BACKGROUND INFORMATION: (Attach additional pages if necessary)

The attached Resolution needs to be approved by the Board as part of an application through the Erosion Control Trust Fund, Department of Natural Resources, Division of Beaches and Shores. The project is estimated at \$750,000 with \$250,000 being obligated from tourist tax funds and the remaining \$500,000 being requested through grant process. These funds, if approved, will be available in July 1993 and will allow for the repair/rehabilitation of the Seawall at St. Augustine Beach adjoining the County Pier. Design and engineering is now underway to expedite this project.
