

RESOLUTION NO. 93-15

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA AMENDING ST. JOHNS COUNTY RESOLUTION NO. 92-123 BY SETTING FORTH MORE PRECISE WORD DESCRIPTIONS OF THE VOTER PRECINCT BOUNDARIES ESTABLISHED BY RESOLUTION NO. 92-123.

WHEREAS, St. Johns County, Florida Resolution No. 92-123 declared that a subsequent resolution would be adopted setting forth more precise word descriptions of the voter precinct boundaries established by that resolution;

NOW THEREFORE, BE IT RESOLVED by the Board of County Commissioners in and for St. Johns County that St. Johns County Resolution No. 92-123 is hereby amended by adopting and adding thereto the attached written descriptions of the voter precinct boundaries that were adopted and established by said Resolution No. 92-123.

BE IT FURTHER RESOLVED, that the Office of the Clerk of the Circuit Court of St. Johns County, Florida shall maintain a copy of this resolution at the St. Johns County Courthouse and at the Office of the Clerk of the Board of County Commissioners.

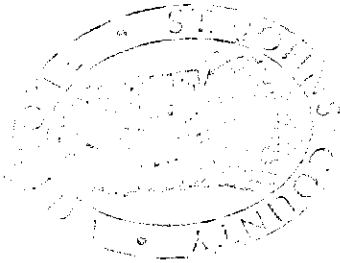

PASSED AND ADOPTED this 26th day of January, 1993.

BOARD OF COUNTY COMMISSIONERS
OF ST. JOHNS COUNTY, FLORIDA

By: Linda Balsavage
Its Chairman - Linda Balsavage

ATTEST: Carl "Bud" Markel, Its Clerk

By: Yvonne Carter
Deputy Clerk

PRECINCT GEOGRAPHICAL BOUNDARIES
ST. JOHNS COUNTY, FLORIDA

RESOLUTION NO. 92-123

PRECINCT 1, DISTRICT 5

Beginning at the intersection of U.S. #1 and State Road 16; thence easterly along State Road 16 to San Marco Avenue and Park Avenue; thence continuing easterly along Park Avenue to Atlantic Avenue; thence northeasterly along Atlantic Avenue and continuing along the extension thereof, to the east limits of the City of St. Augustine; thence southerly along the east City limits line to the south line of Vilano Causeway, also known as State Road 11A; thence easterly along Vilano Causeway to the easterly limits of the City of St. Augustine; thence northerly along said easterly limits line to a point where the limits line turns southerly; thence southerly along said easterly limits line along the waters of Matanzas River to its intersection with the westerly extension of the center line channel of St. Augustine Inlet; thence southwesterly along the run of Matanzas River to a point where the Matanzas River intersects the easterly extension of Castillo Drive; thence westerly along said extension to the intersection of Castillo Drive and Avenida Menendez; thence westerly along Castillo Drive to Riberia Street; thence northerly along Riberia Street to Grove Avenue; thence westerly along Grove Avenue to U.S. #1; thence northerly along U.S. #1 to the point of beginning.

PRECINCT 2, DISTRICT 2

Beginning at the intersection of County Road 214, also known as King Street, and the west shores of the San Sebastian River; thence westerly along King Street to Mackey Lane; thence southerly along Mackey Lane to South Dixie Highway; thence southerly along South Dixie Highway to Isabel Street; thence westerly along Isabel Street to Hopkins Street; thence southerly along Hopkins Street to Madeore Street; thence westerly along Madeore Street to Sidney Street; thence northerly along Sidney Street to Christopher Street; thence westerly along Christopher Street to the westerly limits of the City of St. Augustine; thence northerly along said city limits to Avery Street; thence easterly along Avery Street to Whitney Street; thence southerly along Whitney Street to Josiah Street; thence easterly along Josiah Street to Masters Drive; thence southerly along Masters Drive to Helen Street; thence easterly along Helen Street to Florida Avenue; thence southerly along Florida Avenue to Evergreen Avenue; thence easterly along Evergreen Street to the west shores of the San Sebastian River; thence southerly along the west shores of the San Sebastian River to the point of beginning.

PRECINCT 3, DISTRICT 5

Beginning at the intersection of U.S. #1 and State Road 16; thence southerly along U.S. #1 to Grove Avenue; thence easterly along Grove Avenue to Riberia Street; thence southerly along Riberia Street to Castillo Drive; thence easterly along Castillo Drive to Avenida Menendez; thence easterly along an extension of Castillo Drive to the centerline of the channel of the Matanzas River; thence southerly along the centerline of the Matanzas River to the Bridge of Lions; thence westerly along the Bridge of Lions to Avenida Menendez; thence southerly along Avenida Menendez to King Street; thence westerly along King Street to the centerline of the San Sebastian River; thence northerly along said centerline to State Road 16; thence easterly along State Road 16 to the point of beginning.

