contents and Headings not Part Hereof. The Table of Contents preceding the body of this Resolution and the headings preceding the several articles and sections hereof shall be solely for convenience of reference and shall not constitute a part of this Resolution or affect its meaning, construction or effect.

SECTION 8.10. Effective Date. This Resolution shall become effective immediately upon its passage.
