1. Bearings are based upon the South line of Tract "C", according to the plot of Windward Ranch Phase Eleven, as recorded in Map Book 81, pages 15-20 of the Public Records of St. Johns County, Florida, being N88°19'06"E.
2. All drainage easements are unobstructed unless otherwise noted.
3. The easements shown hereon and designated as unobstructed easements shall remain totally unobstructed by any permanent improvements which may impede the use of said easements. The construction of driveway and the installation of fences, hedges and landscaping is permissible but subject to removal at the expense of each lot owner for the removal and/or replacement of such items.
4. All platted utility easements shall provide that such easements shall also be easements for the construction, installation, maintenance, and operation of cable television services provided, however, no such construction, installation, maintenance, and operation of cable television services shall interfere with the facilities and services of an electric, telephone, gas, or other public utility. In the event a cable television company damages the facilities of a public utility, it shall be solely responsible for the damages.
5. NOTICE: This plot, as recorded in its graphic form, is the official depiction of the subdivided lands described herein and will in no circumstances be supplanted in authority by any other graphic or digital form of the plot. There may be additional restrictions that are not recorded on this plot that may be found in the public records of this county.
6. Current law provides that no construction, filling, removal of earth, cutting of trees or other plants shall take place waterward of the jurisdictional wetland line as shown on this plot without the approval of this county and/or any other federal state or local governmental regulatory agencies with jurisdiction over such wetlands. It is the responsibility of the lot owner, his agents and the entity performing any activity within this area to acquire the necessary written approvals prior to the beginning of any work. The jurisdictional wetland line shown hereon may be superseded and reclassified at any time, by the appropriate authorities.
7. State plane coordinates shown hereon are based on NAD 83/90 State Plane, Florida East Zone (Zone 0901) in U.S. survey feet and are for GIS purposes only.
8. Upland Buffer and Upland Preservation areas adjacent to wetlands are to remain natural, vegetative and undisturbed.
9. Grant of Easement for Shared Retention Pond recorded in Official Records Book 3865, page 1 of the Public Records of St. Johns County is not platted.