PRECINCT 4, DISTRICT 5

Beginning at the intersection of the Bridge of Lions, also known as State Road A1A, and the centerline of the channel of the Matanzas River; thence southerly along said channel of the Matanzas River to where the channel intersects the easterly extension of the mouth of Maria Sanchez Lake; thence westerly and northerly along the centerline of Maria Sanchez Lake to a point where the said centerline intersects South Street; thence westerly along South Street to the western shores of Maria Sanchez Lake; thence northerly along the shores of the Lake to St. Francis Street; thence northeasterly along St. Francis Street to Cordova Street; thence northerly along Cordova Street to Bridge Street; thence westerly along Bridge Street to Granada Street; thence northerly along Granada Street to Cedar Street; thence westerly along Cedar Street to Central Avenue; thence northerly along Central Avenue to LaQuinta Place; thence westerly along LaQuinta Place to Riberia Street; thence northerly along Riberia Street to King Street; thence easterly along King Street to Menendez Avenue; thence northerly along Menendez Avenue to where the west end of the Bridge of Lions intersects Cathedral Place; thence easterly along the Bridge of Lions to the point of beginning.

PRECINCT 5, DISTRICT 2

Beginning at a point where the centerline of the channel of the Matanzas River intersects the easterly extension of the mouth of Maria Sanchez Lake; thence southerly along the Matanzas River channel to a point where the centerline of the channel of the San Sebastian River intersects the channel of the Matanzas River; thence westerly and northerly along the centerline of the San Sebastian River to King Street; thence easterly along King Street to Riberia Street; thence southerly along Riberia Street to LaQuinta Place; thence easterly along LaQuinta Place to Central Avenue; thence southerly along Central Avenue to Cedar Street; thence easterly along Cedar Street to Granada Street; thence southerly along Granada Street to Bridge Street; thence easterly along Bridge Street to Cordova Street; thence southerly along Cordova Street to St. Francis Street; thence westerly along St. Francis Street to Washington Street; to the western shores of Maria Sanchez Lake, thence southerly to the point where the western Lake shores intersect South Street; thence easterly along South Street to the centerline of Maria Sanchez Lake; thence southerly and easterly along said centerline to the point of beginning.

PRECINCT 6, DISTRICT 5

Beginning at the intersection of the westerly extension of the centerline channel of St. Augustine Inlet and the easterly limits of the City of St. Augustine; thence southerly along said easterly limits line and continuing along the west bank of Salt Run to the point where the City limit line turns easterly, which is also the southerly limit line of Anastasia State park; thence easterly along said line to the shores of the Atlantic Ocean; thence southerly along the shores to the city limits of the City of St. Augustine Beach; thence westerly along said city limits to SR A1A, also known as Anastasia Blvd.; thence northerly along Anastasia Blvd. to the Bridge of Lions; thence over the Bridge of Lions to the center line of the channel of the Matanzas River; thence northerly and easterly along said channel to the point of beginning.

PRECINCT 7, DISTRICT 4

Beginning at a point where the centerline of the channel of the Intracoastal Waterway intersects the boundary of St. Johns County and Duval County; thence easterly along the St. Johns County boundary to Ponce de Leon Blvd., also known as State Road A1A; thence southerly along Ponce de Leon Blvd. to southeast corner of Ponte Vedra/Palm Valley School property; thence clockwise around the perimeter of the said school; thence to the westerly right-of-way of Ponce de Leon Blvd.; thence northerly along said right-of-way to Solano Road., also known as State Road 210A; thence westerly along Solano Road to the intersection of State Road 210A and North Roscoe Blvd; thence westerly from said intersection along an extension of State Road 210A to the centerline of the Intracoastal Waterway; thence northerly along the Intracoastal Waterway to the point of beginning.

PRECINCT 8, DISTRICT 4

Beginning at the intersection of the shores of the Atlantic Ocean and the boundary line between St. Johns County and Duval County; thence southerly along the shores of the Atlantic Ocean to the easterly extension of Mickler's Cutoff Road; thence along said extension to the intersection of County Road 203 and Mickler's Cutoff Road; thence northerly along county Road 203 to Corona Road; thence westerly along Corona Road to Ponce de Leon Blvd., also known as State Road A1A; thence northerly along Ponce de Leon Blvd. to the St. Johns County boundary; thence easterly along the St. Johns County boundary to the point of beginning.

PRECINCT 9, DISTRICT 4

Beginning at the intersection of County Road 210 and Canal Blvd.; thence northerly along County Road 210 to Ponce de Leon Blvd, also known as State Road A1A; thence northerly along Ponce de Leon Blvd. to the southeast corner of Ponte Vedra/Palm Valley School property; thence to the southwest corner of said school; thence to the northwest corner of said school; thence easterly to Ponce de Leon Blvd.; thence northerly along Ponce de Leon Blvd. to Solano Road; thence westerly along Solano Road to where it intersects North Roscoe Blvd.; thence westerly along an extension of Solano Road to where it intersects the centerline of the Intracoastal Waterway; thence southerly along the Intracoastal Waterway to where it intersects an extension of Canal Blvd.; thence easterly along said extension to Canal Blvd.; thence easterly along Canal Blvd. to the point of beginning.

