RESOLUTION NO. 2005-

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA, GRANTING AN IRREVOCABLE LICENSE TO BellsOUTH TELECOMMUNICATIONS, INC. TO INSTALL ELECTRONIC EQUIPMENT CONDUIT AND COMPOSITE FIBER-COPPER ALONG THE RIGHT-OF-WAYS IN CYPRESS LAKES SUBDIVISION

WHEREAS, BellSouth Telecommunications, Inc. a Georgia Corporation, (hereinafter "Bellsouth") has requested an easement in order to install, and maintain electronic equipment which includes the installation of an electronic cabinet, power pedestal, propane generator, conduit, and composite fiber-copper along rights-of-way. In place of the requested easement, the County hereby grants BellSouth an Irrevocable License to use the requested property for such purpose. The property is described on Exhibit "A", incorporated by reference and made a part hereof and shall hereinafter be described as "Licensed Premises"; and

WHEREAS, this license will, in part, allow BellSouth to install electronic equipment to provide such telecommunication services for the improvement of service in Cypress Lakes Subdivision. Terminal enclosures will be placed at property lines at various intervals to terminate drop wires to homes and the installation of the equipment will provide telecommunication services for the newly developed sections of Cypress Lakes Subdivision.

NOW THEREFORE, BE IT RESOLVED, that the Board of County Commissioners of St. Johns County, Florida, that St. Johns County, the Licensor, hereby grants to BellSouth a non-exclusive irrevocable license to use the "Licensed Premises" for purposes mentioned above.

1. The above referenced recitals are found to be true and correct and are incorporated herein by reference.

2. The requested use of the License Premises License is granted subject to the following conditions and limitations:

   a. The grant of this License shall in no way restrict the right and interest of the Licensor (County) in the use and maintenance of the "Licensed Premises" to the extent that such use does not interfere with the rights granted herein.

   b. The Licensee (BellSouth) and its agents shall have the duty to not create any obstructions or conditions of the public property or
right-of-way adjoining the “Licensed Premises” which are or may become unreasonably dangerous to the public, County or its agents or employees.

c. The Licensee (BellSouth) shall be liable for the personal injuries and damages to real or personal property that may result from its use of the “Licensed Premises” and shall defend, hold harmless and indemnify the Licensor, its officers, employees and agents for and from any damages, claims, liability or costs resulting from the exercise of the privileges granted.

d. In the event of widening, repair or reconstruction of any County road right-of-way, the Licensor may cause the movement of BellSouth improvements in or on the Licensed Premises or the reasonable relocation of the Licensed Premises and FPL improvements thereon, at Licensor’s cost.

e. The Licensee shall promptly repair any damage or injury to any County property by reason of the exercise of the privileges granted by this License including but not limited to repair of the road or highway, restoring such to a condition at least equal to that which existed prior to the infliction of such damage or injury.

3. To the extent that Licensee is in compliance with the applicable St. Johns County Tree Ordinance, Licensee shall have the right to clear and keep the “Licensed Premises” clear of all trees, undergrowth or other obstructions and to trim and keep trimmed and cut all dead, weak, leaning or dangerous trees or limbs in the vicinity of the “Premises” on lands owned by the Licensor which might interfere with Licensee’s use of the “Premises”.

4. The License shall run with the land and shall be binding on and shall inure to the benefits of the parties hereto, their successors or assigns in perpetuity as long as the electrical service is provided to County via the “Licensed Premises”. Notwithstanding the foregoing, in the event the County desires to sell the subject property to a private landowner or to abandon, vacate or discontinue use of the subject property, the County or private purchaser, to the extent allowed by law, grant BellSouth an easement reasonably acceptable to BellSouth as a condition of and prior to or contemporaneous with any sale, abandonment, vacation or discontinuance of the subject County property served by BellSouth using this License and which will continue to be served by BellSouth.
5. This License shall be deemed as coupled with an interest once BellSouth has made substantial expenditures to provide telecommunication services to Cypress Lakes Subdivision. As such the parties agree that this License is an Irrevocable License except as provided by its terms shall include the right of the County to terminate this License if the Licensee does not correct any of its violation of the provisions hereof within a reasonable time after reasonable notice.

The Clerk is instructed to record this Resolution in the Official Records of St. Johns County, Florida.

PASSED AND ADOPTED this 12th day of January, 2005, by the Board of County Commissioners of St. Johns County, Florida.
