The Unit Prices shall include all direct costs, indirect costs, and reimbursable expenses necessary to complete the scope of work. Requests for additional services or additional line items shall be submitted in writing and approved by St. Johns County *prior* to any work being implemented and shall be added to this Agreement through a Contract Amendment.

Price increases will be considered at the end of each contract/agreement renewal year. Price increase requests must be submitted in writing to the St. Johns County Purchasing Manager no later than sixty (60) consecutive calendar days prior to the effective date of the Contract Renewal. Requested price increases must be justified by the Contractor by providing proof of a cost increase to the Contractor in such major areas as cost of supplies, material, fuel, or changes in governmental regulations. The cost of an increase must not be offset by a corresponding decrease in another area. Negotiated increases shall not exceed prior twelve (12) months CPI - All Urban Consumers (CPI-U), unless otherwise approved by the County. Should the requested price increase be considered excessive or determined not to be competitive for the services, the County reserves the right to deny the requested price increase, or terminate the Contract Agreement, and re-bid for these services. All prices shall remain firm for the period of each Contract Renewal term.
