Landlord shall not be required to repair or replace Tenant's improvements, alterations and additions, inventory, fixtures, furniture, furnishings, equipment and other personal property. If an occurrence causes damage and (i) the Premises are damaged to the extent that the cost of repairing the damage is fifty (50%) percent or more of the cost of completely replacing the Premises, or (ii) the building of which the Premises are a part is damaged to the extent that the cost of repairing the damage is twenty-five (25%) percent or more of the cost of completely replacing the building, or (iii) the buildings, taken in the aggregate in the High School shall be damaged to the extent that the cost of their repair is more (25%) percent of the cost of their complete replacement, Landlord, at its election, either promptly shall repair or rebuild the Premises and the buildings, or shall terminate this Lease by written notice to Tenant within ninety (90) days after the Occurrence. If the Occurrence renders twenty-five percent (25) or less of the Premises untenable and Tenant elects to utilize the portion not rendered untenable during Landlord's repairs, a proportionate abatement of the end shall be allowed from the Occurrence Date until the date Landlord completes its repair and restoration. Said proportion shall be computed on the basis of the relation which the gross square footage of the untenable Premises space bears to the interior floor area of the Premises. If more than twenty five (25%) percent of the premises is rendered untenable, or if Tenant elects not to utilize the Premises for its intended purpose during the Landlord's repairs, then if and until Landlord restores the High School to the condition it was in on the Commencement Date, the Tenant's obligation to pay Rent shall cease from the date of the Occurrence until full repair and restoration. from the date of notification to complete, the Tenant, at its option, may unilaterally terminate this Lease. In the event this Lease is terminated pursuant to this Article 7, the Tenant shall not be obligated to make any monthly Rental installment payments subsequent to the date of the Occurrence and all obligations to pay Rent that would have accrued subsequent to such date shall cease.

Section 7.02: LANDLORD'S WORK.

ARTICLE 8
DEFAULT AND REMEDIES

Landlord shall use its best efforts to promptly obtain replacement tenants at a fair rental.

- failure to perform any of the terms, covenants and conditions hereof; or
- (ii) Conform with the Lease provisions and is otherwise in breach of Landlord's obligations hereunder and shall not have cured such failure within sixty (60) days following written notice from Tenant; then Landlord shall be in default.

Upon such default, the Tenant may terminate this Lease; the Landlord shall be responsible for all reasonable expenses, including temporary storage, incurred by Tenant. In addition, upon such termination occasioned by Landlord's default and upon vacation of the Premises by the Tenant, the Landlord shall pay the Tenant as damages to difference between the rents required to obtain replacement premises during the remainder of the Lease Term if such replacement rents are higher than the rents herein. Upon tender of all such payments, all obligations of Landlord to Tenant under this Lease shall cease.
