Upon termination of the Public Agency's obligations hereunder, the Commission, the Administrator, the Bank and the Trustee shall, upon request by the Public Agency, deliver, or cause to be delivered, to the Public Agency an acknowledgment thereof, subject to the proviso set forth in the preceding sentence. During such time as no Loans are Outstanding hereunder and all payments have been made hereunder, the covenants, agreements and representations made by the Public Agency shall not be binding, except as otherwise expressly provided herein.

**SECTION 3.03. THE LOANS.** (a) The Commission hereby agrees to make Loans to the Public Agency from time to time, in accordance with the terms hereof, in an aggregate amount not to exceed \$15,000,000; provided, however, such amount may be increased or decreased in accordance with the provisions hereof; provided, further, no Draws for a Loan shall be made after the Administrator determines that such Draw shall cause the aggregate principal amount of Commercial Paper Notes Outstanding and interest thereon to the stated maturity dates thereof to exceed the Commitment available under the Credit Facility. The Maximum Loan Amount shall be the aggregate amount of all Loans authorized by the Commission to be Outstanding hereunder at any one time, subject to the terms and conditions set forth herein. The Maximum Loan Amount may be decreased at any time upon written notice delivered by the Bank to the Public Agency and the Administrator that, in the Bank's judgment, it has determined that it would not then approve a Draw by such Public Agency for any reason, including, but not limited to, a material decline of the financial condition of the Public Agency; provided, however, such decrease in the Maximum Loan Amount shall have no effect on the outstanding Loans made to the Public Agency. Loans shall be approved by the Administrator in accordance with the provisions of Section 4.02 hereof. Draws which have been approved by the Administrator pursuant to Section

4.02 hereof and by the Bank pursuant to Section 3.03(b) hereof and for which all documentation has been submitted pursuant to Sections 4.03 and 4.04 hereof may be made by the Public Agency upon notice pursuant to a Draw Request to the Administrator and the Bank as provided in Section 3.04 hereof. A Loan which shall be used to finance Public Agency Expenses shall be made only if the Administrator and the Bank are in possession of an opinion of Bond Counsel to the effect that utilization of such Loan for such purposes is permitted by the Act. The Loan Amounts shall be repaid in accordance with the provisions of Articles IV and V hereof.

(b) The Maximum Loan Amount described in Section 3.03(a) hereof does not reflect a commitment by the Bank to approve an increase in the amount of the Commitment available under the Credit Facility which is a condition precedent to any Draw hereunder. The Maximum Loan Amount represents only a non-binding indication by the Bank of such Amount based, among other factors, on the Designated Revenues pledged by the Public Agency for the repayment of Loan Amounts. Each Draw which the Commission agrees to make to the Public Agency is subject to Bank review and an increase in the Commitment for the Credit Facility required in order to make the Draw may be rejected by the Bank in its sole discretion. The Public Agency shall have no recourse against the Bank in the event (i) the Bank rejects a request to increase the Commitment available under the Credit Facility or (ii) the Public Agency has received any notice from the Bank pursuant to Section 3.03(a) hereof of a decrease of the Maximum Loan Amount.

(c) In order to obtain a commitment from the Bank to approve all the Draws to be made under a Loan or Loans to be made by the Commission pursuant to the terms hereof and increase the Commitment under the Credit Facility, the Public Agency may enter into an agreement with the Bank whereby the Bank will agree to such increase in the Commitment upon payment, or agreement for payment, of a commitment fee or fees. The amount of the commitment fee or fees and the terms of the commitment shall be mutually agreed upon by the Bank and the Public Agency. The Administrator shall receive a copy of any such agreement. The amount of such commitment fee or fees shall be reflected in a certificate substantially in the form of Exhibit H hereto.

At or prior to the time of making the initial Draw for a Loan, the Public Agency shall also submit the documentation described in Section 4.03 hereof.

(b) In the case of Draws which have been approved in accordance with the provisions of Section 4.02 hereof, the Public Agency shall give the Administrator, the Bank and the Dealer a Draw Request at least thirty (30) days prior to the Draw Date on which it wants to make such Draw. The Draw shall be made in accordance with the Draw Schedule approved pursuant to Section 4.02 hereof. Such Draw Request shall state (i) the amount of the Draw, (ii) the Draw Date, (iii) the purpose of the Draw, (iv) the Series of Commercial Paper Notes to be used to make the Draw, (v) the information required by Section 4.04(f) hereof and any other information required by the Bank, and (vi) the Repayment Schedule for the Draw (which shall be in compliance with the Repayment Schedule approved by the Administrator pursuant to Section 4.02 hereof), provided the last Loan Repayment applicable to a Draw as contained in the Repayment Schedule shall not be later than the Program Termination Date in effect on the date of such Draw.

(c) Loan Repayments shall be made in accordance with the Repayment Schedule approved pursuant to Section 4.02 hereof; provided, however, the Public Agency may repay all or a portion of a Loan upon at least forty-five (45) days written notice to the Administrator, the Dealer and the Bank, but only to the extent the Administrator determines that there will be sufficient Commercial Paper Notes coming due at such time of requested redemption so as to permit such redemption. The Repayment Schedule may be modified at any time upon written consent of the Administrator and if such extension is later than the originally scheduled repayment date or dates or if a Default or Event of Default has occurred and is continuing, with the written consent of the Bank. In the event of a failure to remarket Commercial Paper Notes, the Repayment Schedule shall be deemed to be modified to conform to the schedule of repayments required pursuant to the terms of Section 3.01(a)(iv)(C) of the Credit Agreement. In the event a Repayment Schedule shall be extended to a date later than the originally scheduled repayment date or dates, the Letter of Credit charges for that portion of the Loan for which such Repayment Schedule was extended shall be the charges currently levied by the Bank at the time such extension occurred. Such charges shall be reflected in a certificate substantially in the form of Exhibit H hereto. Any changes to the Repayment Schedule, other than changes required by Section 3.01(a)(iv)(C) of the Credit Agreement, shall be reflected in a certification substantially in the form of Exhibit G hereto or in a resolution adopted by the Public Agency

approving the Loan relating thereto; provided, however, such changes shall take effect in accordance with the terms hereof and of the Credit Agreement. The Administrator shall give the Bank and the Trustee at least ten (10) days written notice of any changes to the Repayment Schedules that do not require the Bank's prior consent. The Public Agency may also defease a Loan in accordance with Section 6.03 hereof.