PRECINCT 10, DISTRICT 1

Beginning at the intersection of U.S. #1 and Nine Mile Road; thence westerly along Nine Mile Road to I-95; thence southerly along I-95 to SR-16; thence easterly along SR-16 to the west shores of San Sebastian River, said west shores being also the westerly limits of the City of St. Augustine; thence northerly along said west shores of San Sebastian River to the north limits of the City of St. Augustine at the township line between Township 6 and 7 South; thence easterly along said north limits of the City of St. Augustine to U. S. #1; thence northerly along U.S. #1 to the point of beginning.

PRECINCT 11, DISTRICT 1

Beginning at the intersection of I-95 and the South boundary line of Duval County; thence westerly then northerly along said boundary to Durbin Creek; thence westerly along the south bank of Durbin Creek to Julington Creek; thence continuing westerly along the centerline of Julington Creek to County Road 13; thence southerly along County Road 13 to Ida Roberts Road; thence Southeasterly along Ida Roberts Road to where said road intersects a graded road running Easterly and lying approximately along the section line between Section 8 and 17 in Township 5 South, Range 27 East; thence Easterly along said graded road to where the same intersects a graded road running Southerly; thence Southerly and Easterly along said graded road in Section 16, Township 5 South, Range 27 East, to where the same graded road intersects a graded road running Northeasterly; thence Northeasterly along said graded road in Section 15, Township 5 South, Range 27 East, to where the same graded road intersects a graded road running Southerly; thence Southerly along said graded road in Sections 15 and 22, Township 5 South, Range 27 East, to Bombing Range Road, also known as Green Briar Road; thence Easterly along Bombing Range Road to CR-210; thence Easterly along CR-210 to I-95; thence Northerly along I-95 to the point of beginning.

PRECINCT 12, DISTRICT 2

Beginning at the intersection of I-95 and State Road 16; thence southerly along I-95 to County Road 214; thence westerly along County Road 214 to Poa Boy Road; thence northerly along Poa Boy Road to Sawdust Road; thence westerly along Sawdust Road to County Road 13A; thence northerly along county Road 13A to the northerly line of Census Block 150; thence westerly along said line to the centerline of the powerlines which are 8000 feet west of County Road 13A; thence northerly along said powerlines to County Road 208; thence easterly along County Road 208 to County Road 16; thence easterly along County Road 16 to the point of beginning.

PRECINCT 13, DISTRICT 1

Beginning at the intersection of U.S. #1 and the northern boundary between St. Johns County and Duval County; thence easterly along the county boundary to Palm Valley Road, also known as County Road 210; thence northeasterly along Palm Valley Road to where said road intersects the northerly line of section 55, also known as the northerly line of the Miranda Grant; thence easterly along said line to the Intracoastal Waterway; thence southerly along the Intracoastal Waterway to Stokes Creek; thence westerly along Stokes to Stokes Road; thence westerly along Stokes Road to U.S. #1; thence northerly along US #1 to Nine Mile Road; thence westerly along Nine Mile Road to I-95; thence northerly along I-95 to Cummer Road; thence easterly along Cummer Road to Taylor Island Road; thence northerly along Taylor Island Road to Cypress Tree Branch Road; thence westerly and northerly along Cypress Tree Branch Road to County Road 210; thence easterly along County Road 210 to U.S. #1; thence northerly along U.S. #1 to the point of beginning.

PRECINCT 14, DISTRICT 4

Beginning at the intersection of the Atlantic Ocean and the waters of St. Augustine Inlet; thence Westerly along the waters of said Inlet to the Easterly limits of the City of St. Augustine on the waters of Matanzas River; thence Northerly along said Easterly city limits line to a point where the city limits line turns westerly; thence westerly along said line to a point where said line turns northerly; thence along said city limits to Robinson Creek; thence easterly along Robinson Creek to the Matanzas River; thence northerly along Matanzas River to Guana River; thence easterly and northerly along Guana River to Guana River Dam Road; thence easterly along Guana River Dam Road and continuing along the easterly extension of said road to the shores of the Atlantic Ocean; thence southerly along the shores of the Atlantic Ocean to the point of beginning.

PRECINCT 15, DISTRICT 2

Beginning at the intersection of State Road 16 and I-95; thence southerly along I-95 to County Road 214; thence easterly along County Road 214 to Holmes Blvd.; thence northerly along Holmes Blvd. to Thompson Bailey Road; thence westerly along Thompson Bailey Road to Powell Road; thence northerly along Powell Road to Deer Run Drive; thence northerly along Deer Run Drive to Four Mile Road thence easterly along Four Mile Road to Ervin Street; thence easterly along Ervin Street to Volusia Street; thence northerly along Volusia Street to Ravenswood Drive; thence easterly along Ravenswood Drive to Allen Street; thence southerly along Allen Street to San Pedro Avenue; thence southerly along San Pedro Avenue to Rodriguez Street; thence southerly along Rodriguez Street to Evergreen Street; thence easterly along Evergreen Street to Francis Street; thence northerly along Francis Street to Helen Street; thence northwesterly from the intersection of Francis and Helen Streets to the intersection of Oakes Street and Josiah Street; thence easterly along Josiah Street to Francis Street; thence northerly along Francis Street to Avery Street; thence easterly along Avery Street to the western City limits of St. Augustine; thence northerly and easterly along said city limits to State Road 16; thence westerly along State Road 16 to the point of beginning.

