RECITALS

WHEREAS, the County's Grants and Legislative Affairs Office (GLAO) coordinates with County Departments to identify grant opportunities that may provide funding opportunities to benefit the County; and

WHEREAS, GLAO has identified certain grants and/or grant programs from various State and Federal agencies for the calendar year 2023 grant cycle; and

WHEREAS, once the grantor agency publishes a notice of funding availability, the time to review the grant requirements, restrictions, and obligations, and prepare the grant proposal for submission is often under a short deadline, and does not avail itself to the County's legislative cycle; and

WHEREAS, pursuant to the existing grant application policy all grant applications are required to be presented to the Board of County Commissioners for approval prior to submission; and

WHEREAS, providing the County Administrator the authority to execute and submit grant applications, for those grants and grant programs identified by GLAO for the calendar year 2023 grant cycle, would provide for a more timely and efficient process; and

WHEREAS, when the County is awarded grant funds, GLAO will prepare an agenda item for the Board to accept and approve the grant agreement and recognize and appropriate the awarded grant funds; and
