While this Agreement may be renewed as stated in this Article, it is expressly noted that the County is under no obligation to extend this Agreement. It is further expressly understood that the option of extension is exercisable only by the County, and only upon the County's determination that the Contractor satisfactorily performed the Services noted in the Contract Documents.

ARTICLE 2 - ENUMERATION OF CONTRACT DOCUMENTS

The term "Contract Documents" shall include all RFP Documents and any addenda/exhibits thereto; all Specifications; this Agreement, any duly executed amendments, addenda, and/or exhibits hereto; and any and all Change Orders.

- G. FINAL INVOICE: In order for the County and the Contractor to reconcile/close their books and records, the Contractor shall clearly indicate "Final Invoice" on the Contractor's final bill/invoice to the County. SJCCOA also understands the necessary contract requirements including: contract agreement and terms; insurance requirements; indemnification; licenses, permits and fees; governing laws and regulations; termination of contract; use of sub-contractors; and background screening requirements.

Company Profile

The St. Johns County Council on Aging (SJCCOA), was established in 1973, by a group of community leaders that recognized the need in our community for programs and services to help and support elders as they aged. It started very simply with lunch and activities for about thirty people and just one Meals on Wheels route for approximately five home-bound seniors. Today, under the SJCCOA agency umbrella, there are fifteen different programs designed to serve the various needs of the 58,758 county residents over the age of sixty. These programs are: the Coastal Community Center Wellness & Nutrition Program; River House Life Long Learning Center; Trout Creek Senior Community Center Senior Program; The PLAYERS Community Senior Center program; Hastings Senior Nutrition and Activities Program; Meals On Wheels; Independent Living Services; Coastal Home Care; Care Connection; Sunshine Center Therapeutic Adult Day Center; Integrative Memory Enhancement Program; Sunshine Bus

A private 501 (c) (3) non-profit Corporation funded by the Federal Older Americans Act, State General Revenue through the Florida Department of Elder Affairs, Northeast Florida Area Agency on Aging, St. Johns County Board of County Commissioners, and the United Way Of St. Johns County.

Company; COA Para-Transit Transportation; River House Events; and River House Café. During 2017, more than 5,000 elders benefited from one or more of these programs.

SJCCOA is a not-for-profit 501c3 corporation. The organization structure is headed by an Executive Director that answers to a fifteen member Board of Directors. All subsequent authority flows from the Executive Director. The operation and management of the proposed senior center programs are under the direction of the Director of Programs and are managed by the Senior Centers Program Manager. (See Organizational Chart) The agency operating budget for 2017 was \$7,643,982.00. Funding for the agency's programs comes from a variety of sources including: State of Florida General Revenue funds and Federal Older Americans Act funds provided through the Florida Department of Elder Affairs; grants through the Florida Department of Transportation and the Federal Department of Transportation; contracts with the St. Johns County Board of County Commissioners; grants from the United Way of Northeast Florida; River House Events (rental fees); fees for services; membership dues; private grants; fundraisers; and private donations.

Today, the SJCCOA is among 120 senior center programs, out of more than 11,000, in the United States to be accredited by the National Council on Aging/National Institute of Senior Centers. County elders are currently served on four campuses and are offered over 250 programs and activities at senior centers every week.

Description of Recruiting and Staffing

SJCCOA is currently contracted, with the St Johns County Board of County Commissioners, to provide the operation and management of the locations detailed in this proposal through May 30, 2018. SJCCOA currently has staff in place for all position we outline in this proposal that are necessary to provide the scope of work. Therefore, no additional staffing and recruiting activities will be necessary at this time. However, the following is the SJCCOA Policy and Procedure for hiring agency staff.

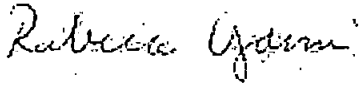

St. Johns County Council on Aging (SJCCOA) is an equal opportunity employer. All employment actions are taken without regard to race, religion, national origin, color, sex, marital status, age, disability, or genetics. SJCCOA selects the best and most fully qualified applicants for position vacancies in keeping with its Equal Opportunity policy. Position vacancies are advertised through the Human Resources Department and are posted both internally and externally. External postings are via employment search services, i.e. Indeed. Applicants may respond to advertisement via email or apply in person at the agency's administration office.

SJCCOA values its employees and as such may advertise for vacant positions internally prior to seeking applicant interest from outside sources. Regular status part-time and full-time employees may apply for internally advertised positions for which they are qualified and interested. Employees in a probationary status (initial or otherwise) are not eligible to apply for advertised positions. Employees must meet the requirements of the job description, be capable

of performing the essential functions of the job (with or without a reasonable accommodation), have a satisfactory work record, and not be in a probationary status to apply for an advertised vacancy. The Executive Director reserves the right to hire or promote individuals to vacancies without posting the position, if it is in the best interest of the agency. The St. Johns County Council on Aging Board of Directors hires the agency's Executive Director.

