Following such monitoring the **COUNTY** will deliver to the **PROVIDER** a written report regarding the manner in which services are being provided. The **PROVIDER** will rectify all noted deficiencies within the specified period of time indicated in the monitoring report or provide the **COUNTY** with a reasonable and acceptable justification for not correcting the noted shortcomings. B. Audits and Inspections

C. Independent Audit

For contracts where the total compensation, disbursement, grant, or reimbursable expense (or any combination thereof) exceeds three hundred thousand dollars (\$300,000.00), then an original, bound audit of the **PROVIDER'S** financial statements must be submitted to the **COUNTY**, in the form, format, and timeframe noted below, or elsewhere in this contract.

For contracts where the total compensation, disbursement, grant, or reimbursable expense (or any combination thereof) **does not exceed** three hundred thousand dollars (\$300,000.00), then an original, bound audit is not required, **unless the COUNTY** determines that an independent audit is warranted (base on among other things, the use of such funds), and provides the **PROVIDER** with a written explanation detailing the reason and/or rationale supporting the **COUNTY'S** determination that such an independent audit is warranted. Under those circumstances, the **COUNTY'S** written explanation will set forth the form, format, and timeframe for the independent audit.

An original, bound audit of the **PROVIDER'S** financial statements in accordance with Generally Accepted Accounting Principals (GAAP), and/or current Generally Accepted Government Auditing Standards (GAGAS) as applicable, including the auditor's opinion, requisite reports on internal control and compliance if required, management letter addressing internal controls, and management's response to such letter, must be submitted to the **COUNTY** no later than one hundred eighty (180) days following the end of **PROVIDER'S** fiscal year(s) along with any corrective action plan if applicable. Failure to submit the report within the required time frame will result in the withholding of payment requested, or termination of the contract by the

COUNTY.

Attachment I

"To the extent not in conflict with, or violative of, any applicable County, State, or Federal ordinance, statute, law, policy, rule, or regulation, and further, to the extent that such action promotes a public purpose, then the Provider may request, in writing, that any unused, and/or unallocated funds may be transferred to a different project task, or transferred to different accounting code, in order to be used by the Provider, for a purpose and/or task, not noted in the existing Contract, or an under funded project task that is noted in the existing Contract.

"In its written request, the Provider shall specifically state that the funds sought to be transferred and/or redirected, are funds that have not been allocated for another task, or pledged/committed for services already performed. Additionally, the Provider must state, in writing, the scope and/or nature of the public purpose that will be achieved/obtained by transferring/re-directing such funds.

"The County is not obligated to approve such a request. However, the County shall examine and/or evaluate the Provider's request, and issue a written or electronic opinion within 10 days of the request, either approving, approving with conditions, or denying the request.

"The County shall consider the following factors when evaluating/examining the Provider's request to transfer funds: (1) whether the transfer of funds to a different project task will promote a public purpose--if so, what? (2) will the transfer of funds to a different project task, duplicate services provided through existing projects, (3) if applicable, whether provisions in a matching State or Federal Contract prevent, or severely restrict the transfer of funds to a different project task; and (4) any other factor deemed relevant by the County.

"It is explicitly understood, that should the County approve such a transfer of funds, the Provider is liable for any financial shortfalls, or associated penalties, or costs in the original project task fund.

"Should the County approve such a transfer of funds, the County and the Provider shall execute an Amendment to the Contract that sets forth the rationale for the approval of the transfer of such funds."
