## St. Johns County Board of County Commissioners

Land Management Systems | Survey & GIS Division

February 17, 2009

To: Property Owner

Subject: Notice of Intent to Change a Roadway Name  
Southerly End of Russell Sampson Road to Eva Earl Road

The purpose of this notice is to advise you that a petition to rename the above named portion of road has been received by the County. That petition (see attached) has been signed by at least 51% of the property owners (6 of 9) on the roadway. This petition is being processed in accordance with the St. Johns County Land Development Code Article VI Section 6.02.03.

The petition to rename this roadway was initiated due to the realignment of Russell Sampson Road further to the west. A copy of the application, map, and signed petitions are included.

You have fifteen (15) days to send your response to this notice. If there is no response in opposition received, the County Administrator will consider the roadway name change petition and approve or deny the request.

If there is opposition received to the roadway name change petition and alternate names are considered, the County Administrator may schedule a public hearing with the Board of County Commissioners. Notice will be mailed at least ten (10) days before the hearing. Those in favor or against the petition will have an opportunity to present their position on the matter before the Board of County Commissioners. The board will approve or deny the request for the roadway name change.

The County will notify the property owners owning or abutting the roadway affected stating the outcome of the hearing as to whether the road renaming petition was approved or denied. If approved, the County will notify the property owners affected with their change of address.

You may notify the County by US Mail (St. Johns County Land Management Systems Department, Attention: Gail Oliver, 500 San Sebastian View, St. Augustine, Florida, 32084) or Fax to 904-209-0771. A form has been provided below for your convenience if you chose to use it. If you are not opposed to road renaming it is not necessary to notify the County.

Please do not hesitate to contact me should you have any questions. My direct phone number is 904-209-0770.

Sincerely,

A handwritten signature in black ink that reads "Gail Oliver".

Gail Oliver, PLS, CFM  
County Surveyor
