

RESOLUTION AUTHORIZING THE COUNTY ADMINISTRATOR TO SOLE SOURCE PURCHASE A USED WATER TRUCK FOR THE SOLID WASTE DEPARTMENT

WHEREAS, the St. Johns County Solid Waste Department is obligated to provide fire protection and dust control as required by the Florida Department of Environmental Regulation at Tillman Ridge Landfill, and

WHEREAS, the heavy equipment needed for the performance of said fire protection and dust control includes a water truck with significant weight, power and durability requirements, and

WHEREAS, the Solid Waste Department has located a used water truck, meeting all the requirements for this type of equipment at the Ring Power Corporation, for \$50,000; and

WHEREAS, the stated price will result in a savings of approximately \$40,000 in lieu of the purchase cost of a new water truck.

WHEREAS, the water truck mentioned above has been used approximately 676 hours and has a 30-day warranty; and possesses the requisite attributes of weight, displacement and appurtenances necessary to meet the Solid Waste Department's requirements;

NOW, THEREFORE, BE IT RESOLVED that the Board of County Commissioners of St. Johns County, after due consideration, and finding that the savings are substantial, hereby authorizes the County Administrator to purchase one used GMC 1989 water truck, Serial

Number V521145, equipped as per the Quotation dated October 26, 1992, from Ring Power Corporation, at a total cost of \$50,000 without bids, notice or advertisement as authorized by Florida Law 81-843 paragraph (C) when goods, supplies or material are used or damaged.

ADOPTED this 8 day of December, 1992 by the Board of County Commissioners of St. Johns County.
