Re: Local Government Energy Efficient Lighting Grant Program
Project Title: St. Johns County Park Lighting Retrofit
Notice of Funding Award

Dear Mr. Wanchick:

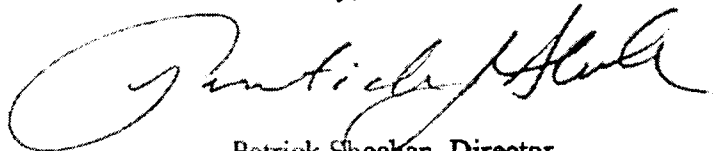

The Florida Department of Agriculture and Consumer Services, Office of Energy (the department) received your application for funding for the Local Government Energy Efficient Lighting Program. The department has determined that your application has met the threshold requirements for the reservation process to be eligible for funding.

Department staff will contact you to discuss the next steps in the award process. Please be aware that this is not a guarantee of funding as department staff will still need to verify the information in your application prior to final determination of eligibility. As required by Notice of Funding Availability (NOFA), Part V, Section C: "department staff may conduct sites visit prior to awards which could affect the timeline for execution of the Grant Agreements."

The Grantee is eligible for reimbursement of costs, as outlined in the Application's Attachment A, Project Budget, Section F. Budget Detail, incurred on or after July 2, 2013. Enclosed is a memo authorizing such pre-award costs. Please remember that all Federal and State regulations outlined in Attachment C and Attachment D must be met for reimbursement and the Grantee incurs cost at their own risk.

We appreciate your interest in the Local Government Energy Efficient Lighting Grant Program and look forward to working with you. If you have any questions, please contact the Office of Energy at (850) 617-7470.

Sincerely,

Re: Pre-award Cost Authorization

Pre-award costs are allowable in certain circumstances with prior written approval. The department defines pre-award costs as "...those incurred prior to the effective date of the award directly pursuant to the negotiation and in anticipation of the award where such costs are necessary to comply with the proposed delivery schedule or period of performance. Such costs are allowable only to the extent that they would have been allowable if incurred after the date of the award and only with the written approval of the department.

Therefore, a Grantee may, at its own risk incur obligations and expenditures to cover costs on or after July 2, 2013 if such costs:

- are necessary to conduct the project, and
- would be allowable under the grant, if awarded, without department prior approval.

The incurrence of pre-award costs in anticipation of an award imposes no obligation on the department either to make the award or to increase the amount of the approved budget if an award is made for less than the amount anticipated and is inadequate to cover the pre-award costs incurred.

Please ensure that this documentation of approval is kept on file in accordance with the recordkeeping requirements of the program, and for monitoring purposes. If you have any questions regarding this matter please contact Mr. Alexander Mack, Office of Energy Grant Administrator, at (850) 617-7470.

GRANT AGREEMENT NO. ARE071

**STATE OF FLORIDA GRANT ASSISTANCE PURSUANT TO
AMERICAN RECOVERY AND REINVESTMENT ACT
UNITED STATES DEPARTMENT OF ENERGY AWARDS**

THIS AGREEMENT is entered into between the FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES whose address is 407 South Calhoun Street, Tallahassee, Florida 32399-0800 (hereinafter referred to as the "Department") and the St. Johns County, whose address is 500 San Sebastian View, St. Augustine, Florida 32084-8686 (hereinafter referred to as "Grantee" or "Recipient"), a local government, to provide financial assistance for the Plantation Park.

In consideration of the promises and mutual agreements contained herein, the Department and the Grantee acknowledge and agree as follows:

1. The United States Department of Energy (USDOE) awarded funding to the Department pursuant to USDOE through American Recovery and Reinvestment Act (ARRA) Grant Agreement No. **DE-EE0000800**. The Grantee shall be a sub-grantee of federal financial assistance from USDOE. The Grantee is responsible for complying with the appropriate state and federal guidelines in the performance of its activities pursuant to this Agreement.
2. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement, its attachments and exhibits named and incorporated by reference.
3. This Agreement shall begin upon execution by both parties and end no later than July 1, 2014 [**All work must be completed and operational by August 30, 2013**], inclusive. Profit to the Grantee, or any of its subgrantees, is prohibited by 10 Code of Federal Regulations (CFR) Part 600. This Agreement may be amended to revise Attachment A, if additional funding is made available by the USDOE and/or the Florida Legislature.
4.
 - A. The Grantee shall be eligible for reimbursement of allowable costs resulting from obligations incurred during the term of this Agreement. The Department shall reimburse the Grantee for allowable costs on a not more frequently than monthly cost reimbursement basis in an amount not to exceed \$246,000 after receipt and approval by the Department's Grant Manager of satisfactory reports and documentation as required in this Agreement. The parties understand and agree that this Agreement does not require a cost sharing or match on the part of the Grantee.
 - B. Prior written approval from the Department's Grant Manager shall be required for changes between approved, funded budget categories up to 10% of the total, approved Grant funds. Approval of such changes will be contingent upon submission of a revised Project Budget. Budget category changes greater than 10%, the addition of previously unapproved or unfunded budget categories or the addition of previously unapproved or unfunded budget line-items, will require a formal written amendment to the Agreement. The Department agrees to review a request by the Grantee to modify Attachment A, should the Grantee find, after receipt of competitive bids, that the project described in Attachment A, cannot be accomplished for the current estimated project cost. If the Department agrees to a modification of Attachment A, it may be modified not to exceed the awarded funding identified above. Any such modification would be by formal written amendment, in accordance with Section 37. Nothing in this Section or Agreement is intended nor implies to guarantee approval of a request to modify or adjust Attachment A, or the available project funding.
 - C. All reimbursement requests under this Agreement shall be submitted using the Attachment B, format in detail sufficient for a proper pre-audit and post-audit thereof. The Grantee shall submit a properly completed Attachment B, with supporting documentation of allowable costs, including for the final reimbursement request, as described below in paragraph 4.D. Ten percent of each

approved reimbursement request shall be retained by the Department pending Grantee's compliance with Section 8.

- D. All reimbursements under this Agreement shall be in compliance with the laws, rules and regulations applicable to the expenditure of State and federal funds. The State of Florida guidelines for allowable costs include, but are not limited, to the Florida Department of Financial Services' Reference Guide for State Expenditures located at <http://www.myfloridacfo.com>. Federal program guidelines for allowable costs and related topics are listed in Attachment E, Federal Regulations and Attachment F. The Grantee must provide a detailed listing of expenditures made under this Agreement as support for the Payment Request Summary Form. All requests for reimbursement of travel expenses shall be in accordance with the travel requirements including mandated forms required by Section 112.061, Florida Statutes.
- E. In addition to the requirements contained in paragraphs 4.C & D above, the Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State of Florida guidelines. When requested, this information must be provided within 30 calendar days of such request.
5. The Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature of the State of Florida and the availability of federal funding for the specific purpose of funding the Department's obligations under this Agreement. In the event of a State revenue shortfall, withdrawal of State budget authorization and/or rescission of federal funding, the total funding may be reduced accordingly. The Department, in accordance with direction from the Governor and/or the Florida Legislature, shall have final determination of the availability of any funds.
6. The Grantee shall submit, using Attachment C, monthly updates to describe the project progress, work performed, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. Attachment B, may not be submitted more frequently than on a monthly basis and must be accompanied by an Attachment C, Report, for the corresponding month. Attachment C shall be submitted to the Department no later than three calendar days following the completion of the monthly reporting period. The Department's Grant Manager may request additional information if the Department's Grant Manager determines it is necessary. The Department's Grant Manager shall have ten calendar days to review deliverables and payment requests submitted by the Grantee.
7. The Grantee shall submit an Annual Report not later than 15 calendar days after the end of the first year of the project, if the term of the project exceeds one year. The Annual Report shall provide a narrative detailing and evaluating the accomplishments and impact of the project in the prior twelve months. The Annual Report shall follow the format described in Attachment K.
8. The Grantee shall also submit a Final Report no later than 15 calendar days prior to the expiration date of the Agreement. The Final Report will provide a final narrative detailing and evaluating the accomplishments and impact of the project. The Final Report will include an evaluation of the energy savings directly attributable to the project, projections of estimated energy savings expected to accrue from the project and policy recommendations, which may be helpful in implementing other projects of a similar nature. Pursuant to paragraph 4.C, 10% of the total Agreement amount identified in paragraph 4.A will be withheld until receipt and approval of the Final Report.
9. Each party agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
10. A. Department staff will perform compliance monitoring during the term of the Agreement, in addition to the review of Monthly Progress Reports, but not less than once a year, to ensure Agreement compliance. Monitoring shall include, but not be limited to, periodic review of compliance with Agreement service delivery, as described in Attachment A, Grant Work Plan as documented in Attachment C, Monthly Progress Reports and also which includes a review of all Agreement requirements including the Attachments. The Department reserves the right for any Department staff to make scheduled or unscheduled, announced or unannounced compliance monitoring visits at any site where services are delivered pursuant to this Agreement.