PRECINCT 16, DISTRICT 2

Beginning at the intersection of I-95 and State Road 206; thence northerly along I-95 to State Road 207; thence westerly along State Road 207 to the census tract line that separates tracts 132 and 133; thence northerly along said line to the Florida East Coast Railroad; thence southerly along the railroad to State Road 207; thence southerly a short distance along State Road 207 to Solano Pen Road; thence westerly along Solano Pen Road to the easterly line of Census Block 118; thence northerly and westerly along said line, said line also being a part of McCullough Creek to County Road 13A; thence continue westerly along McCullough Creek, said creek now being the line dividing census blocks 227 and 229 to where said line intersects the easterly line of census block 228; thence southerly along said line to a powerline; thence southerly along the powerline to County Road 13; thence easterly along County Road 13 to County Road 305; thence easterly along County Road 305 to census line dividing census blocks 251 and 254; thence southerly and westerly along said line to County Road 13; thence southeasterly along County Road 13 to County Road 13A; thence northerly along County Road 13A to St. Ambrose Road; thence easterly along St. Ambrose Road to Masters Road; thence southerly along Masters Road to the census line dividing Census blocks 273 and 274; thence westerly along said line to County Road 13; thence southerly along County Road 13 to Moccasin Branch Creek; thence easterly along Moccasin Branch Creek to Masters Road; thence southerly along Masters Road to Manuel Drive; thence easterly along Manuel Drive to State Road 207; thence easterly and northerly along State Road 207 to Messervey Road; thence northerly along Messervey Road to County Road 305; thence easterly and southerly along County Road 305 to State Road 206; thence easterly along State Road 206 to the point of beginning.

PRECINCT 17, DISTRICT 3

Beginning at the intersection of US 1 and the Southerly limits of the City of St. Augustine; thence Easterly and Northeasterly along the Southerly city limits line to the West shores of San Sebastian River, said West shores also being the Southerly limits of said City of St. Augustine; thence Southerly along said West shores of San Sebastian River and continuing Southeasterly and Northeasterly along the Southerly city limits line to Matanzas River to where said run of Matanzas River intersects Moultrie Creek; thence Westerly along the center of Moultrie Creek to US 1; thence Northerly along US 1 to the point of beginning.

PRECINCT 18, DISTRICT 5

Beginning at the intersection of the shores of the Atlantic Ocean and the southern city limits of St. Augustine Beach; thence westerly along said city limits to State Road A1A; thence northerly along A1A to State Road 3; thence northerly along State Road 3 to Pope Road; thence easterly along Pope Road to limits of the City of St. Augustine; thence northerly and westerly along said city limits to where said city limits intersect the centerline of the Matanzas River; thence southerly along the Matanzas River to San Julian Creek; thence easterly along San Julian Creek to Dondanville Road; thence easterly along Dondanville Road to the shores of the Atlantic Ocean; thence northerly along the shores to the point of beginning.

PRECINCT 19, DISTRICT 2

Beginning at the intersection of I-95 and State Road 206; thence westerly along State Road 206 to Cowpen Branch Road; thence northerly along said road to where it bends westerly; thence westerly along said road to Beach Road; thence northerly along Beach Road to the northerly line of Census block number 436; thence westerly along said line to State Road 207; thence southerly along State Road 207 to Moore Lane; thence westerly along Moore Lane to the Florida East Coast Railroad; thence westerly along said railroad to Ashland Avenue, said avenue runs parallel to said railroad; thence westerly along Ashland Avenue to Main Street; thence southerly along Main Street to said railroad; thence westerly along said railroad to Campbell Road; thence westerly along Campbell Road to where said road intersects the range line between Ranges 27 and 28 East; thence South on said range line also being the boundary line of Putnam County to a point where the South boundary line of Section 18 in Township 10 South, Range 28 East, intersects said range line; thence East on said section line also being the boundary line of Flagler County and continuing East along said county line to the range line between Ranges 29 and 30 East; thence North on said range line to the middle of Pellicer's Creek; thence Easterly on an imaginary line down the middle of said creek to where said creek intersects I-95; thence Northerly along I-95 to the point of beginning.

PRECINCT 20, DISTRICT 5

Beginning at the intersection of the shores of the Atlantic Ocean and the easterly extension of State Road 206; thence Northerly along the Atlantic coast to a point where the Easterly extension of Dondanville Road intersects said Atlantic coast; thence West along the Easterly extension of Dondanville Road and continuing West along said road to San Julian Creek; thence Southwesterly along the center of San Julian Creek to Matanzas River; thence Southerly along the thread of Matanzas River to State Road 206; thence easterly along State Road 206 to the point of beginning.