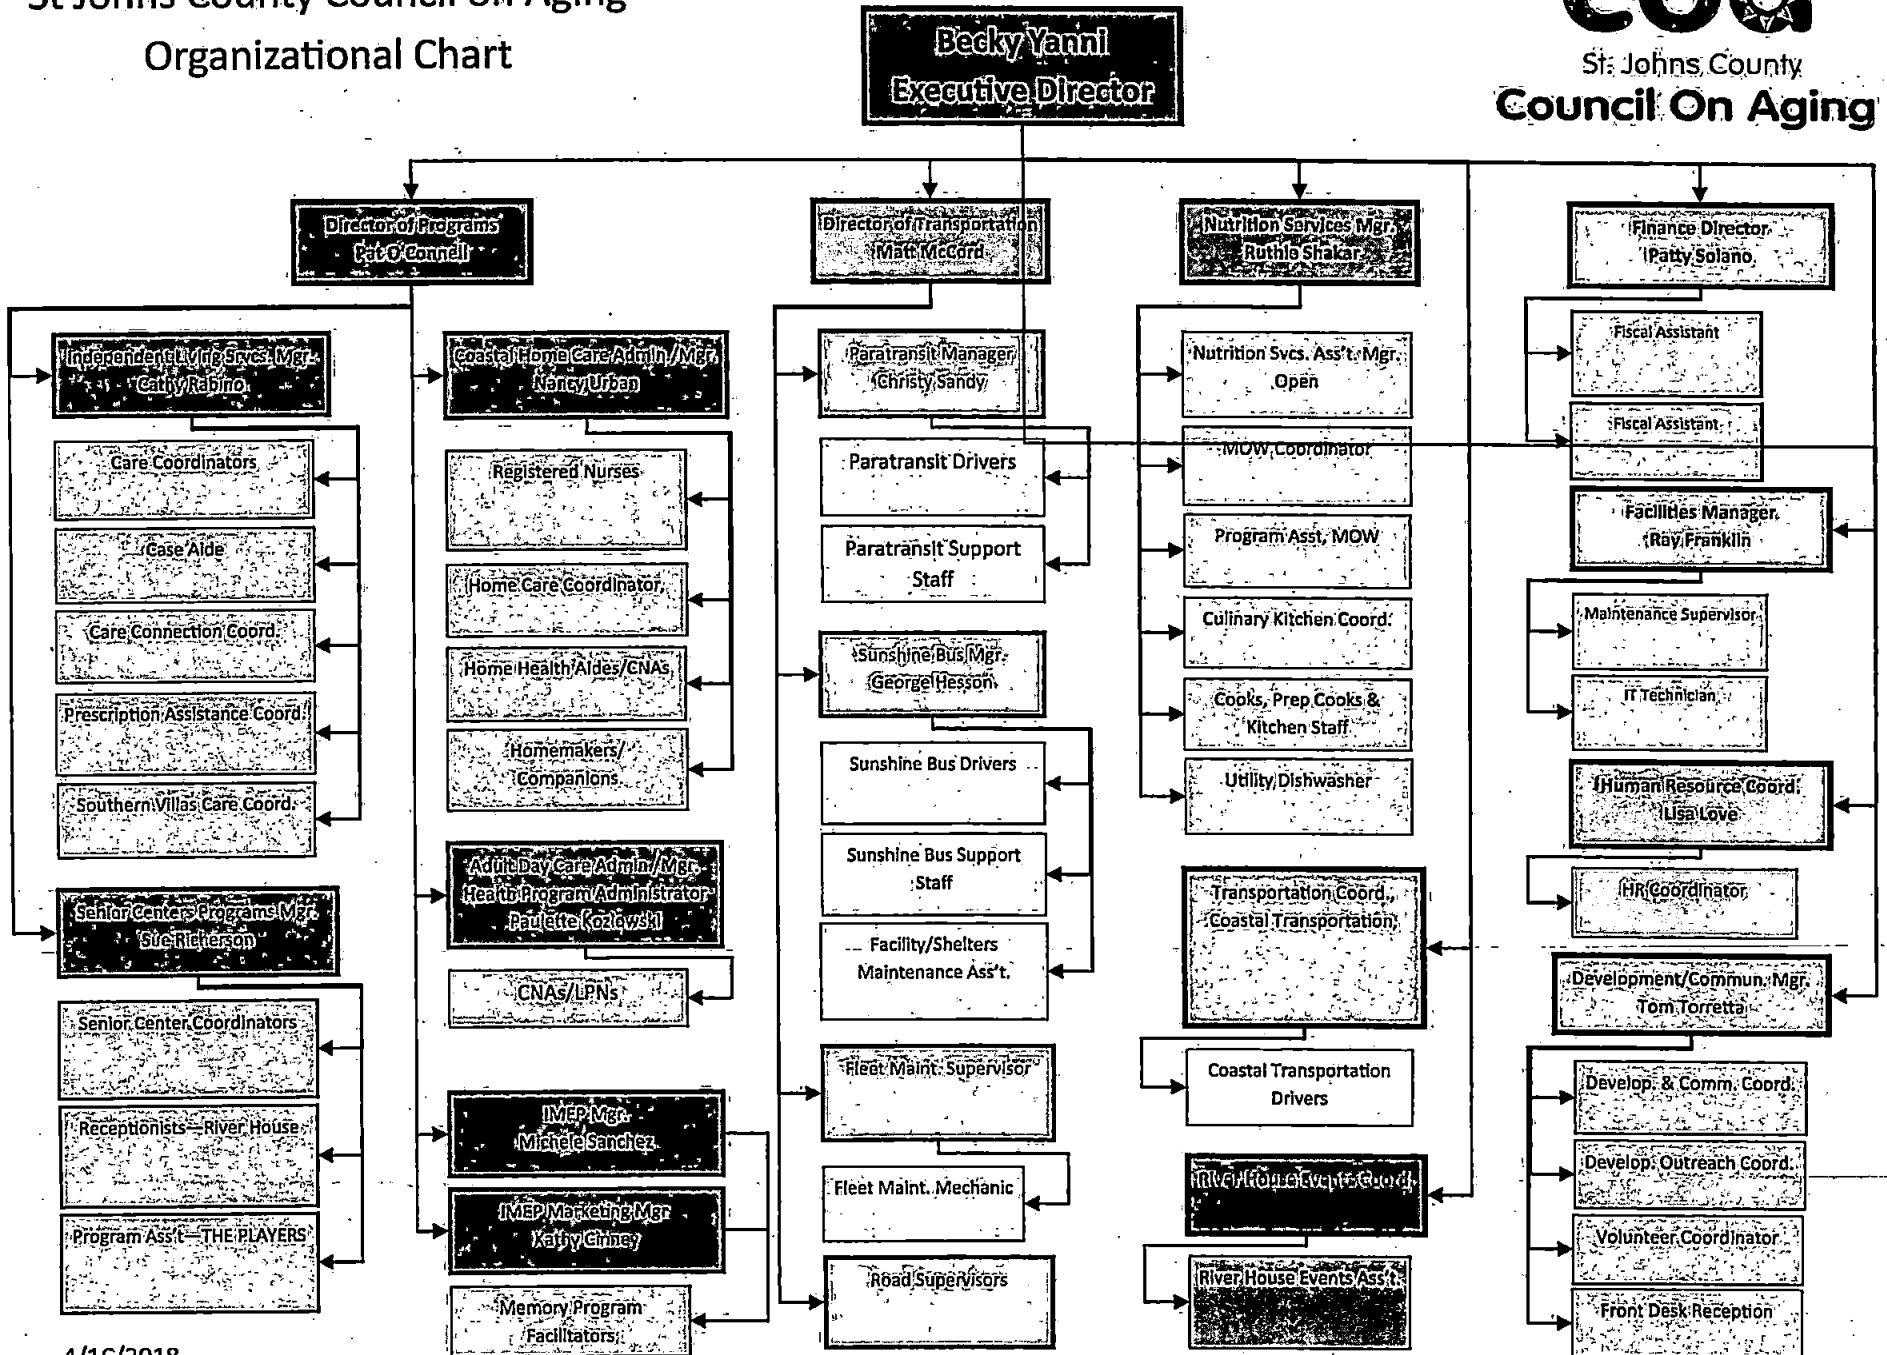

Thank you for the opportunity to present this proposal.

