THIS AGREEMENT, entered into this _____ day of _____, year of _____, by and between the **STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION**, hereinafter referred to as "**FDOT**", and **St. Johns County Board of County Commissioners**, hereinafter referred to as the "**MAINTAINING AGENCY**";

WITNESSETH:

WHEREAS, FDOT is authorized under Sections 334.044 and 335.055, Florida Statutes to enter into this Agreement, and the **MAINTAINING AGENCY** has the authority to enter into this Agreement and to undertake the maintenance and operation of lighting on the State Highway System; and

WHEREAS, the **MAINTAINING AGENCY** has authorized its undersigned officers to enter into and execute this Agreement;

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, FDOT and the **MAINTAINING AGENCY** hereby agree as follows:

1. Maintenance of Facilities

- a. The **MAINTAINING AGENCY** shall maintain all the lighting now or hereafter located on the State Highway System within the jurisdictional boundaries of the **MAINTAINING AGENCY**, hereinafter referred to as the "Facilities," throughout its expected useful life. For the purposes of this Agreement, the term Facilities shall be deemed to include, but not necessarily be limited to, lighting for roadways, as well as park and ride, pedestrian overpasses, and recreational areas owned by or located on the property of FDOT, but shall exclude those systems listed in Exhibit "A" attached hereto and by this reference made a part hereof, and shall exclude lighting located in weigh stations, rest areas, or on Interstate highways.
- b. In maintaining the Facilities, the **MAINTAINING AGENCY** shall perform all activities necessary to keep the Facilities fully operating, properly functioning, with a minimum of 90% of the lights burning for any lighting type (ex. high mast, standard, underdeck, sign) or roadway system at all times for their normal expected useful life in accordance with the original design thereof, whether necessitated by normal wear and tear, accidental or intentional damage, or acts of nature. Said maintenance shall include, but shall not be limited to, providing electrical power and paying all charges associated therewith, routine inspection and testing, preventative maintenance, emergency maintenance, replacement of any component parts of the Facilities (including the poles and any and all other component parts installed as part of the Facilities), and locating (both vertically and horizontally) the Facilities, as may be necessary.
- c. All maintenance shall be in accordance with the provisions of the following:
 - (1) Manual of Uniform Traffic Control Devices; and,
 - (2) All other applicable local, state, or federal laws, rules, resolutions, or ordinances, and FDOT procedures.
- d. For lighting installed as part of an FDOT project, the **MAINTAINING AGENCY's** obligation to maintain shall commence upon the **MAINTAINING AGENCY's** receipt of notification from FDOT that FDOT has formally accepted the project, except for the obligation to provide for electrical power, which obligation to provide for electrical power shall commence at such time as the lighting system is ready to be energized; provided, however, that the **MAINTAINING AGENCY** shall not be required to perform any activities which are the responsibilities of FDOT's contractor.

Prior to any acceptance by FDOT, the **MAINTAINING AGENCY** shall have the opportunity to inspect and request modifications/corrections to the installation(s) and FDOT agrees to undertake those prior to acceptance so long as the modifications/corrections comply with the contract and specifications previously approved by both FDOT and the **MAINTAINING AGENCY**

- e. The continuing obligations under this paragraph 1 beyond the first fiscal year hereof are subject to the voluntary negotiation of the amount to be paid as set forth in subparagraph 2b hereof.

2. Compensation and Payment

- a. FDOT agrees to pay to the **MAINTAINING AGENCY** a lump sum of \$ 23,716.80 for the fiscal year in which this Agreement is signed (fiscal year as referenced in this Agreement shall be FDOT's

fiscal year). Payments will be made in accordance with Exhibit B.

- b. For each future fiscal year, **FDOT** and the **MAINTAINING AGENCY** shall agree on the amount to be paid prior to the fiscal year beginning. **FDOT** will issue a work order confirming the amount and authorizing the performance of maintenance for each new fiscal year. The Work Order shall be an **FDOT** signed letter of authorization to the **MAINTAINING AGENCY** with a subject line containing the terms "State Highway Lighting, Maintenance, And Compensation Agreement Work Order." The Work Order shall reflect the contract number, financial project number, FEID No. of the **MAINTAINING AGENCY**, the fiscal year, and the lump sum amount to be paid for the fiscal year indicated. The Work Order shall be signed by the **MAINTAINING AGENCY** and returned to **FDOT**. No payment will be made on Work Orders which are not properly signed and returned to **FDOT** prior to performing services.
- c. Payment shall be made in one annual lump sum as provided in paragraph 4.

