PART II - GRANT CONDITIONS

A. GENERAL CONDITIONS:

1. The method of payment, for the period October 1, 1994 through September 30, 1995, will be on a reimbursement basis only.
2. The grantee shall elect to submit reimbursement requests on either a monthly or quarterly basis. The method chosen shall be followed for the entire grant period. An original of the reimbursement request, with summaries and appropriate contracts attached, shall be due on the last day of the month following the end of the reporting period (monthly or quarterly). Each reimbursement request shall be submitted in detail sufficient for pre-audit and post-audit review.
3. Grant funds may be expended through September 30, 1995. A final reimbursement request must be submitted no later than October 31, 1995.
4. Reimbursement requests must be signed by the designated Authorized Representative. This should be the same person who signed the grant agreement. If there is a change in the authorized representative during the grant period, the Department must be notified of the new representative by resolution or minutes of a commission meeting.
5. Expenditures shall be limited to allowable items as listed in Section 17-716.620 of the Solid Waste Grants Program Rule:
  - (a) Construct or operate, or contract for the construction or operation of, a waste tire processing facility and equipment purchases therefore;
  - (b) Contract for a waste tire processing facility service within or outside the county or state;
  - (c) Remove or contract for the removal of waste tires from the county, region, or state;
  - (d) Perform or contract for the performance of research designed to facilitate waste tire recycling;
  - (e) Establish waste tire collection centers at solid waste disposal facilities or waste tire processing facilities;
  - (f) Provide incentives for establishing or expanding privately operated waste tire collection centers for the public;
  - (g) In addition to the use specified in paragraph (c), abate and provide mosquito control relating to waste tire sites, or other tire piles, and other waste debris sites in the county identified by local mosquito control agencies as mosquito breeding areas.
6. Up to five percent of a county's grant for fiscal year 1994-95 may be used for administrative costs and planning or research studies to assess the feasibility of eligible projects within a county, or to assess the feasibility of establishing a regional waste tire program.

7. Each recipient of grant funds shall maintain accurate records of all expenditures of grant funds and shall assure that these records are available at all reasonable times for inspection, review or audit by Department personnel and other personnel authorized by the Department. Records shall be kept for a period of at least 3 years following the end of the grant period. The grantee agrees that it will expeditiously initiate and complete the program work for which assistance has been awarded under this agreement in accordance with all applicable provisions of Florida Statutes and the Florida Administrative Code.
8. Allowable costs may be charged to this agreement beginning either October 1, 1994, or the date this agreement is fully executed, whichever date is later.
9. Grant funds shall be included in the grantee's Annual Audit performed under the Single Audit Act (A128). Any subgrants made by the grantee shall also include a provision for the subgranted funds to be included in the subgrantee's Annual Single Audit. A copy of all Single Audits shall be submitted to the Department of Environmental Protection, Solid Waste Section, by March 31st of each year.
10. The Department has the right to terminate a grant award and demand refund of grant funds for non-compliance with the terms of the award or the Solid Waste Grants Program Rule 17-716. Such action may also result in the Department declaring the local government ineligible for further participation in the program until the local government complies with the terms of the grant award.
11. Grantee shall obtain all necessary construction-related permits before initiating construction.
12. The State of Florida's performance and obligation to pay under this grant agreement is contingent upon receipt of funds presently anticipated from the Florida Department of Revenue.
13. Travel expenses incurred are included in the amount of this grant and no additional travel expenses will be authorized. Any requests for reimbursement of travel expenses must be submitted in accordance with Section 112.061, Florida Statutes.
14. The Department reserves the right to unilaterally cancel this contract for refusal by the grantee to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the grantee in conjunction with this grant.
15. The Grantee is prohibited from using grant funds for the purpose of lobbying the Legislature or a State Agency.
16. Each county, or association of counties, receiving funds from the waste tire account shall submit an annual report to the Department accounting for the use of such funds.

**OFFER AND ACCEPTANCE**

The State of Florida, acting by and through the Department of Environmental Protection, hereby offers assistance to the county of St. Johns for all allowable costs incurred up to and not exceeding \$69,273.
