

WHEREAS, the St. Johns County Road and Bridge Department is obligated to provide road maintenance to all of St. Johns County, with concomitant requirement for extensive earthmoving work, and

WHEREAS, the heavy equipment needed for the performance of said road maintenance includes bulldozers with significant weight, power and durability requirements; and

WHEREAS, the Public Works Director has located a used bulldozer, meeting all the requirements for this type of heavy equipment at the Ring Power Corporation, for \$57,500; and

WHEREAS, the stated price will result in a savings of \$14,950. in the approved equipment budget; and

WHEREAS, the bulldozer mentioned above has been used approximately 600 hours and has a power train warranty remaining until January 1993, and possesses the requisite attributes of weight, displacement and appurtenances necessary to meet the Road and Bridge Department's requirements

NOW THEREFORE, BE IT RESOLVED, The Board of County Commissioners of St. Johns County that the Board, after due consideration and finding that the savings are substantial, does hereby authorize the County Administrator to purchase one used 1990 bulldozer, Serial Number 9DB01867, equipped as per quotation dated June 6, 1990 from Ring Power Corporation at a total cost of \$57,500, as authorized by Florida Law 81-843 paragraph (C) when goods, supplies or material are used or damaged.

ADOPTED this 12th day of June 1990 by the St. Johns County Board of Commissioners.