(d) Draws on a Loan shall be made only to the extent such Draw shall not cause the aggregate principal amount of Commercial Paper Notes Outstanding and interest thereon to stated maturity to exceed the Commitment available under the Credit Facility.

(e) A copy of all information relating to Draws submitted to the Administrator by the Public Agency pursuant to the terms hereof shall be sent by the Administrator to the Bank within five (5) Business Days of receipt thereof.

**SECTION 3.05. SERIES C NOTES.** Loans made from the proceeds of Series C Notes need not be used to pay the Costs of acquisition, construction and equipping of a Project; provided investment earnings on such Loan Amounts shall be allocated to pay the Costs of a Project; and provided, further, the Administrator and the Bank shall consent to the use of the proceeds of such Loans. Loans made from the proceeds of Series C Notes may also be used to pay Public Agency Expenses and to finance Projects.

### LOAN REPAYMENTS

**SECTION 5.01. PAYMENT OF LOAN REPAYMENTS.** (a) The Public Agency shall make all Loan Repayments in lawful money of the United States of America to the Trustee. All Loan Repayments shall be made by electronic or wire transfer or other method of immediate funds payment. The principal of each Loan shall be repaid in accordance with the Repayment Schedule relating thereto. The principal component of a Loan Repayment shall be paid on or before the date such amount is due, subject to the provisions of Section 3.04(c) hereof; provided the Public Agency pays the Trustee moneys which are available not later than such due date. Unpaid interest on the Outstanding principal balance of the Loan Amounts shall be payable to the Trustee, as follows:

(i) On or before the twenty-fifth (25th) day of each calendar month, the Administrator will determine the Estimated Monthly Rate and Estimated Monthly Interest for the Loan Amounts of each Series of Commercial Paper Notes from which such Loan Amounts are derived for the next succeeding calendar month.

(ii) On or before the first Business Day of each month the Public Agency shall pay to the Trustee for deposit into the Revenue Account the Estimated Monthly Interest for such calendar month relating to each Series of Commercial Paper Notes.

(iii) If, at any time and from time to time during a month, the Administrator determines that the amount on deposit in the Revenue Account will be insufficient to pay the Current Portion of interest due or to become due on Commercial Paper Notes in such month, the Administrator shall recalculate the Estimated Monthly Interest due from the Public Agency and require, on three (3) Business Days notice to the Public Agency, the Public Agency to pay to the Trustee, as a part of the interest component of the Loan Repayment due in such month, an amount equal to the difference, if any, between the Estimated Monthly Interest as previously calculated and the Estimated Monthly Interest as so recalculated. Notwithstanding the definition of Estimated Monthly Rate and in accordance with the provisions of Section 3.03(b) of the Indenture, the Administrator, in its sole discretion, may recalculate the Estimated Monthly Rate using a thirty (30) days period ending no later than the date of such recalculation and in no event earlier than the fifteenth (15th) day preceding the date of such recalculation, if the result of the use of such ending date is to increase the amount of interest to become due as the result of such recalculation.

(iv) On the twenty-fifth (25th) day of each month, the Administrator shall use its best efforts to inform the Public Agency by telephone, confirmed in writing sent the following Business Day, of the total amount (including without limitation, Loan Repayments and Additional Payments) due on the first Business Day of the next succeeding month. Such written notice shall state the amount of interest, Additional Payments, Monthly Investment Credits and Monthly Excess Credits to be received by the Public Agency. Such notice shall also state the amount of principal due, if any, in the next succeeding month. A copy of such notice shall be provided to the Trustee.

Upon full payment and discharge of the Loan, the Commission shall cause the Trustee to pay over to the Public Agency the Monthly Investment Credits and Monthly Excess Credits accrued during the calendar month in which the Loan is paid and discharged.

(b) Notwithstanding the foregoing, if the Public Agency fails to make a Loan Repayment on the due date thereof and an unreimbursed draw is made on the Letter of Credit as a result of such delinquency, accrued but unpaid interest on the principal portion of the Loan Repayment shall be calculated at the Default Rate from the date of the draw on the Letter of Credit to the date of payment of all due and unpaid Loan Repayments.

(c) The principal component of any Loan Repayments shall be due at such time and in such manner as provided in the Repayment Schedules, unless (i) the Loan Amounts are prepaid in accordance with the terms hereof, (ii) the Repayment Schedules are modified in accordance with the terms hereof, including, but not limited to Section 3.04(b) hereof, or (iii) the due dates of the Loan Repayments are accelerated pursuant to the terms of Section 8.03 hereof.

(d) Commencing with the third Loan Repayment made by the Public Agency, the Public Agency shall also receive a credit against each Loan Repayment for investment earnings on moneys in the Revenue Account, the Principal Payment Account and Interest Payment Account accruing during the period commencing on the fifteenth (15th) day of the preceding month (or such earlier date as earnings began accruing) to the fifteenth (15th) day of the current month. The Public Agency shall receive a pro-rata share of such investment earnings based on the amount of money representing the interest component of Loan Repayments as described in Section 5.02(a) hereof made by each Public Agency participating in the Pooled Commercial Paper Loan Program.

(e) Any Loan Repayment made by the Public Agency pursuant to this Section shall be delivered to the Trustee and shall be credited against the Public Agency's obligations under this Section on the date of deposit with the Trustee if such deposit is made

prior to 1:00 p.m., New York City time, and if after 1:00 p.m., shall be so credited on the next succeeding Business Day, provided that the principal component of any Loan Repayment that is made after the due date thereof, or upon the acceleration of the Loan, shall be deemed paid by the Public Agency, and, in the case of acceleration of the Loan, shall be subject to the provisions of Section 8.05 hereof. The Public Agency acknowledges that the Commission has agreed, pursuant to Section 3.03(g) of the Indenture, that upon the occurrence and continuance of any default under Section 8.01(a) hereof, or, upon the acceleration of the Loan, all Loan Repayments are to be deposited by the Trustee in a special escrow account pursuant to such Section 3.03(g) and held as a part of the Trust Estate for the sole benefit of and as security for the Noteholders and the Bank, pending the application of such moneys to pay, or to reimburse the Bank (including interest on unreimbursed amounts at the applicable rate or rates as set forth in the Credit Agreement) for L/C Payments made by the Bank to pay, Commercial Paper Notes and the interest thereon at their maturity, or to reimburse the Bank (including interest on unreimbursed amounts at the applicable rate or rates as set forth in the Credit Agreement) for L/C Payments made by the Bank to pay the principal of and accrued interest (if any) on Retirable C/P, in accordance with Section 3.01(a)(iii) of the Credit Agreement; provided, that (i) any net earnings (or losses) derived from the investment of any portion of such moneys held in such special escrow account shall be credited to (or, in the case of losses, payable by) the Public Agency, and (ii) the Public Agency shall remain liable for its share of the amounts specified in subsections (a), (b), (c) and (d) of Section 5.02 hereof accruing during the period moneys are held by the Trustee in such special escrow account. The Public Agency agrees that it shall have no interest in or rights to such special escrow account, subject to clause (i) of the proviso in the preceding sentence. The provisions of this Section 5.01(e) shall survive the payment in full of the Loan Repayments.

