(B) The Issuer deems it necessary, desirable and in the best interests of the Issuer that the Initial Project be acquired and constructed. The Cost of the Initial Project shall be financed with the proceeds of the Series 1998 Bonds.

(C) The Issuer deems it necessary, desirable and in the best interest of the Issuer that the Pledged Funds be pledged to the payment of the principal of and interest on the Bonds. No part of the Pledged Funds has been pledged or encumbered in any manner.

(D) The estimated Gross Revenues to be derived in each year hereafter from the operation of the Facilities will be sufficient to pay Operating Expenses, the principal of and interest on the Bonds, as the same become due, and all other payments provided for in this Resolution.

(E) The principal of and interest on the Bonds and all other payments provided for in this Resolution will be paid solely from the sources herein provided in accordance with the terms hereof; and no ad valorem taxing power of the Issuer will ever be exercised nor will any Holder of any Bond or any Credit Bank or any Insurer have the right to compel the exercise of such ad valorem taxing power to pay the principal of or interest on the Bonds or to make any other payments provided for in this Resolution, and the Bonds shall not constitute a lien upon the Facilities or upon any other property of the Issuer or situated within its territorial limits, except the Pledged Funds.

(F) The Issuer has heretofore issued and has presently outstanding and unpaid the Prior Obligations.

(G) The Issuer deems it necessary, desirable and in the best financial interest of the Issuer that the Prior Obligations be redeemed in order to effectuate interest cost savings and a reduction in the debt service applicable to bonded indebtedness issued to finance the Facilities. Simultaneously with the issuance of the Series 1998 Bonds, a sufficient portion of available funds will be paid by the Issuer to the Escrow Holder for deposit by the Escrow Holder into the Escrow Account established pursuant to the Escrow Deposit Agreement, to effectuate the redemption of the Prior Obligations by providing for the payment of the principal of and interest on the Prior Obligations as provided in the Escrow Deposit Agreement.

(H) The Issuer has received from MBIA Insurance Corporation ("MBIA") commitments to provide a Bond Insurance Policy and a Reserve Account Insurance Policy with respect to the Series 1998 Bonds, copies of which are attached hereto as Exhibit A; on behalf of the Issuer, Ben W. Adams, Jr., its County Administrator, accepted said commitments; and it is in the best financial interest of the Issuer that the Issuer ratify such acceptance of said commitments.

Section 1.5 Authorization of Initial Project. The acquisition, construction and installation of the Initial Project in the manner herein provided is hereby authorized.

Section 1.6 Authorization of Redemption. The redemption of the Prior Obligations in the manner herein provided is hereby authorized.

Section 1.7 Redemption of Prior Obligations. Simultaneously with the delivery of the Series 1998 Bonds to the purchaser or purchasers thereof, the Issuer will enter into the Escrow Deposit Agreement with the Escrow Holder. At the time the Escrow Deposit Agreement is executed, the Issuer will furnish to the Escrow Holder appropriate documentation to demonstrate that the funds being deposited with the Escrow Holder pursuant to the provisions

of the Escrow Deposit Agreement shall be equal to the Escrow Requirement and that such moneys and the investments to be made pursuant to the Escrow Deposit Agreement will be sufficient to produce the moneys required to make all payments described in the Escrow Deposit Agreement for the full and complete redemption of the Prior Obligations.

Section 1.8 Ratification of Acceptance of Insurance Commitments. The Issuer hereby ratifies the acceptance of MBIA's commitments to provide a Bond Insurance Policy and a Reserve Account Insurance Policy with respect to the Series 1998 Bonds.

ARTICLE 2

AUTHORIZATION, TERMS, EXECUTION AND REGISTRATION OF BONDS

Section 2.1 Authorization of Bonds. The Issuer hereby authorizes the issuance of Bonds of the Issuer to be designated as "St. Johns County, Florida, Capital Improvement Revenue Bonds," which may be issued in one or more Series as hereinafter provided. The aggregate principal amount of the Bonds which may be executed and delivered under this Resolution is not limited except as may hereafter be provided by Supplemental Resolution or as limited by the Act or by other applicable law.

The Bonds may, if and when authorized by the Issuer pursuant to this Resolution or Supplemental Resolution, be issued in one or more Series, with such further appropriate particular designations added to or incorporated in such title for the Bonds of any particular Series as the Issuer may determine and as may be necessary to distinguish such Bonds from the Bonds of any other Series. Each Bond shall bear upon its face the designation so determined for the Series to which it belongs.

The Bonds shall be issued for such purpose or purposes; shall bear interest at such rate or rates not exceeding the maximum rate permitted by law; and shall be payable in lawful money of the United States of America on such dates; all as determined by this Resolution or by Supplemental Resolution. From and after any maturity date of any of the Bonds (deposit of moneys and/or Securities for the payment of the principal and interest on such Bonds having been made by the Issuer with the Paying Agents), notwithstanding that any of such Bonds shall not have been surrendered for cancellation, no further interest shall accrue upon the principal or upon the interest which shall have accrued and shall then be due on such date, and such Bonds shall cease to be entitled to any lien, benefit or security under this Resolution, and the Holders shall have no rights in respect of such Bonds except to receive payment of such principal and unpaid interest accrued to the maturity date.

The Bonds shall be issued in such denomination or denominations and such form, whether coupon or registered; shall be dated such date or dates; shall bear such numbers; shall be payable at such place or places; shall contain such redemption provisions; shall have such Paying Agents and Registrars; shall mature in such years and amounts; and the proceeds shall

be used in such manner all as determined by this Resolution or by Supplemental Resolution. The Issuer may issue Bonds which may be secured by a Credit Facility or by a Bond Insurance Policy all as shall be determined by this Resolution or by Supplemental Resolution.

Section 2.2 Authorization and Description of Series 1998 Bonds. A Series of Bonds entitled to the benefit, protection and security of this Resolution is hereby authorized to be issued in an aggregate principal amount not to exceed \$3,500,000 for the principal purpose of financing the cost of acquiring, constructing and installing the Initial Project and paying certain costs of issuance incurred with respect to such Series. Such Series shall be designated as, and shall be distinguished from the Bonds of all other Series by the title "St. Johns County, Florida, Capital Improvement Revenue Bonds, Series 1998," provided the Issuer may change such designation in the event that the Series 1998 Bonds are not issued in calendar year 1998.

The Series 1998 Bonds shall be dated as of the first day of the month in which occurs the delivery of the Series 1998 Bonds to the purchaser or purchasers thereof or such other date as may be set forth by Supplemental Resolution; shall be issued as fully registered Bonds; and shall be numbered consecutively from one upward in order of maturity preceded by the letter "R;" shall be in such denominations and shall bear interest at a rate or rates not exceeding the maximum rate permitted by law (calculated on the basis of a 360-day year of twelve 30-day months), payable in such manner and on such dates; shall consist of such amounts of Serial Bonds, Term Bonds, Variable Rate Bonds and Capital Appreciation Bonds, maturing in such amounts and in such years not exceeding forty (40) years from their date; shall have such Paying Agents and Registrars; and shall contain such redemption provisions; all as the Issuer shall hereafter provide by Supplemental Resolution.

The principal of or Redemption Price, if applicable, on the Series 1998 Bonds is payable upon presentation and surrender of the Series 1998 Bonds at the office of the Paying Agent. Interest payable on any Series 1998 Bond on any Interest Date will be paid by check or draft of the Paying Agent to the Holder in whose name such Bond shall be registered at the close of business on the date which shall be the fifteenth day (whether or not a business day) of the calendar month next preceding such Interest Date, or, unless otherwise provided by Supplemental Resolution, at the option of the Paying Agent, and at the request and expense of such Holder, by bank wire transfer for the account of such Holder. In the event the interest payable on any Series 1998 Bond is not punctually paid or duly provided for by the Issuer on such Interest Date, such defaulted interest will be paid to the Holder in whose name such Bond shall be registered at the close of business on a special record date for the payment of such defaulted interest as established by notice to such Holder, not less than ten (10) days preceding such special record date. All payments of principal of or Redemption Price, if applicable, and interest on the Series 1998 Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

Section 2.3 Application of Series 1998 Bond Proceeds. Except as otherwise provided by Supplemental Resolution, the proceeds derived from the sale of the Series 1998

Bonds, including accrued interest and premium, if any, shall, simultaneously with the delivery of the Series 1998 Bonds to the purchaser or purchasers thereof, be applied by the Issuer as follows:

(A) Accrued and capitalized interest, if any, shall be deposited in the Interest Account.

(B) An amount shall be deposited in the Reserve Fund which, together with any moneys and securities on deposit therein and any Reserve Fund Insurance Policy and/or Reserve Fund Letter of Credit obtained in accordance with Section 4.6(C) hereof, shall equal the Reserve Fund Requirement.

(C) The Issuer covenants and agrees to establish a separate account with an Authorized Depository to be known as the "St. Johns County Capital Improvement Revenue Bonds, Series 1998, Costs of Issuance Account" (the "Costs of Issuance Account"), which shall be used only for the payment of costs and expenses described in this subsection. A sum sufficient to pay all costs and expenses in connection with the preparation, issuance and sale of the Series 1998 Bonds, including fees of financial advisors, engineering and other consulting fees, legal fees, bond insurance premiums, reserve account insurance premiums, printing fees, rating agency fees and other similar costs shall be deposited to the credit of the Costs of Issuance Account, and all such costs and expenses shall be promptly paid by the Issuer to the persons respectively entitled to receive the same. When all moneys on deposit to the credit of the Costs of Issuance Account shall have been disbursed by the Issuer for the payment of such costs and expenses, the Costs of Issuance Account shall be closed; provided, however, that if any balance shall remain in the Costs of Issuance Account six months after issuance of the Series 1998 Bonds, such moneys shall be transferred by the Issuer to the Construction Fund and the Costs of Issuance Account shall be closed. After the Costs of Issuance Account shall be closed, the Issuer may pay from the Construction Fund any unpaid issuance expenses.

(D) The balance of the Series 1998 Bond proceeds shall be deposited in the Construction Fund.

Simultaneously with the issuance of the Series 1998 Bonds, a sum which, together with other funds deposited in the Escrow Account pursuant to the provisions of the Escrow Deposit Agreement, shall equal the Escrow Requirement, shall be deposited with the Escrow Holder under the Escrow Deposit Agreement and applied only in the manner provided in the Escrow Deposit Agreement.

Section 2.4 Execution of Bonds. The Bonds shall be executed in the name of the Issuer with the manual or facsimile signature of the Chairman and the official seal of the Issuer shall be imprinted thereon, attested and countersigned with the manual or facsimile signature of the Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds or whose facsimile signature shall appear thereon shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered such

Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Bond shall hold the proper office of the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Bonds shall be actually sold and delivered.

Section 2.5 Authentication. No Bond of any Series shall be secured hereunder or entitled to the benefit hereof or shall be valid or obligatory for any purpose unless there shall be manually endorsed on such Bond a certificate of authentication by the Registrar or such other entity as may be approved by the Issuer for such purpose. Such certificate on any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Resolution. The form of such certificate shall be substantially in the form provided in Section 2.9 hereof.

Section 2.6 Temporary Bonds. Until the definitive Bonds of any Series are prepared, the Issuer may execute, in the same manner as is provided in Section 2.4, and deliver, upon authentication by the Registrar pursuant to Section 2.5 hereof, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in denominations authorized by the Chairman and the Clerk, such authorization to be evidenced conclusively by their execution of such temporary Bond or Bonds, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Issuer, at its own expense, shall prepare and execute definitive Bonds, which shall be authenticated by the Registrar. Upon the surrender of such temporary Bonds for exchange, the Registrar, without charge to the Holder thereof, shall deliver in exchange therefor definitive Bonds, of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution. All temporary Bonds surrendered in exchange for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith canceled by the Registrar.

Section 2.7 Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, or be destroyed, stolen or lost, the Issuer may, in its discretion, issue and deliver, and the Registrar shall authenticate, a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder furnishing the Issuer and the Registrar proof of such Holder's ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses

as the Issuer and the Registrar may incur. All Bonds so surrendered or otherwise substituted shall be canceled by the Registrar. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same or cause the Bond to be paid, upon being indemnified as aforesaid, and if such Bonds be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this Section 2.7 shall constitute original, additional contractual obligations on the part of the Issuer whether or not the lost, stolen or destroyed Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on the Pledged Funds to the same extent as all other Bonds issued hereunder and shall be entitled to the same benefits and security as the Bond so lost, stolen or destroyed.

Section 2.8 Interchangeability, Negotiability and Transfer. Bonds, upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of registered Bonds of the same Series and maturity of any other authorized denominations.

The Bonds issued under this Resolution shall be and have all the qualities and incidents of negotiable instruments under the laws of the State of Florida, subject to the provisions for registration and transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Issuer shall cause to be maintained and kept, at the office of the Registrar, books for the registration and transfer of the Bonds.

Each Bond shall be transferable only upon the books of the Issuer, at the office of the Registrar, under such reasonable regulations as the Issuer may prescribe, by the Holder thereof in person or by such Holder's attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed and guaranteed by the Holder or such Holder's duly authorized attorney. Upon the transfer of any such Bond, the Issuer shall issue, and cause to be authenticated, in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and Series and maturity as the surrendered Bond. The Issuer, the Registrar and any Paying Agent or fiduciary of the Issuer may deem and treat the Person in whose name any Outstanding Bond shall be registered upon the books of the Issuer as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if applicable, and interest on such Bond and for all other purposes, and all such payments so made to any such Holder or upon such Holder's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid and neither the Issuer nor the Registrar nor any Paying Agent or other fiduciary of the Issuer shall be affected by any notice to the contrary.

The Registrar, in any case where it is not also the Paying Agent in respect to any Series of Bonds, shall forthwith (a) following the fifteenth day prior to an Interest Date for such Series, (b) following the fifteenth day next preceding the date of first mailing of notice of redemption of any Bonds of such Series, and (c) at any other time as reasonably requested by the Paying Agent of such Series, certify and furnish to such Paying Agent the names, addresses and holdings of Bondholders and any other relevant information reflected in the registration books.