- B. For each on-site compliance monitoring visit, Department staff will provide an oral exit interview and a written monitoring report to the Grantee.
 - C. If issues of non-compliance are identified in the monitoring report, a written Corrective Action Plan (CAP) may be required of the Grantee. If required, the CAP shall be submitted to the Department's Grant Manager within ten calendar days of receipt of the monitoring report. If a CAP is required of the Grantee, failure to correct deficiencies after thirty calendar days from the date-of-receipt of a written monitoring report notating the deficiencies may result in a determination of breach of Agreement and termination of services. If a CAP is not required of the Grantee, the Department may proceed under Section 11 and/or Section 14.
11. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide 30 calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination. If this Agreement is terminated, the Department shall only pay for those acts satisfactorily completed under this Agreement prior to the date of termination. The Department shall not pay the Grantee for any work performed after such termination, except as described in Section 14.F.
12. The Department may terminate this Agreement for convenience by providing the Grantee with 30 calendar days written notice. If this Agreement is terminated, the Department shall only pay for those acts satisfactorily completed under this Agreement prior to the date of termination. The Department shall not pay the Grantee for any work performed after such termination, except as described in Section 14.F.
13. This Agreement may be unilaterally terminated by the Department for refusal by the Grantee to allow public access to all documents, papers, letters or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a), Article I of the Florida Constitution and Chapter 119, Florida Statutes. If this Agreement is terminated, the Department shall only pay for those acts satisfactorily completed under this Agreement prior to the date of termination. The Department shall not pay the Grantee for any work performed after such termination, except as described in Section 14.F.
14. If the Grantee materially fails to comply with the terms and conditions of this Agreement, including any Federal or State statutes, rules or regulations, applicable to this Agreement, the Department may take one or more of the following actions, as appropriate for the circumstances.

 - D. Withhold further awards for the project or program.

 - F. Costs of the Grantee resulting from obligations incurred by the Grantee during a suspension or after termination of the Agreement are not allowable unless the Department expressly authorizes them in the notice of suspension or termination.

15. A. In accordance with Presidential Executive Order 12549, Debarment and Suspension (10 CFR Part 606, later moved to 2 CFR Part 901), the Grantee shall agree and certify that neither it, nor its principals, is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency;

With respect to any subject invention in which the Grantee retains title, the Department shall have a royalty-free, nonexclusive, transferable, irrevocable, paid up license to practice or have practiced for, or on behalf of, the Department or the State of Florida the subject invention and sublicense the same.
- D. In the event that any books, manuals, films, or other copyrightable material are produced, which are intended to be made available to the public, the Grantee shall notify the Department. The Department shall have a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work, and to authorize others to do the same. The Grantee hereby grants the Department full authority and right to modify or create derivative works of, or allow others to modify or create derivative works on behalf of the Department, any publications first produced under this Agreement. Any content submitted to the Department which is asserted to be exempt under Florida's Public Records Act, Chapter 119, Florida Statutes, shall be clearly marked "business proprietary", "exempt," "confidential," or "trade secret" (as applicable), with the statutory basis for such claim of exemption, confidentiality, or trade secret specifically identified in writing. Failure to identify any such content shall constitute a waiver of any claimed exemption, confidentiality, or trade secret.
- E. The terms and conditions specified in Section 32 shall also apply to any subcontracts made under this Agreement. The Grantee shall be responsible for informing the subcontractor of the provisions of this Section and obtaining disclosures.
33. The Grantee is encouraged to publish or otherwise make publicly available the results of the work conducted under this Agreement. USDOE requires an acknowledgement of Federal support. G. PROJECT BUDGET:

The budget below summarizes the project by Funding Category. All dollar amounts are rounded to the nearest whole dollar value.

Funding Category	Grant Funds	Cost Share: Matching Funds and Other In-Kind Contributions	
		Funding	Source of Funds
1. Salaries			
2. Fringe Benefits			
3. Travel (if authorized)			
4. Supplies/Other Expenses			
5. Equipment			
6. Contractual Services	246,000		
7. Indirect (if authorized)			
Total Project Budget	246,000		
Total Project-Cost	246,000	= Grants Funds + Cost Share	
Cost Share Percentage	0%	= Cost Share / Total Project Cost	

