Subject: Nocatee  
Reduced Speed School Zone  
Valley Ridge Blvd/Greenleaf Drive Intersection

Dear Mr. Ray,

As you may be aware, there has been a lot of interest by the Nocatee community in getting a reduced speed school zone installed on Valley Ridge Boulevard in Nocatee over the last few months. Neal Shinkre, St. Johns County Public Works Director, and I have spoken to Greg Barbour with The PARC Group a few times regarding the request. I understand that the Tolomato CDD has offered to pay for the cost of the school zone to be installed by the County in order to provide an additional safety feature for the students crossing the subject intersection. The estimated cost of the school zone is \$30,000.00 which will include the design and installation of four timed flashing beacons, signage and pavement markings along Valley Ridge Boulevard.

We appreciate the support of the Tolomato CDD in funding the school zone. The check can be written to St Johns County Board of County Commissioners. Upon receipt of the check, we plan to recognize the contribution as unanticipated revenue at a commissioner meeting and allocate it to the project.

Let me know if you have any questions or concerns regarding this issue. I can be contacted by email at [rcoper@sjcfl.us](mailto:rcoper@sjcfl.us) or by phone at (904) 209-0111.

Sincerely,

A handwritten signature in black ink that reads "Rodney H. Cooper".