In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Issuer shall execute and the Registrar shall authenticate and deliver such Bonds in accordance with the provisions of this Resolution. Execution of Bonds by the Chairman and the Clerk for purposes of exchanging, replacing or transferring Bonds may occur at the time of the original delivery of the Series of which such Bonds are a part. All Bonds surrendered in any such exchanges or transfers shall be canceled by the Registrar. For every such exchange or transfer of Bonds, the Issuer or the Registrar may make a charge sufficient to reimburse it for any tax, fee, expense or other governmental charge required to be paid with respect to such exchange or transfer. The Issuer and the Registrar shall not be obligated to make any such exchange or transfer of Bonds of any Series during the fifteen (15) days next preceding an Interest Date on the Bonds of such Series (other than Capital Appreciation Bonds and Variable Rate Bonds), or, in the case of any proposed redemption of Bonds, during the fifteen (15) days next preceding the redemption date established for such Bonds.

The Issuer may elect to issue any Bonds as uncertificated registered public obligations (not represented by instruments), commonly known as book-entry obligations, provided it shall establish a system of registration therefor by Supplemental Resolution.

Section 2.9 Form of Bonds. Except for Capital Appreciation Bonds and Variable Rate Bonds, the form of which shall be provided by Supplemental Resolution, the Bonds shall be in substantially the following form with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or the Clerk prior to the issuance thereof (which necessary and/or desirability and approval shall be evidenced conclusively by the Issuer's delivery of the Bonds to the purchaser or purchasers thereof):

The principal of, premium, if any, and interest on this bond are payable solely from and secured by a lien upon and a pledge of the Net Revenues (as defined in the Resolution) to be derived from the operation of the Facilities, certain moneys specifically budgeted and appropriated by the Issuer for payment of the Bonds pursuant to the Resolution and, until applied in accordance with the provisions of the Resolution, the proceeds of the Bonds and all moneys, including investments thereof, in certain of the funds and accounts established pursuant to the Resolution, all in the manner and to the extent described in the Resolution (collectively, the "Pledged Funds"). It is expressly agreed by the Registered Holder of this bond that the full faith and credit of neither the Issuer, the State of Florida, nor any political subdivision thereof, is pledged to the payment of the principal of or premium, if any, or interest on this bond and that the Registered Holder shall never have the right to require or compel the exercise of any taxing power of the Issuer, the State of Florida, or any political subdivision thereof, to the payment of such principal, premium, if any, and interest. Notice of

redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

ARTICLE 3

REDEMPTION OF BONDS

Section 3.1 Privilege of Redemption. The terms of this Article 3 shall apply to redemption of Bonds other than Capital Appreciation Bonds or Variable Rate Bonds. The terms and provisions relating to redemption of Capital Appreciation Bonds and Variable Rate Bonds shall be provided by Supplemental Resolution.

Section 3.2 Selection of Bonds to be Redeemed. The Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. The Issuer shall, at least sixty (60) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Registrar) notify the Registrar of such redemption date and of the principal amount of Bonds to be redeemed. For purposes of any redemption of less than all of the Outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected not more than forty-five (45) days prior to the redemption date by the Registrar from the Outstanding Bonds of the maturity or maturities designated by the Issuer by such method as the Registrar shall deem fair and appropriate and which may provide for the selection for redemption of Bonds or portions of Bonds in principal amounts of \$5,000 and integral multiples thereof.

If less than all of the Outstanding Bonds of a single maturity are to be redeemed, the Registrar shall promptly notify the Issuer and Paying Agent (if the Registrar is not the Paying Agent for such Bonds) in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 3.3 Notice of Redemption. Unless waived by any Holder of Bonds to be redeemed, notice of any redemption made pursuant to this section shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each Holder of Bonds to be redeemed at the address of such Holder shown on the registration books maintained by the Registrar or at such other address as shall be furnished in writing by such Holder to the Registrar; provided, however, that no defect in any notice given pursuant to this section to any Holder of Bonds to be redeemed nor failure to give such notice shall in any manner defeat the effectiveness of a call for redemption as to all other Holders of Bonds to be redeemed.

Every official notice of redemption shall be dated and shall state:

- (1) the redemption date,
- (2) the Redemption Price,

(3) if less than all outstanding Bonds are to be redeemed, the number (and, in the case of a partial redemption of any Bond, the principal amount) of each Bond to be redeemed,

(4) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and

(5) that such Bonds to be redeemed, whether as a whole or in part, are to be surrendered for payment of the Redemption Price plus accrued interest at the office of the Paying Agent.

Prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of and accrued interest on all the Bonds or portions of Bonds which are to be redeemed on that date.

In addition to the foregoing notice, further notice may be given by the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(1) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any other descriptive information needed to identify accurately the Bonds being redeemed.

(2) Each further notice of redemption shall be sent at least thirty-five (35) days before the redemption date by registered or certified mail or overnight delivery service to any Insurer which shall have insured, or any Credit Bank which shall have provided a Credit Facility for, any of the Bonds being redeemed and to all registered securities depositories then in the business of holding substantial amounts of obligations of types similar to the type of which the Bonds consist (such depositories now being Depository Trust Company of New York, New York, Midwest Securities Trust Company of Chicago, Illinois, and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

Section 3.4 Redemption of Portions of Bonds. Any Bond which is to be redeemed only in part shall be surrendered at any place of payment specified in the notice of redemption (with due endorsement by, or written instrument of transfer in form satisfactory to the Registrar duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Issuer shall execute and the Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds, of the same interest rate

and maturity, and of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bonds so surrendered.

Section 3.5 Payment of Redeemed Bonds. Official notice of redemption having been given substantially as aforesaid, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar and/or Paying Agent at the appropriate Redemption Price, plus accrued interest. Each check or other transfer of funds issued by the Registrar and/or Paying Agent for the purpose of the payment of the Redemption Price of Bonds being redeemed shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be canceled by the Registrar and shall not be reissued.

ARTICLE 4

SECURITY, SPECIAL FUNDS AND APPLICATION THEREOF

Section 4.1 Bonds not to be Indebtedness of Issuer. The Bonds shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of any constitutional or statutory provision, but shall be special obligations of the Issuer, payable solely from and secured by a lien upon and pledge of the Pledged Funds in accordance with the terms of this Resolution. The Issuer may cause any Series of Bonds to be payable from and secured by a Credit Facility or a Bond Insurance Policy not applicable to any one or more other Series of Bonds. No Holder of any Bond or any Credit Bank or any Insurer shall ever have the right to compel the exercise of the ad valorem taxing power of the Issuer to pay such Bond or shall be entitled to payment of such Bond from any moneys of the Issuer except the Pledged Funds, in the manner provided herein.

The Pledged Funds shall be subject to the lien of this pledge immediately upon the issuance and delivery of the Series 1998 Bonds, without any physical delivery by the Issuer of the Pledged Funds or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind against the Issuer, in tort, contract or otherwise.

Section 4.2 Security for Bonds. The payment of the principal of or Redemption Price, if applicable, and interest on the Bonds shall be secured forthwith equally and ratably by a pledge of and lien upon the Pledged Funds; provided, however, a Series of Bonds may be further secured by a Credit Facility or a Bond Insurance Policy not applicable to any one or

more other Series of Bonds, as shall be provided by Supplemental Resolution, in addition to the security provided herein. Issuer does hereby irrevocably pledge the Pledged Funds to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds.

Section 4.3 Covenant to Budget and Appropriate. Until all of the Bonds are paid or deemed paid pursuant to the provisions of this Resolution, the Issuer hereby covenants to appropriate in its Annual Budget, by amendment if necessary, from Non-Ad Valorem Funds lawfully available for such purpose in each Fiscal Year in which principal of, premium, if any, or interest on the Bonds becomes due and payable, amounts sufficient, together with other available moneys, to pay the principal of, premium, if any, and interest on the Bonds as the same become due (whether by redemption, at maturity or otherwise), which amounts shall be deposited into the Sinking Fund to pay the principal of, premium, if any, and interest on the Bonds. Such covenant on the part of the Issuer to budget and appropriate such amounts of Non-Ad Valorem Funds shall be cumulative to the extent not paid, and shall continue until such Non-Ad Valorem Funds or other legally available funds in amounts sufficient to make all such required payments hereunder and under the Bonds shall have been budgeted, appropriated and actually paid. Notwithstanding the foregoing covenant of the Issuer, the Issuer does not covenant to maintain any services or programs now or hereafter provided or maintained by the Issuer which generate Non-Ad Valorem Funds.

The above notwithstanding, such covenant to budget and appropriate does not create any pledge of or lien upon such Non-Ad Valorem Funds, nor does it hinder, restrict or preclude the Issuer from pledging in the future its Non-Ad Valorem Funds, nor does it require the Issuer to levy and collect any particular Non-Ad Valorem Funds, nor does it hinder, restrict or preclude the Issuer from making the same or a similar covenant with respect to any other contractual indebtedness, nor does it give the Bondholders a prior claim on the Non-Ad Valorem Funds as opposed to claims of general creditors of the Issuer. Such covenant to budget and appropriate Non-Ad Valorem Funds is subordinate and subject in all respects to the prior payment of obligations secured by a pledge or pledges of and lien or liens upon any or all of such Non-Ad Valorem Funds heretofore or hereafter made or entered into (including the payment of debt service on bonds and other debt instruments). However, the covenant to budget and appropriate in its Annual Budget for the purposes and in the manner stated herein shall have the effect of making available for the payment of the principal of, premium, if any, and interest on the Bonds in the manner described herein legally available Non-Ad Valorem Funds and placing on the Issuer a positive duty to appropriate and budget, by amendment, if necessary, amounts from legally available Non-Ad Valorem Funds sufficient to meet its obligations hereunder; subject, however, in all respects to the restrictions of State law relating to county budgets, including Section 129.07, Florida Statutes, as amended, which provides in part that it is unlawful for the board of county commissioners of a county to expend or contract for the expenditure in any fiscal year more than the amount budgeted in each fund's budget and in no case shall the total appropriations of any budget be exceeded, except as provided pursuant to Section 129.06, Florida Statutes, as amended; and subject, further, to the prior payment of services and programs which (i) are essential public purposes affecting the health, welfare and safety of the inhabitants of the Issuer, (ii) are legally mandated or required by applicable law and/or (iii) are the services and programs for which the revenues were received. The Issuer's

determination that a service or program is an essential public purpose shall be presumed valid unless such determination clearly appears arbitrary and capricious.

The foregoing covenant of the Issuer to budget and appropriate Non-Ad Valorem Funds in accordance with this Section 4.3 shall be enforceable upon the Issuer in any court of competent jurisdiction in the manner provided in Section 7.2 hereof.

Section 4.4 Construction Fund. Issuer covenants and agrees to establish a separate fund with an Authorized Depository to be known as the "St. Johns County Capital Improvement Revenue Bonds Construction Fund," which shall be used only for payment of the Cost of Projects. Moneys in the Construction Fund, until applied in payment of any item of the Cost of a Project in the manner hereinafter provided, shall be held in trust by the Issuer and shall be subject to a lien and charge in favor of the Bondholders and for the further security of such Holders.

There shall be paid into the Construction Fund the amounts required to be so paid by the provisions of this Resolution or any Supplemental Resolution, and there may be paid into the Construction Fund, at the option of the Issuer, any moneys received for or in connection with a Project by the Issuer from any other source.

The Issuer shall establish within the Construction Fund a separate account for the Initial Project and each Additional Project, the Cost of which is to be paid in whole or in part out of the Construction Fund.

The proceeds of insurance maintained pursuant to this Resolution against physical loss of or damage to a Project, or of contractors' performance bonds with respect thereto pertaining to the period of construction thereof, shall be deposited into the appropriate account of the Construction Fund.

The Issuer covenants that the acquisition and construction of each Project will be completed without delay and in accordance with sound construction practices. The Issuer shall make disbursements or payments from the Construction Fund to pay the Cost of a Project upon the filing with the Clerk of documents and/or certificates signed by an Authorized Issuer Officer stating with respect to each disbursement or payment to be made: (1) the item number of the payment, (2) the name and address of the Person to whom payment is due, (3) the amount to be paid, (4) the Construction Fund account from which payment is to be made, (5) the purpose, by general classification, for which payment is to be made, and (6) that (A) each obligation, item of cost or expense mentioned therein has been properly incurred, is in payment of a part of the Cost of a Project and is a proper charge against the account of the Construction Fund from which payment is to be made and has not been the basis of any previous disbursement or payment, or (B) each obligation, item of cost or expense mentioned therein has been paid by the Issuer, is a reimbursement of a part of the Cost of a Project, is a proper charge against the account of the Construction Fund from which payment is to be made, has not been theretofore reimbursed to the Issuer or otherwise been the basis of any previous disbursement or payment and the Issuer is entitled to reimbursement thereof. The Clerk shall retain all such documents

and/or certificates of the Authorized Issuer Officers for seven (7) years from the dates of such documents and/or certificates. The Clerk shall make available the documents and/or certificates at all reasonable times for inspection by any Bondholder or the agent or representative of any Bondholder.

Notwithstanding any of the other provisions of this Section 4.4, to the extent that other moneys are not available therefor, amounts in the Construction Fund shall be applied to the payment of principal of or Redemption Price, if applicable, and interest on Bonds when due.

The date of completion of a Project shall be determined by the Authorized Issuer Officer who shall certify such fact in writing to the Governing Body. Promptly after the date of the completion of a Project, and after paying or making provisions for the payment of all unpaid items of the Cost of such Project, the Issuer shall deposit in the following order of priority any balance of moneys remaining in the Construction Fund in (1) another account of the Construction Fund for which the Authorized Issuer Officer has stated that there are insufficient moneys present to pay the Cost of the related Project, (2) the Reserve Fund, to the extent of a deficiency therein, and (3) such other fund or account of the Issuer, including those established hereunder, as shall be determined by the Governing Body, provided the Issuer has received an opinion of Bond Counsel to the effect that such transfer shall not adversely affect the exclusion, if any, of interest on the Bonds from gross income for federal income tax purposes.

Section 4.5 Funds and Accounts. The Issuer covenants and agrees to establish with one or more Authorized Depositories the following separate funds and accounts:

(A) Golf Course Facilities Revenue Fund.

(B) Capital Improvement Revenue Bonds Sinking Fund. The Issuer shall establish in the Sinking Fund three accounts: the "Interest Account," the "Principal Account" and the "Bond Amortization Account."

(C) Capital Improvement Revenue Bonds Reserve Fund.

(D) Capital Improvement Revenue Bonds Rebate Fund.

The Issuer may establish by Supplemental Resolution such other funds and accounts as it shall deem necessary or advisable.

The Issuer shall at any time and from time to time appoint one or more Authorized Depositories to hold, for the benefit of the Issuer and/or the Bondholders, any one or more of the funds and accounts established hereby. Such depository or depositories shall perform at the direction of the Issuer the duties of the Issuer in depositing, transferring and disbursing moneys to and from each of such funds and accounts as herein set forth, and all records of such depository in performing such duties shall be open at all reasonable times to inspection by the Issuer and its agents and employees.

Section 4.6 Flow of Funds.

(A) Revenues. The Issuer shall deposit all Gross Revenues into the Revenue Fund, promptly upon the receipt thereof. On or before the last day of each month, commencing with the month in which delivery of the Series 1998 Bonds shall be made to the purchasers thereof, the moneys in the Revenue Fund shall be deposited or credited in the following manner and in the following order of priority:

(1) Operation and Maintenance. Amounts in the Revenue Fund shall be used first to pay reasonable and necessary Operating Expenses for the next ensuing month; provided, however, that no such payment shall be made unless the provisions of Section 5.3 hereof in regard to the current Annual Budget are complied with.

(2) Sinking Fund. Next, the Issuer shall deposit into or credit to the Sinking Fund such sums as are described in Section 4.6(B) hereof.

(3) Reserve Fund. Next, the Issuer shall deposit into or credit to the Reserve Fund such sums as are described in Section 4.6(C) hereof.

(4) Surplus Moneys. The balance of any moneys remaining in the Revenue Fund after the payments and deposits required by part (1) through (3) of this subsection (A) may be transferred, at the discretion of the Issuer, to any other appropriate fund or account of the Issuer and be used by the Issuer for any lawful purpose, including, but not limited to, the payment of the principal of, premium, if any, and interest on any Subordinated Indebtedness hereafter issued by the Issuer.

(B) Sinking Fund. The Issuer shall deposit into or credit to the Sinking Fund from moneys in the Revenue Fund the sums required to make all of the deposits into the Sinking Fund required by this subsection (B). The moneys on deposit in the Sinking Fund shall be applied in the manner provided herein solely for the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds and shall not be available for any other purpose. The moneys transferred from the Revenue Fund to the Sinking Fund shall be deposited or credited in the following manner and in the following order of priority:

(1) Interest Account. The Issuer shall deposit into or credit to the Interest Account the sum which, together with the balance in said account, shall equal the interest on all Outstanding Bonds accrued and unpaid and to accrue to the end of the then current calendar month (assuming that a year consists of twelve (12) equal calendar months of thirty (30) days each). Moneys in the Interest Account shall be applied by the Issuer to pay interest on the Bonds as and when the same shall become due, whether by redemption or otherwise, and for no other purpose. The Issuer shall adjust the amount of the deposit into the Interest Account not later than the month immediately preceding any Interest Date so as to provide sufficient moneys in the Interest Account to pay the interest coming due on the Bonds on such Interest Date.

(2) Principal Account. Next, the Issuer shall deposit into or credit to the Principal Account the sum which, together with the balance in said account, shall equal (a) the principal amount of all Outstanding Bonds other than Term Bonds due and unpaid, (b) that portion of the principal amount of the Bonds other than Term Bonds next due which would have accrued on such Bonds next due during the then current calendar month if such principal amount thereof were deemed to accrue monthly (assuming that a year consists of twelve (12) equal calendar months of thirty (30) days each) in equal installments from a date one year preceding the due date of such Bonds next due and (c) the portion of the principal amount of the Bonds other than Term Bonds next due which shall have accrued on such basis in prior months. Serial Capital Appreciation Bonds (including their respective interest components) shall be payable entirely from moneys in the Principal Account on their respective maturity dates, and monthly deposits or credits to the Principal Account to provide funds for such purpose shall commence in the month which is one year prior to each such maturity date. Not later than the month immediately preceding any principal payment date, the Issuer shall adjust the amount of the deposit into the Principal Account so as to provide sufficient moneys in the Principal Account to pay the principal on the Bonds other than Term Bonds becoming due on such principal payment date. Moneys in the Principal Account shall be applied by the Issuer to pay the principal of the Bonds other than Term Bonds as and when the same shall become due, whether at maturity or otherwise, and for no other purpose.

(3) Bond Amortization Account. Payments to the Bond Amortization Account shall be on a parity with payments to the Principal Account. Commencing in the month which is one year prior to the due date of each Amortization Installment, the Issuer shall deposit into or credit to the Bond Amortization Account the sum which, together with the balance in said account held for the credit of such Amortization Installment and all Outstanding Term Bonds due and unpaid, shall equal (a) the principal amount of all such Outstanding Term Bonds due and unpaid, (b) that portion of such Amortization Installment which would have accrued during the then current calendar month if such Amortization Installment were deemed to accrue monthly (assuming that a year consists of twelve (12) equal calendar months of thirty (30) days each) in equal amounts from a date one year preceding such due date and (c) the portion of such Amortization Installment which shall have accrued on such basis in prior months. Term Capital Appreciation Bonds (including their respective interest components) shall be payable entirely from moneys in the Bond Amortization Account on the respective due dates of the Amortization Installments applicable thereto, and monthly deposits or credits to the Bond Amortization Account to provide funds for such purpose shall commence in the month which is one year prior to each such Amortization Installment due date. The Issuer shall adjust the amount of the deposit into the Bond Amortization Account not later than the month immediately preceding any date for payment of an Amortization Installment so as to provide sufficient moneys in the Bond Amortization Account to pay such Amortization Installment on such date. Moneys in the Bond Amortization Account shall be applied by the Issuer to purchase or redeem Term Bonds in the manner herein provided, and for no other purpose.

Amounts accumulated in the Bond Amortization Account with respect to any Amortization Installment may be applied by the Issuer, on or prior to the sixtieth (60th) day preceding the due date of such Amortization Installment (i) to the purchase of Term Bonds of the Series and maturity for which such Amortization Installment was established, at a price not greater than the Redemption Price at which such Term Bonds may be redeemed on the first date thereafter on which such Term Bonds shall be subject to redemption, or (ii) to the redemption at the applicable Redemption Price of such Term Bonds. The applicable Redemption Price (or principal amount of maturing Term Bonds) of any Term Bonds so purchased or redeemed shall be deemed to constitute part of the Bond Amortization Account until such Amortization Installment date, for the purposes of calculating the amount of such Account. As soon as practicable after the sixtieth (60th) day preceding the due date of any such Amortization Installment, the Issuer shall proceed to call for redemption on such due date, by causing notice to be given as provided in Section 3.3 hereof, Term Bonds of the Series and maturity for which such Amortization Installment was established (except in the case of Term Bonds maturing on an Amortization Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Amortization Installment. The Issuer shall pay out of the Bond Amortization Account and the Interest Account to the respective Paying Agents, on or before the day preceding such redemption date (or maturity date), the amount required for the redemption (or for the payment of such Term Bonds then maturing), and such amount shall be applied by such Paying Agents to such redemption (or payment). All expenses in connection with the purchase or redemption of Term Bonds shall be paid by the Issuer from the Restricted Revenue Fund.

(C) Reserve Fund. The Issuer shall deposit into or credit to the Reserve Fund from moneys in the Revenue Fund such sum, if any, as will be necessary to immediately restore the funds on deposit therein to an amount equal to the Reserve Fund Requirement including the reinstatement of any Reserve Fund Insurance Policy or Reserve Fund Letter of Credit on deposit therein or the cash replacement thereof. On or prior to each principal and interest payment date for the Bonds, moneys in the Reserve Fund shall be applied by the Issuer to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds to the extent moneys in the Interest Account, the Principal Account and the Bond Amortization Account shall be insufficient for such purpose. Whenever there shall be surplus moneys in the Reserve Fund by reason of a decrease in the Reserve Fund Requirement or as a result of a deposit therein of a Reserve Fund Insurance Policy and/or a Reserve Fund Letter of Credit, such surplus moneys shall be deposited by the Issuer into the Principal Account, or such other appropriate fund or account of the Issuer, provided such deposit to such other fund or account shall not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Upon the issuance of any Series of Bonds, under the terms, limitations and conditions as herein provided, the Issuer shall provide for the funding of the Reserve Fund in an amount equal to the Reserve Fund Requirement. Such required amount may be paid in full or in part from the proceeds of such Series of Bonds or may be accumulated in equal monthly payments from the Revenue Fund, on a parity with the payments required by the first sentence

of this subsection (C), to the Reserve Fund over a period of months from the date of issuance of such Series of Bonds, which shall not exceed the greater of (a) sixty (60) months, or (b) the number of months for which interest on such Series of Bonds has been capitalized, as determined by Supplemental Resolution.

Whenever moneys on deposit in the Reserve Fund, together with the other available amounts in the Sinking Fund, are sufficient to fully pay all Outstanding Bonds (including principal and interest thereon) in accordance with their terms, the funds on deposit in the Reserve Fund shall be applied to the payment of Bonds.

Notwithstanding the foregoing provisions, in lieu of the required deposits into the Reserve Fund, the Issuer may, at its sole option and discretion, cause to be deposited a Reserve Fund Insurance Policy and/or Reserve Fund Letter of Credit in an amount equal to the difference between the Reserve Fund Requirement applicable thereto and the sums, if any, remaining on deposit in the Reserve Fund after the deposit of such Reserve Fund Insurance Policy and/or Reserve Fund Letter of Credit. Such Reserve Fund Insurance Policy and/or Reserve Fund Letter of Credit shall be payable to the Paying Agent for such Series (upon the giving of notice as required thereunder) on any interest payment or redemption date on which a deficiency exists which cannot be cured by funds in any other fund or account held pursuant to this Resolution and available for such purpose. The issuer providing such Reserve Fund Insurance Policy and/or Reserve Fund Letter of Credit shall be either (a) an insurer (i) whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated in one of the two highest rating categories (without regard to gradations, such as "plus" or "minus" of such categories) by either Standard & Poor's or Moody's Investors Service, or (ii) who holds one of the two highest policyholder ratings accorded insurers by A. M. Best & Company, or any comparable service, or (b) a commercial bank, insurance company or other financial institution the bonds payable or guaranteed by which have, or whose obligation to pay is guaranteed by a commercial bank, insurance company or other financial institution which has, been assigned a rating by either Moody's Investors Service or Standard & Poor's in one of the two highest rating categories (without regard to gradations, such as "plus" or "minus" of such categories).

If fifteen (15) days prior to an interest payment or mandatory redemption date, the Issuer shall determine that a deficiency exists in the amount of moneys available to pay in accordance with the terms hereof interest and/or principal due on Bonds on such date, the Issuer shall immediately notify (a) the issuer of the applicable Reserve Fund Insurance Policy and/or the issuer of the Reserve Fund Letter of Credit, and (b) the Insurer, if any, of the amount of such deficiency and the date on which such payment is due, and shall take all action to cause such issuer or Insurer to provide moneys sufficient to pay all amounts due on such interest payment or redemption date.

If a disbursement is made from a Reserve Fund Insurance Policy and/or Reserve Fund Letter of Credit provided pursuant to this Section 4.6(C), the Issuer shall reinstate the maximum limits of such Reserve Fund Insurance Policy and/or Reserve Fund Letter of Credit

immediately following such disbursement from moneys available in the Reserve Fund in accordance with the provisions of the first paragraph of this Section 4.6(C), by depositing funds in the amount of the disbursement made under such instrument, with the issuer thereof, together with interest thereon to the date of reimbursement at the rate set forth in such Reserve Fund Insurance Policy or such Reserve Fund Letter of Credit, but in no case greater than the maximum rate of interest permitted by law. In addition, and in the same manner, the Issuer shall reimburse the issuer of the Reserve Fund Insurance Policy and/or the issuer of the Reserve Fund Letter of Credit for all reasonable expenses incurred by such issuer in connection with the draw on such Reserve Fund Insurance Policy or the Reserve Fund Letter of Credit, as the case may be.

The Issuer may evidence its obligation to reimburse the issuer of any Reserve Fund Letter of Credit or Reserve Fund Insurance Policy by executing and delivering to such issuer a promissory note therefor and/or an agreement relating thereto, which shall be approved hereby or by Supplemental Resolution, provided, however, any such note and any payment obligations of the Issuer under such agreement (a) shall not be a general obligation of the Issuer the payment of which is secured by the full faith and credit or taxing power of the Issuer, and (b) shall be payable solely from moneys available in the Reserve Fund in accordance with the provisions of the first paragraph of this Section 4.6(C). All of the provisions of such promissory note or such agreement, when executed and delivered by the Issuer, shall be deemed to be a part of this Resolution as fully and to the same extent as if incorporated verbatim herein.

To the extent the Issuer causes to be deposited into the Reserve Fund, a Reserve Fund Insurance Policy and/or a Reserve Fund Letter of Credit for a term of years shorter than the life of the Series of Bonds so insured or secured, then the Reserve Fund Insurance Policy and/or the Reserve Fund Letter of Credit shall provide, among other things, that the issuer thereof shall provide the Issuer with notice as of each anniversary of the date of the issuance of the Reserve Fund Insurance Policy and/or the Reserve Fund Letter of Credit of the intention of the issuer thereof to either (a) extend the term of the Reserve Fund Insurance Policy and/or the Reserve Fund Letter of Credit beyond the expiration dates thereof, or (b) terminate the Reserve Fund Insurance Policy and/or the Reserve Fund Letter of Credit on the initial expiration dates thereof or such other future date as the issuer thereof shall have established. If the issuer of the Reserve Fund Insurance Policy and/or the Reserve Fund Letter of Credit notifies the Issuer pursuant to clause (b) of the immediately preceding sentence or if the Issuer terminates the Reserve Fund Letter of Credit and/or Reserve Fund Insurance Policy, then the Issuer shall deposit from the Revenue Fund into the Reserve Fund, on or prior to the fifteenth (15th) day of the first full calendar month following the date on which such notice is received by the Issuer, such sums as shall be sufficient to pay an amount equal to a fraction, the numerator of which is one (1) and the denominator of which is equal to the number of months remaining in the term of the Reserve Fund Insurance Policy and/or the Reserve Fund Letter of Credit of the Reserve Fund Requirement on the date such notice was received (the maximum amount available, assuming full reimbursement by the Issuer, under the Reserve Fund Letter of Credit and/or the Reserve Fund Insurance Policy to be reduced annually by an amount equal to the deposit to the Reserve Fund during the previous twelve (12) month period) until amounts on deposit in the

Reserve Fund, as a result of the aforementioned deposits, and no later than upon the expiration of such Reserve Fund Insurance Policy and/or such Reserve Fund Letter of Credit, shall be equal to the Reserve Fund Requirement applicable thereto.

If any Reserve Fund Letter of Credit or Reserve Fund Insurance Policy shall terminate prior to the stated expiration date thereof, the Issuer agrees that it shall fund the Reserve Fund from the Revenue Fund over a period not to exceed sixty (60) months during which it shall make consecutive equal monthly payments in order that the amount on deposit in such account at the end of such period shall equal the Reserve Fund Requirement; provided, the Issuer may, with the prior written consent of the Insurer, if any, obtain a new Reserve Fund Letter of Credit or a new Reserve Fund Insurance Policy in lieu of making the payments required by this paragraph.

Prior to deposit in the Reserve Fund, any Reserve Fund Letter of Credit or Reserve Fund Insurance Policy shall be approved in writing by each Insurer and Credit Bank and shall conform to such additional or different restrictions as such Insurer or Credit Bank shall reasonably require.

(D) Purchase or Redemption of Bonds. The Issuer, in its discretion, may use moneys in the Principal Account and the Interest Account to purchase or redeem Bonds coming due on the next principal payment date, provided such purchase or redemption does not adversely affect the Issuer's ability to pay the principal or interest coming due on such principal payment date on the Bonds not so purchased or redeemed.

(E) Deposit of Moneys with Paying Agents. At least one (1) business day prior to the date established for payment of any principal or Redemption Price, if applicable, or interest on the Bonds, the Issuer shall withdraw from the Sinking Fund sufficient moneys to pay such principal or Redemption Price, if applicable, or interest and deposit such moneys with the Paying Agent for the Bonds to be paid.

(F) Reimbursement of Credit Bank. In the case of Bonds secured by a Credit Facility, amounts on deposit in any funds or accounts established for such Bonds may be applied as provided in the applicable Supplemental Resolution to reimburse the Credit Bank for amounts drawn under such Credit Facility to pay the principal or Redemption Price, if applicable, and interest on such Bonds or to pay the purchase price of any such Bonds which are tendered by the Holders thereof for payment.

Section 4.7 Rebate Fund. Amounts on deposit in the Rebate Fund shall be held in trust by the Issuer and used solely to make required rebates to the United States Treasury (except to the extent the same may be transferred to the Revenue Fund) and the Bondholders shall have no right to have the same applied for debt service on the Bonds. The Issuer agrees to undertake all actions required of it in its arbitrage certificate relating to each Series of Bonds (other than Taxable Bonds), and other instructions from Bond Counsel, delivered in connection with or subsequent to the issuance of such Bonds, including, but not limited to:

(A) making a determination in accordance with the Code of the amount required to be deposited in the Rebate Fund;

(B) depositing from moneys in the Revenue Fund or from other moneys of the Issuer derived from sources other than ad valorem taxation and legally available for such purpose the amount determined in subsection 4.7 above into the Rebate Fund;

(C) paying on the dates and in the manner required by the Code to the United States Treasury from the Rebate Fund and any other legally available moneys of the Issuer such amounts as shall be required by the Code to be rebated to the United States Treasury; and

(D) keeping such records of the determinations made pursuant to this Section 4.7 as shall be required by the Code, as well as evidence of the fair market value of any investments purchased with proceeds of the Bonds.

The provisions of the above-described arbitrage certificate and instructions of Bond Counsel may be amended from time to time as shall be necessary, in the opinion of Bond Counsel, to comply with the provisions of the Code.

Section 4.8 Investments. Each fund and account established hereby shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State. Moneys on deposit in each fund and account, other than the Reserve Fund, may be invested and reinvested in Authorized Investments maturing not later than the date on which the moneys therein will be needed. Moneys on deposit in the Reserve Fund may be invested or reinvested in securities provided in clauses (1) through (9) of the definition of Authorized Investments which shall mature no later than five (5) years from the date of acquisition thereof.

Any and all income received by the Issuer from the investment of moneys in the Revenue Fund, the Construction Fund and the Rebate Fund, in the Interest Account, the Principal Account and the Bond Amortization Account in the Sinking Fund, and in the Reserve Fund (to the extent such income and the other amounts in the Reserve Fund do not exceed the Reserve Fund Requirement) shall be retained in such respective fund or account.

Any and all income received from the investment of moneys in the Reserve Fund (only to the extent such income and other amounts therein exceed the Reserve Fund Requirement) shall be deposited upon receipt thereof in the Interest Account.

All investments shall be valued at cost. Nothing contained in this Resolution shall prevent any Authorized Investments acquired as investments of or security for funds held under this Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

Section 4.9 Separate Accounts. The moneys required to be accounted for in each of the foregoing funds and accounts established herein may be deposited in a single bank account, and funds allocated to the various funds and accounts established herein may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds and accounts as herein provided.

The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

ARTICLE 5

COVENANTS

Section 5.1 General. In addition to all of the other covenants of the Issuer contained in this Resolution, the Issuer hereby covenants with each and every successive Holder of any of the Bonds so long as any of the Bonds shall remain Outstanding each and every one of the covenants contained in this Article 5.

Section 5.2 Operation and Maintenance. From the Gross Revenues of the Facilities, the Issuer will maintain or cause to be maintained the Facilities and all portions thereof in good condition and will operate or cause to be operated the same in an efficient and economical manner, making or causing to be made such expenditures for equipment and for renewals, repairs and replacements as may be proper for the economical operation and maintenance thereof.

Section 5.3 Annual Budget. The Issuer shall annually prepare and adopt, prior to the beginning of each Fiscal Year, an Annual Budget in accordance with applicable law. No expenditure for the operation and maintenance of the Facilities shall be made in any Fiscal Year in excess of the amount provided therefor in the Annual Budget (A) without a written finding and recommendation by an Authorized Issuer Officer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures, and (B) until the Governing Body shall have approved such finding and recommendation by resolution.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, other than the first Fiscal Year, the preliminary budget for such Fiscal Year shall be deemed to be in effect for such Fiscal Year until the Annual Budget for such Fiscal Year shall be adopted; and if the preliminary budget shall not have been prepared, the Annual Budget for the preceding Fiscal Year shall be deemed to continue in effect.

The Issuer may at any time amend the Annual Budget for the then current Fiscal Year.

The Issuer shall mail copies of such Annual Budgets and amended Annual Budgets and all resolutions authorizing increased expenditures for operation and maintenance of the Facilities to any Holder who shall file an address with the Clerk and request in writing that copies of all such Annual Budgets and resolutions be furnished to such Holder and shall make available all such Annual Budgets and resolutions authorizing increased expenditures for operation and maintenance of the Facilities at all reasonable times to any Holder or to anyone acting for or on behalf of any Holder. The Issuer shall be permitted to make a reasonable charge for furnishing to any Holder such Annual Budgets and resolutions.

Section 5.4 Rates. The Issuer shall endeavor to fix, establish, maintain and collect such Rates and revise the same from time to time, whenever necessary, as will always provide in each Fiscal Year Net Revenues adequate at all times to pay in each Fiscal Year at least one hundred percent (100%) of the current annual Debt Service Requirement becoming due in such Fiscal Year on each Series of Outstanding Bonds and at least one hundred percent (100%) of any amounts required by the terms hereof to be deposited in the Reserve Fund or with any issuer of a Reserve Fund Letter of Credit or Reserve Fund Insurance Policy in such Fiscal Year.

If, in any Fiscal Year, the Issuer shall fail to comply with the requirements contained in Section 5.4(A) above, it shall cause the Qualified Independent Consultant to review its Rates, Gross Revenues, Operating Expenses and methods of operation and to make written recommendations as to the methods by which the Issuer may promptly seek to comply with the requirements set forth in Section 5.4(A) above. The Issuer shall forthwith commence to implement such recommendations to the extent required so as to cause it to thereafter comply with said requirements.

Section 5.5 Books and Records. The Issuer shall keep books, records and accounts of the operation of the Facilities, and of Gross Revenues and Operating Expenses in accordance with generally accepted accounting principles, and the Holders of any Bonds Outstanding or the duly authorized representatives thereof shall have the right at all reasonable times to inspect all books, records and accounts of the Issuer relating thereto.

Section 5.6 Annual Audit. The Issuer shall, immediately after the close of each Fiscal Year, cause the books, records and accounts relating to the Facilities to be properly audited by a recognized independent firm of certified public accountants, and shall require such accountants to complete their report of such Annual Audit in accordance with applicable law. Such Annual Audits shall contain, but not be limited to, a balance sheet, an income statement, a statement of changes in financial position, a statement of changes in retained earnings, a statement of the number and classification of users and services of the Facilities and rates associated with such services, a statement of insurance coverage, and any other statements as required by law or accounting convention, and a certificate by such accountants disclosing any

material default on the part of the Issuer of any covenant or agreement herein. Each Annual Audit shall be in conformity with generally accepted accounting principles. A copy of each Annual Audit shall regularly be furnished to any Insurer, to any Credit Bank and to any Holder who shall have furnished an address to the Clerk and requested in writing that the same be furnished to such Holder. The Issuer shall be permitted to make a reasonable charge for furnishing to any Holder such Annual Audit.

Section 5.7 No Mortgage or Sale of the Facilities. The Issuer irrevocably covenants, binds and obligates itself not to sell, lease, encumber or in any manner dispose of the Facilities as a whole or any substantial part thereof (except as provided below) until all of the Bonds and all interest thereon shall have been paid in full or provision for payment has been made in accordance with Section 9.1 hereof.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the Facilities in the following manner, if any one of the following conditions exist: (A) such property is not necessary for the operation of the Facilities, (B) such property is not useful in the operation of the Facilities, (C) such property is not profitable in the operation of the Facilities, or (D) in the case of a lease of such property, will be advantageous to the Facilities and will not adversely affect the security for the Bondholders.

Prior to any such sale, lease or other disposition of said property: (1) if the amount to be received therefor is not in excess of one-half (1/2) of one percent (1%) of the value of the Facilities at original cost, an Authorized Issuer Officer shall make a finding in writing determining that one or more of the conditions for sale, lease or disposition of property provided for in the second paragraph of this Section 5.7 have been met; or (2) if the amount to be received from such sale, lease or other disposition of said property shall be in excess of one-half (1/2) of one percent (1%) of the value of the Facilities at original cost, an Authorized Issuer Officer shall first make a finding in writing determining that one or more of the conditions for sale, lease or other disposition of property provided for in the second paragraph of this Section 5.7 have been met, and the Governing Body of the Issuer shall, by resolution, duly adopt, approve and concur in the finding of the Authorized Issuer Officer.

The proceeds from such sale, lease or other disposition shall be deposited into the Revenue Fund.

The transfer of the Facilities as a whole from the control of the Governing Body to some other board or authority which may hereafter be created for such purpose and which constitutes a governmental entity, interest on obligations issued by which is excluded from gross income of the holders thereof for federal income tax purposes under Section 103 of the Code, shall not be deemed prohibited by this Section 5.7 and such successor board or authority shall fall within the definition of "Issuer" in Section 1.1 hereof.

Notwithstanding the foregoing provisions of this Section 5.7, the Issuer shall have the authority to sell for fair and reasonable consideration any land comprising a part of the Facilities which is no longer necessary or useful in the operation of the Facilities and the proceeds derived from the sale of such land shall be disposed of in accordance with the provisions of the fourth paragraph of this Section 5.7.

The Issuer may make contracts or grant licenses for the operation of, or grant easements or other rights with respect to, any part of the Facilities if such contract, license, easement or right does not impede or restrict the operation by the Issuer of the Facilities, but any payments to the Issuer under or in connection with any such contract, license, easement or right in respect of the Facilities or any part thereof shall constitute Gross Revenues.

Section 5.8 Insurance. The Issuer will carry such insurance as is ordinarily carried by private or public corporations owning and operating facilities similar to the Facilities with a reputable insurance carrier or carriers, including public and product liability insurance in such amounts as the Issuer shall determine to be sufficient and such other insurance against loss or damage by fire, explosion (including underground explosion), hurricane, tornado or other hazards and risks, and said property loss or damage insurance shall at all times be in an amount or amounts equal to the fair appraisal value of the buildings, properties, furniture, fixtures and equipment of the Facilities, or such other amount or amounts as an insurance consultant, as described below, shall approve as sufficient.

The Issuer may establish certain minimum levels of insurance for which the Issuer may self-insure. Such minimum levels of insurance shall be in amounts as recommended in writing by an insurance consultant who has a favorable reputation and experience and is qualified to survey risks and to recommend insurance coverage for Persons engaged in operations similar to the Facilities.

Section 5.9 No Free Service. The Issuer will not render, or cause to be rendered, any free services of any nature by its Facilities or any part thereof, nor will any preferential rates be established for any users of the same class, which in any manner will materially adversely affect the security for the Bondholders.

Section 5.10 No Impairment. The Issuer will not enter into any contract or contracts, nor take any action, the results of which the Issuer knows would impair the rights of the Holders. The pledging of the Pledged Funds in the manner provided herein shall not be subject to repeal, modification or impairment by any subsequent ordinance, resolution or other proceedings of the Governing Body except as permitted by Article 8 hereof. This Section 5.10 shall not be deemed to modify or restrict the provisions of Section 4.3 hereof.

Section 5.11 Collection of Gross Revenues. The Issuer will diligently enforce its right to receive the Gross Revenues.