H. BUDGET DETAIL:

Using the definitions provided below, the detailed, line-item budget clarifies the Budget Summary shown in Section G. Budget Category Sub-Totals have been rounded to the nearest whole dollar value. Up to 10% of grant funds may be used for administrative costs, excluding the cost of meeting reporting requirements of the program. Administrative costs are defined as: allowable, reasonable, and allocable Direct and Indirect costs related to overall management of the awarded grant (including travel). For each budget line-item, the appropriate column identifies if the cost is: 1) Grant or Match, 2) a Direct cost used to calculate Indirect Costs (if approved) and 3) whether the cost is Administrative in nature. A description of what is required for each budget category is as follows:

1. Salaries - Identify the persons to be compensated for work on this project by name (if known), position, and title. Show the hourly cost and total hours to be charged for each person or position. Divide annual salaries by 2080 hours and nine month academic salaries by 1560 hours, to find the hourly rate.
2. Fringe Benefits - Multiply the rate by the total salaries to which fringe benefits apply. If the rate is variable, explain and show calculations.
3. Travel - List trips by their purpose and/or destination. Indicate the number of days for each trip. The Department will only reimburse for travel at the appropriate State of Florida rate (Section 112.061, Florida Statutes), using the forms referenced in Attachment B, Payment Request Summary Form. Be prepared to provide the Department with details on costs utilized to calculate the "Amount Budgeted" for each trip.

4. Supplies & Other Expenses - List expendable supplies by category description, unit costs and quantity. List other expenses not included in any of the above categories. Examples would be printing, copying, postage, communications, etc. Non-expendable equipment valued at less than \$1,000 may be listed also. Include only expenses directly related to the project, not expenses of a general nature. For Match only, list costs related to donated real property such as land (not to exceed the fair market value of the property).
5. Equipment - List non-expendable personal property/equipment valued at \$1,000 or more by description, unit cost, and quantity. Computers and data-processing equipment should be described in detail.
6. Contractual Services - Subcontractors should provide the same information required by this budget table, with the following exceptions: (a) when professional services are provided at a pre-existing approved rate or fee shown on the budget; or (b) the subcontract is to be obtained competitively. For either (a) or (b), show an estimated maximum amount.
7. Indirect Costs/Rate - Indirect Costs are not authorized.
8. Total Budget Category - **Show the total of all line-items within a Budget Category.**
9. Total Budget - Show the total of all categories.

INSTRUCTIONS FOR COMPLETING GRANT REIMBURSEMENT DOCUMENTATION DETAIL AND MATCH DOCUMENTATION DETAIL

Provide a detailed, line-item description using the worksheet provided for each Budget Category of funds Grantee is requesting for reimbursement or documentation of Match. Costs listed on the Grant Reimbursement Documentation Detail must reflect information on supporting documentation, must correspond with the approved Project Budget, the Payment Request Summary Form – Project Expenditures Summary Section and accompanying supporting documentation. The description of each line-item must include the month and year that the item was received; this month and year must fall within the Reimbursement Period. Any line-item with a corresponding month and year prior to the Reimbursement Period must be accompanied by a statement that this cost was not included in a prior Reimbursement Request. For each budget line-item, identify if the cost is: 1) Grant or Match, 2) a Direct cost used to calculate Indirect Costs (if approved), and 3) whether the cost is Administrative in nature. Provide accurate costs and do not round the amounts to the nearest whole dollar value.

Supporting documentation for each amount for which reimbursement is being requested must: 1) list the item that has been paid for, 2) be submitted in the order in which items are shown on the Grant Reimbursement Documentation Detail and the Match Documentation Detail and 3) be either highlighted or circled. Check numbers may be provided in lieu of copies of the actual checks. If an item was purchased with a credit card, reflect “paid by credit card” on Grant Reimbursement Documentation Detail or the Match Documentation Detail, in lieu of a check number and provide vendor receipt reflecting that the item was paid by credit card (this can be hand written) along with a copy of related credit card statement (credit card number and other confidential information may be blacked out). Each piece of documentation must clearly reflect the dates of service. Only expenditures for budget categories and budget line-items in the approved Project Budget will be reimbursed or documented as Match. Listed below are the types of documentation and examples of minimum requirements.