Sincerely,

Rebecca Gianni
Executive Director

Section 3: Qualifications of Company and Staff

Senior centers are places where older adults can access a range of activities and services to improve their health, well-being, and independence, and where people of all ages can actively engage in their community. St. Johns County Council on Aging (SJCCOA) has provided a senior center with these programs and services in central St. Johns County since 1973. Between 2000 and 2016, SJCCOA opened additional centers to benefit seniors throughout the county (Trout Creek Community Center Senior Program-2000, Ponte Vedra Senior Center Program-2004 to 2007, THE PLAYERS Community Senior Center-2007, River House-2010 and Hastings Senior Center Program-2016). Thanks to a variety of funding sources, community partners, dedicated SJCCOA staff and generous volunteers, seniors in every region of our county now have access to a senior center program. Over the entire timeframe from 1973 to the present, SJCCOA has been the sole managing agency for these centers and programs. Our scope of services at these centers has always included: multiple offerings of health promotion, wellness and fitness; educational activities; recreational fun; group and individual socialization, personal growth opportunities and social services. SJCCOA is qualified and experienced in providing senior programs and services, open to the general public, during the designated days and hours at The Trout Creek Community Center and The Players Community Senior Center. Transportation is currently provided at both centers based on the criteria set forth in the request for proposal scope of work. Meals are prepared on site in accordance with the nutritional guidelines and the health and safety standards and regulations of the Food and Nutrition Board, USDA, and the Department of Health and Human Services. Menu development is supervised and authorized by a registered and licensed dietitian. Please see the included May 2018 activity and food calendars from The Trout Creek Community Center and THE PLAYERS Community Senior Center. A hard copy of the calendars are available to individuals visiting or participating at the centers and an electronic version is available to the community at large by accessing the SJCCOA website, <http://www.coasjc.org/>.

All SJCCOA drivers are hired, pre-qualified, tested, and trained in accordance with applicable state and federal requirements in addition to the requirements specified in the request for proposal. Comprehensive requirement records are maintained on all drivers and are available for review upon request. Drivers are assigned to transportation at the centers based on the driver pool and availability.

SJCCOA performs Level II background screening on all staff in accordance with Chapter 435.06 of the Florida Statutes. Volunteers utilized at the centers undergo either Level I or Level II background screening in accordance with this same statute. Records are maintained on all staff and volunteers and are available for review upon request.

Included are the following documents as evidence that the agency and staff is properly licensed and qualified to perform the work:

What makes Mahjong Unique?
"I find it to be a challenging card game although it's good for any type of person. Just don't give up! That's part of the challenge of it all. Second, is win and to win you have to have a Mahjong. Winning is a strategy and you have to have strategy to get there. Usually with Poker, Rummy or Hand and Foot,

it requires some luck. In Mahjong, you need to be smart about it."

What is Mahjong?

Mahjong is a tile-based game which was developed in China since the Qing dynasty and has further developed throughout the world since the early 20th century. At the Community Senior Center, we play and Americanized version of this game. First timers are encouraged to join and will be sat with other new players and an instructor.

Drama ensued at the THE PLAYERS Community Center when the Vintage Players entered the stage with some fun skits and performances. The audience was delighted with the comedic troop which parodied senior living with a fun and theatrical show.

List of Sub-Contractors

St. Johns County Council on Aging

The following is the only sub-contractor that we are currently using, or plan to use, to perform the scope of work outlined in the Request for Proposal RFP No: 18-25, Operation and Management of Community Centers

Lisa M. Hall Dietitian/Nutritionist
64 Miruela Avenue
St. Augustine, FL 32080
904-392-1030

Certification and License is included within Section 3 documentation.
Signed current sub-contractor agreement is included with resume in Section 4

Section 4:
Experience of Company and Staff
St. Johns County Council on Aging

St. Johns County Council on Aging (SJCCOA) has been coordinating the care of elders, providing home and community based services to maintain elders independently in their homes for 45 years. We have been the contracted provider of OAA Title III Services since 1973. We are diligent and maintain fidelity to the service and reporting standards that are set down by the Florida Department of Elder Affairs (DOEA).

The current SJCCOA administration has shown a proven capacity to provide comprehensive and accessible services to elders for the past seventeen years. The Northeast Florida Area Agency on Aging (ElderSource) is the entity assigned by the Department of Elder Affairs (DOEA) to conduct all programmatic, operational, and fiscal review of our state and federal programs. The following quote from our most recent review indicates the comprehensive nature of the review:

"ElderSource monitoring and review of SJCCOA programs included inquires of the SJCCOA staff, observation of practices, client visits, and an examination of selected records, satisfaction surveys, service vendor documentation and client files. The other areas reviewed included governance systems, service delivery, subcontract oversight, resource use, complaint and grievance procedures, and data integrity."

For the past nineteen years SJCCOA overall reviews have indicated that SJCCOA has been compliant with all aspects of our state and federal contracts. Our most recent monitoring report stated, *"The St Johns County Council on Aging is compliant in the implementation of programs and reporting requirements to ElderSource. ElderSource commends SJCCOA on its many initiatives in the community and efforts to continuously improve."*

SJCCOA's experience in administration and program management of federal, state, and county funds is extensive. Our yearly audit and contract monitoring reports in all areas have shown satisfactory ratings for many years. SJCCOA has also met the performance outcome measures for, and funds utilization of, a St Johns County Department of Health and Human Services (HHS) Grant contract for the past ten years.