PRECINCT 21, DISTRICT 2

Beginning at the intersection of I-95 and County Road 214; thence easterly along County Road 214 to the west line of census tract 257; thence northerly and easterly along said line to Holmes Blvd.; thence northerly along Holmes Blvd. to Thompson Bailey Road; thence westerly along Thompson Bailey Road to Deer Run Drive; thence northerly along Deer Run Drive to Four Mile Road; thence southeasterly along Four Mile Road to Ervin Street; thence easterly along Ervin Street to Volusia Avenue; thence northerly along Volusia Avenue to Ravenswood Drive; thence easterly along Ravenswood Drive to Allen Street; thence southerly along Allen Street to San Pedro Avenue; thence southerly along San Pedro Avenue to Rodriguez Street; thence southerly along Rodriguez Street to Evergreen Street; thence easterly along Evergreen St. to Francis Street; thence northerly along Francis Street to Helen Street; thence northwesterly from the intersection of Francis and Helen Streets following the line dividing census tracts 225 and 226 to Oakes Avenue; thence northerly along Oakes Avenue to Josiah Street; thence easterly along Josiah Street to Francis Street; thence northerly along Francis Street to Avery Street; thence easterly along Avery Street to the western limits of the City of St. Augustine; thence southerly along said limits to John Street; thence westerly along John Street to

PRECINCT 21 Con't

Rodriguez Street; thence southerly along Rodriguez Street to Madeore Street; thence westerly along Madeore Street to Nassau Street; thence southerly along a dirt road, said dirt road also being an extension of Nassau Street; thence westerly along said dirt road until it bears northerly; thence northerly along said dirt road to an easterly extension of 15th Street; thence westerly along said extension to the intersection of Brevard Street and 15th Street; thence westerly along 15th Street to Clay Street; thence northerly along Clay Street to Collier Blvd.; thence westerly along Collier Blvd. to Holmes Blvd.; thence northerly along Holmes Blvd. to the Florida East Coast Railway; thence southwesterly along said railway to I-95; thence northerly along I-95 to the point of beginning.

PRECINCT 22, DISTRICT 1

Beginning at the intersection of I-95 and CR 210; thence southwesterly along CR 210; thence westerly along CR 210 to where a power station and poles are located just south of said road; thence southerly along said power poles to Road #1; thence westerly along Road #1 to where Road #1 intersects the southerly limits of Census Block #139; thence westerly along said block to where it intersects the westerly limit of census block #116; thence southwesterly along said limit to where it intersects County Road 16A; thence westerly along County Road 16A to County Road 210; thence southerly along County Road 210 to the intersection of County Road 210 and County Road 16; thence southwesterly along the extension of County Road 210 to the centerline of the main channel of the St. Johns River, said centerline also being the boundary between St. Johns County and Clay County; thence southerly along said centerline to the westerly extension of the mouth of Six Mile Creek; thence easterly along said extension to Six Mile Creek and along the centerline thereof to where said creek intersects County Road 13; thence northerly along County Road 13 to County Road 16; thence easterly along County Road 16 to the westerly limit of Census Block #182; thence northerly along westerly limits of Blocks #182, #172 and #164 to Cummer Road; thence easterly along Cummer Road to I-95; thence northerly along I-95 to the point of beginning.

PRECINCT 23, DISTRICT 1

Beginning at the intersection of County Road 13 and the centerline of Mill Creek; thence northerly along County Road 13 to Ida Roberts Road; thence southeasterly along Ida Roberts Road to where said road intersects a graded road running easterly and lying approximately along the section line between Section 8 and 17 in Township 5 south, Range 27 East, also known as Road #8; thence easterly along said graded road to where the same intersects a graded road running southerly, also known as Road #13; thence southerly and easterly along said graded road in Section 16, Township 5 South, Range 27 East, to where the same graded road intersects a graded road running southerly, also known as Road #13, to Green Briar Road; thence easterly along Green Briar Road to County Road 210; thence easterly along County Road 210 to where power station and poles are located just south of County Road 210; thence southerly along said power poles to Road #1; thence westerly along Road #1 to where Road #1 intersects the southerly limit of census Block #139; thence westerly along said block to where it intersects the easterly limit of census block #116; thence southwesterly along said limit to where it intersects County Road 16A; thence westerly along County Road 16A to County Road 210; thence southerly along County Road 210 to the intersection of County Road 210 and County Road 16; thence southwesterly along the extension of County Road 210 to the centerline of the main channel of the St. Johns River, said centerline also being the boundary between St. Johns County and Clay County; thence northerly along said centerline to the westerly extension of the mouth of Mill Creek; thence easterly along said extension to the centerline of Mill Creek; thence along said creek to the point of beginning.

PRECINCT 24, DISTRICT 5

Beginning at the intersection of the South line of Pope Road, said South line of Pope Road also being the North limits of the City of St. Augustine Beach; and the West right-of-way line of State Road 3; thence southerly along the west right-of-way line of State Road A1A, said west right-of-way line of State Road 3 and State Road A1A being also the West limits of the City of St. Augustine Beach, to the South limits of said City of St. Augustine Beach; thence easterly along the south limits of the City of St. Augustine Beach, said south limits being also the north line of St. Augustine By The Sea, to the shores of the Atlantic Ocean; thence northerly along the shores of the Atlantic Ocean to where said shores intersects the South line of Pope Road; thence westerly along the south line of Pope Road to the point of beginning.

