

A RESOLUTION OF ST. JOHNS COUNTY REQUESTING THE FLORIDA DEPARTMENT OF NATURAL RESOURCES TO ESTABLISH A RESTRICTED AREA DESIGNATION ON A SEGMENT OF THE INTRACOSTAL WATERWAY AND AUTHORIZATION TO INSTALL "IDLE SPEED - NO WAKE" REGULATORY MARKERS WITHIN THE RESTRICTED AREA.

WHEREAS, the Department of Natural Resources has the authority to establish by rule, restricted areas on the waterways of the State for purposes of promoting safety of the public; and,

WHEREAS, the promoting of the public safety includes the regulation of boat speeds and boat traffic where such restrictions are deemed necessary based on boating accidents, visibility, tides, congestion and other navigational hazards; and,

WHEREAS, the segment of the Intracoastal Waterway for which St. Johns County is requesting restricted area designation exhibits several of the characteristics deemed necessary to qualify for restricted area designation;

NOW THEREFORE, BE IT RESOLVED, this 11th day of Dec., ¹⁹⁹⁰~~198~~, by the Board of County Commissioners of St. Johns County, Florida, as follows:

Section 1. St. Johns County requests the Department of Natural Resources to designate the following segment of the Intracoastal Waterway as "Idle Speed - No Wake" Zones:

Commencing at day marker #46 and proceeding southward to day marker #48 at the mouth of Pablo Creek, See 38 Twp 35 Rge 29E, in St. Johns County.

Section 2. St. Johns County further requests authorization from the Department of Natural Resources, Division of Marine Resources, to place "Idle Speed No Wake" regulatory markers at appropriate intervals along the designated restricted area.

Section 3. This resolution does not repeal, rescind, or effect St. Johns County Resolution No. 85-176.

Section 4. Copies of this resolution, together with a county map showing the segment of the Intracoastal Waterway to which restricted area designation is being requested, will be delivered to the Florida Department of Natural Resources and the legislative delegation of St. Johns County.