SJCCOA has successfully provided all program components, food service and transportation requirements outlined in this request for proposal at the Trout Creek Community Center and THE PLAYERS Community Senior Center since the opening of the centers in 2001 and 2007 respectively. Under yearly contracts with the St. Johns County Board of County Commissioners, SJCCOA has provided places where older adults can access a range of activities and services to improve their health, well-being and independence, and where people of all ages can actively engage in their community.

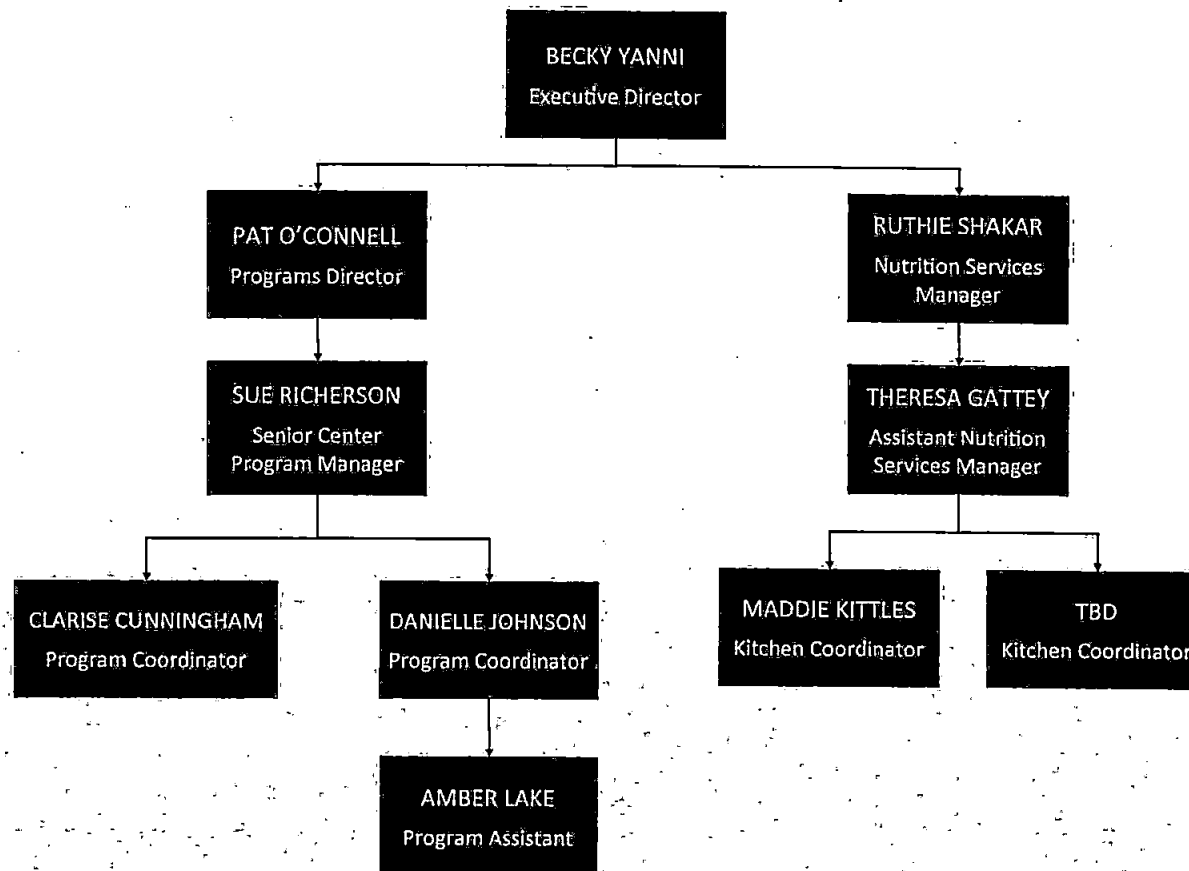

Senior center staff must possess the ability to interface with three generations of elders (WWII Generation, Korean War Generation and Baby Boomers) and must plan for activities and programs that meet the needs and desires of each group. SJCCOA staff has been meeting the needs and desires of these varying generations for many years as evidenced by the resumes included in this section.