**SECTION 5.02. CALCULATION OF LOAN RATE.** Except as otherwise provided in Section 5.01 of this Loan Agreement, the Loan Rate shall equal the sum of subsections (a), (b), (c) and (d) minus (e) of this Section 5.02:

(a) Interest on the Commercial Paper Notes. A rate which reflects the Actual Monthly Interest on the Loan (taking into account the respective Series of Commercial Paper Notes from which Loan Amounts are derived), payable in the amount of Estimated Monthly Interest, subject to Monthly Excess Credits and Monthly Investment Credits, as provided in Section 5.01(a) hereof; provided, however, that interest on the principal portion of Loan Repayments shall be calculated at the Default Rate under the circumstances described in Section 5.01(b) hereof, and, provided further, however, the Public Agency recognizes that when Commercial Paper Notes become due for payment and Commercial Paper Notes cannot be sold by the Dealer to repay such maturing Commercial Paper Notes, such Commercial Paper Notes must be paid with funds provided by the Bank under the Credit

Agreement, and the interest rate on Loans or portions thereof will be the Bank Rate in accordance with the terms of the Credit Agreement.

(b) Proportionate Expenses. A rate which reflects the Public Agency's Proportionate Share of the following items, fees and expenses to the extent that such items are not paid as provided in Sections 5.05 and 6.06(e) hereof:

(i) the fees and expenses of the Administrator owed to it under the Administration Agreement;

(ii) the fees and expenses of the Trustee owed to it under the Indenture;

(iii) the expenses of the Commission, including legal and accounting fees;

(iv) the rating fees of Moody's Investors Service and/or Standard & Poor's Corporation;

(v) any loss on investments of the Trust Estate; and

(vi) such other reasonable fees and expenses in connection with the Commercial Paper Notes or this Loan Agreement as the Commission may determine.

Extraordinary expenses payable pursuant to this Section 5.02(b) shall be stated separately on the bill delivered by the Administrator to the Public Agency.

(c) Letter of Credit Charges. A rate which reflects a portion of the Credit Facility charge or charges of the Bank owed to it under the Credit Agreement by the Public Agency, plus any commitment fees or other fees payable under Sections 3.03(c) and 3.03(d) hereof. The letter of credit fees component of such Credit Facility charge or charges payable by the Public Agency shall be provided in a certificate substantially in the form of Exhibit H hereto or in a resolution adopted by the Public Agency approving the Loan relating thereto, as the same may be amended from time to time. In addition, the Public Agency shall be responsible for payment of a Proportionate Share of any other amounts owing the Bank under the Credit Agreement.

(d) Proportionate Dealer Fees. A rate which reflects the Public Agency's Proportionate Share of the fees and expenses of the Dealer owed to it under the Dealer Agreement.

(e) Credits. The Public Agency shall receive the credits described in Sections 5.01(a) and 5.01(d) hereof. Such credits shall be an offset against Loan Repayments as provided in the Indenture.

**SECTION 5.03. LOAN REPAYMENTS.** Other than as provided in the last sentence of this Section 5.03, the obligation of the Public Agency to make Loan Repayments from Designated Revenues in the manner described herein and to perform and observe the other covenants and agreements contained herein shall be absolute and unconditional in all events. Notwithstanding any dispute between the Public Agency and the Commission, the Trustee, the Bank, the Administrator or any Noteholder, the Public Agency shall pay Loan Repayments or any other amounts when due and shall not withhold any Loan Repayments or any other amounts payable hereunder pending final resolution of such dispute nor shall the Public Agency assert any right of setoff or counterclaim against its obligation to make such payments required under this Loan Agreement. The Public Agency's obligation to make payment of Loan Repayments or any other amounts due shall not be abated through accident or unforeseen circumstances. The Commission and the Public Agency agree that the Public Agency shall bear all risk of damage or destruction in whole or in part to the Projects or any part thereof, including without limitation any loss, complete or partial, or interruption in the use, occupancy or operation of such Projects, or any manner or thing which for any reason interferes with, prevents or renders burdensome the use or occupancy of the Projects or the compliance by the Public Agency with any of the terms of this Loan Agreement. Notwithstanding the foregoing, this Section shall not limit the rights of the Public Agency to recover amounts owing to it, except as specifically set forth herein. The Commission and the Public Agency acknowledge that the enforceability of this Loan Agreement may be limited by laws relating to the bankruptcy or insolvency of the Public Agency or other similar laws affecting creditors' rights generally or by general principles of equity.

**SECTION 5.04. MAXIMUM LEGAL INTEREST RATE.** Notwithstanding the calculation of interest pursuant to Section 5.02 hereunder, the Commission and the Public Agency acknowledge that it is their intent to contract hereunder in strict compliance with the usury laws of the State. In furtherance thereof, the Commission and the Public Agency stipulate and agree that none of the terms and provisions contained herein or under any instruments held as security hereunder, shall ever be construed to create a contract for the use, forbearance or detention of money requiring payment of interest at a rate in excess of the Maximum Legal Rate. The Public Agency shall never be liable for interest on any Loan Note at a rate in excess of the Maximum Legal Rate applicable thereto. The provisions of this Section shall control over all other provisions of this Loan Agreement and any other instruments executed in connection herewith which may be in apparent conflict herewith. If a court of competent jurisdiction shall make a final determination that the performance of

any provision of this Loan Agreement shall result in a payment of an amount for such use, forbearance or detention in excess of the Maximum Legal Rate, then (a) such provision shall be deemed to be appropriately modified to the extent necessary to reduce such interest to an amount not in excess of such Maximum Legal Rate, and (b) any such excess amounts theretofore received by the Commission or its assignees shall be deemed to have been a prepayment of a like principal amount of said Loan Notes, and all necessary reallocations of subsequent payments with respect to said Loan Notes shall be made. In addition, if the rate of interest payable under Section 5.02 hereof shall exceed the Maximum Legal Rate for any period for which interest is payable (i) interest at the Maximum Legal Rate shall be due and payable with respect to such interest period, and (ii) to the extent permitted by applicable law, interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) the Maximum Legal Rate (the "Excess Interest") shall be deferred until such date as the rate of interest, calculated in accordance herewith, ceases to exceed the Maximum Legal Rate, at which time the Public Agency shall pay the Commission such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Commission to equal the Maximum Legal Rate, which payments of deferred Excess Interest shall continue until all such deferred Excess Interest is fully paid to the Commission.

