- A. Pursuant to Chapter 154, F.S., the intent of the legislature is to "promote, protect, maintain, and improve the health and safety of all citizens and visitors of this state through a system of coordinated county health department services."
- B. County Health Departments were created throughout Florida to satisfy this legislative intent through "promotion of the public's health, the control and eradication of preventable diseases, and the provision of primary health care for special populations."
- C. St. Johns County Health Department ("CHD") is one of the County Health Departments created throughout Florida. It is necessary for the parties hereto to enter into this Agreement in order to assure coordination between the State and the County in the operation of the CHD.

NOW THEREFORE, in consideration of the mutual promises set forth herein, the sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

- 1. <u>RECITALS</u>. The parties mutually agree that the forgoing recitals are true and correct and incorporated herein by reference.
- 2. <u>TERM</u>. The parties mutually agree that this Agreement shall be effective from October 1, 2006, through September 30, 2007, or until a written agreement replacing this Agreement is entered into between the parties, whichever is later, unless this Agreement is otherwise terminated pursuant to the termination provisions set forth in paragraph 8, below.
- 3. <u>SERVICES MAINTAINED BY THE CHD</u>. The parties mutually agree that the CHD shall provide those services as set forth on Part III of Attachment II hereof, in order to maintain the following three levels of service pursuant to Section 154.01(2), Florida Statutes, as defined below:

Unless requested otherwise, any surplus at the end of the term of this Agreement in the County Health Department Trust Fund that is attributed to the CHD shall be carried forward to the next contract period.

- c. Either party may establish service fees as allowed by law to fund activities of the CHD. Where applicable, such fees shall be automatically adjusted to at least the Medicaid fee schedule.
- d. Either party may increase or decrease funding of this Agreement during the term hereof by notifying the other party in writing of the amount and purpose for the change in funding. If the State initiates the increase/decrease, the CHD will revise the Attachment II and send a copy of the revised pages to the County and the Department of Health, Bureau of Budget Management. If the County initiates the increase/decrease, the County shall notify the CHD. The CHD will then revise the Attachment II and send a copy of the revised pages to the Department of Health, Bureau of Budget Management.

- 5. <u>CHD DIRECTOR/ADMINISTRATOR</u>. Both parties agree the director/administrator of the CHD shall be a State employee or under contract with the State and will be under the day-to-day direction of the Deputy State Health Officer. The director/administrator shall be selected by the State with the concurrence of the County. The director/administrator of the CHD shall insure that non-categorical sources of funding are used to fulfill public health priorities in the community and the Long Range Program Plan. A report detailing the status of public health as measured by outcome measures and similar indicators will be sent by the CHD director/administrator to the parties no later than October 1 of each year (*This is the standard quality assurance "County Health Profile" report located on the Office of Planning, Evaluation & Data Analysis Intranet site*).
- 6. <u>ADMINISTRATIVE POLICIES AND PROCEDURES</u>. The parties hereto agree that the following standards should apply in the operation of the CHD:
- a. The CHD and its personnel shall follow all State policies and procedures, except to the extent permitted for the use of county purchasing procedures as set forth in subparagraph b., below. All CHD employees shall be State or State-contract personnel subject to State personnel rules and procedures. Employees will report time in the Client Information System/Health Management Component compatible format by program component as specified by the State.
- b. The CHD shall comply with all applicable provisions of federal and state laws and regulations relating to its operation with the exception that the use of county purchasing procedures shall be allowed when it will result in a better price or service and no statewide Department of Health purchasing contract has been implemented for those goods or services. In such cases, the CHD director/administrator must sign a justification therefore, and all county-purchasing procedures must be followed in their entirety, and such compliance shall be documented. Such justification and compliance documentation shall

be maintained by the CHD in accordance with the terms of this Agreement. State procedures must be followed for all leases on facilities not enumerated in Attachment IV.