- (1) **Salaries:** A payroll register or similar documentation should be maintained. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) **Fringe Benefits:** Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee, e.g., insurance premiums paid. If the Grant Agreement specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) **Travel:** Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, including submission of the claim on the approved state travel form that has been signed and dated by the traveler and the traveler’s supervisor and copies of all travel receipts must also be attached. For additional information on documentation of travel costs, contact the assigned Department Grant Manager.
- (4) **Supplies - Other Expenses:** Reimbursement will be made based on paid invoices/receipts.
- (5) **Equipment:** Reimbursement will be made based on paid invoices/receipts. Attachment J, Property Reporting Form, must be properly completed, signed and attached to the Attachment B, Payment Request Summary Form for each item of equipment requested for reimbursement or match documentation.
- (6) **Contractual Services:** Reimbursement will be made based on paid invoices/receipts. Subcontractors must be listed on Attachment C, Monthly Progress Report, for the corresponding reimbursement period.
- (7) **Indirect Costs:** If the Grant Agreement allows recovery of Indirect Costs, the calculation of these costs must be based upon direct costs reflected in the corresponding reimbursement period, utilizing the Indirect Cost rate in the approved Project Budget.

GRANT AGREEMENT NO.: This is the six-digit number on your Grant Agreement.

DATE OF REQUEST: This is the date the Grantee is submitting the request for reimbursement.

AMOUNT REQUESTED: This is the amount on the "*TOTAL AMOUNT TO BE REIMBURSED*" line for the "*AMOUNT OF THIS REQUEST*" column.

GRANTEE'S REPRESENTATIVE: This is the person identified as Grantee's Representative in the Grant Agreement.

PERCENT MATCHING REQUIRED: Enter the Match requirement here, as reflected on the approved Attachment A, Grant Work Plan.

PROJECT EXPENDITURES SUMMARY SECTION

"AMOUNT OF THIS REQUEST" COLUMN: Enter the amount paid during the reimbursement period. Provide accurate costs and do not round figures to the nearest whole dollar value. All costs included in the reimbursement request must agree with the approved Project Budget in the current Attachment A, Grant Work Plan of your Grant Agreement. Do not request reimbursement for costs that do not have an associated, approved, funded budget category or approved, funded budget line-item in the current Project Budget. Do not claim items that are not specifically identified in the current Budget Detail as reflected in Section I of the current Attachment A, Grant Work Plan.

- Enter the column total on the "*TOTAL AMOUNT EXPENDED*" line. The figures reflected for each approved budget category must correspond with the budget category amount reflected on the associated Grant Reimbursement Documentation Detail Form.
- For the "Retainage" line, calculate 10% of the "*TOTAL AMOUNT EXPENDED*" for this reimbursement request; this figure must be shown in brackets (e.g. <\$X,XXX.XX>) to reflect that the amount will be deducted from the "*TOTAL AMOUNT EXPENDED*", resulting in a decreased "*TOTAL AMOUNT TO BE REIMBURSED*".
- For the "*TOTAL AMOUNT TO BE REIMBURSED*" line, deduct the "Retainage" amount from the "*TOTAL AMOUNT EXPENDED*".
- For the "*AGREEMENT AMOUNT*", enter the total amount of the Grant Agreement.
- For the "Less *TOTAL AMOUNT EXPENDED*" line, enter the cumulative total amount expended as reflected on this reimbursement request **and** all previous reimbursement requests. This figure will include the cumulative "*TOTAL AMOUNT TO BE REIMBURSED*" plus the cumulative amount deducted as Retainage.
- For the "*TOTAL AVAILABLE BALANCE*" line, deduct the "Less *TOTAL AMOUNT EXPENDED*" amount from the "*AGREEMENT AMOUNT*".
- For only the Final Reimbursement Request, the Grantee may request reimbursement of all previously deducted Retainage on the condition that the Final Report for the project has been submitted and approved by the Department's Grant Manager. To request reimbursement of Retainage, reflect the cumulative amount of Retainage as a positive figure (no brackets) in the "Retainage" line and add it to the "*TOTAL AMOUNT EXPENDED*" to reflect the final "*TOTAL AMOUNT TO BE REIMBURSED*" amount.

"TOTAL CUMULATIVE PAYMENTS" COLUMN: Enter the cumulative amounts submitted for reimbursement to date for each approved, funded budget category. Provide accurate costs and do not round figures to the nearest whole dollar value.

- On the "Retainage" line, enter the total cumulative amount of Retainage deducted from all reimbursement requests; this figure must be shown in brackets (e.g. <\$X,XXX.XX>) to reflect that the amount has been deducted from the "*TOTAL AMOUNT EXPENDED*". For the Final Reimbursement Request where the total amount of Retainage will be paid, enter zero to reflect that no funds remain retained.
- On the "*TOTAL AMOUNT TO BE REIMBURSED*" line, deduct the cumulative "Retainage" amount from the cumulative "*TOTAL AMOUNT EXPENDED*".