PRECINCT 25, DISTRICT 3

Beginning at the intersection of US 1 and Moultrie Creek; thence southerly along US 1 to the most northerly entrance of Shores Blvd.; thence northeasterly along Shores Blvd. to Deltona Blvd.; thence southeasterly along Deltona Blvd. to Shores Blvd.; thence southerly along Shores Blvd. to Christina Drive; thence easterly along Christina Drive approximately 1680' to a line separating the St. Augustine Shores Recreation Center and the Conquistador Condominium Apartments; thence northeasterly along said line to the centerline of the Intracoastal Waterway; thence northerly along the centerline of the Intracoastal Waterway to the centerline of Moultrie Creek; thence Westerly along the centerline of Moultrie Creek to the point of beginning.

PRECINCT 26, DISTRICT 3

Beginning at the intersection of I-95 and County Road 206; thence easterly along County Road 206 to US 1; thence northerly along US 1 to the southerly limits of the city of St. Augustine; said limits to County Road 207; thence northerly along said limits to County Road 207; thence southwesterrly along County Road 207 to I-95; thence southerly along I-95 to the point of beginning.

PRECINCT 27, DISTRICT 1

Beginning at the intersection of State Road 16 and the west shores of San Sebastian River, said west shores also being the westerly limits of the City of St. Augustine; thence easterly along State Road 16 to San Marco Avenue and Park Avenue; thence easterly along Park Avenue to Atlantic Blvd.; thence easterly along Atlantic Blvd. continuing along the extension thereof, to the east limits of the City of St. Augustine; thence northerly along said city limits to a point where said limits turn westerly; thence westerly along said limits to Poinciana Avenue; thence westerly along Poinciana Avenue to US 1; thence northerly along US 1 to a point where said city limits turn westerly; thence westerly along said city limits to the west shores of San Sebastian River; thence southerly along said shores to the point of beginning.

PRECINCT 28, DISTRICT 1

Beginning at the intersection of Stokes Road and US 1; thence southerly along US 1 to the northerly limits of the City of St. Augustine; thence easterly along said limits to Robinson Creek; thence northeastly along said limits to the Intracoastal Waterway; thence northerly along the Intracoastal Waterway to Stokes Creek; thence westerly along Stokes Creek to Stokes Road; thence westerly along Stokes Road to the point of beginning.

PRECINCT 29, DISTRICT 3

Beginning at the intersection of County Road 206 and US 1; thence northerly along US 1 to the most northerly entrance of Shores Blvd.; thence northeasterly along Shores Blvd. to Deltona Blvd.; thence southeasterly along Deltona Blvd. to Shores Blvd; thence southerly along Shores Blvd to Christina Drive; thence easterly along Christina Drive approximately 1680' to a line separating the St. Augustine Shores Recreation Center and the Conquistador Condominium Apartments; thence Northeasterly along said line to the centerline of the Intracoastal Waterway; thence southerly along the Intracoastal Waterway to County Road 206; thence easterly to the point of beginning.

PRECINCT 30, DISTRICT 5

Beginning at the intersection of the Bridge of Lions, also known as State Road A1A, and the centerline of the Matanzas River, also known as the Intracoastal Waterway; thence southerly along the Matanzas River to the limits of the City of St. Augustine; thence northeasterly along said city limits; thence southeasterly along said city limits to Pope Road, Pope Road also being the northerly limit of the City of St. Augustine Beach; thence easterly along Pope Road to State Road A1A, said road also being known as Anastasia Blvd, thence northerly along State Road A1A to the point of beginning.

PRECINCT 31, DISTRICT 4

Beginning at the intersection of Ponce de Leon Blvd. and Corona Rd., thence northeasterly and easterly along Corona Road to State Road 203; thence southerly along State road 203 to the township line between townships 4 and 5 south; thence easterly along the township line to the shores of the Atlantic Ocean; thence southerly along the shores of the Atlantic Ocean to the South Ponte Vedra Beach and the easterly extension of the road separating Guano Lake from Guano River; thence westerly along said easterly extension and along said road to the center of the Guano River; thence southerly along the center of the Guano River to the center of the Intracoastal Waterway; thence northerly along the center of the Intracoastal Waterway to the westerly extension of Canal Blvd; thence easterly along the westerly extension of Canal Blvd. and along Canal Blvd to County Road 210; thence northeasterly along County Road 210 to Ponce de Leon Blvd; thence northerly along Ponce de Leon Blvd to the point of beginning.

PRECINCT 32, DISTRICT 1

Beginning at the intersection of the center of Julington Creek and State Road 13; thence southerly along State Road 13 to the center of Mill Creek; thence northwesterly along the center of Mill Creek to its mouth thereof; thence due west to the west margin of the main channel of the St. Johns River; thence northerly along the main channel of the St. Johns River to a point that is due west of Julington Creek; thence east to the mouth of Julington Creek; thence northeasterly along the center of Julington Creek to the point of beginning.