- c. The CHD shall maintain books, records and documents in accordance with those promulgated by the Generally Accepted Accounting Principles (GAAP) and Governmental Accounting Standards Board (GASB), and the requirements of federal or state law. These records shall be maintained as required by the Department of Health Policies and Procedures for Records Management and shall be open for inspection at any time by the parties and the public, except for those records that are not otherwise subject to disclosure as provided by law which are subject to the confidentiality provisions of paragraph 6.i., below. Books, records and documents must be adequate to allow the CHD to comply with the following reporting requirements:
  - i. The revenue and expenditure requirements in the Florida Accounting System Information Resource (FLAIR).
  - ii. The client registration and services reporting requirements of the minimum data set as specified in the most current version of the Client Information System/Health Management Component Pamphlet;
  - iii. Financial procedures specified in the Department of Health's Accounting Procedures Manuals, Accounting memoranda, and Comptroller's memoranda;
  - iv. The CHD is responsible for assuring that all contracts with service providers include provisions that all subcontracted services be reported to the CHD in a manner consistent with the client registration and service reporting requirements of the minimum data set as specified in the Client Information System/Health Management Component Pamphlet.
- d. All funds for the CHD shall be deposited in the County Health Department Trust Fund maintained by the state treasurer. These funds shall be accounted for separately from funds deposited for other CHDs and shall be used only for public health purposes in St. Johns County.
- e. That any surplus/deficit funds, including fees or accrued interest, remaining in the County Health Department Trust Fund account at the end of the contract year shall be credited/debited to the state or county, as appropriate, based on the funds contributed by each and the expenditures incurred by each. Expenditures will be charged to the program accounts by state and county based on the ratio of planned expenditures in the core contract and funding from all sources is credited to the program accounts by state and county. The equity share of any surplus/deficit funds accruing to the state and county is determined each month and at contract year-end. Surplus funds may be applied toward the funding requirements of each participating governmental entity in the following year. However, in each such case, all surplus funds, including fees and accrued interest, shall remain in the trust fund until accounted for in a manner which clearly illustrates the amount which has been credited to each participating governmental entity. The planned use of

surplus funds shall be reflected in Attachment II, Part I of this contract, with special capital projects explained in Attachment V.

- f. There shall be no transfer of funds between the three levels of services without a contract amendment unless the CHD director/administrator determines that an emergency exists wherein a time delay would endanger the public's health and the Deputy State Health Officer has approved the transfer. The Deputy State Health Officer shall forward written evidence of this approval to the CHD within 30 days after an emergency transfer.
- g. The CHD may execute subcontracts for services necessary to enable the CHD to carry out the programs specified in this Agreement. Any such subcontract shall include all aforementioned audit and record keeping requirements.
- h. At the request of either party, an audit may be conducted by an independent CPA on the financial records of the CHD and the results made available to the parties within 180 days after the close of the CHD fiscal year. This audit will follow requirements contained in OMB Circular A-133 and may be in conjunction with audits performed by county government. If audit exceptions are found, then the director/administrator of the CHD will prepare a corrective action plan and a copy of that plan and monthly status reports will be furnished to the contract managers for the parties.
- i. The CHD shall not use or disclose any information concerning a recipient of services except as allowed by federal or state law or policy.
- j. The CHD shall retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of five (5) years after termination of this Agreement. If an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings.
- k. The CHD shall maintain confidentiality of all data, files, and records that are confidential under the law or are otherwise exempted from disclosure as a public record under Florida law. The CHD shall implement procedures to ensure the protection and confidentiality of all such records and shall comply with sections 384.29, 381.004, 392.65 and 456.057, Florida Statutes, and all other state and federal laws regarding confidentiality. All confidentiality procedures implemented by the CHD shall be consistent with the Department of Health Information Security Policies, Protocols, and Procedures, dated September 1997, as amended, the terms of which are incorporated herein by reference. The CHD shall further adhere to any amendments to the State's security requirements and shall comply with any applicable professional standards of practice with respect to client confidentiality.
- I. The CHD shall abide by all State policies and procedures, which by this reference are incorporated herein as standards to be followed by the CHD, except as otherwise permitted for some purchases using county procedures pursuant to paragraph 6.b. hereof.
- m. The CHD shall establish a system through which applicants for services and current clients may present grievances over denial, modification or termination of services. The

CHD will advise applicants of the right to appeal a denial or exclusion from services, of failure to take account of a client's choice of service, and of his/her right to a fair hearing to the final governing authority of the agency. Specific references to existing laws, rules or program manuals are included in Attachment I of this Agreement.

- n. The CHD shall comply with the provisions contained in the Civil Rights Certificate, hereby incorporated into this contract as Attachment III.
- o. The CHD shall submit quarterly reports to the county that shall include at least the following:
  - i. The DE385L1 Contract Management Variance Report and the DE580L1 Analysis of Fund Equities Report;
  - ii. A written explanation to the county of service variances reflected in the DE385L1 report if the variance exceeds or falls below 25 percent of the planned expenditure amount. However, if the amount of the service specific variance between actual and planned expenditures does not exceed three percent of the total planned expenditures for the level of service in which the type of service is included, a variance explanation is not required. A copy of the written explanation shall be sent to the Department of Health, Bureau of Budget Management.

- p. The dates for the submission of quarterly reports to the county shall be as follows unless the generation and distribution of reports is delayed due to circumstances beyond the CHD's control:
