BE IT RESOLVED by the Board of County Commissioners of St. Johns County, Florida (the "Board"):

Section 1. Authority For This Resolution. This Resolution is adopted pursuant to the provisions of St. Johns County Ordinance No. 89-20 as amended, and other applicable provisions of law.

Section 2. Definitions. Unless otherwise defined herein or the context otherwise requires, the capitalized terms used herein shall have the meaning assigned to them in Ordinance No. 89-20, as amended (the "Ordinance").

Section 3. Findings. It is hereby ascertained, determined and declared as follows:

1. Pursuant to the Ordinance, the Board, after a public hearing, may (i) enter into an agreement or contract with qualified applicants for the collection, transportation and/or disposal of solid waste in the County for a period of time not to exceed seven years upon such terms and conditions as the Board may determine to be in the public interest, and (ii) modify the

rates, fees and charges to be paid to a Collector for the collection and transportation of Residential Solid Waste.

2. The Board has heretofore entered into an authorized collector agreement with Prince A. McDougle (the "Collector") dated as of January 14, 1993 (the "Agreement"), which Agreement remains in full force and effect. The County, by notifying the Collector, may renew or extend the term of the Agreement and the County has elected to do so and has so notified the Collector.

3. The County, through the Board, has adopted Ordinance No. 94-07 (the "Collection/Recycle Ordinance") establishing a system by which the County levies special assessments on non-exempt residential property within the Agreement area for the availability and provision of residential solid waste collection, transportation and/or recycling services. Pursuant to Section 2(e) of the Agreement, the County and the Collector have negotiated a fee to be paid by the County to the Collector to make available and provide such services to the residences that the Collector is authorized to serve.

4. The Board has received satisfactory evidence of the requirements of Section 29 of the Ordinance as modified by St. Johns County ordinance 92-39 and the Collector has covenanted to comply with the requirements thereof.

5. The rate hereinafter described that will be payable by the County to the Collector was determined and established in accordance with the provisions of Section 35 of the Ordinance and

Section 6 of the Agreement. Such rate shall remain subject to modification and the rate setting procedures established under Section 35 of the Ordinance and Section 6 of the Agreement, which rate setting provisions have not been altered, repealed or voided by the Collection/Recycle Ordinance.

Section 4. Extension of Agreement Term. The term of the Agreement is hereby extended from the effective date hereof through July 31, 2001.

Section 5. Increased Obligations of Collector.

(a) As of January 1, 1995, in addition to Rubbish, Garbage, Yard Trash and other solid waste that is or can reasonably be anticipated to be produced or generated from Residential Property, the term "Residential Solid Waste" as used in the Agreement shall also be deemed to include White Goods and Refuse (as defined therein).

(b) As of January 1, 1995, the number of Garbage Receptacles that Collector shall collect from a unit on any given collection day will no longer be limited to six. There shall be no limit on Garbage Receptacles to be collected on any given collection day.

Section 6. Authorization of Execution and Delivery of the Amendment to Authorized Collector Agreement. The Amendment to Authorized Collector Agreement, substantially in the form attached hereto as Exhibit "A" with such changes, corrections, insertions and deletions as may be approved by the Chairman or

Vice Chairman of the Board of County Commissioners of St. Johns County, Florida, such approval to be evidenced conclusively by his or her execution thereof, is hereby approved and authorized; the Board hereby authorizes and directs the Chairman or Vice Chairman of the Board of County Commissioners of St. Johns County, Florida to execute and the Clerk or Deputy Clerk to attest under the Official Seal of the County, the Amendment to Authorized Collector Agreement and to deliver the Amendment to Authorized Collector Agreement to the Collector; and all of the provisions of the Amendment to Authorized Collector Agreement, when executed and delivered by the Board as authorized herein and executed by the Collector, shall be deemed to be part of this Resolution as fully and to the same extent as if incorporated verbatim herein.

Section 7. Rate Modification. Commencing January 1, 1995, the rate payable by the County to the Collector under the Agreement shall be \$9.00 per month for each unit of Non-Exempt Residential Property (as such term is used in the Collection/Recycle Ordinance) within the Agreement Area. From and after such date, the Collector may no longer charge or collect fees from other persons or entities for the level of services covered by such rate. This rate shall remain subject to change in accordance with Section 35 of the Ordinance and Section 6 of the Agreement. In return for such rate, the Collector shall provide and/or make available the services set forth in the

Exhibit "A" Amendment to Authorized Collector Agreement attached hereto.

Section 8. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be separable from the remaining covenants, agreements and provisions and shall in no way affect the validity of any of the other provisions hereof or of the Agreement.
