### **A.      Monitoring**

The Provider agrees to permit persons duly authorized by the County and the Federal or State grantor agency (if applicable) or any representatives to inspect all records, papers, documents, facility's goods and services of the Provider and interview any clients and employees of the Provider to be assured of satisfactory performance of the terms and conditions of this contract to the extent permitted by the law after giving the Provider reasonable notice. The monitoring is a limited scope review of the contract and agency management and does not relieve the Provider of its obligation to manage the grant in accordance with applicable rules and sound management practices.

Following such monitoring the County will deliver to the Provider a written report regarding the manner in which services are being provided. The Provider will rectify all noted deficiencies within the specified period of time indicated in the monitoring report or provide the County with a reasonable and acceptable justification for not correcting the noted shortcomings. The Provider's failure to correct or justify the deficiencies within the time specified by the County may result in the withholding of payments, being deemed in breach or default, or termination of this Contract.

Provider must supply County with copies of all monitoring reports of programs that are funded by the County including agency response, within 30 days of receipt.

### **B.      Audits and Inspections**

The Provider will make all records referenced in Article IV.C of this Contract and all items included on financial statements available for audit or inspection purposes at any time during normal business hours and as often as County deems necessary.

The Clerk of Courts Internal Audit Division, the Federal or State grantor agency (if applicable), St. Johns County employees, or any of their duly authorized representatives have the right of timely and unrestricted access to any books, documents, papers, or other records of Provider or its Certified Public Accountant (CPA) that are pertinent to the contract, in order to make audits, examinations, excerpts, transcripts, and copies of such documents. If contract non-compliance or material weaknesses in the organization are noted, the County or other authorized representatives have the right to unlimited access to records during an audit or inspection, including timely and reasonable access to a Provider's personnel for the purpose of interview and discussion related to such documents.

### **C.      Records**

The Provider shall retain all financial, client demographics, and programmatic records, supporting documentation, statistical records, and other records which are necessary to document service provision, expenditures, income and assets of the Provider by funding source, program, and functional expenses category during the term of this contract and 5 years from the date of contract expiration. If any litigation, claim, negotiation, audit, or other action involving the records has been initiated before the expiration of the 5-year

period, the records shall be retained for 1 year after the final resolution of the action and final resolution of all issues that arise from such action.

**D. Independent Audit**

For contracts where the total compensation, disbursement, grant, or reimbursable expense (or any combination thereof) exceeds three hundred thousand dollars, an original bound audit of the Provider's financial statements must be submitted to the County, in the form, format, and timeframe noted below, or elsewhere in this Contract.

For contracts where the total compensation, disbursement, grant, or reimbursable expense (or any combination thereof) **does not exceed** three hundred thousand dollars, an original, bound audit is not required, **unless** the County determines that an independent audit is warranted (base on among other things, the use of such funds), and provides the Provider with a written explanation supporting the County's determination that such an independent audit is warranted. Under those circumstances, the County's written explanation will set forth the form, format, and timeframe for the independent audit.

An original, bound audit of the Provider's financial statements in accordance with Generally Accepted Accounting Principals (GAAP), and/or current Generally Accepted Government Auditing Standards (GAGAS) as applicable, including the auditor's opinion, requisite reports on internal control and compliance, if required, management letter addressing internal controls, and management's response to such letter, must be submitted to the County no later than 180 days following the end of Provider's fiscal year along with any corrective action plan if applicable. Failure to submit the report within the required time frame will result in the withholding of payment requested, or termination of the contract by the County.

The audit must be conducted by an independent, licensed certified public accountant and must be in accordance with the General Accounting Office (GAO) Yellow Book, generally accepted Government Auditing Standards, OMB Circular A-133 "**Audits of States, Local Governments and Non-Profit Organizations**" if applicable, the Florida Single Audit Act (F.S. 215.97) if applicable, and the Auditor General Rule 10.550 (Government) or 10.650 (Not For Profit) as applicable. The audit must specifically identify the programs that are funded by this Contract, either in the statement of functional expenses, revenues and expenditures, footnotes, schedule of Federal awards and State financial assistance, or as supplemental data in the financial statements. The statement should be consistent with programs detailed in the corresponding proposal and attachment.

**ARTICLE V      AMENDMENTS**

Any request by the Provider for an amendment to this Contract shall be in writing and shall detail the nature of and justification for the requested amendment. The County reserves the right to approve or deny all contract amendments for any reason. An approved amendment shall be in writing and signed by both parties.

**ARTICLE VI      **CONTRACTOR STATUS****

**A.    Independent Contractor**

It is the Parties' intention that the Provider will be an independent contractor and not the County's employee for all purposes, including, but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, Florida revenue and taxation law, Florida Worker's Compensation law and Florida Unemployment Insurance Law. The Provider shall retain sole and absolute discretion in the judgment of the manner and means of carrying out the Provider's activities and responsibilities under this Contract. The Provider agrees that it is a separate and independent enterprise from the public employer, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This agreement shall not be construed as creating any joint employment relationship between the Provider and the County, and the County will not be liable for any obligation incurred by the Provider, including unpaid minimum wages or overtime premiums.

**B. Subcontracts**

The Provider's primary roles and responsibilities under this Contract cannot be subcontracted. It is mutually agreed that any County-funded program component that is subcontracted by Provider must have a written contract that incorporates the terms of this Contract. The Provider must ensure that each subcontractor conforms to the terms and conditions of this Contract.

**ARTICLE VII      **RISK MANAGEMENT****

**A. Indemnification**

The Provider will defend, hold harmless, and indemnify the County from all claims, losses, suits, administrative actions, alternative dispute resolution proceedings, costs, attorneys' fees, and expenses connected with the Provider's, or any subcontractor of the Provider's, performance under this Contract.

The Provider further agrees that it will, at its own expense, defend all claims, actions, suits, or other proceedings that may be brought against the County in connection with this Contract and satisfy any judgment or other resolution of claims that may be entered against the County in any such action or proceedings.

The Provider further agrees that it is responsible for all claims arising from the hiring of individuals in connection with activities provided under the Contract. All individuals hired are employees of the Provider and not of the County.

**B. Insurance**

The Provider shall not commence work under this Contract until it has obtained all insurance required under this section and such insurance has been approved by the

County. All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida. The Provider shall furnish proof of insurance to the County prior to the commencement of operations. Each certificate shall clearly indicate that the Provider has obtained insurance of the type, amount, and classification as required by this Contract and that no material change or cancellation of the insurance shall be effective without 30 days prior written notice to the County. Each certificate shall specifically include the County as additional insured for all lines of coverage except Workers' Compensation and Professional Liability. A copy of the endorsement must accompany the certificate. Compliance with the foregoing requirements shall not relieve the Provider of its liability and obligations under this Contract.
