Notice is hereby given that the Board of County Commissioners of St. Johns County, Florida, will conduct a public hearing to consider creation of the Usina Road Extension Road Maintenance Service Benefit Unit, as shown above, and to impose special assessments against certain parcels of property located therein. The hearing will be held at 5:30 p.m. on November 12, 1996, in the County Commission Chambers of the St. Johns County Administration Building at 4020 Lewis Speedway, St. Augustine, Florida. The assessments have been proposed to fund road grading and maintenance services and road improvements necessary to provide this service in an efficient and cost effective manner. Assessments will not be imposed if the roads within the Road Maintenance MSBU are repaired and graded in a manner that permits the safe, convenient, and efficient provision of Essential Services. The assessment for each parcel of property will be based upon the number of residential units attributable to such parcel. (For the purposes of the assessment, a residential unit includes unimproved property upon which a residential dwelling unit can be sited or constructed.) A more specific description is set forth in the Initial Road Assessment Resolution adopted by the County Commission on October 8, 1996. Copies of the Initial Road Assessment Resolution, the plans and specifications for the road improvements,

and the preliminary assessment roll are available for inspection at the offices of the Assessment Coordinator, located at 4020 Lewis Speedway, St. Augustine, Florida.

Annual assessments to fund the road improvements will be payable for a period of 10 years. The first annual assessments may be billed separately by the County. Thereafter, annual assessments will be collected on the ad valorem tax bill, as authorized by Section 197.3432, Florida Statutes. Failure to pay the assessment will cause a tax certificate to be issued against the property which may result in a loss of title. Future annual assessments to fund road improvements may be prepaid at the option of the property owner.

FORM OF ASSESSMENT NOTICE

NOTICE OF ASSESSMENTS

On November 12, 1996, the Board of County Commissioners of St. Johns County, Florida, adopted Resolution No. 96-217, which imposed Road Assessments (including Road Maintenance Assessments and Road Improvements Assessments) against property located within the Usina Road Extension Road Maintenance Municipal Service Benefit Unit, as described in the attached Exhibit A, to fund the provision of road grading and maintenance service required to furnish access for essential services and the construction of road improvements deemed necessary to provide efficient and cost effective grading and maintenance service. Annual Road Improvement Assessments will be imposed for a period of ten fiscal years, commencing with the fiscal year ending September 30, 1998. Road Maintenance Assessments will be imposed annually, commencing with the fiscal year ending September 30, 1998. The first ad valorem tax bill including Road Assessments will be mailed in November 1997.

The method of computing the annual Road Assessment for any parcel of property to which the Property Appraiser has assigned a distinct ad valorem property tax identification number is set forth in Resolution No. 96-185. Resolution No. 96-217 establishes a Road Maintenance Assessment rate of \$30.01 per Residential Unit for the fiscal year ending September 30, 1998 and a maximum annual Road Improvement Assessment rate of \$106.65 per Residential Unit for a period of ten years, commencing with the fiscal year ending September 30, 1998. The lien shall be deemed perfected upon adoption of each annual assessment resolution and shall attach to the property included on the assessment roll as of the prior January 1, the lien date for ad valorem taxes. This notice does not and shall not be construed to require that individual liens or releases be filed in the Official Records.
