The monitoring is a limited scope review of the contract and agency management and does not relieve the **PROVIDER** of its obligation to manage the grant in accordance with applicable rules and sound management practices.

Following such monitoring the **COUNTY** will deliver to the **PROVIDER** a written report regarding the manner in which services are being provided. The **PROVIDER** will rectify all noted deficiencies within the specified period of time indicated in the monitoring report or provide the **COUNTY** with a reasonable and acceptable justification for not correcting the noted shortcomings. The **PROVIDER'S** failure to correct or justify the deficiencies within the time specified by the **COUNTY** may result in the withholding of payments, being deemed in breach or default, or termination of this Contract.

PROVIDER must supply **COUNTY** with copies of all monitoring reports of programs that are

funded by the **COUNTY** including agency response, within thirty (30) days of receipt.

B. Audits and Inspections

The **PROVIDER** will make all records referenced in Article IV. C., and all items included on financial statements available for audit or inspection purposes at any time during normal business hours and as often as **COUNTY** deems necessary.

The Clerk of Courts Internal Audit Division, the Federal or State grantor agency (if applicable), St. Johns County employees, or any of their duly authorized representatives have the right of timely and unrestricted access to any books, documents, papers, or other records of **PROVIDER** or Certified Public Accountant (CPA) that are pertinent to the contract, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This includes timely and reasonable access to a **PROVIDER'S** personnel for the purpose of interview and discussion related to such documents.

C. Records

The **PROVIDER** shall retain all financial, client demographics, and programmatic records, supporting documentation, statistical records, and other records which are necessary to document service provision, expenditures, income and assets of the **PROVIDER** by funding source, program, and functional expenses category during the term of this contract and five (5) years from the date of contract expiration. If any litigation, claim, negotiation, audit, or other action involving the records has been initiated before the expiration of the 5-year period, the records shall be retained for one (1) year after the final resolution of the action and final resolution of all issues that arise from such action.

D. Independent Audit

For contracts where the total compensation, disbursement, grant, or reimbursable expense (or any combination thereof) exceeds three hundred thousand dollars (\$300,000.00), then an original, bound audit of the **PROVIDER'S** financial statements must be submitted to the **COUNTY**, in the form, format, and timeframe noted below, or elsewhere in this contract.

For contracts where the total compensation, disbursement, grant, or reimbursable expense (or any combination thereof) **does not exceed** three hundred thousand dollars (\$300,000.00), then an original, bound audit is not required, **unless the COUNTY** determines that an independent audit is warranted (base on among other things, the use of such funds), and provides the **PROVIDER** with a written explanation detailing the reason and/or rationale supporting the **COUNTY'S** determination that such an independent audit is warranted. Under those circumstances, the **COUNTY'S** written explanation will set forth the form, format, and timeframe for the independent audit.

An original, bound audit of the **PROVIDER'S** financial statements in accordance with Generally Accepted Accounting Principals (GAAP), and/or current Generally Accepted Government Auditing Standards (GAGAS) as applicable, including the auditor's opinion,

requisite reports on internal control and compliance if required, management letter addressing internal controls, and management's response to such letter, must be submitted to the **COUNTY** no later than one hundred eighty (180) days following the end of **PROVIDER'S** fiscal year(s) along with any corrective action plan if applicable. Failure to submit the report within the required time frame will result in the withholding of payment requested, or termination of the contract by the **COUNTY**.

The audit must be conducted by an independent, licensed certified public accountant and must be in accordance with the General Accounting Office (GAO) Yellow Book, generally accepted Government Auditing Standards, OMB Circular A-133 "**Audits of States, Local Governments and Non-Profit Organizations**" if applicable, the Florida Single Audit Act (F.S. 215.97) if applicable, and the Auditor General Rule 10.550 (Government) or 10.650 (Not For Profit) as applicable. The audit must specifically identify the programs that are funded by this St. Johns County contract either in the statement of functional expenses, revenues and expenditures, footnotes, schedule of Federal awards and State financial assistance or as supplemental data in the financial statements. The statement should be consistent with programs detailed in the corresponding proposal(s), exhibit(s), and attachment(s).

The **PROVIDER** will retain sole and absolute discretion in the judgment of the manner and means of carrying out the **PROVIDER'S** activities and responsibilities hereunder. The **PROVIDER** agrees that it is a separate and independent enterprise from the public employer, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work.