Section 5.12 Covenants With Credit Banks and Insurers. The Issuer may make such covenants as it may in its sole discretion determine to be appropriate with any Insurer, Credit Bank or other financial institution that shall agree to insure or to provide for Bonds of any one or more Series credit or liquidity support that shall enhance the security or the value of such Bonds. Such covenants may be set forth in the applicable Supplemental Resolution and shall be binding on the Issuer, the Registrar, the Paying Agent and all the Holders the same as if such covenants were set forth in full in this Resolution.

Section 5.13 Special Covenants Relating to Reserve Fund Insurance Policy or Reserve Fund Letter of Credit.

(A) The Issuer shall annually submit to the issuer of the Reserve Fund Insurance Policy and/or the Reserve Fund Letter of Credit, records of withdrawals on such Reserve Fund Insurance Policy or such Reserve Fund Letter of Credit, as the case may be, received by the Paying Agent and remaining unpaid, the respective dates of such withdrawals, the interest accrued on such withdrawals and the aggregate amount of interest due by the Issuer to the issuer of such Reserve Fund Insurance Policy or such Reserve Fund Letter of Credit, as the case may be.

(B) The Issuer hereby acknowledges that the issuer of the Reserve Fund Insurance Policy and/or the Reserve Fund Letter of Credit shall be deemed a third-party beneficiary of this Resolution for the purpose of enforcing the terms, conditions and obligations of this Resolution which benefit the issuer of such Reserve Fund Insurance Policy or such Reserve Fund Letter of Credit, as the case may be.

Section 5.14 Anti-Dilution Covenant. The Issuer shall not issue any additional obligations secured by all or any portion of the Non-Ad Valorem Funds ("Specific Lien Debt") or a covenant to budget and appropriate from Non-Ad Valorem Funds ("Budget Covenant Debt," together with the Specific Lien Debt, "Non-Ad Valorem Debt"), other than subordinated obligations, unless the following conditions are complied with:

(A) The average of the total Non-Ad Valorem Funds in the two (2) preceding Fiscal Years shall equal or exceed 2.00 times the maximum annual debt service on all outstanding and proposed Non-Ad Valorem Debt.

(B) The total Non-Ad Valorem Funds for the preceding Fiscal Year, less (1) the Non-Ad Valorem Revenue Share of Essential Services Expenditures Amount as defined below and (2) the debt service on outstanding and proposed Specific Lien Debt for the next Fiscal Year, shall equal at least 1.10 times the maximum annual debt service on all outstanding and proposed Budget Covenant Debt.

For purposes of this Section 5.14, the following terms shall have the following meanings:

"Non-Ad Valorem Revenue Share of Essential Services Expenditures Amount" means the amount determined by multiplying the average total cost of the Essential Services for the preceding two (2) Fiscal Years by a fraction, the numerator of which is the total Non-Ad Valorem Funds for the preceding Fiscal Year and the denominator of which is the average total revenues of the Issuer derived from all sources, including all governmental fund type and proprietary fund type revenues as reported in the audited financial statements of the Issuer, for the preceding two (2) Fiscal Years.

"Essential Services" means the total expenditures by the Issuer for public safety and general governmental purposes as reported in the audited financial statements of the Issuer.

This Section 5.14 shall not be deemed to modify or restrict the provisions of Section 4.3 hereof.

Section 5.15 Federal Income Tax Covenants; Taxable Bonds.

(A) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds), that it shall not use the proceeds of such Series of Bonds in any manner which would cause the interest on such Series of Bonds to be or become includable in the gross income of the Holder thereof for federal income tax purposes.

(B) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that neither the Issuer nor any Person under its control or direction will make any use of the proceeds of such Series of Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause such Series of Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and neither the Issuer nor any other Person shall do any act or fail to do any act which would cause the interest on such Series of Bonds to become includable in the gross income of the Holder thereof for federal income tax purposes.

(C) The Issuer hereby covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that it will comply with all provisions of the Code necessary to maintain the exclusion of interest on such series of Bonds from the gross income of the Holder thereof for federal income tax purposes, including, in particular, the payment of any amount required to be rebated to the United States Treasury pursuant to the Code.

(D) The Issuer may, if it so elects, issue one or more Series of Taxable Bonds the interest on which is (or may be) includable in the gross income of the Holder thereof for federal income taxation purposes, so long as each Bond of such Series states in the body thereof that interest payable thereon is (or may be) subject to federal income taxation and provided that the issuance thereof will not cause the interest on any other Bonds theretofore issued hereunder to be or become includable in the gross income of the Holder thereof for federal income tax purposes.

Section 5.16 Municipal Bond Insurance. Notwithstanding any provision to the contrary contained herein, the following provisions shall apply so long as the Bond Insurance Policy and the Reserve Fund Insurance Policy with respect to the Series 1998 Bonds issued by MBIA (hereinafter, the "Insurer") shall be in full force and effect:

(A) In the event that, on the second business day, and again on the business day, prior to the payment date on the Series 1998 Bonds, the Paying Agent for such Bonds has not received sufficient moneys to pay all principal of and interest on such Bonds due on the second following or following, as the case may be, business day, the Paying Agent shall immediately notify the Insurer or its designee on the same business day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

(B) If the deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent shall so notify the Insurer or its designee.

(C) In addition, if the Paying Agent has notice that any Holder of the Series 1998 Bonds has been required to disgorge payments of principal or interest on such Bonds to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Holder within the meaning of any applicable bankruptcy laws, then the Paying Agent shall notify the Insurer or its designee of such fact by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

(D) The Paying Agent is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for the Holders of the Series 1998 Bonds as follows:

(1) If and to the extent there is a deficiency in amounts required to pay interest on such Bonds, the Paying Agent shall (a) execute and deliver to State Street Bank and Trust Company, N.A., or its successors under the Bond Insurance Policy (the "Insurance Paying Agent"), in form satisfactory to the Insurance Paying Agent, an instrument appointing the Insurer as agent for such Holders in any legal proceeding relating to the payment of such interest and an assignment to the Insurer of the claims for interest to which such deficiency relates and which are paid by the Insurer, (b) receive as designee of the respective Holders (and not as Paying Agent) in accordance with the tenor of the Bond Insurance Policy payment from the Insurance Paying Agent with respect to the claims for interest so assigned, and (c) disburse the same to such respective Holders; and

(2) If and to the extent of a deficiency in amounts required to pay principal of such Bonds, the Paying Agent shall (a) execute and deliver to the Insurance Paying Agent, in form satisfactory to the Insurance Paying Agent, an instrument appointing the Insurer as agent for such Holders in any legal proceeding relating to the payment of such principal and an assignment to the Insurer of any of such Bond surrendered to the Insurance Paying Agent of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Paying Agent and available for such payment (but such assignment shall be

delivered only if payment from the Insurance Paying Agent is received), (b) receive as designee of the respective Holders (and not as Paying Agent) in accordance with the tenor of the Bond Insurance Policy payment therefor from the Insurance Paying Agent, and (c) disburse the same to such Holders.

(E) Payments with respect to claims for interest on and principal of the Series 1998 Bonds disbursed by the Paying Agent from proceeds of the Bond Insurance Policy shall not be considered to discharge the obligation of the Issuer with respect to such Bonds, and the Insurer shall become the owner of such unpaid Bonds and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

(F) Irrespective of whether any such assignment is executed and delivered, the Issuer and the Paying Agent hereby agree for the benefit of the Insurer that:

(1) They recognize that to the extent the Insurer makes payments, directly or indirectly (as by paying through the Paying Agent), on account of principal of or interest on the Series 1998 Bonds, the Insurer will be subrogated to the rights of such Holders to receive the amount of such principal and interest from the Issuer solely from the sources stated in this Resolution and such Bonds; and

(2) They will accordingly pay to the Insurer the amount of such principal and interest (including principal and interest recovered under subparagraph (ii) of the first paragraph of the Bond Insurance Policy, which principal and interest shall be deemed past due and not to have been paid), but only from the sources and in the manner provided herein for the payment of principal of and interest on such Bonds to the Holders, and will otherwise treat the Insurer as the owner of such rights to the amount of such principal and interest.

(G) In connection with the issuance of Additional Bonds, the Issuer shall deliver to the Insurer a copy of the official statement, if any, circulated with respect to such Additional Bonds.

(H) Copies of any amendments made to the documents executed in connection with the issuance of the Series 1998 Bonds which are consented to by the Insurer shall be sent to Standard & Poor's.

(I) The Insurer shall receive notice of the resignation or removal of the Paying Agent for the Series 1998 Bonds and the appointment of a successor thereto.

(J) The Insurer shall receive copies of all notices required to be delivered to Holders of the Series 1998 Bonds and, on an annual basis, copies of the Issuer's audited financial statements and Annual Budget.

(K) Any notice that is required to be given to a Holder of the Series 1998 Bonds or to the Paying Agent pursuant to this Resolution shall also be provided to the Insurer.

All notices required to be given to the Insurer under this Resolution shall be in writing and shall be sent by registered or certified mail addressed to MBIA Insurance Corporation, 113 King Street, Armonk, New York 10504 Attention: Surveillance.

(L) The Issuer shall maintain adequate records, verified with the Insurer, as to the amount available to be drawn at any given time under the Reserve Fund Insurance Policy issued by the Insurer and as to the amounts paid and owing to the Insurer under the terms of the Financial Guaranty Agreement between the Issuer and the Insurer relating to the Reserve Fund Insurance Policy (the "Financial Guaranty Agreement").

(M) No optional redemption of Series 1998 Bonds, termination of this Resolution or distribution of funds to the Issuer under this Resolution may occur unless all amounts owed to the Insurer under the terms of this Resolution and the Financial Guaranty Agreement have been paid in full.

Section 5.17 Continuing Disclosure. The Issuer agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate executed by the Issuer and dated the date of issuance of the Series 1998 Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof (the "Continuing Disclosure Certificate"). Notwithstanding any other provision of this Resolution, failure of the Issuer to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, any Bondholder or Beneficial Owner (as hereinafter defined) may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer to comply with its obligations under this Section 5.17. For purposes of this Section 5.17, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Series 1998 Bonds (including persons holding Series 1998 Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Series 1998 Bonds for federal income tax purposes.

ARTICLE 6

SUBORDINATED INDEBTEDNESS AND ADDITIONAL BONDS

Section 6.1 Subordinated Indebtedness. The Issuer will not issue any other obligations, except under the conditions and in the manner provided herein, payable from the Pledged Funds or voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien thereon in favor of the Bonds and the interest thereon. The Issuer may at any time or from time to time issue evidences of indebtedness that are not Additional Bonds and that are payable in whole or in part out of the Pledged Funds and which may be secured by a pledge of the Pledged Funds; provided, however, that such pledge shall be, and shall be expressed to be, subordinated in all

respects to the pledge of the Pledged Funds created by this Resolution. The Issuer shall have the right to covenant with the holders from time to time of any Subordinated Indebtedness to add to the conditions, limitations and restrictions under which any Additional Bonds may be issued pursuant to Section 6.2 hereof. The Issuer agrees to pay promptly any Subordinated Indebtedness as the same shall become due. This Section 6.1 shall not be deemed to modify or restrict the provisions of Section 4.3 hereof.

Section 6.2 Issuance of Additional Bonds. The Issuer may issue one or more Series of Additional Bonds for any one or more of the following purposes: financing the Cost of an Additional Project, or the completion thereof or of the Initial Project, or refunding any or all Outstanding Bonds or of any Subordinated Indebtedness of the Issuer. Additional Bonds shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and all of the other covenants and other provisions of this Resolution (except as to details of such Additional Bonds inconsistent therewith) shall be for the equal benefit, protection and security of the Holders of all Bonds issued pursuant to this Resolution; provided, however, any Supplemental Resolution authorizing the issuance of Additional Bonds may provide that any of the covenants herein contained will not be applicable to such Additional Bonds, provided that such provision shall not, in the opinion of Bond Counsel, adversely affect the rights of the Holders of any Bonds which shall then be Outstanding. Except as provided in Sections 4.2 and 4.6 hereof, all Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Pledged Funds and their sources and security for payment therefrom without preference of any Bonds over any other; provided, however, that the Issuer shall include a provision in any Supplemental Resolution authorizing the issuance of Variable Rate Bonds pursuant to this Section 6.2 that in the event the principal thereof is accelerated due to such Bonds being held by the issuer of a Credit Facility, the lien of such Bonds on the Pledged Funds shall be subordinate in all respects to the pledge of the Pledged Funds created by this Resolution. No such Additional Bonds shall be issued by the Issuer unless the following conditions are complied with:

(A) The Issuer shall certify that it is current in all deposits into the various funds and accounts established hereby and all payments theretofore required to have been deposited or made by it under the provisions of this Resolution and has complied with the covenants and agreements of this Resolution.

(B) There shall have been obtained and filed with the Issuer a certificate of an independent certified public accountant: (1) stating that such accountant has examined the books and records of the Issuer relating to the collection and receipt of Gross Revenues and relating to Operating Expenses; (2) setting forth the amount of Net Revenues for the immediately preceding Fiscal Year or any twelve (12) consecutive months selected by the Issuer of the twenty-four (24) months immediately preceding the issuance of such Additional Bonds; (3) stating that such Net Revenues, adjusted as provided in Section 6.2(E) hereof, equal at least (a) 1.05 times the Maximum Debt Service Requirement for all Outstanding Bonds and such Additional Bonds then proposed to be issued, and (b) 1.00 times the maximum annual subordinated debt service for all Subordinated Indebtedness then outstanding; and (4) stating that

no Event of Default was disclosed in the report of the most recent Annual Audit, or if such Event of Default was so disclosed, that it shall have been cured.

(C) In computing Maximum Debt Service Requirement for purposes of this Section 6.2, the interest rate on outstanding Variable Rate Bonds, and on additional parity Variable Rate Bonds then proposed to be issued, shall be deemed to be the Maximum Interest Rate applicable thereto.

(D) For the purpose of this Section 6.2, the phrase "immediately preceding Fiscal Year or any twelve (12) consecutive months selected by the Issuer of the twenty-four (24) months immediately preceding the issuance of such Additional Bonds" shall be sometimes referred to as "twelve (12) consecutive months."