PRECINCT 33, DISTRICT 1

Beginning at the intersection of the center of Six Mile Creek and County Road 13; thence southwestery along County Road 13 to the west line of census block 119 according to the 1990 Post Census Map of St. Johns County, Florida, produced and plotted by the U.S. Bureau of the Census, Washington, D.C. on June 27, 1990; thence southerly along the west line of census block 119 to County Road 208; thence easterly along County Road 208 to Steven Colee Road; thence southerly and westerly along Steven Colee Road to the north-south powerlines which are 8000 feet west of County Road 13A; thence northerly along the centerline of the powerlines to Tocol Creek; thence westerly and southwestery along Tocol Creek to its mouth thereof; thence due west to the west margin of the main channel of the St. Johns River; thence northerly along the main channel of the St. Johns River to a point that is due west of Six Mile Creek; thence east to the mouth of Six Mile Creek; thence southeasterly along the center of Six Mile Creek to the point of beginning.

PRECINCT 34, DISTRICT 1

Beginning at the intersection of Nine Mile Road and I-95; thence southeasterly along I-95 to County Road 208; thence westerly along County Road 208 to the west line of census block 119 according to the 1990 Postcensus Map of St. Johns County, Florida, produced and plotted by the U.S. Bureau of the Census, Washington D.C. on June 27, 1990; thence northerly along the west line of census block 119 to County Road 13; thence northeasterly along County Road 13 to State Road 16; thence easterly along State Road 16 to Nine Mile Road, thence northeasterly along Nine Mile Road to the point of beginning.

PRECINCT 35, DISTRICT 2

Beginning at the intersection of the center of Deep Creek and the Florida East Coast Railway; thence northeasterly along the Florida East Coast Railway to Moore Lane; thence southerly and easterly along Moore Lane to State Road 207; thence northeasterly along State Road 207 to the north line census block 436 to Beach Road; thence easterly along north line census block 436; thence southerly along Beach Road to Cowpen Branch Road; thence easterly and southerly along Cowpen Branch Road to State Road 206; thence easterly along State Road 206 to County Road 305; thence northerly and westerly along County Road 305 to Messervey Road; thence southerly along Messervey Road to State Road 207; thence westerly and southwesterly along State Road 207 to Manuel Drive; thence westerly along Manuel Drive to Masters Road; thence northerly along Masters Road to Moccasin Branch; thence westerly along Moccasin Branch to County Road 13; thence northwesterly along County Road 13 to Church Road; thence northeasterly and easterly along Church Road to Masters Road; thence northerly along Masters Road to St. Ambrose Road; thence westerly along St. Ambrose Road to County Road 13A; thence southerly and southeasterly along County Road 13A to County Road 13; thence northwesterly along County Road 13 to the west line census tract 254; thence northerly and easterly along the west line of census tract 254 to County Road 305; thence westerly along County Road 305 to County Road 13; thence northwesterly along County Road 13 to the centerline of the powerlines running northeasterly and also being the east line of census block 230 according to the 1990 Postcensus Map of St. Johns County, Florida, produced and plotted by the U.S. Bureau of the Census, Washington, D.C. on June 27, 1990; thence northeasterly along the centerline of the powerline to the west line of census block 229; thence northeasterly along the west line of census block 229 to McCullough Creek; thence easterly and southeasterly along McCullough Creek to Robinson Road; thence southeasterly along Robinson Road to Solano Pen Road; thence southeasterly along Solano Pen Road to the Florida East Coast Railway; thence northeasterly along the Florida East Coast Railway to Vermont Avenue; thence southerly and southeasterly along Vermont Avenue to State Road 207; thence northeasterly along State Road 207 to I-95; thence northwesterly along I-95 to County Road 214; thence westerly along County Road 214 and its extension to the west margin of the main channel of the St. Johns River; thence southerly along the main channel of the St. Johns River to a point that is due west of Deep Creek; thence east to the mouth of Deep Creek; thence southeasterly along the center of Deep Creek to the point of beginning.

PRECINCT 36, DISTRICT 2

Beginning at the intersection of the center of Deep Creek and the Florida East Coast Railway; thence southwesterly along the Florida East Coast Railway to Ashland Avenue; thence northerly and westerly along Ashland Avenue to Main Street; thence southerly along Main Street to the Florida East Coast Railway; thence southwesterly along the Florida East Coast Railway to Campbell Road; thence westerly along Campbell Road to the range line between Ranges 27 and 28 East; thence northerly along the range line to Deep Creek; thence southeasterly along the center of Deep Creek to the point of beginning.

PRECINCT 37, DISTRICT 3

Beginning at the intersection of I-95, also known as State Road 9, and State Road 206; thence easterly along State Road 206 and its easterly extension to the Shores of the Atlantic Ocean; thence southerly along the shores of the Atlantic Ocean to the township line between Townships 9 and 10 south; thence westerly along the township line, also being a boundary line between St. Johns and Flagler Counties, to the center of Pellicer's Creek; thence westerly along the center of Pellicer's Creek, also being a boundary line between St. Johns and Flagler Counties, to I-95; thence northerly along I-95 to the point of beginning.

