

RESOLUTION NO. 92-154

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA AUTHORIZING COUNTY PERSONNEL TO EXECUTE PURCHASE ORDERS WITHOUT BIDS FOR CERTAIN GOODS, SUPPLIES, EQUIPMENT AND MATERIALS DESCRIBED IN ST. JOHNS COUNTY JUDICIAL AND PERMITTING CENTER CONTRACT WITH METRIC CONSTRUCTORS, INC.

WHEREAS, the Board of County Commissioners advertised for, and received bids for the construction of the St. Johns County Judicial and Permitting Center; and

WHEREAS, Metric Constructors, Inc. was awarded the construction contract dated August 25, 1992; and

WHEREAS, the bid documents and the contract provided for the Contractor to prepare purchase orders for equipment, materials, and supplies to be purchased directly by the County to enable such purchases to be exempt from the Florida Sales Tax without the County incurring undue risks concerning timely delivery of the items to the trade contractors performing the construction and installation of the work described in the construction contract; and

WHEREAS, advertising once each week for two weeks for bids for certain materials, equipment and supplies described in the previously advertised and awarded construction contract would be redundant and would cause chaos in the scheduling of construction and unduly delay completion of the project.

NOW THEREFORE BE IT RESOLVED, by the Board of County Commissioners of St. Johns County that:

Section 1. County personnel are hereby authorized to sign purchase orders prepared by Metric Constructors, Inc. pursuant to it's contract with the County dated August 25, 1992 for supplies, materials and equipment for the St. Johns County Judicial and Permitting Center and such supplies, materials, and equipment may be purchased and paid for without advertising, or County bids.

Section 2. Such supplies, materials, and equipment are already included in the lump sum contract for the St. Johns County Judicial and Permitting Center and the county will receive a credit for all sales tax and discount savings up to the amount of \$200,000.00 after which the savings accrues to the Contractor. This arrangement is to motivate the contractor to save the County as much as possible.

Section 3. Such supplies, materials, and equipment were included as part of the previously advertised request for bids for the construction of the St. Johns County Judicial and Permitting Center.

Section 4. Such supplies, materials, and equipment cannot be obtained in sufficient time if bids, public notice and advertisement are again required.

PASSED AND ADOPTED by the Board of County Commissioners
this 22th day of September, 1992.