**SECTION 5.05. COSTS OF ISSUANCE.** (a) The Public Agency further agrees to pay the Administrator a total amount equal to \$2,000 for each \$1,000,000 of Loan Amounts Outstanding in the aggregate, which amount shall be based on the largest total Loan Amount Outstanding at a given time during the term of this Loan Agreement. The maximum aggregate amount payable pursuant to this Section 5.05(a) shall be \$40,000. Such fee shall represent the Public Agency's share of the costs of structuring the Commercial Paper Loan Program.

(b) The Public Agency shall also pay the Administrator, the Bank and Bond Counsel, as the case may be, all reasonable fees and expenses associated with approving the Loans and the Draws pursuant to Sections 4.02, 4.03 and 4.04 hereof.

### SECURITY FOR LOANS AND PUBLIC AGENCY COVENANTS

**SECTION 6.01. STATUS OF LOAN OBLIGATIONS.** Anything in this Loan Agreement to the contrary notwithstanding, it is understood and agreed that the ad valorem taxing power and the full faith and credit of the Public Agency has not been pledged to secure the obligations of the Public Agency hereunder. Neither the Commission, the Bank, the Administrator, the Trustee nor the Holders of the Notes shall have any right to compel the exercise of any ad valorem taxing power of the Public Agency to pay the obligations owing hereunder. The obligations of the Public Agency under this Loan Agreement, including Loan Repayments and all other payments, shall be payable solely from Designated Revenues in accordance with the terms hereof. The provisions of this Section shall survive the termination and/or assignment of this Loan Agreement.

**SECTION 6.02. SECURITY FOR LOAN REPAYMENTS.** The Public Agency's obligation to repay the Loan Repayments shall be, and is hereby, secured by a pledge of and lien on the Designated Revenues. The Pledged Revenues, if any, which are part of the Designated Revenues, shall be pledged to the payment of the Loan Repayments in accordance with Section 6.03 hereof. Notwithstanding the foregoing, the Public Agency may secure any existing or future indebtedness, on a parity basis, with a pledge of and lien on any portion of the Designated Revenues or Pledged Revenues; provided, however, the Public Agency shall comply in all respects with the provisions of Section 6.04(c) hereof.

**SECTION 6.03. PLEDGED REVENUES.** The Public Agency may, in its sole discretion, pledge certain of its non-ad valorem funds to the payment of the Loan Repayments. Notwithstanding the foregoing, the Public Agency may secure any existing or future indebtedness, on a parity basis, with a pledge of and lien on any portion of the Designated Revenues or Pledged Revenues; provided, however, the Public Agency shall comply in all respects with the provisions of Section 6.04(c) hereof. Such Pledged Revenues for each Loan that is secured by Pledged Revenues shall be described in a certificate substantially in the form of Exhibit D hereto or in a resolution adopted by the Public Agency approving the Loan relating thereto. The pledge of and lien on such Pledged Revenues for such Loan shall commence and terminate at such times and in accordance with the provisions of such certificate or resolution. The Public Agency may provide for the termination and defeasance of the pledge of and lien on such Pledged Revenues for such Loan in accordance with the terms of such certificate or resolution. The terms and provisions of such certificate or resolution shall be subject to the approval of the Administrator and the Bank. At or prior to the pledge of any Pledged Revenues the Public

Agency shall submit to the Administrator and the Bank (a) a certified copy of the resolution or ordinance of the Public Agency pledging such Pledged Revenues and (b) an opinion of Counsel to the Public Agency or Bond Counsel to the effect that the resolution or ordinance pledging such Pledged Revenues has been duly adopted and is enforceable in accordance with its terms (subject to standard bankruptcy exceptions and the like).

**SECTION 6.04. COVENANT TO BUDGET AND APPROPRIATE.** (a) Until all Loan Repayments and other amounts owing hereunder are paid or deemed paid pursuant to the provisions of this Loan Agreement, the Public Agency hereby covenants to appropriate in its annual budget, by amendment if necessary, from Non-Ad Valorem Revenues lawfully available in each fiscal year of the Public Agency in which principal or interest on the Loan Repayments and other amounts owing hereunder becomes due and payable, amounts sufficient, together with other available moneys, to pay the Loan Repayments as the same become due (whether by redemption, at maturity or otherwise). Such covenant and agreement on the part of the Public Agency to budget and appropriate such amounts of Non-Ad Valorem Revenues shall be cumulative to the extent not paid, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all such required payments hereunder shall have been budgeted, appropriated and actually paid. Once such Non-Ad Valorem Revenues are so budgeted and appropriated, the same shall constitute "Public Agency Moneys" hereunder. Notwithstanding the foregoing covenant of the Public Agency, the Public Agency does not covenant to maintain any services or programs, now provided or maintained by the Public Agency, which generate Non-Ad Valorem Revenues.

(b) Such covenant to budget and appropriate does not create any lien upon or pledge of such Non-Ad Valorem Revenues, nor does it preclude the Public Agency from pledging in the future its Non-Ad Valorem Revenues, nor does it require the Public Agency to levy and collect any particular Non-Ad Valorem Revenues, nor does it give the Bank, the Commission, the Administrator, the Trustee or the Noteholders a prior claim on the Non-Ad Valorem Revenues as opposed to claims of general creditors of the Public Agency. Such covenant to appropriate Non-Ad Valorem Revenues is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereinafter entered into (including the payment of debt service on bonds and other debt instruments). Such covenant to budget and appropriate Non-Ad Valorem Revenues shall not in any way detract from the pledge of and lien on the Pledged Revenues, if any, provided herein. However, the covenant to budget and appropriate in its general annual budget for the purposes and in the manner stated herein shall have the effect of making available for the payment of the Loan Repayments and other amounts owing hereunder in the manner described herein Non-Ad Valorem Revenues and placing on the Public Agency a positive duty to appropriate and budget, by amendment, if necessary, amounts sufficient to meet its

obligations hereunder; subject, however, in all respects to the restrictions of Section 129.07, Florida Statutes, which provides, in part, that it is unlawful for the Board of County Commissioners of a County to to expend or contract for the expenditure in any fiscal year more than the amount budgeted in each fund's budget and in no case shall the total appropriations of any budget be exceeded, except as provided pursuant to Section 129.06, Florida Statutes; and subject, further, to the payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the Public Agency or which are legally mandated by applicable law.

(c) During such time as any Loan Amounts are outstanding hereunder which are secured by the covenant to budget and appropriate legally available Non-Ad Valorem Revenues, the Public Agency agrees and covenants with the Commission and the Bank that: (i) Non-Ad Valorem Revenues (average of actual receipts over the prior two years) must cover projected maximum annual debt service on Debt secured by and/or payable solely from such Non-Ad Valorem Revenues by at least 1.5x; and (ii) projected maximum annual debt service requirements for all Debt secured by and/or payable solely from such Non-Ad Valorem Revenues will not exceed 20% of Governmental Fund Revenues (defined as general fund, special fund, debt service fund and capital projects funds), exclusive of (i) ad valorem revenues restricted to payment of debt service on any Debt and (ii) any Debt proceeds, and based on the Public Agency's audited financial statements (average of actual receipts of the prior two years). For the purposes of these covenants maximum annual debt service means the lesser of the actual maximum annual debt service on all Debt or 15% of the original par amount of the Debt, in each case, secured by Public Agency Non-Ad Valorem Revenues. The Public Agency agrees that, as soon as practicable after the end of each fiscal year, it shall deliver to the Bank a certificate setting forth the calculations of the financial ratios provided in this Section 6.04(c) and certifying that it is in compliance with the provisions of this Section 6.04(c).

(d) The covenant to budget and appropriate provided in this Section may, at the option of the Administrator and the Bank, be released in lieu of the pledge of Pledged Revenues as provided in Section 6.02 hereof. The release of such covenant shall be provided in a certificate substantially in the form of Exhibit D hereto or in a resolution adopted by the Public Agency approving the Loan relating thereto.

**SECTION 6.05. PAYMENT COVENANT.** The Public Agency covenants that it shall duly and punctually pay solely from Designated Revenues the Loan Repayments and other amounts owing hereunder at the dates and place and in the manner provided herein.

**SECTION 6.06. ADDITIONAL COVENANTS.** The Public Agency makes the following additional covenants and representations as of the date first above written and

such covenants shall continue in full force and effect until all amounts due hereunder have been paid in full:

(a) Books and Records. The Public Agency will keep books and records of the receipt of the Designated Revenues in accordance with generally accepted accounting principles, and the Administrator, the Bank and the Trustee shall have the right at all reasonable times to inspect the records, accounts and data of the Public Agency relating thereto.

(b) Annual Audit and Other Information. The Public Agency shall (i) furnish or cause to be furnished to the Bank, as soon as available and in any event not less than forty-five (45) days after the beginning of each fiscal year, a copy of its budget for such fiscal year, (ii) in accordance with applicable law, cause the financial statements of the Public Agency to be properly audited by an Accountant, and shall require such Accountant to complete their report on the annual financial statements in accordance with applicable law and (iii) furnish or cause to be furnished to the Bank and the Administrator, as soon as available and in any event not less than ten (10) days after the issuance thereof, a copy of any final official statement relating to Debt of the Public Agency. Such annual financial statements shall contain, but not be limited to, a balance sheet, a statement of revenues, expenditures and changes in fund balance, and any other statements as required by law or accounting convention. The annual financial statement shall be prepared in conformity with generally accepted accounting principles, and shall be furnished to the Bank as soon as available and in any event not less than seven (7) Business Days after the end of the applicable period required by law for the Public Agency to complete such financial statements.

(c) Right of Inspection. The Commission, the Bank, the Trustee, and their designated agents shall have the right at all reasonable times during normal business hours to enter into and upon the property of the Public Agency for the purpose of inspecting books and records of the Public Agency relating to this Loan Agreement, the Designated Revenues and the transactions contemplated hereby and by the Indenture.

(d) Information. The Public Agency's chief financial officer shall, at the reasonable request of the Trustee or the Bank, discuss the Public Agency's financial matters with the Bank and the Trustee. In addition, the Public Agency shall furnish the Administrator all necessary information relating to its financial condition to enable the Commission and the Administrator to make all disclosures to the Noteholders required by State or Federal law. The Public Agency shall immediately inform the Administrator of any material adverse change in its financial condition.

(e) Agreement to Reimburse Certain Amounts.

(i) To the extent allowed by law, the Public Agency will pay to, reimburse or indemnify the Commission, the Administrator, the Bank, the Trustee, each member, officer, commissioner, employee and agent of the Commission, the Administrator, the Bank, the Trustee and each other Person, if any, who has the power, directly or indirectly, to direct or cause the direction of the management and policies of the Commission, the Administrator, the Bank and the Trustee for any and all liabilities, losses, damages, costs, expenses (including reasonable attorneys' fees), suits, claims and judgments of whatsoever kind and nature, arising or resulting from, or in connection with, this Loan Agreement, the Credit Agreement or the Projects as a result of the breach or violation of any agreement, covenant, representations or warranty of the Public Agency set forth in this Loan Agreement or any document delivered pursuant hereto or in connection herewith.

(ii) In addition, to the extent allowed by law, the Public Agency will reimburse all other Public Agencies participating in the Pooled Commercial Paper Program to the extent the Public Agency has committed any act or failed to commit an act and the result of such action or failure to act is that the cost of participating in the Pooled Commercial Paper Program of such Public Agencies is increased. Such reimbursement includes, without limitation, any increased costs incurred by other participating Public Agencies as a result of the Public Agency failing to make a Repayment.

(iii) The provisions of this Section 6.06(e) shall survive the termination of this Loan Agreement.

(f) Further Assurance. The Public Agency shall execute and deliver to the Commission, the Administrator, the Bank or the Trustee, as the case may be, all such documents and instruments and do all such other acts and things as may be necessary or reasonably required by the Trustee, the Administrator, the Bank or the Commission to enable the Trustee, the Administrator, the Bank or the Commission to exercise and enforce its rights under this Loan Agreement, and to validate, preserve and protect the position of the Trustee, the Administrator, the Bank and the Commission under this Loan Agreement.

(g) Use of the Projects. Except in the case of Projects funded from Loans financed by the proceeds of the Series C Notes, the Public Agency will not use the Projects or suffer or permit the Projects to be used in any manner or to any extent which would result in the loss of the exclusion of interest on the Commercial Paper Notes from gross income for federal income tax purposes pursuant to the Code.

