In the event the Commitment discloses any defect and such defect is timely noted in a Title Notice, Seller, at Seller’s sole option and expense, shall have 60 days from the date it receives the Title Notice within which to cure such defect (with a corresponding extension to the Closing Date as necessary). If after the expiration of such 60-day period, Seller has not cured title defects, then in such event, Buyer’s remedies shall be limited solely to either (x) accepting such title to the Property as Seller shall be able to convey, without adjustment to or diminution of the Purchase Price or (y) terminating this Agreement and receiving a return of the Deposit.

If such written authorization is not given or proceeding for such determination is not begun and diligently continued, Escrow Agent may, but not required to, bring an appropriate interpleader action or proceeding for leave to deposit such Deposit, monies or documents in court, pending such determination. Escrow Agent shall not be responsible for any acts or omissions unless the same constitutes gross negligence or willful misconduct and upon making delivery of the Deposit, monies or documents which Escrow Agent holds, in accordance with the terms of this Agreement, Escrow Agent shall have absolutely no further liability hereunder.

In the event Escrow Agent places the Deposit, monies or documents that have actually been delivered to Escrow Agent in the Registry of the Circuit Court in and for the County in which the Property is located and files an action of interpleader, naming the parties hereto, Escrow Agent shall be released and relieved from any and all further obligation and liability hereunder or in connection herewith.

(iii) an affidavit in the form required by the Title Company to delete the standard printed exception relating to the "gap" and to remove the standard printed exceptions for mechanics' lien and parties in possession other than Occupancy Tenants (except to the extent the same constitute Permitted Encumbrances).

(b) At the Closing, Escrow Agent shall deliver the Deposit and Buyer shall deliver the cash to close, to Seller, in accordance with Section 1. Buyer shall execute and deliver to Seller such consents and authorizations as Seller may reasonably deem necessary to evidence the authority of Buyer to purchase the Property and to consummate all other actions required to be taken by Buyer under this Agreement.

(c) At the Closing, Seller and Buyer shall mutually execute and deliver to each other a closing statement in customary form.

(d) At the Closing, Seller and Buyer shall execute such further documents and agreements as are reasonably appropriate or reasonably necessary to consummate the transaction as herein contemplated.

Buyer shall provide written notice ("Survey Notice") to Seller within 10 days after Buyer's receipt of any such new survey ("Survey") if the Survey discloses any encroachments or any other title defects affecting the Property (other than Permitted Encumbrances). All such encroachments or defects so noted in the Survey Notice are to be regarded for all purposes under this Agreement as title defects and, as such, are to be treated in the manner provided in Section 2. Any such title defects shown on the Survey and not timely noted in the Survey Notice to Seller shall be deemed to have been waived by Buyer.

10. Condition of Property and Buyer's Right of Inspection. Buyer shall have the right for sixty (60) days from the date of this Agreement ("Inspection Termination Date") to enter upon the Property for the purpose of physically inspecting the Property and conducting surveys, studies and tests or assessments including but not limited to Phase 1 Environmental Study, Real Estate Appraisal, and Engineering analysis to determine the Property's suitability for Buyer's intended purpose. Seller hereby gives Buyer the right to enter upon, test and inspect the Property at Buyer's sole cost and risk. Buyer agrees to provide Seller with copies of all reports conducted on the Property. If Buyer determines that the Property is unsuitable, Buyer shall give written notice to Seller advising of such unsuitability and electing to terminate this Agreement on or prior to the Inspection Termination Date. Such notice of termination must be given on or before the Inspection Termination Date. If such notice is timely given, the Deposit shall be returned to Buyer, and upon such return, this Agreement shall terminate.

11. Default. (a) Default by Seller. If Seller defaults by performance of any of Seller's obligations in this Agreement or breaches any warranty or representation, Buyer may receive an immediate refund of the Deposit, and then at its option either may terminate this Agreement and sue for damages or sue for specific performance. (b) Default by Buyer. If Buyer defaults in the performance of any of Buyer's obligations in this Agreement for any reason, other than the Seller's default or the termination of this Agreement pursuant to the specific provisions hereof, Seller will be entitled to receive the Deposit as Seller's sole and exclusive remedy for any such default, Seller hereby waiving any rights it might otherwise have to sue for damages or specific performance, and this Agreement and the rights of the parties hereunder shall immediately and automatically terminate.

14. Modification Must be in Writing. No modification or termination of this Agreement shall be valid unless executed in writing and signed by the applicable duly authorized representatives of Seller and Buyer.

15. No Waiver. No waiver of any provision of this Agreement shall be effective unless it is in writing and signed by the party against whom it is asserted, and any such written waiver shall only be applicable to the specific instance to which it relates and shall not be deemed to be a continuing or future waiver.
