

RESOLUTION NO. 92-61

WHEREAS, the St. Johns County Department of Emergency Medical Services provides all of St. Johns County with emergency ambulance and pre-hospital advanced life support emergency medical care, and

WHEREAS, the emergency medical services provided includes the use of certain equipment used to measure oxygen saturation in a patient's blood. This state of the art medical equipment is extremely useful in alerting the paramedic to developing problems in order that they can be treated expeditiously, and

WHEREAS, the Criticare pulse oximeter is the only oximeter available that meets the required specifications, and

WHEREAS, Aero Products, Inc. is the only company that provides the Criticare pulse oximeter,

NOW THEREFORE, BE IT RESOLVED, the Board of County Commissioners recognizes the sole source requirements for the Criticare pulse oximeter and authorizes the County Administrator to purchase said equipment from the sole source, Aero Products, Inc., as provided by Florida 81-843, paragraph (d) when goods, supplies or materials are available from only one source.

ADOPTED this 24<sup>th</sup> day of March, 1992,  
by the St. Johns County Board of Commissioners.
