

RESOLUTION NO. 90-187

A RESOLUTION REAFFIRMING RESOLUTION NO. 89-121 SUPPORTING THE STUDY OF THE FEASIBILITY OF LOCATING A GENERAL AVIATION JETPORT WITHIN ST. JOHNS COUNTY OR IN THE NORTHEAST REGION.

WHEREAS, St. Johns County adopted Resolution No. 89-121 on the 13th day of June, 1989, which supported a proposal to participate in a study of the feasibility of locating a general aviation jetport within St. Johns County or in the Northeast Florida Region; and

WHEREAS, continued growth and development in the Northeast Florida region has begun to strain the capacity of the region's airports, especially with regard to general and business aviation; and

WHEREAS, St. Johns County entered into an interlocal agreement with Duval and Clay Counties to fund a study through the Northeast Florida Regional Planning Council of the feasibility of locating a new general aviation airport in the tri-county region; and

WHEREAS, the Northeast Florida Regional Planning Council's application to the Federal Aviation Administration for funding of the majority of the cost of the study was found eligible but was unsuccessful in Fiscal Year 1989-90 due to the prior commitment of all available federal funds,

NOW THEREFORE BE IT RESOLVED by the St. Johns County Board of County Commissioners:

Section 1. The Board of County Commissioners reaffirms its support for the proposed general aviation airport feasibility study for the Clay/Duval/St. Johns County region, and for the interlocal agreement for this purpose approved on the 11th day of January, 1990.

Section 2. The Board of County Commissioners authorizes the Northeast Florida Regional Planning Council to resubmit the application for funding of the study to the Federal Aviation Administration for consideration in the next available funding cycle.

PASSED AND ADOPTED by the Board of County Commissioners of St. Johns County, Florida this 30th day of October, 1990.
