

RESOLUTION NO.: 90-214

WHEREAS, the St. Johns County Golf Course desires to trade in its existing 80 golf car fleet to minimize additional expenditures for fleet upkeep, and

WHEREAS, it is desired that the fleet remain aluminum frame with fiberglass bodies, existing tools be utilized, the existing charging system be used, avoid additional training of employees, and also a new two year maintenance agreement be put in place for all parts, and

WHEREAS, Club Car, Inc. has provided the present fleet of cars to the St. Johns County Golf Course and has offered to accept the total fleet as trade-in at a \$1,450.00 per cart rate and

WHEREAS, by accepting the proposal from Club Car, Inc. the fleet would remain aluminum frame with fiberglass bodies, staff would not have to be retrained, existing charging system could be used, tools on hand would not have to be changed and a new two year warranty would be in effect and

WHEREAS, Club Car, Inc. is the only source which can provide all of the above.

NOW THEREFORE BE IT RESOLVED, by the Board of County Commissioners of St. Johns County, the Board authorizes the county administrator to purchase as sole source from Club Car, 7033 Stapoint Court, Suite G, Winter Park, Florida 32792, eighty (80) 1991 Club Car Model DS Electric Golf Cars in the amount of \$83,600.00.

ADOPTED this 11th day of December, 1990 by the St. Johns County Board of Commissioners.
