Dear Ms. Haga:

The Office of Environmental Services of the Florida Fish and Wildlife Conservation Commission has reviewed the referenced NOPC for the Marriott at Sawgrass Resort Hotel/Players Club (Caballlos Del Mar) DRI. Proposed changes to the project only involve modifying the building design and development plan for the previously approved resort hotel area, to expand the associated accessory uses. The proposed expansions would occur within existing developed lands, and no areas previously designated for preservation or conservation would be impacted. Therefore, we have determined that the proposed NOPC would not result in any adverse impacts to regionally significant fish or wildlife resources.

We appreciate the opportunity to comment on this notice. Please contact either me or Mr. Rick McCann at (850)488-6661 if you have any questions regarding this correspondence.

Sincerely,

Bradley J. Hartman, Director

RE: Marriott at Sawgrass (Caballo Del Mar/Players Club DRI) NOPC

Dear James:

NEFRPC staff has reviewed the Notice of Proposed Change for the Marriott at Sawgrass (Caballo Del Mar/Players Club) DRI in St. Johns County, processed January 2, 2002. The following recommendation is based upon our review and comments provided by other agencies and should serve to aid the DCA in determining whether the proposed changes constitute a substantial deviation.

The application proposes to expand upon the resort hotel use within the project area, specifically modifying the building design to accommodate an increase in the ballroom/conference area, recreation area, recreation/spa faculty and retail space. The development shall occur within the existing developed space. The application does not specify exact increases in square footage amounts.

NEFRPC staff recommends the proposed increases of ancillary uses to the resort/hotel, does not constitute a substantial deviation as defined by Section 380.06(19) b 11 (increase by 5% or 75 units). However, because the application did not specify exact increases in square footages, its is assumed the commercial (retail space) expansion does not exceed the 50,000 square feet commercial threshold set forth in Section 380.06 (19) b 10. Should the retail component of the ancillary uses exceed this amount, staff recommends further review of the NOPC application. Please contact me with any questions regarding this recommendation. I may be reached at (904) 363-6350.

Sincerely,

Lindsay Haga

RE: Marsh Landing at Sawgrass DRI, Notice of Proposed Change  
File No. ADA-475-055

Dear Ms. Bishop:

The Department has reviewed the proposed changes to the Marsh Landing at Sawgrass Development of Regional Impact (DRI) submitted in the Notification of Proposed Change (NOPC) dated December 20, 2001 and received in the Department on December 24, 2001 from Mr. Terry A. Moore, Esquire, Akerman Senterfitt, authorized representative of the Intercon Ponte Vedra Co., LLC.

The applicant proposes to expand and, in one case, relocate hotel ancillary uses including the ballroom, recreation area, spa facility and retail space. The proposed expansion/relocation was reviewed under Chapter 380.06(19)(e)(3), F.S., wherein the change is presumed to create a substantial deviation. The applicant provided clear and convincing evidence to rebut the presumption.

The Department is notifying you pursuant to 380.06(19)(f), F.S., that we do not have objections to the proposed changes.

If you have any questions, please contact Susan Poplin, AICP, Planning Manager, at 850/922-1821, or James Stansbury, Community Program Administrator, at 850/922-1818.

Sincerely,
