**WHEREAS,** notice has been duly provided and the roads within the Lures Lane and Waterwood Way Road Maintenance Municipal Service Benefit Unit have not been

sufficiently repaired and graded so as to safely, conveniently, and efficiently allow for the provision of essential services; and

**WHEREAS,** such failure constitutes a necessary public purpose for the Board to impose the Road Assessments in order to safely and efficiently provide access for the delivery of essential services to the benefitted lands and their affected owners, residents, and invitees; and

**WHEREAS,** as required by the terms of the Ordinance, notice of a public hearing has been published and mailed to each property owner proposed to be assessed notifying such property owner of the opportunity to be heard; the proof of publication and an affidavit of mailing are attached hereto as Appendices A and B respectively; and

**WHEREAS,** a public hearing has been duly held and comments and objections of all interested persons have been heard and considered as required by the terms of the Ordinance;

**SECTION 7. ROAD ASSESSMENTS.**

(A) The Tax Parcels described in the Road Assessment Roll are hereby found to be specially benefited by the Grading and Maintenance Service and related Road Improvements in the amount of the Road Maintenance Assessments and Road Improvement Assessments imposed hereby. The methodology for computing annual Road Assessments described in the Initial Road Assessment Resolution is hereby approved. Except as otherwise provided by law, such lien shall be superior in dignity to all other liens, titles and claims, until paid. The lien shall be deemed perfected upon adoption by the Board of the Annual Assessment Resolution and shall attach to the property included on the Assessment Roll as of the prior January 1, the lien date for ad valorem taxes.

**SECTION 8. COLLECTION OF ROAD ASSESSMENTS.** Road Assessments for the Fiscal Year ending September 30, 1998 shall be collected pursuant to the Uniform Assessment Collection Act.
