Environmental Resource Solutions

RE: Company Acquisition & Contract Assignment

Dear Mr. Klages:

On 21 December 2018, I sent a letter (via e-mail) notifying you that Environmental Resource Solutions, Inc. (ERS) was being acquired by Bristol Bay Native Corporation (BBNC), an Alaskan Native Corporation based in Anchorage, Alaska. The acquisition was completed and ERS is now a Division of SES Energy Services LLC, a wholly-owned subsidiary of BBNC.

As I said in my December letter, this acquisition is very exciting for ERS and our employees. We have retained all of our employees and will continue to provide the highest level of ecological consulting services to St. Johns County. Our office location remains the same and there has been no interruption of our current contract services as the transition has been.

We currently have a Master Services Agreement (MSA) with St. Johns County (MSA No. 17-MCC-ENV-08066) one active Task Order (Task Order 1, Ecological Evaluation of Proposed NE WTP Upgrades, dated 27 June 2018). In addition to the MSA and Task Order 1, ERS recently submitted a proposal for additional work, which I assume will be Task Order 2.

The MSA and subsequent Task Order 1 have an Assignment clause which prohibits us from assigning the Subcontract without your prior written consent. Please consider this letter as our formal request for assignment to the acquiring company.

So that our work can continue uninterrupted, please sign below indicating your written consent and email a copy back to our office to my attention (kallerton@ersenvironmental.com) or to Charlie Cruz’s attention (ccruz@ersenvironmental.com). If you have a consent form that you would prefer that we execute, please forward to my attention and we will execute and get back to you. If you have additional questions or concerns, please feel free to contact me (see below for my contact information).
We appreciate your consideration of this matter and look forward to continuing to work with you on our current project and on many more future endeavors!

Sincerely,

ENVIRONMENTAL RESOURCE SOLUTIONS, INC.

Name                                      Date

(KMA/Consent to Assignment_St. Johns County, 2-21-19)
This Contract Agreement (Agreement) is made as of this 27th day of February, 2017, between St. Johns County, ("County"), a political subdivision of the state of Florida, whose principal place of business is located at 500 San Sebastian View, St. Augustine, FL 32084, and Environmental Resource Solutions, Inc. ("Consultant"), authorized to do business in the state of Florida, with mailing address: 8711 Perimeter Park Blvd., Suite 1 Jacksonville, Florida 32216

In consideration of the mutual promises contained herein, the County and the Consultant agree as follows:

ARTICLE 1 – DURATION AND RENEWAL

This Agreement shall become effective upon the date of execution by all parties, shall be in effect for an initial contract term of five (5) calendar years, and may be renewed for up to one (1) five-year renewal period. This Agreement may be renewed, upon satisfactory performance by the Consultant, mutual agreement by both parties, and the availability of funds. While this Agreement may be renewed as stated in this Article, it is expressly noted that the County is under no obligation to renew this Agreement. It is further expressly understood that the option of renewal is exercisable only by the County, and only upon the County’s determination that the Consultant satisfactorily performed the Services specified in the Contract Documents.

ARTICLE 2 - ENUMERATION OF CONTRACT DOCUMENTS

The term “Contract Documents” includes the following:

- This Agreement, including any amendment executed as provided in Article 29;
- St. Johns County Request for Qualifications No. 17-17 and all issued Addenda (Exhibit A);
- Consultant’s Rate Sheet (Exhibit B);
- FEMA Public Assistance Program Required Contract Clauses (Exhibit C);
- Any task order, or any amendment of a task order, issued as provided in Article 4 of this Agreement; and
- Any Certificate of Insurance required pursuant to Article 12 of this Agreement.

Any document not identified above is not a Contract Document and does not form part of this Agreement. In interpreting the Contract and resolving any inconsistencies or ambiguities, the main body of this Agreement takes precedence over any of the Exhibits provided above.

ARTICLE 3 - SERVICES

The Consultant’s responsibility under this Agreement is to provide all labor, materials, and equipment necessary to perform the Scopes of Work set forth in Part IILA of St. Johns County Request for Qualifications No. 17-17.

Services provided by the Consultant shall be under the general direction of the St. Johns County Department requesting services, or the St. Johns County Purchasing Department, who shall act as the County’s representative during the performance of services under this Agreement.

The Consultant shall provide and perform all services pursuant to this Agreement in accordance with generally accepted standards of professional practice and in accordance with applicable federal, state, and local laws and regulations.

