

RESOLUTION NO. 90-200

**WHEREAS**, the St. Johns County Road and Bridge Department is obligated to provide road maintenance to all of St. Johns County, with concomitant requirement for extensive and varied road maintenance work; and

**WHEREAS**, the inventory of heavy equipment needed for the performance of said road maintenance can be reduced by the use of multipurpose equipment wherever possible; and

**WHEREAS**, The Public Works Director has located a used multipurpose tool carrier meeting all the requirements for this type of heavy equipment and in excellent condition at the Ring Power Corporation, for \$ 75,000; and

**WHEREAS**, the stated price will result in a savings of \$10,000. in the approved equipment budget; and

**WHEREAS**, the tool carrier mentioned above has been used approximately 400 hours and has a power train warranty remaining until April 1993, and possesses the requisite attributes of weight, displacement and appurtenances necessary to meet the Road and Bridge Department's requirements

**NOW, THEREFORE BE IT RESOLVED** By the Board of County Commissioners of St. Johns County that the Board, after due consideration and finding that the savings are substantial, does hereby authorize the County Administrator to purchase one used multipurpose toolcarrier, model 1T28B, Serial Number 1HF01589, equipped as per quotation dated October 22, 1990 from Ring Power Corporation, at a total cost of \$75,000. as authorized by Florida Law 81-843 paragraph (C), when goods, supplies or material are used or damaged.

**PASSED AND ADOPTED** this 13th day of November 1990 by the Board of County Commissioners of St. Johns County, Florida.