(E) Such Net Revenues may be adjusted by the independent certified public accountant, at the option of the Issuer, as follows:

(1) If the Issuer, prior to the issuance of the proposed Additional Bonds, shall have increased the Rates, the Net Revenues for the twelve (12) consecutive months shall be adjusted to show the Net Revenues which would have been derived from the Facilities in such twelve (12) consecutive months as if such increased Rates had been in effect during all of such twelve (12) consecutive months.

(2) If the Issuer, prior to the issuance of the proposed Additional Bonds, shall have acquired or has contracted to acquire any privately or publicly owned existing golf course facilities, the cost of which shall be paid from all or part of the proceeds of the issuance of the proposed Additional Bonds, then the Net Revenues derived from the Facilities during the twelve (12) consecutive months immediately preceding the issuance of said Additional Bonds shall be increased by adding to the Net Revenues for said twelve (12) consecutive months the Net Revenues which would have been derived from said existing facilities as if such existing facilities had been a part of the Facilities during such twelve (12) consecutive months. For the purposes of this paragraph, the Net Revenues derived from said existing during such twelve (12) consecutive months shall be adjusted to determine such Net Revenues by deducting the cost of operation and maintenance of said existing facilities from the gross revenues of said facilities.

(3) In the event the Issuer shall be constructing or acquiring additions, extensions or improvements to the Facilities from the proceeds of such Additional Bonds and shall have established Rates to be charged and collected from users of such facilities when service is rendered, such Net Revenues may be adjusted by adding thereto the Net Revenues estimated by the Issuer to be derived during the first twelve (12) months of operation after completion of the construction or acquisition of said additions, extensions and improvements from the proposed users of the facilities to be financed by Additional Bonds together with other funds on hand or lawfully obtained for such purpose.

(F) In the event any Additional Bonds are issued for the purpose of refunding any Bonds then Outstanding, the conditions of Section 6.2(B) shall not apply, provided that the issuance of such Additional Bonds shall not result in an increase in the aggregate amount of principal of and interest on the Outstanding Bonds becoming due in the current Fiscal Year and all subsequent Fiscal Years. The conditions of Section 6.2(B) hereof shall apply to Additional Bonds issued to refund Subordinated Indebtedness and to Additional Bonds issued for refunding purposes which cannot meet the conditions of this paragraph.

(G) In the event that the total amount of any Series of Bonds authorized to be issued shall not be issued simultaneously, such Bonds which shall be issued subsequently shall be subject to the conditions of Section 6.2(B) hereof.

(H) In addition to all of the other requirements specified in this Section 6.2, the Issuer must comply with any applicable provisions of any financing documents relating to outstanding Subordinated Indebtedness to the extent such provisions impact on the ability of the Issuer to issue Additional Bonds.

Section 6.3 Bond Anticipation Notes. The Issuer may issue notes in anticipation of the issuance of Bonds which shall have such terms and details and be secured in such manner, not inconsistent with this Resolution, as shall be provided by resolution of the Issuer.

Section 6.4 Accession of Subordinated Indebtedness to Parity Status with Bonds. The Issuer may provide for the accession of Subordinated Indebtedness to the status of complete parity with the Bonds, if (A) the Issuer shall meet all the requirements imposed upon the issuance of Additional Bonds by Section 6.2 hereof, assuming, for purposes of said requirements, that such Subordinated Indebtedness shall be Additional Bonds, (B) the facilities financed by such Subordinated Indebtedness shall be, or become part of the Facilities, and (C) the Issuer shall provide for the funding of the Reserve Fund, upon such accession, in an amount equal to the increase in the amount of the Reserve Fund Requirement occasioned by such accession in accordance with Section 4.6(C) hereof. If the aforementioned conditions are satisfied, the Subordinated Indebtedness shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and such Subordinated Indebtedness shall be considered Bonds for all purposes provided in this Resolution.

ARTICLE 7

DEFAULTS AND REMEDIES

Section 7.1 Events of Default. The following events shall each constitute an "Event of Default" hereunder:

(A) Default shall be made in the payment of the principal of, Amortization Installment, redemption premium or interest on any Bond when due.

(B) There shall occur the dissolution or liquidation of the Issuer, or the filing by the Issuer of a voluntary petition in bankruptcy, or the commission by the Issuer of any act of bankruptcy, or adjudication of the Issuer as a bankrupt, or assignment by the Issuer for the benefit of its creditors, or appointment of a receiver for the Issuer, or the entry by the Issuer into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Issuer in any proceeding for its reorganization instituted under the provisions of the Federal Bankruptcy Act, as amended, or under any similar act in any jurisdiction which may now be in effect or hereafter enacted.

(C) The Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Resolution on the part of the Issuer to be performed, and such default shall continue for a period of thirty (30) days after written notice of such default shall have been received from any Insurer or the Holders of not less than twenty-five percent (25%) of the aggregate principal amount of Bonds Outstanding or any Credit Bank. Notwithstanding the foregoing, the Issuer shall not be deemed in default hereunder if such default can be cured within a reasonable period of time and if the Issuer in good faith institutes curative action and diligently pursues such action until the default has been corrected.

Section 7.2 Remedies. Any Holder of Bonds issued under the provisions of this Resolution or any trustee or receiver acting for such Bondholders may either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights under the laws of the State, or granted and contained in this Resolution, and may enforce and compel the performance of all duties required by this Resolution or by any applicable statutes to be performed by the Issuer or by any officer thereof.

The Holder or Holders of Bonds in an aggregate principal amount of not less than twenty-five percent (25%) of the Bonds then Outstanding may by a duly executed certificate in writing appoint a trustee for Holders of Bonds issued pursuant to this Resolution with authority to represent such Bondholders in any legal proceedings for the enforcement and protection of the rights of such Bondholders and such certificate shall be executed by such Bondholders or their duly authorized attorneys or representatives, and shall be filed in the office of the Clerk. Notice of such appointment, together with evidence of the requisite signatures of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding and the trust instrument under which the trustee shall have agreed to serve shall be filed with the Issuer and the trustee and notice of appointment shall be given to all Holders of Bonds in the same manner as notices of redemption are given hereunder. After the appointment of the first trustee hereunder, no further trustees may be appointed; however, the Holders of a majority in aggregate principal amount of all the Bonds then Outstanding may remove the trustee initially appointed and appoint a successor and subsequent successors at any time.

Section 7.3 Directions to Trustee as to Remedial Proceedings. The Holders of a majority in principal amount of the Bonds then Outstanding (or any Insurer insuring, or any Credit Bank providing a Credit Facility for, any then Outstanding Bonds) have the right, by an

instrument or concurrent instruments in writing executed and delivered to the trustee, to direct the method and place of conducting all remedial proceedings to be taken by the trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions hereof, and that the trustee shall have the right to decline to follow any such direction which in the opinion of the trustee would be unjustly prejudicial to Holders of Bonds not parties to such direction.

Section 7.4 Remedies Cumulative. No remedy herein conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 7.5 Waiver of Default. No delay or omission of any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given by Section 7.2 of this Resolution to the Bondholders may be exercised from time to time, and as often as may be deemed expedient.

Section 7.6 Application of Moneys After Default. If an Event of Default shall happen and shall not have been remedied, the Issuer or a trustee or receiver appointed for the purpose shall apply all Pledged Funds as follows and in the following order:

(A) To the payment of the reasonable and proper charges, expenses and liabilities of the trustee or receiver, Registrar and Paying Agent hereunder; and

(B) To the payment of the interest and principal or Redemption Price, if applicable, then due on the Bonds, as follows:

(1) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due, in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference;

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due at maturity or upon mandatory redemption prior to maturity (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of Section 9.1 of this Resolution), in the order of their due dates, with interest upon such Bonds from the respective dates upon which they became due, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment

first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Persons entitled thereto without any discrimination or preference; and

THIRD: to the payment of the Redemption Price of any Bonds called for optional redemption pursuant to the provisions of this Resolution.

(2) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, with interest thereon as aforesaid, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto without any discrimination or preference.

Section 7.7 Control by Insurer or Credit Bank. Upon the occurrence and continuance of an Event of Default, each Insurer or Credit Bank, if such Insurer or Credit Bank shall have honored all of its commitments under its Bond Insurance Policy or its Credit Facility, as the case may be, shall be entitled to direct and control the enforcement of all rights and remedies with respect to the Bonds it shall insure or for which such Credit Facility is provided.

ARTICLE 8

SUPPLEMENTAL RESOLUTIONS

Section 8.1 Supplemental Resolution Without Bondholders' Consent. The Issuer, from time to time and at any time, may adopt such Supplemental Resolutions without the consent of the Bondholders (which Supplemental Resolution shall thereafter form a part hereof) for any of the following purposes:

(A) To cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Resolution or to clarify any matters or questions arising hereunder.

(B) To grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders.

(C) To add to the conditions, limitations and restrictions on the issuance of Bonds under the provisions of this Resolution other conditions, limitations and restrictions thereafter to be observed.

(D) To add to the covenants and agreements of the Issuer in this Resolution other covenants and agreements thereafter to be observed by the Issuer or to surrender any right or power herein reserved to or conferred upon the Issuer.

(E) To specify and determine at any time prior to the first delivery of any Series of Bonds the matters and things referred to in Sections 2.1 or 2.2 hereof, and also any other matters and things relative to such Bonds which are not contrary to or inconsistent with this Resolution as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination.

(F) To authorize Additional Projects or to provide for additional items to be included in the Cost of the Initial Project or any Additional Project or to change or modify the description of the Initial Project or any Additional Project.

(G) To specify and determine matters necessary or desirable for the issuance of Capital Appreciation Bonds or Variable Rate Bonds.

(H) To authorize Additional Bonds or Subordinated Indebtedness.

(I) To make any other change that, in the opinion of Bond Counsel, would not materially adversely affect the security for the Bonds. In making such determination, Bond Counsel shall not take into consideration any Bond Insurance Policy.

Except Supplemental Resolutions described in subsections (E), (F) and (H) of this Section 8.1, no Supplemental Resolution adopted pursuant to this Article 8 shall become effective unless approved by every Insurer; and the Issuer covenants and agrees to furnish to each Insurer an executed original transcript of the Issuer's proceedings with respect to the adoption of each Supplemental Resolution.

Section 8.2 Supplemental Resolution With Bondholders', Insurer's and Credit Bank's Consent. Subject to the terms and provisions contained in this Section 8.2 and Section 8.1 hereof, the Holder or Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption of such Supplemental Resolution or Resolutions hereto as shall be deemed necessary or desirable by the Issuer for the purpose of supplementing, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series or maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 8.2. Any Supplemental Resolution which is adopted in accordance with the provisions of this Section 8.2 shall also require the written consent of the Insurer of, or any Credit Bank providing a Credit Facility for, any Bonds which are Outstanding at the time such Supplemental Resolution shall take effect.

No Supplemental Resolution may be approved or adopted which shall permit or require (A) an extension of the maturity of the principal of or the payment of the interest on any Bond issued hereunder, (B) reduction in the principal amount of any Bond or the Redemption Price or the rate of interest thereon, (C) the creation of a lien upon or a pledge of the Pledged Funds other than the lien and pledge created by this Resolution which adversely affects any Bondholders, (D) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (E) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Resolution. Nothing herein contained, however, shall be construed as making necessary the approval by Bondholders, the Insurer or the Credit Bank of the adoption of any Supplemental Resolution as authorized in Section 8.1 hereof.

If at any time the Issuer shall determine that it is necessary or desirable to adopt any Supplemental Resolution pursuant to this Section 8.2, the Clerk shall cause the Registrar to give notice of the proposed adoption of such Supplemental Resolution and the form of consent to such adoption to be mailed, postage prepaid, to all Bondholders at their addresses as they appear on the registration books and to all Insurers of, and Credit Banks providing a Credit Facility for, Bonds Outstanding. Such notice shall briefly set forth the nature of the proposed Supplemental Resolution and shall state that copies thereof are on file at the offices of the Clerk and the Registrar for inspection by all Bondholders. The Issuer shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause the notice required by this Section 8.2 to be mailed and any such failure shall not affect the validity of such Supplemental Resolution when consented to and approved as provided in this Section 8.2.

Whenever the Issuer shall deliver to the Clerk an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Issuer may adopt such Supplemental Resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such Supplemental Resolution shall have consented to and approved the adoption thereof as herein provided, no Holder of any Bond shall have any right to object to the adoption of such Supplemental Resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any Supplemental Resolution pursuant to the provisions of this Section 8.2, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Issuer

and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

Section 8.3 Amendment with Consent of Insurer and/or Credit Bank Only. If all of the Bonds Outstanding hereunder are insured or secured as to payment of principal and interest by an Insurer or Insurers and/or by a Credit Facility provided by a Credit Bank or Credit Banks, and the Insurer or Insurers and/or the Credit Bank or Credit Banks, as applicable, are not in default, and the Bonds, at the time of the hereinafter described amendment, shall be rated by the rating agencies which shall have rated the Bonds at the time such Bonds were insured or such Credit Facility was provided no lower than the ratings assigned thereto by such rating agencies on the date such Bonds were insured or such Credit Facility was provided, the Issuer may enact one or more Supplemental Resolutions amending all or any part of Articles 1, 4, 5, 6 and 7 hereof with the written consent of said Insurer or Insurers and/or said Credit Bank or Credit Banks, as applicable, and the acknowledgment by said Insurer or Insurers and/or said Credit Bank or Credit Banks that its Bond Insurance Policy or its Credit Facility, as the case may be, will remain in full force and effect. The consent of the Holders of any Bonds shall not be necessary. The foregoing right of amendment, however, does not apply to any amendment to Section 5.15 hereof with respect to the exclusion, if applicable, of interest on said Bonds from the gross income of the Holders thereof for federal income tax purposes nor may any such amendment deprive the Holders of any Bond of right to payment of the Bonds from, and their lien on, the Pledged Funds and any additional security pledged hereunder. Upon filing with the Clerk of evidence of such consent of the Insurer or Insurers and/or the Credit Bank or Credit Banks as aforesaid, the Issuer may adopt such Supplemental Resolution. After the adoption by the Issuer of such Supplemental Resolution, notice thereof shall be mailed in the same manner as notice of an amendment under Section 8.2 hereof.