Both senior center program staff and nutrition services staff are led by individuals that have much more than 5 years of past experience in providing programs and nutrition services to our community's older adults. Staff recently hired are mentored and supervised closely by this experienced staff. In this manner these individuals, with less direct experience in providing senior programming, can provide quality programming and services as they learn and gain in experience. These recently hired individuals were chosen because their efficiency, thoroughness, professionalism, communication skills, and learning ability were proven with past employers.

Included in this section are:

- An organizational chart of key personnel
- Chart outlining positions and staff needed to complete the scope of work
- A resume for all key director and management personnel
- A resume for all key direct service personnel and the job description for their position
- A job description for transportation driver

In the event that one of these allocated employees is not available to be on site during operating hours, the Program Manager, Program Director or a senior center program employee from another center will be on site.

A part-time employee will be provided for each location to handle service for meals. The position is Kitchen Coordinator. Currently there is an employee hired and serving the Trout Creek Community Center. This employee is currently filling in as Kitchen Coordinator for THE PLAYERS Community Senior Center. If this employee is not available another qualified employee serves in the position on an as need basis. Hiring procedures are currently being followed to fill this vacant position.

Director and Manager Staff are all in place at this time. Each of the following positions devotes a percentage of their time to supporting the activities and services provided at Trout Creek Community Center and THE PLAYERS Community Senior Center: Executive Director, Program Director, Senior Center Programs Manager, Nutrition Services Manager and Assistant Nutrition Services Manager.

Onsite Kitchen and Equipment: SJCCOA acknowledges and will utilize all onsite kitchens and equipment at both centers to prepare meals in accordance with this request for proposals.

Programs and Activity Components

Under an awarded contract, St. Johns County Council on Aging will continue to provide a variety of programs and services that respond to the diverse needs and interests of community elders and will include health and wellness services, fitness activities, information and assistance

to community resources, and a variety of educational and cultural opportunities. Examples of all program component types and amounts required by this request for proposal and evidence of what is currently provide at both centers can be reviewed on the May 2018 calendars provided in Section 3.

Health Promotion, Wellness and Fitness: Examples of programs and activities from this category that are provided now and will continue to be provided at both centers include: blood pressure checks; walking clubs; various exercise classes such as Chair Yoga; Band Stretching; Tai Chi; Line Dancing; University of Florida Nutritionist Speaker; Visiting Podiatrist; and Positive Mind Body Yoga. In 2017, the Trout Creek Community Senior Center program provided 123 hours of this category of program component. THE PLAYERS Community Senior Center program, conducted by SJCCOA staff, provided 45 hours of this type of program. A plan is in place to provide double that number of hours at THE PLAYERS in 2018.

Education, Recreation, Socialization and Personal Growth: Examples from the May 2018 calendars that fall under this type of program component include: "Communicating with Impaired People"; Doñ Minard Plays for Cinco de Mayo; Bunko; Trivia; Alice and Wonderland Tea Party; Current Issues Group; Acrylic Painting; Bridge; Toastmasters; and Book Club. This list is meant to provide an overview of all of this type of program component. THE PLAYERS provided over 1050 hours of this type of component in 2017. Trout Creek Center provided over 950 hours in 2017.

Social Services: Connection to qualified staff members or community partners to provide information or access to services is ongoing. Center coordinators have contacts and resource lists to connect individuals in need with the appropriate help and support. Individual meetings with qualified individuals able to provide this type of support are scheduled on a regular basis. Examples of this type of support from May Calendars include: a presentation by Legal Aid Attorney, Megan Wall; *Honoring Choices* presentation by Community Hospice on end of life choices; presentation by Kelly from EOC on Hurricane Preparedness; Humana presentation on Medicare Choices. Tax preparation is available at the centers during tax season through a partnership with AARP; and Spanish to English Class (ESOL) provided by Learn to Read.

In total during 2017, the average program component offerings at each center per week was more than 22 activities. These numbers do not include the simple opportunity that the centers provide for individual socialization with peers. Studies have shown that this alone can be the single most important factor for the health and wellness of older adults. Computer labs and library offerings are also available at each center.

Marketing, Advertising and Public Outreach

St. Johns County Council on Aging (SJCCOA) provides a web page on the agency website (www.coasjc.org) for each of the centers. These are vibrant message boards that detail upcoming activities at each center and include the activity and menu calendars. Coordinators at each center submit weekly press items, to the agency communications staff, about center activities. These items are placed on the agency's weekly e-newsletter and are shared with local and regional news media outlets. Local and regional health fair/community fairs are attended by the SJCCOA Outreach Coordinator and center calendars are shared with attendees.