(h) Special Covenants. The Public Agency agrees to fully comply with all covenants provided in a certificate substantially in the form of Exhibit E hereto or in a resolution adopted by the Public Agency approving the Loan relating thereto, the terms of which are incorporated herein by reference. Such covenants may be established, terminated or modified at any time with the written consent of the Bank.

(i) Compliance with Laws, etc. The Public Agency shall comply with the requirements of all applicable laws, the terms of all grants, rules, regulations and orders of any governmental authority, non-compliance with which would, singly or in the aggregate, materially adversely affect its business, properties, earnings, prospects or credit, unless the same shall be contested by it in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

(j) Tax Exempt Status of Commercial Paper Notes.

(i) The Commission and the Public Agency understand that it is the intention hereof that the interest on the Commercial Paper Notes, other than the Series C Notes, be excluded from the gross income of the Holders thereof for federal income tax purposes. In furtherance thereof, the Public Agency agrees that so long as any Loans are Outstanding under this Agreement it will take all action within its control which is necessary in order for the interest on the Commercial Paper Notes, other than the Series C Notes, to be excludable from gross income for purposes of federal income taxation (other than those Series B Notes held by a person who is deemed a "substantial user" of a Project or a "related person" to a "substantial user" of a Project within the meaning of Section 147(a) of the Code) and shall refrain from taking any action which results in such interest becoming so taxable.

(ii) In order to maintain the exclusion from gross income for purposes of federal income taxation of interest on the Commercial Paper Notes, other than the Series C Notes, the Public Agency shall comply with each requirement of the Code applicable to the Loan Amounts. In furtherance of the covenant contained in the preceding sentence, the Public Agency shall execute an Arbitrage Certificate for each Loan (other than a Loan made from the Series C Notes) and shall comply with all the terms and conditions thereof. Such Arbitrage Certificate shall be deemed to be reexecuted and reaffirmed as of the date of each subsequent delivery of Series A Notes or Series B Notes, the proceeds of which are used to pay the principal of Series A Notes or Series B Notes, which financed or refinanced such Loan unless and until the Public Agency shall furnish the Administrator and Bond Counsel a new Arbitrage Certificate or a supplement or modification to the existing one. The Public Agency shall set forth in each of its Arbitrage Certificates its reasonable expectations on the

date of delivery of such Arbitrage Certificate as to compliance with the relevant requirements of Section 103 and Sections 141 through 150 of the Code and as to the relevant facts, estimates and circumstances relating to the use of proceeds of a Loan, and any other matters deemed relevant by Bond Counsel. The facts, estimates and circumstances set forth in each such Arbitrage Certificate will be, to the best knowledge of an Authorized Officer of the Public Agency, true and correct as of the date thereof. The Public Agency shall inform Bond Counsel of any change in the facts, estimates and circumstances contained in any Arbitrage Certificate.

(iii) The Public Agency shall make any and all payments required to be made to the United States Department of the Treasury in connection with the Loan Amounts pursuant to Section 148(f) of the Code.

(iv) So long as necessary in order to maintain the exclusion, if any, from gross income of interest on the Commercial Paper Notes for federal income tax purposes (other than those Series B Notes held by a person who is deemed a "substantial user" of a Project or a "related person" to a "substantial user" of a Project within the meaning of Section 147(a) of the Code), the covenants contained in this Section shall survive the payments of the Commercial Paper Notes and the interest thereon, including any payment or defeasance thereof.

(v) The Public Agency shall not take or permit any action or fail to take any action so long as any Loans are Outstanding under this Agreement which would cause the Commercial Paper Notes, other than the Series C Notes, to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.

(vi) The Public Agency covenants to provide the Administrator with all material and information necessary to enable the Administrator to file all reports required under the Code.

(k) Agreement Re: Contingency Account. The Public Agency agrees on the Commencement Date to execute the Agreement Re: Contingency Account substantially in the form attached hereto as Exhibit J. The Public Agency agrees to comply with the terms of the aforementioned Agreement and to make such amendments to the Agreement as shall be reasonably requested to ensure the prompt payment of the Loan Repayments.

### ASSIGNMENT AND PAYMENT BY THIRD PARTIES

**SECTION 7.01. ASSIGNMENT BY COMMISSION.** This Loan Agreement and the obligations of the Public Agency to make payments hereunder may be assigned and reassigned by the Commission in whole or in part to one or more assignees or subassignees at any time subsequent to its execution without the necessity of obtaining the consent of the Public Agency. Any assignment by the Commission shall be subject to the prior written consent of the Bank, except in the case of an assignment to the Trustee. The Public Agency expressly acknowledges that this Loan Agreement and the obligations of the Public Agency to make payments hereunder (with the exception of the Commission's rights to reimbursement, indemnification, fees and expenses), have been pledged and assigned to the Trustee and the Bank under the Indenture as security for the holders of the Commercial Paper Notes and the Bank and that the Trustee shall be entitled to act hereunder in the place and stead of the Commission whether or not any of the Commercial Paper Notes or this Loan Agreement are in default. In addition, the Public Agency acknowledges that the Commission has appointed an Administrator which shall be entitled to act hereunder in the place and stead of the Commission, but only to the extent of such appointment.

**SECTION 7.02. ASSIGNMENT BY PUBLIC AGENCY.** This Loan Agreement may not be assigned by the Public Agency for any reason without the express prior written consent of the Commission, the Administrator, the Bank and the Trustee, except in the case of an assignment to the Bank in accordance with Section 9.03 of the Credit Agreement. After receipt of notice of any such assignment of this Loan Agreement to the Bank, the Public Agency will make all payments required under Article V hereof directly to the Bank, in accordance with the terms hereof and of the Credit Agreement.

**SECTION 8.01. (b) Failure by the Public Agency to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement (including the covenants provided in a certificate substantially in the form of Exhibits D and E attached hereto or in a resolution adopted by the Public Agency approving the Loan relating thereto), other than as referred to in Section 8.01(a) or 8.02 hereof, for a period of thirty (30) days after written notice, except to the extent some other grace period shall be provided in Exhibit D or E in regard to a covenant, specifying such failure and requesting that it be remedied, is given to the Public Agency by the Commission, the Bank, the Administrator or the Trustee, unless the Commission, the Bank, the Administrator and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Commission, the Noteholders, the Bank or the Trustee, as the case may be, but cannot be cured within the applicable 30-day period, the Commission, the Bank, the Administrator and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Public Agency within the applicable period and diligently pursued until the failure is corrected;

(c) Any warranty, representation or other statement by the Public Agency or by an officer or agent of the Public Agency contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material adverse respect;

(g) Any Debt of or assumed by the Public Agency (i) is not paid when due nor within any applicable grace period in any agreement or instrument relating to such Debt, (ii) becomes due and payable before its normal maturity by reason of a default or event of default, however, described, or (iii) becomes subject to a moratorium.