3. Record Keeping

The **MAINTAINING AGENCY** shall keep records of all activities performed pursuant to this Agreement. The records shall be kept in a format approved by **FDOT**.

Records shall be maintained and made available upon request to **FDOT** during the period of this Agreement and for three (3) years after final payment for the work pursuant to this Agreement is made. Copies of these documents and records shall be furnished to **FDOT** upon request.

4. Invoicing

The **MAINTAINING AGENCY** shall invoice **FDOT** yearly in an acceptable format. Invoices may be submitted between May 1 to June 15 of the fiscal year in which the services were provided in order to be processed for payment by June 30.

Upon receipt, **FDOT** has five (5) working days to inspect and approve the goods and services. **FDOT** has twenty (20) days to deliver a request for payment (voucher) to the Department of Financial Services. The twenty (20) days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.

If a payment is not available within forty (40) days, a separate interest penalty at a rate as established pursuant to Section 215.422, Florida Statutes, shall be due and payable, in addition to the invoice amount, to the **MAINTAINING AGENCY**. Interest penalties of less than one (1) dollar shall not be enforced unless the **MAINTAINING AGENCY** requests payment. Invoices returned to a **MAINTAINING AGENCY** because of **MAINTAINING AGENCY** preparation errors shall result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to **FDOT**.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for contractors/vendors who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 410-9724 or by calling the Chief Financial Officer's Hotline, 1-800-848-3792.

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. In the event this Agreement is in excess of \$25,000 and has a term for a period of more than one (1) year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:

FDOT, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection shall be null and void, and no money may be paid on such contract. **FDOT** shall require a statement from the Comptroller of **FDOT** that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one (1) year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years, and this paragraph shall be incorporated verbatim in all contracts of **FDOT** which are for an amount in excess of \$25,000 and which have a term for a period of more than one (1) year.

5. Default

In the event that the **MAINTAINING AGENCY** breaches any provision of this Agreement, then in addition to any other remedies which are otherwise provided for in this Agreement, **FDOT** may exercise one or more of the following options, provided that at no time shall **FDOT** be entitled to receive double recovery of damages:

- a. Pursue a claim for damages suffered by **FDOT** or the public.
- b. Pursue any other remedies legally available.

- c. As to any work not performed by the **MAINTAINING AGENCY**, perform such work with its own forces or through contractors and seek reimbursement for the cost thereof from the **MAINTAINING AGENCY** if the **MAINTAINING AGENCY** fails to cure the non-performance within fourteen (14) days after written notice from **FDOT** of the non-performance; provided, however, that advance notice and cure shall not be preconditions in the event of an emergency.

6. Force Majeure

Neither the **MAINTAINING AGENCY** nor **FDOT** shall be liable to the other for any failure to perform under this Agreement to the extent such performance is prevented by an act of God, war, riots, natural catastrophe, or other event beyond the control of the non-performing party and which could not have been avoided or overcome by the exercise of due diligence; provided that the party claiming the excuse from performance has (a) promptly notified the other party of the occurrence and its estimate duration, (b) promptly remedied or mitigated the effect of the occurrence to the extent possible, and (c) resumed performance as soon as possible.

7. Miscellaneous

- a. **FDOT** shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement.
- b. The **MAINTAINING AGENCY** shall allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the **MAINTAINING AGENCY** in conjunction with this Agreement. Failure by the **MAINTAINING AGENCY** to grant such public access shall be grounds for immediate unilateral cancellation of this Agreement by **FDOT**.
- c. This Agreement constitutes the complete and final expression of the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, or negotiations with respect thereto.
- d. This Agreement shall be governed by the laws of the State of Florida. Any provision hereof found to be unlawful or unenforceable shall be severable and shall not affect the validity of the remaining provisions hereof.
- e. All notices required pursuant to the terms hereof may be sent by first class United States Mail, facsimile transmission, hand delivery, or express mail and shall be deemed to have been received by the end of five (5) business days from the proper sending thereof unless proof of prior actual receipt is provided.