Community Partnerships to Provide Programs and Services

St Johns County Council on Aging (SJCCOA) staff utilizes a large variety of community partners and qualified volunteers to provide programs and services. In 2017, over 30 community partners provided presentations and activities at both centers. We have already mentioned AARP, Humana, Learn to Read, Legal Aid, EOC staff and Community Hospice in the program components section utilized for May 2018 programs alone. In addition, to name a few more: University of St Augustine students provide balance screenings during the year and various home health agencies sponsor movie or informational luncheons. Exercise classes, arts and craft classes, dance classes and musical entertainment are all provided by talented and qualified volunteers. Ponte Vedra Rotary Club and several other community partners sponsor the annual Centenarian Luncheon in May every year at THE PLAYERS. SJCCOA staff seeks out community partners to provide entertaining, educational and cost effective programming. At minimum at least three community partners or volunteers provide programs and activities at each center on a weekly basis.

Fee Schedules

Transportation	Participants utilizing transportation are asked to provide a \$1 co-pay each day to defray the cost of their ride. A monthly bus pass is also available for \$15. This pass can also be used to ride at no charge on the Sunshine Bus.
Meals	At THE PLAYERS Community Senior Center, participants that receive a meal are asked to contribute a \$3 co-pay to help defray the \$6.50 cost of their meal. This is not requested of participants at Trout Creek because the total cost of their meal is funded by the Older Americans Act Grant.
Membership	At THE PLAYERS, individuals can join our membership program and receive a discount on the cost of various lifelong learning activities that have a fee to attend. With membership the cost of certain activities are at no charge or have a \$1 reduction in cost. Cost of a yearly membership is \$100 per person, \$160 per couple/household or \$35 for a three month membership.
Lifelong Learning	A fee is charged for various activities and programs classified under the Lifelong Learning Program. These fees range from \$3-\$5 per class.

- Transportation co-pays are requested at both centers.
- There are no fees charged for meals or programs/activities at the Trout Creek Center.
- At THE PLAYERS Community Senior Center, participants are asked to pay the fees listed above in order to provide cost effective expansion of our programs and services. Many activities and programs are provided at no charge, especially the majority of activities and programs that occur on days that meals are provided. Any fees that might be charged are detailed next to the class/activities listing in the monthly calendar. It is also noted if the activity is discounted for Lifelong Learning members.

Arrangements are always made to drop any fees or co-pay if an individual is unable to provide the requested amount. No individual will be denied participation in a program or activity because of inability to provide the fee.

As noted in Section 6: Cost Proposal, these fees help to reduce the overall expense of the programs and services provided.

All meals will be designed in accordance with the nutritional guidelines and the health and safety standards and regulations of the Food and Nutrition Board, USDA and the U.S. Department of Health and Human Services. SJCCOA follows these requirements for meals provided at all of our managed senior centers. We follow all the requirements and guidelines set down in the Florida Department of Elder Affairs Programs and Services Handbook for congregate meals. The exact entries on page A-197 of the handbook state:

"Follow the menu development procedures described in Chapter 4 which ensure compliance with the current Dietary Guidelines for Americans published by the secretaries of the Department of Health and Human Services and the Department of Agriculture."

"Provide a minimum of 1/3 of the dietary reference intakes/adequate intake for an age 70+ female as established by the Food and Nutrition Board of the Institute of medicine of the National Academy of Sciences."

Meals are developed following these guidelines and are all reviewed and approved by a licensed, registered dietitian. Meals are either prepared on site or meal preparation is begun at the SJCCOA main kitchen at 180 Marine St. and food is transported to the facility on the day of serving. Final meal preparations are completed at each center. All guidelines for adherence to temperature and food safety are complied with.

A reservation system is in place at both centers and reservation for meals are requested by the previous meal service day for a meal on the next meal service day.

See the May 2018 menus, provided in Section 3 of this response, as an example of menus that will be provided at the centers under an awarded contract. We anticipate serving 7,500 meals annually at Trout Creek and 2,500 meals annually at THE PLAYERS Community Senior Center.

Staffing: There will be a minimum of one SJCCOA staff member on site at each location during the stated hours of operation.

THE PLAYERS Community Senior Center has two part-time program employees allocated, hired and serving the location. The positions are Senior Center Coordinator and Senior Center Program Assistant. Trout Creek Community Center has one part-time program employee allocated, hired and serving the location. The position is Senior Center Coordinator. In the event that one of these allocated employees is not available to be on site during operating hours, the Program Manager, Program Director or a senior center program employee from another center will be on site.