**SECTION 8.02. ATTORNEY'S FEES AND OTHER EXPENSES.** The Public Agency shall on demand pay to the Commission, the Bank, the Administrator and the Trustee the reasonable fees and expenses of attorneys and other reasonable expenses incurred by any of them in collection of Loan Repayments or any other sums due hereunder or in the enforcement of performance of any other obligations of the Public Agency hereunder upon an Event of Default. The provisions of this Section shall survive the termination and/or assignment of this Loan Agreement and the payment in full of the Public Agency's obligations hereunder.

**SECTION 8.05. APPLICATION OF MONEYS.** Any moneys collected by the Commission, the Bank, the Administrator or the Trustee pursuant to Section 8.03 hereof shall be subject to Section 5.01(e) hereof and Section 3.03(g) of the Indenture and shall be applied (a) first, to pay any attorneys' fees or other expenses owed by the Public Agency to the Trustee pursuant to Section 8.04 hereof, (b) second, to pay any interest due on the Loan Amounts, (c) third, to pay principal due on the Loan Amounts, (d) fourth, to pay any other amounts due hereunder, (e) fifth, to pay interest and principal on the Loan Amounts and other amounts payable hereunder but which are not due, as they become due (in the same order, as to amounts which come due simultaneously, as in clauses (a) through (d) in this Section), and (f) sixth, to pay any attorneys' fees owed by the Public Agency to the Commission or the Administrator pursuant to Section 8.04 hereof, pro rata based on the amount of such expenses owed. Any moneys remaining after all amounts due and owing by the Public Agency hereunder have been paid shall be distributed to the Public Agency.

**SECTION 8.06. No delay or omission to exercise any right, remedy or power accruing upon any Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Commission, the Bank, the Administrator or the Trustee to exercise any remedy reserved to it in this Article VIII, it shall not be necessary to give any notice other than such notice as may be required this Article VIII.

First Union National Bank,

Gentlemen:

I am the County Attorney of and for St. Johns County, Florida (the "Public Agency"), and have been requested by the Public Agency to give this opinion in connection with a loan in the principal amount of \$ \_\_\_\_\_ (the "Loan") by the Florida Local Government Finance Commission (the "Commission") to the Public Agency of funds to finance, refinance or reimburse the cost of certain capital improvements (the "Project") pursuant to the terms and conditions of the Loan Agreement, dated as of \_\_\_\_\_ (the "Loan Agreement"), between the Commission and the Public Agency.

In this connection, I have reviewed the Loan Agreement and such records, certificates and other documents as I have considered necessary or appropriate for the purposes of this opinion, including Part I, Chapter 163, Florida Statutes, Chapter 125, Florida Statutes, and other applicable provision of law and the relevant resolutions and ordinances adopted by the Board of County Commissioners of the Public Agency. Based on such review and such

investigation as I have deemed necessary and such other consideration of law and fact as I believe to be relevant, I am of the opinion that:

1. The Public Agency is a duly constituted county of the State of Florida ("State"), validly existing and in good standing under the laws of the State, is not in violation of any provision of law material to the transactions contemplated by the Loan Agreement and the Loan, and has all requisite power and authority to execute and deliver the Loan Agreement and the initial Loan Note (as defined in the Loan Agreement) related to the initial Project, to enter into the initial Loan and to acquire, construct and equip the initial Project.

2. No approval, authorization, consent or other order of any governmental entity or of any court, public board or body (other than those already obtained), and no approving referendum of the qualified electors of the Public Agency, is legally required for the Public Agency to enter into and perform its obligations under the Loan Agreement and the initial Loan Note.

3. The Public Agency has the requisite power to acquire, construct and equip the initial Project and to enter into the Loan Agreement and the initial Loan and has duly authorized the execution and delivery of the Loan Agreement and the initial Loan Note related to the initial Project and receipt of the initial Loan. The Public Agency is duly authorized to use the proceeds of the initial Loan to finance, refinance or reimburse the costs of acquiring, constructing and equipping the initial Project.

4. The Loan Agreement creates a valid pledge of and lien upon the Designated Revenues (as defined in the Loan Agreement). [There are no Pledged Revenues that secure the initial Loan Note or the initial Loan.] [( Describe ) are the Pledged Revenues that secure the initial Loan Note and the Initial Loan.]

5. Neither the execution and delivery of the Loan Agreement, receipt of the initial Loan nor the consummation of the transactions contemplated thereby, nor the fulfillment of or compliance with the terms and conditions of the Loan Agreement conflicts with or results in a breach of any of the terms, conditions or provisions of the Constitution or laws of the State (including any limit on indebtedness), or any corporate restriction or any agreement, instrument or governmental or court order to which the Public Agency is now a party or by which it is bound or constitutes a default under any of the foregoing.

6. The Public Agency has obtained all permits and approvals required by any court, governmental body or officer for the execution and delivery of the Loan Agreement and the initial Loan Note related to the initial Project and receipt of the initial Loan.

7. The Loan Agreement and the initial Loan Note related to the initial Project have been duly and validly authorized, executed and delivered, are in full force and effect, and each is a valid and legally binding obligation of the Public Agency, enforceable in accordance with its respective terms, except to the extent that the enforceability thereof may be limited by laws relating to the bankruptcy or insolvency of the Public Agency or other similar laws affecting creditors' rights generally or by general principles of equity.

8. To the best of my knowledge (based upon due inquiry and investigation), other than as disclosed in Exhibit K to the Loan Agreement and/or as disclosed in the exhibit, if any, to this opinion, there is no litigation or legal or governmental action, proceeding, inquiry or investigation pending or threatened by judicial or governmental authorities to which the Public Agency is a party or any property of the Public Agency is subject, which, if determined adversely to the Public Agency, would individually or in the aggregate (a) materially and adversely affect the validity or the enforceability of the Loan Agreement, the initial Loan Note related to the initial Project or the initial Loan, (b) otherwise materially and adversely affect the ability of the Public Agency to comply with its obligations under the Loan Agreement or the initial Loan Note related to the initial Project, or (c) materially and adversely affect the acquisition, construction and equipping of the initial Project.