PRECINCT 38, DISTRICT 2

Beginning at the intersection of State Road 207 and Holmes Blvd.; thence northerly along Holmes Blvd. to Collier Street; thence easterly along Collier Street to Clay Street; thence southerly along Clay Street to 15th Street; thence easterly along 15th Street to St. Johns Street; thence southerly along the southerly extension of St. Johns street and along a dirt road until said dirt road bears easterly; thence easterly along said dirt road to a point where said dirt road bears northerly, also being the southerly extension of Nassau Street; thence northerly along dirt road and southerly extension of Nassau Street to Madeore street; thence easterly along Madeore Street to Rodriguez Street; thence northerly along Rodriguez Street to John Street; thence easterly along John Street to the west limits of the City of St. Augustine; thence southerly along the west limits of the City of St. Augustine to State Road 207; thence northerly along State Road 207 to the point of beginning.

PRECINCT 39, DISTRICT 2

Beginning at the intersection of I-95 , also known as State Road 9, and the Florida East Coast Railway; thence northeasterly along the Florida East Coast Railway to Holmes Blvd.; thence southeasterly along Holmes Blvd. to State Road 207; thence southwesterly along State Road 207 to I-95, also known as State Road 9; thence northwesterly along I-95 to the point of beginning.

PRECINCT 40, DISTRICT 2

Beginning at the intersection of King Street and the centerline of San Sebastian River; thence southerly along the San Sebastian River to where it intersects the southerly limits of the City of St. Augustine; thence westerly along said city limits to U.S. #1; thence northerly along said city limits to County Road 207; thence continuing northerly along said city limits to Christopher Street; thence easterly along Christopher Street to Sidney Street; thence southerly along Sidney Street to Madeore Street; thence easterly along Madeore Street to Hopkins Street; thence northerly along Hopkins Street to Isabel Street; thence easterly along Isabel Street to (old) South Dixie Highway; thence northerly along south Dixie Highway to Mackey Lane; thence northerly along Mackey Lane to King Street; thence easterly along King Street to the west bank of the San Sebastian River; thence northerly along said bank to the easterly extension of Evergreen Street; thence westerly along Evergreen Street to Florida Avenue; thence northerly along Florida Avenue to Helen Street; thence westerly along Helen Street to Masters Drive; thence northerly along Masters Drive to Josiah Street; thence westerly along Josiah Street to Whitney Street; thence northerly along Whitney Street to Avery Street; thence westerly along Avery Street to the western limits of the City of St. Augustine; thence northerly along said city limits to the intersection of State Road 16; thence easterly along State Road 16 to the centerline of the San Sebastian River; thence southerly along said centerline to the point of beginning.

PRECINCT 41, DISTRICT 2

Beginning at the intersection of County Road 214 and Poa Boy Road; thence northerly along Poa Boy Road to Sawdust Road; thence westerly along Sawdust Road to County Road 13A; thence northerly along County Road 13A to the northerly line of Census Block 150; thence westerly along said line to the centerline of the powerlines which run north south and is 8000 feet west of County Road 13A; thence southerly along the centerline of the powerlines to Tocoï Creek; thence westerly and southerly along Tocoï Creek to the mouth thereof; thence due west of the mouth of Tocoï Creek to the west margin of the main channel of the St. Johns River; thence southerly along the main channel of the St. Johns River to the westerly extension of County Road 214; thence easterly along the westerly extension of County Road 214 and along County Road 214 to the point of beginning.

PRECINCT 42, DISTRICT 1

Beginning at the intersection of the north line of St. Johns County and the Intracoastal Waterway; thence southerly along the center of the Intracoastal Waterway to the easterly extension of the north line of Section 55 in Township 4 South, Range 29 East; thence westerly along the easterly extension of the north line of Section 55 in Township 4 South, Range 29 East and along said section line to County Road 210; thence southwesterly along County Road 210 to the range line between Ranges 28 and 29 East; thence northerly along the range line to the north line of St. Johns County; thence easterly along the north line of St. Johns County to the point of beginning.

PRECINCT 43, DISTRICT 1

Beginning at the intersection of the township line between Townships 4 & 5 south and U.S. Highway 1, also known as State Road 5; thence southeasterly along U.S. Highway 1 to County Road 210; thence northwesterly along County Road 210 to Cypress Tree Branch Road; thence southerly and easterly along Cypress Tree Branch Road to Taylor Island Road; thence southerly along Taylor Island Road to Cummer Road; thence westerly along Cummer Road to I-95; thence northerly along I-95 to the township line between Townships 4 & 5 south; thence easterly along the township line between Townships 4 & 5 south to the point of beginning.

PRECINCT 44, DISTRICT 2

Beginning at the intersection of Deer Run Drive and Powell Road; thence southerly along Deer Run Drive to Thompson Bailey Road; thence westerly along Thompson Bailey Road to Powell Road; thence northerly and easterly along Powell Road to the point of beginning.

PRECINCT 45, DISTRICT 1

Beginning at the intersection of I-95, also known as State Road 9, and Nine Mile Road; thence southwesterly along Nine Mile Road to State Road 16; thence westerly along State Road 16 to the west line of census blocks 182, 172 and 164; thence northeasterly along the census block lines to Cummer Road; thence easterly along Cummer Road to I-95, also known as State Road 9; thence southerly along I-95 to the point of beginning.