A part-time employee will be provided for each location to handle service for meals. The position is Kitchen Coordinator. Currently there is an employee hired and serving the Trout Creek Community Center. This employee will also serve as Kitchen Coordinator for THE PLAYERS Community Senior Center. Programs and Activity Components

Under an awarded contract, St. Johns County Council on Aging will continue to provide a variety of programs and services that respond to the diverse needs and interests of community elders and will include health and wellness services, fitness activities, information and assistance to community resources, and a variety of educational and cultural opportunities. Examples of all program component types and amounts required by this request for proposal and evidence of what

is currently provide at both centers can be reviewed on the May 2018 calendars provided in Section 3.

Health Promotion, Wellness and Fitness: Examples of programs and activities from this category that are provided now and will continue to be provided at both centers include: blood pressure checks; walking clubs; various exercise classes such as Chair Yoga; Band Stretching; Tai Chi; Line Dancing; University of Florida Nutritionist Speaker; Visiting Podiatrist; and Positive Mind Body Yoga. In 2017, the Trout Creek Community Senior Center program provided 123 hours of this category of program component. THE PLAYERS Community Senior Center program, conducted by SJCCOA staff, provided 45 hours of this type of program. A plan is in place to provide double that number of hours at THE PLAYERS in 2018.

Education, Recreation, Socialization and Personal Growth: Examples from the May 2018 calendars that fall under this type of program component include: "Communicating with Impaired People"; Don Minard Plays for Cinco de Mayo; Bunko; Trivia; Alice and Wonderland Tea Party; Current Issues Group; Acrylic Painting; Bridge; Toastmasters; and Book Club. This list is meant to provide an overview of all of this type of program component. THE PLAYERS provided over 1050 hours of this type of component in 2017. Trout Creek Center provided over 950 hours in 2017.

Social Services: Connection to qualified staff members or community partners to provide information or access to services is ongoing. Center coordinators have contacts and resource lists to connect individuals in need with the appropriate help and support. Individual meetings with qualified individuals able to provide this type of support are scheduled on a regular basis. Examples of this type of support from May Calendars include: a presentation by Legal Aid Attorney, Megan Wall; *Honoring Choices* presentation by Community Hospice on end of life choices; presentation by Kelly from EOC on Hurricane Preparedness; Humana presentation on Medicare Choices. Tax preparation is available at the centers during tax season through a partnership with AARP; and Spanish to English Class (ESOL) provide by Learn to Read.

In total during 2017, the average program component offerings at each center per week was more 22 activities. These numbers do not include the simple opportunity that the centers provide for individual socialization with peers. Studies have shown that this alone can be the single most important factor for the health and wellness of older adults. Computer labs and library offerings are also available at each center.

Marketing, Advertising and Public Outreach

St. Johns County Council on Aging (SJCCOA) provides a web page on the agency website (www.coasjc.org) for each of the centers. These are vibrant message boards that detail upcoming activities at each center and include the activity and menu calendars. Coordinators at each center submit weekly press items, to the agency communications staff, about center activities. These items are placed on the agency's weekly e-newsletter and are shared with local and regional news media outlets. Local and regional health fair/community fairs are attended by the SJCCOA Outreach Coordinator and center calendars are shared with attendees.

Community Partnerships to Provide Programs and Services

St Johns County Council on Aging (SJCCOA) staff utilizes a large variety of community partners and qualified volunteers to provide programs and services. In 2017, over 30 community partners provided presentations and activities at both centers. We have already mentioned AARP, Humana, Learn to Read, Legal Aid, EOC staff and Community Hospice in the program components section utilized for May 2018 programs alone. In addition, to name a few more: University of St Augustine students provide balance screenings during the year and various home health agencies sponsor movie or informational luncheons. Exercise classes, arts and craft classes, dance classes and musical entertainment are all provided by talented and qualified volunteers. Ponte Vedra Rotary Club and several other community partners sponsor the annual Centenarian Luncheon in May every year at THE PLAYERS. SJCCOA staff seeks out community partners to provide entertaining, educational and cost effective programming. At minimum of at least three community partners or volunteers provide programs and activities at each center on a weekly basis.

The breakdown of all three options provided by the COA, the only respondent to the RFP:

1. The RFP requested three days of food service, transportation and activities at Trout Creek and five days of activities with three days of food service and transportation at the Players Community Center. The proposal submitted is \$44,000 more than the current level of funding for senior programming.
2. Staff negotiated with the Council on Aging to reduce the provision of food and transportation by one day at the Players Community Center, which would be equivalent to the current level of service that is provided, the revised proposal, is \$25,605 over the current budgeted amount.
3. The current funding of \$150,000 will result in:
 - a. A further reduction of meal service and transportation to only one day per week (Thursday) at THE PLAYERS
 - b. The closure of THE PLAYERS senior programs on Mondays
 - c. A reduction in staff hours on Tuesday.