The Consultant shall be responsible for the professional quality, technical adequacy and accuracy, timely completion, and the coordination of all data, studies, reports, memoranda, other documents and other services, work, and materials performed, provided, or furnished by the Consultant. The Consultant shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in such data, studies, and other services, work, and materials resulting from the negligent acts, errors, omissions, or intentional misconduct of the Consultant.
Review, approval, or acceptance by the County of data, studies, reports, memoranda, and incidental professional services, work, and materials furnished by the Consultant under this Agreement shall not relieve the Consultant of responsibility for the adequacy, completeness, and accuracy of its services, work, and materials. Neither the County’s review, approval, or acceptance of, nor payment for, any part of the Consultant’s services, work, and materials shall be construed to operate as a waiver of any of the County’s rights under this Agreement, or any cause of action it may have arising out of the performance of this Agreement.

ARTICLE 4 - TASK ORDERS

The Consultant shall not perform any services under this Agreement until a task order for such services has been executed by the Consultant’s authorized representative and the County Administrator, or his authorized designee, in accordance with County Purchasing Policy. All task orders under this Agreement shall be issued on a form provided by the County. The task order shall set forth a description and summary of the services to be performed, the total compensation for satisfactory completion of the work to be performed, and the estimated time for completion of the services. Any amendment to an executed task order shall be in writing and shall be executed by the County Administrator or his authorized designee.

ARTICLE 5 - COMPENSATION/BILLING/INVOICES

A. Compensation for services under this Agreement is contingent upon the execution of a task order as provided in Article 4 prior to the provision of the services by the Consultant.

B. Compensation for each Task Order shall be based on the method of payment as stated in each Task Order. The Consultant shall submit a cost proposal and scope for each project, in the format, as requested by the County. Compensation for all task orders issued under this Agreement shall either be on a lump sum basis or a not-to-exceed amount accompanied by a project estimate based on the hourly rates provided in Exhibit B. No modification, amendment, or alteration to Exhibit B shall be effective unless provided through an amendment to this Agreement as provided below in Article 29.

C. It is expressly understood that Consultant is not entitled to the amount of compensation set forth in any given task order. Rather, Consultant’s compensation is based upon Consultant’s satisfactory completion and delivery of all work product and deliverables noted in each task order.

D. The Consultant shall bill the County for services satisfactorily performed as provided in each task order. Payment by the County shall be made in compliance with the provisions of the Local Government Prompt Payment Act (Section 218.70, Florida Statutes, et seq.).

E. Though there is no billing form or format pre-approved by either the County, or the Consultant, invoices submitted by the Consultant shall include a detailed written report of the services accomplished in connection with the Scope of Work. The County may return an invoice from the Consultant, and request additional documentation or information. Under such circumstances, the timeframe for payment will be extended by the time necessary to receive a verified bill/invoice.

F. Unless otherwise notified, bills/invoices should be delivered to the County Department requesting the work, with a copy sent to:

B. This Agreement may be terminated by the County with cause upon at least seven (7) calendar days advanced written notice of such termination with cause. Such written notice shall indicate the exact cause for termination.

ARTICLE 7 - NOTICE OF DEFAULT/RIGHT TO CURE

A. Should the Consultant fail to perform (default) under the terms of this Agreement, then the County shall provide
written notice to the Consultant, which such notice shall include a timeframe of no fewer than seven (7) calendar days in which to cure the default. Failure to cure the default within the timeframe provided in the notice of default (or any such amount of time as mutually agreed to by the parties in writing), shall constitute cause for termination of this Agreement.

B. It is expressly noted that, should the County issue more than one notice of default to the Consultant within any six consecutive months during the term of this Agreement, such action shall constitute cause for termination of this Agreement.

C. Consistent with other provisions in this Agreement, Consultant shall be paid for services authorized and satisfactorily performed under this Agreement up to the effective date of termination.

D. Upon receipt of a notice of termination, except as otherwise directed by the County in writing, the Consultant shall:

1. Stop work on the date to the extent specified.

If this contract meets the definition of a “federally assisted construction contract” as provided in 41 C.F.R. § 60-1.3, the following shall apply to the contractor’s performance under this contract:

a. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

b. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

c. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers’ representatives of the contractor’s commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the contractor’s noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

g. The contractor will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.”

For the purposes of this section, “federally assisted construction contract” means any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a
grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.

For the purposes of this section, "construction work" means the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

a. This section applies to all contracts in excess of $100,000 that involve the employment of mechanics or laborers as provided in 40 U.S.C. § 3701.

b. As provided in 40 U.S.C. § 3702, the contractor shall compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

c. The requirements of 40 U.S.C. § 3704 shall apply to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

d. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

e. In the event of any violation of the clause set forth in paragraph (d) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (d) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (d) of this section.

f. The County shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (e) of this section.

g. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (c) through (f) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (c) through (f) of this section.

3. Compliance with Clean Air Act.

a. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
b. The contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the state of Florida, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

c. The contractor agrees to include these requirements in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by FEMA.

As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
