DEPARTMENT OF HEALTH & HUMAN SERVICES

Acceptance of Terms and Conditions

If you receive a payment from funds appropriated in the Public Health and Social Services Emergency Fund for provider relief ("Relief Fund") under Division B of Public Law 116-127 and retain that payment for at least 30 days without contacting HHS regarding remittance of those funds, you are deemed to have accepted the following Terms and Conditions. Please also indicate your acceptance below. This is not an exhaustive list and you must comply with any other relevant statutes and regulations, as applicable.

Your commitment to full compliance with all Terms and Conditions is material to the Secretary's decision to disburse these funds to you. Non-compliance with any Term or Condition is grounds for the Secretary to recoup some or all of the payment made from the Relief Fund.

These Terms and Conditions apply directly to the recipient of payment from the Relief Fund. In general, the requirements that apply to the recipient, also apply to subrecipients and contractors under grants, unless an exception is specified.

Relief Fund Payment Terms and Conditions

- The Payment means the funds received from the Public Health and Social Services Emergency Fund ("Relief Fund"). The Recipient means the healthcare provider, whether an individual or an entity, receiving the Payment.
- The Recipient certifies that it billed Medicare in 2019; provides or provided after January 31, 2020 diagnoses, testing, or care for individuals with possible or actual cases of COVID-19; is not currently terminated from participation in Medicare; is not currently excluded from participation in Medicare, Medicaid, and other Federal health care programs; and does not currently have Medicare billing privileges revoked.
- The Recipient certifies that the Payment will only be used to prevent, prepare for, and respond to coronavirus, and shall reimburse the Recipient only for health care related expenses or lost revenues that are attributable to coronavirus.
- The Recipient certifies that it will not use the Payment to reimburse expenses or losses that have been reimbursed from other sources or that other sources are obligated to reimburse.
- The Recipient shall submit reports as the Secretary determines are needed to ensure compliance with conditions that are imposed on this Payment, and such reports shall be in such form, with such content, as specified by the Secretary in future program instructions directed to all Recipients.
- Not later than 10 days after the end of each calendar quarter, any Recipient that is an entity receiving more than \$150,000 total in funds under the Coronavirus Aid, Relief, and

DEPARTMENT OF HEALTH & HUMAN SERVICES

Economics Security Act (P.L. 116-136), the Coronavirus Preparedness and Response Supplemental Appropriations Act (P.L. 116-123), the Families First Coronavirus Response Act (P.L. 116-127), or any other Act primarily making appropriations for the coronavirus response and related activities, shall submit to the Secretary and the Pandemic Response Accountability Committee a report. This report shall contain: the total amount of funds received from HHS under one of the foregoing enumerated Acts; the amount of funds received that were expended or obligated for each project or activity; a detailed list of all projects or activities for which large covered funds were expended or obligated, including: the name and description of the project or activity, and the estimated number of jobs created or retained by the project or activity, where applicable; and detailed information on any level of sub-contracts or subgrants awarded by the covered recipient or its subcontractors or subgrantees, to include the data elements required to comply with the Federal Funding Accountability and Transparency Act of 2006 allowing aggregate reporting on awards below \$50,000 or to individuals, as prescribed by the Director of the Office of Management and Budget.

- The Recipient shall maintain appropriate records and cost documentation including, as applicable, documentation required by 45 CFR § 75.302 – Financial management and 45 CFR § 75.361 through 75.365 – Record Retention and Access, and other information required by future program instructions to substantiate the reimbursement of costs under this award. The Recipient shall promptly submit copies of such records and cost documentation upon the request of the Secretary, and Recipient agrees to fully cooperate in all audits the Secretary, Inspector General, or Pandemic Response Accountability Committee conducts to ensure compliance with these Terms and Conditions.
- The Secretary has concluded that the COVID-19 public health emergency has caused many healthcare providers to have capacity constraints. As a result, patients that would ordinarily be able to choose to receive all care from in-network healthcare providers may no longer be able to receive such care in-network. Accordingly, for all care for a presumptive or actual case of COVID-19, Recipient certifies that it will not seek to collect from the patient out-of-pocket expenses in an amount greater than what the patient would have otherwise been required to pay if the care had been provided by an in-network Recipient.