9. The Public Agency is subject to suit in a court of competent jurisdiction by the Commission (or First Union National Bank, as assignee of certain of the Commission's rights pursuant to the Trust Indenture dated as of April 12, 1991, as amended) for the failure to pay any amounts due and owing by the Public Agency under, or the failure to perform any obligation required by, the Loan Agreement and the Public Agency is not entitled to the defense of sovereign immunity in any such suit.

All capitalized terms used in this opinion but not defined herein shall have the meanings ascribed to such terms in the Loan Agreement.

Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel to the Commission, may rely upon this opinion, as if the same were addressed to such firm.

Very truly yours,

County Attorney

## EXHIBIT J

### AGREEMENT RE: CONTINGENCY ACCOUNT

THIS AGREEMENT, dated as of \_\_\_\_\_, is entered into between **ST. JOHNS COUNTY, FLORIDA** (the "Public Agency"), a duly constituted political subdivision of the State of Florida and **FIRST UNION NATIONAL BANK**, as Trustee.

**WHEREAS**, the Florida Local Government Finance Commission (the "Commission") is a legal entity and a public body corporate and politic formed pursuant to Part I, Chapter 163, Florida Statutes (the "Interlocal Act"), which Commission was created for the benefit of duly constituted counties, municipalities and other public agencies as described in the Interlocal Act, desiring to participate in a pooled commercial paper loan program in order to obtain the most cost effective, short-term financing for acquiring, constructing and equipping capital improvements and for other governmental needs; and

**WHEREAS**, in furtherance of the foregoing, the Commission shall issue, from time to time, commercial paper notes to be known as "Florida Local Government Finance Commission Pooled Commercial Paper Notes, Series A (Governmental Issue)" (the "Series A Notes"), pursuant to the terms of a certain Trust Indenture, dated as of April 12, 1991 (the "Indenture"), between the Commission and the Trustee; and

**WHEREAS**, the Public Agency has entered into a Loan Agreement with the Commission, dated as of \_\_\_\_\_ (the "Loan Agreement"), pursuant to which the Commission shall loan, from time to time, to the Public Agency certain proceeds of the Series A Notes to enable the Public Agency to finance various capital improvements and other governmental needs; and

**WHEREAS**, the Public Agency has agreed to repay the above-described loans upon the terms specified in the Loan Agreement; and

**WHEREAS**, such loan repayments shall be made monthly by the Public Agency to the Trustee; and

**WHEREAS**, in order to ensure that adequate moneys shall be on deposit with the Trustee to meet the obligations of the Public Agency incurred under the Loan Agreement, the Commission shall require the Public Agency to establish a contingency account with the Trustee;

NOW, THEREFORE, for and in consideration of the premises hereinafter contained, the parties hereto agree as follows:

**SECTION 1. ESTABLISHMENT OF CONTINGENCY ACCOUNT.** The Trustee agrees to establish and hold for the Public Agency an account entitled "St. Johns County, Florida Commercial Paper Note Contingency Account" (the "Contingency Account"). The Public Agency agrees to maintain a balance in the Contingency Account at least equal to 175 basis points (1.75%) times the Loan Amounts outstanding under the Loan Agreement times one-twelfth (the "Contingency Account Requirement"). In the event moneys in the Contingency Account are less than the Contingency Account Requirement, the Trustee shall notify the Administrator of the amount of such deficiency, which, in turn, shall notify the Public Agency. The Public Agency agrees to cure such deficiency, solely from Designated Revenues, at the time its next monthly Loan Repayment becomes due in accordance with the terms of the Loan Agreement. Moneys in the Contingency Account in excess of the Contingency Account Requirement shall be used as a credit on the next Loan Repayment due or, if no Loan Repayment shall thereafter be due, such moneys shall be returned to the Public Agency. No later than the 20th day of each month, the Trustee shall notify the Administrator of the amounts in the Contingency Account on the 15th day of such month.

**SECTION 2. USE OF MONEYS IN CONTINGENCY ACCOUNT.** The moneys in the Contingency Account shall be used solely for the purpose of making the Public Agency's Loan Repayments arising under the Loan Agreement when the other moneys received by the Trustee from the Public Agency are insufficient for such purpose. Moneys in the Contingency Account shall be transferred by the Trustee to the accounts established by the Indenture in such amounts as shall be owing in relation thereto by the Public Agency pursuant to the Loan Agreement. Any moneys received by the Trustee as Loan Repayments made by the Public Agency which are in excess of the amounts required to be paid by the Public Agency pursuant to the Loan Agreement shall be deposited by the Trustee into the Contingency Account.

**SECTION 3. INVESTMENTS.** The moneys in the Contingency Account shall be invested by the Trustee at the written direction of the Administrator in the securities described in clause (1), (2), (6), (7) and (8) of the definition of Investment Obligations (as defined in the Indenture). All investment earnings shall be retained in the Contingency Account and be utilized in accordance with the terms of this Agreement, including such earnings being used as a credit toward the next Loan Repayment due. The Trustee shall not be liable for any loss incurred with respect to any purchase or sale.

**SECTION 4. ACCOUNT NOT PART OF TRUST ESTATE.** Moneys in the Contingency Account shall not be part of the Trust Estate established pursuant to the Indenture. Moneys in the Contingency Account are not pledged to the payment of the principal of and interest on the Series A Notes. Moneys in the Contingency Account shall not be used to make the loan repayments of any other public agency participating in the Pooled Commercial Paper Loan Program.

**SECTION 5. REMEDIES.** In the event the Public Agency violates any provision of this Agreement, the Trustee, the Commission and/or the Administrator may take any action and enforce any remedy as shall be provided by law.

**SECTION 6. NOTICE.** The Trustee shall immediately notify the Administrator of any violation of this Agreement by the Public Agency to which the Trustee becomes aware.

**SECTION 7. AMENDMENTS.** This Agreement may be amended at any time by the parties hereto provided the Administrator has agreed in writing to such amendment. The Trustee agrees not to refuse to execute any amendment hereto which does not materially adversely affect it.

**SECTION 8. THIRD PARTY BENEFICIARIES.** The Commission and the Administrator shall be third party beneficiaries to this Agreement.

**SECTION 9. TERMINATION.** This Agreement shall terminate simultaneously with the termination of the Loan Agreement; provided, however, if the Commission and the Public Agency agree upon an earlier termination date, this Agreement shall terminate on such date.

**SECTION 10. DEFINITIONS.** Unless the context or use indicates another meaning or intent, terms not otherwise defined herein shall have the meanings assigned thereto by the Loan Agreement.