ARTICLE 9

MISCELLANEOUS

Section 9.1 Defeasance. If the Issuer shall pay or cause to be paid or there shall otherwise be paid to the Holders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of the Pledged Funds and any additional security pledged hereunder, and all covenants, agreements and other obligations of the Issuer to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Paying Agents shall pay over or deliver to the Issuer all money or securities held by them pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

Any Bonds or interest installments appertaining thereto, whether at or prior to the maturity or redemption date of such Bonds, shall be deemed to have been paid within the meaning of this Section 9.1 if (A) in case any such Bonds are to be redeemed prior to the

maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (B) there shall have been deposited in irrevocable trust with a banking institution or trust company by or on behalf of the Issuer either moneys in an amount which shall be sufficient, or Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with such bank or trust company at the same time shall be sufficient, to pay the principal of or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be. Neither the Securities nor any moneys so deposited with such bank or trust company nor any moneys received by such bank or trust company on account of principal of or Redemption Price, if applicable, or interest on said Securities shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal of or Redemption Price, if applicable, of the Bonds for the payment or redemption of which they were deposited and the interest accruing thereon to the date of maturity or redemption thereof; provided, however, the Issuer may substitute new Securities and moneys for the deposited Securities and moneys if the new Securities and moneys are sufficient to pay the principal of or Redemption Price, if applicable, and interest on such Bonds.

For purposes of determining whether Variable Rate Bonds shall be deemed to have been paid prior to the maturity or the redemption date thereof, as the case may be, by the deposit of moneys, or specified Securities and moneys, if any, in accordance with this Section 9.1, the interest to come due on such Variable Rate Bonds on or prior to the maturity or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than the Maximum Interest Rate for any period, the total amount of moneys and specified Securities on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to satisfy this Section 9.1, such excess shall be paid to the Issuer free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under this Resolution.

In the event the Bonds for which moneys are to be deposited for the payment thereof in accordance with this Section 9.1 are not by their terms subject to redemption within the next succeeding sixty (60) days, the Issuer shall cause the Registrar to mail a notice to the Holders of such Bonds that the deposit required by this Section 9.1 of moneys or Securities has been made and said Bonds are deemed to be paid in accordance with the provisions of this Section 9.1 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of or Redemption Price, if applicable, and interest on said Bonds.

Nothing herein shall be deemed to require the Issuer to call any of the Outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption

provisions, or to impair the discretion of the Issuer in determining whether to exercise any such option for early redemption.

In the event that the principal of or Redemption Price, if applicable, and interest due on the Bonds or any portion thereof shall be paid by an Insurer or Insurers or a Credit Bank or Credit Banks, such Bonds or any portion thereof shall remain Outstanding, shall not be defeased and shall not be considered paid by the Issuer, and the pledge of the Pledged Funds and any additional security pledged hereunder, and all covenants, agreements and other obligations of the Issuer to the Bondholders shall continue to exist and such Insurer or Insurers or such Credit Bank or Credit Banks shall be subrogated to the rights of such Bondholders.

Section 9.2 Capital Appreciation Bonds. For the purposes of (A) receiving payment of the Redemption Price if a Capital Appreciation Bond is redeemed prior to maturity, or (B) receiving payment of a Capital Appreciation Bond if the principal of all Bonds becomes due and payable under the provisions of this Resolution, or (C) computing the amount of Bonds held by the Holder of a Capital Appreciation Bond in giving to the Issuer or any trustee or receiver appointed to represent the Bondholders any notice, consent, request or demand pursuant to this Resolution for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value. For the purpose of determining the aggregate principal amount of Capital Appreciation Bonds which may be issued hereunder, only the aggregate principal amount of such Bonds at their initial offering shall be counted, without regard to the aggregated Accreted Value or face amount of such Bonds which shall be payable at their respective maturities.

Section 9.3 General Authority. The members of the Governing Body and the Issuer's officers, attorneys and other agents and employees are hereby authorized to do all acts and things required of them by this Resolution or desirable or consistent with the requirements hereof for the full, punctual and complete performance of all of the terms, covenants and agreements contained in the Bonds and this Resolution, and they are hereby authorized to execute and deliver all documents which shall be required by Bond Counsel or the initial purchasers of the Bonds to effectuate the sale of the Bonds to said initial purchasers.

Section 9.4 No Personal Liability. No representation, statement, covenant, warranty, stipulation, obligation or agreement herein contained, or contained in the Bonds, or in any certificate or other instrument to be executed on behalf of the Issuer in connection with the issuance of the Bonds, shall be deemed to be a representation, statement, covenant, warranty, stipulation, obligation or agreement of any member of the Governing Body, officer, employee or agent of the Issuer in his or her individual capacity, and none of the foregoing persons nor any officer of the Issuer executing the Bonds, or any certificate or other instrument to be executed in connection with the issuance of the Bonds, shall be liable personally thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

Section 9.5 No Third Party Beneficiaries. Except such other Persons as may be expressly described herein or in the Bonds, nothing in this Resolution, or in the Bonds, expressed or implied, is intended or shall be construed to confer upon any Person other than the Issuer and the Holders any right, remedy or claim, legal or equitable, under and by reason of this Resolution or any provision hereof, or of the Bonds, all provisions hereof and thereof being intended to be and being for the sole and exclusive benefit of the Issuer and the Persons who shall from time to time be the Holders.

Section 9.6 Sale of Bonds. The Bonds shall be issued and sold at public or private sale at one time or in installments from time to time and at such price or prices as shall be consistent with the provisions of the Act, the requirements of this Resolution and other applicable provisions of law.

Section 9.7 Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions of this Resolution shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements and provisions of this Resolution and shall in no way affect the validity of any of the other covenants, agreements or provisions hereof or of the Bonds issued hereunder.

Section 9.8 Repeal of Inconsistent Resolutions. All resolutions or parts thereof in conflict herewith are hereby superseded and repealed to the extent of such conflict.

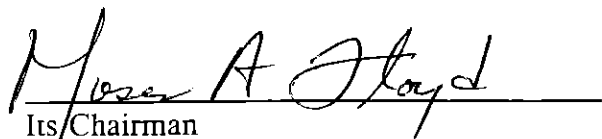

Section 9.9 Table of Contents and Headings not Part Hereof. The Table of Contents preceding the body of this Resolution and the headings preceding the several articles

and sections hereof shall be solely for convenience of reference and shall not constitute a part of this Resolution or affect its meaning, construction or effect.

Section 9.10 Effective Date. This Resolution shall take effect immediately upon its adoption.

GENERAL DOCUMENT PROVISIONS

- A. Notice to the Insurer The basic legal documents must provide that any notices required to be given by any party should also be given to the Insurer, Attn: Insured Portfolio Management.
- B. Amendments. In the basic legal document, there are usually two methods of amendment. The first, which typically does not require the consent of the bondholders, is for amendments which will cure ambiguities, correct formal defects or add to the security of the financing. The second, in which bondholder consent is a prerequisite, covers the more substantive types of amendments. For all financings, the Insurer must be given notice of any amendments that are of the first type and the Insurer's consent must be required for all amendments of the second type. All documents must contain a provision which requires copies of any amendments to such documents which are consented to by the Insurer to be sent to Standard & Poor's.
- C. Supplemental Legal Document. If the basic legal document provides for a supplemental legal document to be issued for reasons other than (1) a refunding to obtain savings; or (2) the issuance of additional bonds pursuant to an additional bonds test, there must be a requirement that the Insurer's consent also be obtained prior to the issuance of any additional bonds and/or execution of such supplemental legal document.
- D. Events of Default and Remedies. All documents normally contain provisions which define the events of default and which prescribe the remedies that may be exercised upon the occurrence of an event of default. At a minimum, events of default will be defined as follows:
1. the issuer/obligor fails to pay principal when due;
 2. the issuer/obligor fails to pay interest when due;
 3. the issuer/obligor fails to observe any other covenant or condition of the document and such failure continues for 30 days and
 4. the issuer/obligor declares bankruptcy.

The Insurer, acting alone, shall have the right to direct all remedies in the event of a default. The Insurer shall be recognized as the registered owner of each bond which it insures for the purposes of exercising all rights and privileges available to bondholders. For bonds which it insures, the Insurer shall have the right to institute any suit, action, or proceeding at law or in equity under the same terms as a bondholder in accordance with applicable provisions of the governing documents. Other than the usual redemption provisions, any acceleration of principal payments must be subject to the Insurer's prior written consent.

- E. Defeasance requires the deposit of:
1. Cash
 2. U.S. Treasury Certificates, Notes and Bonds (including State and Local Government Series -- "SLGs")
 3. Direct obligations of the Treasury which have been stripped by the Treasury itself, CATS, TIGRS and similar securities

4. Resolution Funding Corp. (REFCORP) Only the interest component of REFCORP strips which have been stripped by request to the Federal Reserve Bank of New York in book entry form are acceptable.
5. Pre-refunded municipal bonds rated "Aaa" by Moody's and "AAA" by S&P. If however, the issue is only rated by S&P (i.e., there is no Moody's rating), then the pre-refunded bonds must have been pre-refunded with cash, direct U.S. or U.S. guaranteed obligations, or AAA rated pre-refunded municipals to satisfy this condition.
6. Obligations issued by the following agencies which are backed by the full faith and credit of the U.S.:
 - a. U.S. Export-Import Bank (Eximbank)
Direct obligations or fully guaranteed certificates of beneficial ownership
 - b. Farmers Home Administration (FmHA)
Certificates of beneficial ownership
 - c. Federal Financing Bank
 - d. General Services Administration
Participation certificates
 - e. U.S. Maritime Administration
Guaranteed Title XI financing
 - f. U.S. Department of Housing and Urban Development (HUD)
Project Notes
Local Authority Bonds
New Communities Debentures - U.S. government guaranteed debentures
U.S. Public Housing Notes and Bonds - U.S. government guaranteed public housing notes and bonds

F. Agents:

1. In transactions where there is an agent/enhancer (other than the Insurer), the trustee, tender agent (if any), and paying agent (if any) must be commercial banks with trust powers.
2. The remarketing agent must have trust powers if they are responsible for holding moneys or receiving bonds. As an alternative, the documents may provide that if the remarketing agent is removed, resigns or is unable to perform its duties, the trustee must assume the responsibilities of remarketing agent until a substitute acceptable to the Insurer is appointed.

TERM SHEET FOR DEBT SERVICE RESERVE FUND PROGRAM

Introduction

The Insurer can, under certain circumstances, issue a debt service reserve fund surety bond (the "Surety Bond"), to be used as a replacement for a cash funded reserve, in any amount up to the full amount of the debt service reserve fund requirement.

The Insurer requires that the issuer and/or the underlying obligor of the bonds enter into a Financial Guaranty Agreement with the Insurer providing for, among other things, the reimbursement to the Insurer of amounts drawn under the Surety Bond. A sample draft of such an agreement is attached.

The Insurer will undertake its standard credit analysis of the issuer and/or obligor which may result in requests for modifications of the structure or certain provisions of the bond documents. These changes would be in addition to the specific changes required in all financings where a Surety Bond will be issued (see Required Terms below).

The Surety Bond may be structured to provide debt service reserve fund replacement for the current issue of bonds and any other debt issued on a parity therewith. However, in all cases, the Surety Bond will expire on the final maturity date of the current issue.

The program criteria are subject to change by the Insurer.

General Terms

Provision should be made in the bond documents for the creation of a debt service reserve fund and there should be a requirement to maintain that fund at a certain level. It should also be provided that this requirement may be satisfied by cash or a qualified surety bond or a combination of these two (Note: A "qualified surety bond" means a surety bond issued by an insurance company rated in the highest rating category by Standard & Poor's and Moody's and, if rated by A.M. Best & Company, must also be rated in the highest rating category by A.M. Best & Company.)

In those instances where the issuance of parity debt will cause the debt service reserve fund requirement to increase, the Insurer requires that at the time of issuance of such parity debt, either cash or a qualified surety bond be provided so that the increased requirement will be satisfied.

In any event where the debt service reserve fund contains both an the Insurer Surety Bond and cash, the Insurer requires that the cash be drawn down completely before any demand is made on the Surety Bond. In any event where the debt service reserve fund contains a surety bond from another entity and an INSURER Surety Bond, the documents should provide for a pro-rata draw on each of the surety bonds.

With regard to replenishment, any available monies, as defined in the Indenture or Resolution, should be used first to reimburse the Insurer, thereby reinstating the Surety Bond, and second to replenish the cash in the debt service reserve fund.

The rate covenant should be expanded so that, in addition to all other coverage requirements, there are sufficient monies available to pay all amounts owed to the Insurer under the terms of the Financial Guaranty Agreement.

If the documents provide for the issuance of additional bonds that do not share a common reserve fund with the current issue, the Insurer can issue a surety bond that is, by its terms,

available only as a reserve for the current issue. In such cases, the Insurer would require a covenant that any revenues available for debt service must be distributed between the current issue and any additional bonds on a pro rata basis without regard to the existence of a funded debt service reserve or a surety bond.

The bond documents should require the Trustee to deliver a Demand For Payment (see attached form) at least three days prior to the date on which funds are required.

Required Terms

With respect to any security interest in collateral granted to the bondholders, the Insurer should be granted that same interest subject only to that of the bondholders. This would apply to existing security, if any, as well as any to be granted in the future.

The Insurer should receive an opinion from counsel to the issuer/obligor that the Financial Guaranty Agreement is a legal, valid and binding obligation of the issuer/obligor and is enforceable against the issuer/obligor in accordance with its terms.

In general terms, the "flow of funds" would be structured as follows:

All gross revenues should be paid in the following order with the priority indicated:

- (1) expenses of operation and maintenance;
- (2) debt service on the bonds;
- (3) reimbursement of amounts advanced by the Insurer under the Surety Bond;
- (4) reimbursement of cash amounts, if any, drawn from the reserve fund;
- (5) replenishment of Renewal and Replacement Fund;
- (6) payment to the Insurer of interest on amounts advanced under the Surety Bond;
- (7) all other lawful uses, including the debt service payment on any subordinate bonds.

Provision must be made for the Insurer to be paid all amounts owed to it under the terms of the Financial Guaranty Agreement or any other documents before the bond documents may be terminated.

It will be the responsibility of the trustee/paying agent to maintain adequate records, verified with the Insurer, as to the amount available to be drawn at any given time under the Surety Bond and as to the amounts paid and owing to the Insurer under the terms of the Financial Guaranty Agreement.

There may be no optional redemption of bonds or distribution of funds to the issuer and/or the underlying obligor unless all amounts owed to the Insurer under the terms of the Financial Guaranty Agreement or any other documents have been paid in full.

DEBT SERVICE RESERVE FUND SURETY BOND

Application has been made to the MBIA Insurance Corporation (the "Insurer") for a commitment to issue a surety bond (the "Debt Service Reserve Fund Surety Bond"). The Debt Service Reserve Fund Surety Bond will provide that upon notice from the Paying Agent to the Insurer to the effect that insufficient amounts are on deposit in the Debt Service Fund to pay the principal of (at maturity or pursuant to mandatory redemption requirements) and interest on the 1989 Obligations, the Insurer will promptly deposit with the Paying Agent an amount sufficient to pay the principal of and interest on the 1989 Obligations or the available amount of the Debt Service Reserve Fund Surety Bond, whichever is less. Upon the later of: (i) three (3) days after receipt by the Insurer of a Demand for Payment in the form attached to the Debt Service Reserve Fund Surety Bond, duly executed by the Paying Agent; or (ii) the payment date of the Obligations as specified in the Demand for Payment presented by the Paying Agent to the Insurer, the Insurer will make a deposit of funds in an account with State Street Bank and Trust Company, N.A., in New York, New York, or its successor, sufficient for the payment to the Paying Agent, of amounts which are then due to the Paying Agent (as specified in the Demand for Payment) subject to the Surety Bond Coverage.

The available amount of the Debt Service Reserve Fund Surety Bond is the initial face amount of the Debt Service Reserve Fund Surety Bond less the amount of any previous deposits by the Insurer with the Paying Agent which have not been reimbursed by the City. The City and the Insurer have entered into a Financial Guaranty Agreement dated [_____] (the "Agreement"). Pursuant to the Agreement, the City is required to reimburse the Insurer, within one year of any deposit, the amount of such deposit made by the Insurer with the Paying Agent under the Debt Service Reserve Fund Surety Bond. Such reimbursement shall be made only after all required deposits to the Operation and Maintenance Fund and the Debt Service Fund have been made.

Under the terms of the Agreement, the Paying Agent is required to reimburse the Insurer, with interest, until the face amount of the Debt Service Reserve Fund Surety Bond is reinstated before any deposit is made to the General Fund. No optional redemption of Obligations may be made until the Insurer's Debt Service Reserve Fund Surety Bond is reinstated. The Debt Service Reserve Fund Surety Bond will be held by the Paying Agent in the Debt Service Reserve Fund and is provided as an alternative to the City depositing funds equal to the Debt Service Requirement for outstanding Obligations. The Debt Service Reserve Fund Surety Bond will be issued in the face amount equal to Maximum Annual Debt Service for the Obligations and the premium therefor will be fully paid by the City at the time of delivery of the Obligations.

(a) The Issuer will reimburse the Insurer, within the Reimbursement Period, without demand or notice by the Insurer to the Issuer or any other person, to the extent of each Surety Bond Payment with interest on each Surety Bond Payment from and including the date made to the date of the reimbursement at the lesser of the Reimbursement Rate or the maximum rate of interest permitted by then applicable law.

(b) The Issuer also agrees to reimburse the Insurer immediately and unconditionally upon demand, to the extent permitted by state law, for all reasonable expenses incurred by the Insurer in connection with the Surety Bond and the enforcement by the Insurer of the Issuer's obligations under this Agreement, the Document, and any other document executed in connection with the issuance of the Obligations, together with interest on all such expenses from and including the date incurred to the date of payment at the rate set forth in subsection (a) of this Section 2.01.

(c) The Issuer agrees to indemnify the Insurer, to the extent permitted by state law, against any and all liability, claims, loss, costs, damages, fees of attorneys and other expenses which the Insurer may sustain or incur by reason of or in consequence of (i) the failure of the Issuer to perform or comply with the covenants or conditions of this Agreement or (ii) reliance by the Insurer upon representations made by the Issuer or (iii) a default by the Issuer under the terms of the Document or any other documents executed in connection with the issuance of the Obligations.

(d) The Issuer agrees that all amounts owing to the Insurer pursuant to Section 1.03 hereof and this Section 2.01 must be paid in full prior to any optional redemption or refunding of the Obligations.

(e) All payments made to the Insurer under this Agreement shall be paid in lawful currency of the United States in immediately available funds at the Insurer's office at 113 King Street, Armonk, New York 10504, Attention: Accounting and Insured Portfolio Management Departments, or at such other place as shall be designated by the Insurer.

Section 2.02. Allocation of Payments. The Insurer and the Issuer hereby agree that each payment received by the Insurer from or on behalf of the Issuer as a reimbursement to the Insurer as required by Section 2.01 hereof shall be applied by the Insurer first, toward payment of any unpaid premium; second, toward repayment of the aggregate Surety Bond Payments made by the Insurer and not yet repaid, payment of which will reinstate all or a portion of the Surety Bond Coverage to the extent of such repayment (but not to exceed the Surety Bond Limit); and third, upon full reinstatement of the Surety Bond Coverage to the Surety Bond Limit, toward other amounts, including, without limitation, any interest payable with respect to any Surety Bond Payments then due to the Insurer.

Section 2.03. Security for Payments: Instruments of Further Assurance. To the extent, but only to the extent, that the Document, or any related indenture, trust agreement, ordinance, resolution, mortgage, security agreement or similar instrument, if any, pledges to the Owners or any trustee therefor, or grants a security interest or lien in or on any collateral, property, revenue or other payments ("Collateral and Revenues") in order to secure the Obligations or provide a source of payment for the Obligations, the Issuer hereby grants to the Insurer a security interest in or lien on, as the case may be, and pledges to the Insurer all such Collateral and Revenues as security for payment of all amounts due hereunder and under the Document or any other document executed in connection with the issuance of the Obligations, which security interest, lien and/or pledge created or granted under this Section 2.03 shall be subordinate only to the interests of the Owners and any trustee therefor in such Collateral and Revenues, except as otherwise provided. The Issuer agrees that it will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, any and all financing statements, if applicable, and all other further instruments as may be required by law or as shall reasonably be requested by the Insurer for the perfection of the security interest, if any, granted under this Section 2.03 and for the preservation and protection of all rights of the Insurer under this Section 2.03.

Section 2.04. Unconditional Obligation. The obligations hereunder are absolute and unconditional and will be paid or performed strictly in accordance with this Agreement, subject to the limitations of the Document, irrespective of:

(a) any lack of validity or enforceability of, or any amendment or other modification of, or waiver with respect to the Obligations, the Document or any other document executed in connection with the issuance of the Obligations; or

(b) any exchange, release or nonperfection of any security interest in property securing the Obligations or this Agreement or any obligations hereunder; or

(c) any circumstances that might otherwise constitute a defense available to, or discharge of, the Issuer with respect to the Obligations, the Document or any other document executed in connection with the issuance of the Obligations; or

(d) whether or not such obligations are contingent or matured, disputed or undisputed, liquidated or unliquidated.

Section 2.05. Insurer's Rights. The Issuer shall repay the Insurer to the extent of payments made and expenses incurred by the Insurer in connection with the Obligations and this Agreement. The obligation of the Issuer to repay such amounts shall be subordinate only to the rights of the Owners to receive regularly scheduled principal and interest on the Obligations.

Section 2.06. On-Going Information Obligations of Issuer.

(a) Quarterly Reports. The Issuer will provide to the Insurer within 45 days of the close of each quarter interim financial statements covering all fund balances under the Document, a statement of operations (income statement), balance sheet and changes in fund balances. These statements need not be audited by an independent certified public accountant, but if any audited statements are produced, they must be provided to the Insurer;

(b) Annual Reports. The Issuer will provide to the Insurer annual financial statements audited by an independent certified public accountant within 90 days of the end of each fiscal year;

(c) Access to Facilities, Books and Records. The Issuer will grant the Insurer reasonable access to the project financed by the Obligations and will make available to the Insurer, at reasonable times and upon reasonable notice all books and records relative to the project financed by the Obligations; and

ARTICLE III AMENDMENTS TO DOCUMENT

So long as this Agreement is in effect, the Issuer agrees that it will not agree to amend the Document or any other document executed in connection with the issuance of the Obligations, without the prior written consent of the Insurer.

ARTICLE IV EVENTS OF DEFAULT; REMEDIES

Section 4.01. Events of Default. The following events shall constitute Events of Default hereunder:

(a) The Issuer shall fail to pay to the Insurer when due any amount payable under Sections 1.03; or

(b) The Issuer shall fail to pay to the Insurer any amount payable under Sections 1.04 and 2.01 hereof and such failure shall have continued for a period in excess of the Reimbursement Period; or

(c) Any material representation or warranty made by the Issuer under the Document or hereunder or any statement in the application for the Surety Bond or any report, certificate, financial statement, document or other instrument provided in connection with the Commitment, the Surety Bond, the Obligations, or herewith shall have been materially false at the time when made; or

(d) Except as otherwise provided in this Section 4.01, the Issuer shall fail to perform any of its other obligations under the Document, or any other document executed in connection with the issuance of the Obligations, or hereunder, provided that such failure continues for more than 30 days after receipt by the Issuer of written notice of such failure to perform; or

(e) The Issuer shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of, or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, (vi) become unable, admit in writing its inability or fail generally to pay its debts as they become due or (vii) take action for the purpose of effecting any of the foregoing; or

(f) An involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of the Issuer, or of a substantial part of its property, under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law or (ii) the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Issuer or for a substantial part of its property; and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall continue unstayed and in effect for 30 days.

Section 4.02. Remedies. If an Event of Default shall occur and be continuing, then the Insurer may take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due under this Agreement or to enforce performance of any obligation of the Issuer to the Insurer under the Document or any related instrument, and any obligation, agreement or covenant of the Issuer under this Agreement; provided, however, that the Insurer may not take any action to direct or require acceleration or other early redemption of the Obligations or adversely affect the rights of the Owners. In addition, if an Event of Default shall occur due to the failure to pay to the Insurer the amounts due under Section 1.03 hereof, the Insurer shall have the right to cancel the Surety Bond in accordance with its terms. All rights and remedies of the Insurer under this Section 4.02 are cumulative and the exercise of any one remedy does not preclude the exercise of one or more of the other available remedies.

ARTICLE V SETTLEMENT

The Insurer shall have the exclusive right to decide and determine whether any claim, liability, suit or judgment made or brought against the Insurer, the Issuer or any other party on the Surety Bond shall or shall not be paid, compromised, resisted, defended, tried or appealed, and the Insurer's decision thereon, if made in good faith, shall be final and binding upon the Insurer, the Issuer and any other party on the Surety Bond. An itemized statement of payments made by the Insurer, certified by an officer of the Insurer, or the voucher or vouchers for such payments, shall be prima facie evidence of the liability of the Issuer, and if the Issuer fails to immediately reimburse the Insurer upon the receipt of such statement of payments, interest shall be computed on such amount from the date of any payment made by the Insurer at the rate set forth in subsection (a) of Section 2.01 hereof.

ARTICLE VI MISCELLANEOUS

Section 6.01. Interest Computations. All computations of interest due hereunder shall be made on the basis of the actual number of days elapsed over a year of 360 days.

Section 6.02. Exercise of Rights. No failure or delay on the part of the Insurer to exercise any right, power or privilege under this Agreement and no course of dealing between the Insurer and the Issuer or any other party shall operate as a waiver of any such right, power or privilege, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which the Insurer would otherwise have pursuant to law or equity. No notice to or demand on any party in any case shall entitle such party to any other or further notice or demand in similar or other circumstances, or constitute a waiver of the right of the other party to any other or further action in any circumstances without notice or demand.

Section 6.03. Amendment and Waiver. Any provision of this Agreement may be amended, waived, supplemented, discharged or terminated only with the prior written consent of the Issuer and the Insurer. The Issuer hereby agrees that upon the written request of the Paying Agent, the Insurer may make or consent to issue any substitute for the Surety Bond to cure any ambiguity or formal defect or omission in the Surety Bond which does not materially change the terms of the Surety Bond nor adversely affect the rights of the Owners, and this Agreement shall apply to such substituted surety bond. The Insurer agrees to deliver to the Issuer and to the company or companies, if any, rating the Obligations, a copy of such substituted surety bond.

Section 6.04. Successors and Assigns; Descriptive Headings.

(a) This Agreement shall bind, and the benefits thereof shall inure to, the Issuer and the Insurer and their respective successors and assigns; provided, that the Issuer may not transfer or assign any or all of its rights and obligations hereunder without the prior written consent of the Insurer.

(b) The descriptive headings of the various provisions of this Agreement are inserted for convenience of reference only and shall not be deemed to affect the meaning or construction of any of the provisions hereof.

Section 6.05. Other Sureties. If the Insurer shall procure any other surety to reinsure the Surety Bond, this Agreement shall inure to the benefit of such other surety, its successors and assigns, so as to give to it a direct right of action against the Issuer to enforce this Agreement, and "the Insurer," wherever used herein, shall be deemed to include such reinsuring surety, as its respective interests may appear.

Section 6.06. Signature on Bond. The Issuer's liability shall not be affected by its failure to sign the Surety Bond nor by any claim that other indemnity or security was to have been obtained nor by the release of any indemnity, nor the return or exchange of any collateral that may have been obtained.

Section 6.07. Waiver. The Issuer waives any defense that this Agreement was executed subsequent to the date of the Surety Bond, admitting and covenanting that such Surety Bond was executed pursuant to the Issuer's request and in reliance on the Issuer's promise to execute this Agreement.

Section 6.08. Notices, Requests, Demands. Except as otherwise expressly provided herein, all written notices, requests, demands or other communications to or upon the respective parties hereto shall be deemed to have been given or made when actually received, or in the case of telex or telecopier notice sent over a telex or a telecopier machine owned or operated by a party hereto, when sent, addressed as specified below or at such other address as any of the parties may hereafter specify in writing to the others:
