AGREEMENT FOR FIRE RESCUE AND EMERGENCY MEDICAL SERVICES

This AGREEMENT FOR FIRE RESCUE AND EMERGENCY MEDICAL SERVICES (the "Agreement") is made and entered into this ____ day of _____, 2023 (the "Effective Date"), by and between PGA TOUR, Inc., a Maryland corporation, having its principal office at 1 PGA TOUR Boulevard, Ponte Vedra Beach, Florida 32082 (hereinafter referred to as "TOUR) and St. Johns County, a political subdivision of the State of Florida, located at 3657 Gaines Road, St. Augustine, Florida 32084 (hereinafter referred to as "SJFR") who desires to provide services during THE PLAYERS Championship taking place at TPC Sawgrass in Ponte Vedra Beach, Florida on March 7 - 12, 2023 (the "Tournament").

1. **Term.** This Agreement shall commence on March 6, 2023 and shall continue through March 12, 2023, unless otherwise terminated in accordance with the terms set forth herein; provided, however, that such Term shall be automatically extended to include an additional day, or days, resulting from any play-off or postponement of the Tournament due to a Force Majeure event as set forth below ("Term").

2. **Termination.**

(a) Either party may terminate this Agreement upon written notice to the other party if the other party fails to comply with any material term of this Agreement and fails to correct such default within two (2) days of written notice of such default, or, if such default cannot be corrected in such time, fails to diligently take steps to correct such default. Notwithstanding the above, TOUR may terminate this Agreement at any time, without cause, upon ten (10) days' written notice to SFRD.

(b) In the event either party gives such notice, this Agreement and all rights, duties and obligations of TOUR and SFRD hereunder, except any which expressly survive termination, shall terminate on the termination date.

3. **Force Majeure.** If at any time before or during the Term, the Tournament is cancelled, delayed, shortened, or rescheduled by reason of a governmental regulation or order, strike, lock-out, war, fire, earthquake, hurricane, or act of God, or by any other cause of a similar or dissimilar nature beyond the control of TOUR ("Force Majeure"), then this Agreement shall be suspended during all or any part of the continuation of any Force Majeure and shall resume at such time as the Tournament resumes play. TOUR may, at its option, terminate this Agreement by reason of such Force Majeure.

4. **SJFR Services.** TOUR hereby engages SJFR to provide the attendees of the Tournament with emergency medical services, medical transportation services and protection in threat of injury or harm located within the Tournament (the "Services"). Any adjustment to increase or decrease the hours of work and/or the Fee must be set forth in writing through work orders (individually, a "Work Order"). Each Work Order shall be governed pursuant to the terms and conditions herein and shall be signed by both parties. In the event of any conflict between the terms and conditions of any Work Order and this Agreement, the terms and conditions set forth in this Agreement shall control.

5. **Payment.** In consideration for SJFR providing the Services under this Agreement, TOUR shall pay SJFR in accordance with the estimated Services on Exhibit A. Any change to the Services must be pre-approved by TOUR. Upon completion of the Services after the conclusion of the Tournament, SJFR shall invoice TOUR, via email to pgatouraccountspayable@pgatourhq.com for the actual, verified and undisputed total hours of Services provided. TOUR shall pay SJFR within thirty (30) days receipt of SJFR's invoice.

6. **Duties of SJFR.** SJFR shall:

- (a) Provide fire and rescue as well as ambulatory services in connection with the Tournament and in accordance with the proposed schedule attached hereto as Exhibit A. Any adjustment to the Services set forth on Exhibit A must be set forth in writing and shall require TOUR's prior written approval.
- (b) Provide the Services in accordance with the terms of this Agreement and in accordance with all federal, state, and local laws and regulations.
- (c) At all times remain licensed, certified or enrolled in good standing with all applicable state and federal authorities, with all state and federal health care programs, and all required state or national accrediting organizations.
- (d) Coordinate its call responses with TOUR's representative during the times of operation and will report to TOUR's representative in keeping with the provisions of this Agreement.
- (e) Maintain general liability insurance with a limit not less than \$1,000,000 each occurrence and \$3,000,000 aggregate; automobile liability insurance not less than \$1,000,000 per occurrence; medical professional liability of \$2,000,000 in the aggregate; and workers' compensation as required by law. SJFR will provide TOUR with current certificates of all such insurance or shall provide evidence of self-insurance as appropriate. TOUR shall be named as an additional insured on the general liability insurance and SJFR shall provide current endorsement to such policy demonstrating such coverage.

7. **Duties of TOUR.** TOUR shall:

- (a) Provide nine (9) golf carts daily during the Term for SJFR's use for emergency response on-site. Golf carts will be used in accordance with TOUR's Vendor and Contractor Golf Cart Safety Training Acknowledgment, attached hereto as Exhibit B.
- (b) Provide SJFR staff parking for up to two (2) vehicles daily during the Term.
- (c) Provide five (5) on-site hand held radio for communications with TOUR staff during the Term.

8. **Medical and Related Records/Confidentiality.** SJFR agrees to utilize the TOUR's Incident Report form to document incident information, and SJFR shall return all completed incident reports to TOUR staff at the completion of each day of the Event. SJFR shall redact any protected health information from the Incident Report form unless authorized by the patient to release such information to the TOUR. A copy of the TOUR Incident Report form is attached hereto as Exhibit C. SJFR shall maintain adequate records on a reasonably current basis regarding the Services provided pursuant to this Agreement. Any medical records relating to the provision of the Services shall remain the property of SJFR. Such records shall be treated confidentially and maintenance and access to them shall comply with all federal, state and local laws and regulations. TOUR may request documentation of all calls on which SJFR is dispatched within the geographical limits of the Event. Notwithstanding the foregoing, in no event shall SJFR provide TOUR with any protected health information, legally protected patient information, or other information deemed to be confidential under state or federal law unless such disclosure is permissible pursuant to applicable law.

9. **Notices.** All notices and other communications sent hereunder shall be in writing and shall be deemed given if delivered personally, by overnight delivery service or mailed by registered or certified mail, return receipt requested, to the parties at following addresses or such other addresses as the parties may later designate in writing.

Venue for any cause of action arising out of this Agreement shall lie exclusively in St. Johns County, Florida. VENDOR AND CONTRACTOR GOLF CART SAFETY TRAINING ACKNOWLEDGMENT & LIABILITY RELEASE

Golf carts are specifically used for the transportation of persons but are used for utility purposes as well. They are of significant value to our tournaments for efficiency and economic transportation. Recognizing that golf carts are moving vehicles, TOUR has established safety rules and procedures for the safe operation of these vehicles.

Procedures for Safe Operation of Golf Carts:

1. Safe Speed
 - Golf carts should be operated at a moderate speed, equivalent to a well-paced walk in congested areas.
 - Reduce speed to compensate for inclines, pedestrians, and weather conditions.
 - Slow down and drive with extra caution when the grass is wet.
2. Backing up
 - Operators should be conscious of their surroundings and should never back up without making sure there is no person or obstruction behind the cart.
 - Prior to driving the cart, check to see if it is set to go forward or backward and make adjustments as necessary.
 - Operators should be aware of their surroundings when using the reverse direction so as to minimize disruption to on-course play.
3. Turns and Operation
 - Never make a sharp turn, even on a straight-away.
 - Approach all turns with caution and reduced speed. Rounding curves at excessive speeds can result in someone being thrown from the cart.
 - Always drive straight up and down a hill. Driving up or down a hill at an angle can cause the cart to tip over.
 - Watch for obstacles and people. Pedestrians always have the right-of-way.
 - WALK WHEN APPLICABLE, golf carts are for operational use only.
4. Designated Paths
 - All golf carts should only drive on designated paths; refer to the cart routing plan.
 - If the path is congested, do not take any alternate routes by going under ropes.
 - Use the carts as they are intended to be used. Do not take carts to places on the golf course where they are not intended to go.
5. Parking
 - Park golf carts out of the way of pedestrians and other carts and make sure the golf cart is not in any camera sight line.
 - Set the parking brake before leaving the cart.
 - Do not park the cart on an incline.
 - Never leave the keys in the golf cart when it is unattended.
6. Operator and Passenger Use
 - No golf cart is to be operated with more passengers than seating allows.
 - No riding on the back of golf carts or overloading the cart with equipment.
 - Do not transport passengers unrelated to your role of vendor services.
 - Do not drive the golf cart until all occupants are seated. Never stand up in a moving golf cart.

- All occupants in the golf cart shall keep hands, arms, legs and feet within the confines of the cart at all times when the cart is in motion, and it is the responsibility of the driver to convey this requirement to the passengers.
- Only authorized personnel who have a valid driver's license issued by the jurisdiction of the contractor's residency and have signed the Golf Cart Safety Acknowledgement below may drive a golf cart provided by TOUR.
- No golf cart may be operated by an intoxicated person or a person under the influence of any narcotic or other substance that may impair the person's ability to operate the golf cart.
- Adhere to all applicable traffic laws as well as PGA TOUR requirements concerning use of golf carts.
- Authorized driver must be 18 years of age or older.
- Each golf cart is assigned to a specific person or vendor. Do not take the nearest golf cart you can find.
- Do not remove or exchange the sign that is on each golf cart. Do not operate a golf cart that is not labeled.
- The use of any gas golf cart or other gas equipment is strictly prohibited while play is occurring.

7. Maintenance and Cart Return

- Any mechanical issues with golf carts should be reported to the golf cart committee as soon as possible in order to expedite repair.
- Upon conclusion of the Tournament, all golf carts must be returned to the cart staging area. Do not leave carts on the course or parking lots. All carts must be accounted for upon completion of the Tournament.
- All golf carts must be properly charged when not in use.
- If a golf cart is not operational DO NOT push or pull, as critical damage can occur to the motor or an injury could occur.
- You must notify the golf cart committee of any damage to the vehicle and ensure an incident report has been completed.

GOLF CART SAFETY ACKNOWLEDGEMENT & LIABILITY RELEASE

Each individual or vendor utilizing golf carts assigned by TOUR during the Tournament is expected to operate them in a safe and courteous manner. Any golf cart operators found in violation of these safety procedures or misusing golf cart equipment may be prohibited from operating a cart.

SFRD hereby acknowledges, understands, and agrees to the safety rules and procedures provided by TOUR regarding the standard operating procedures for driving golf carts and will ensure that all employees or independent contractors hired in connection with any services being provided to PGA TOUR, Inc. have a valid driver's license issued by the jurisdiction of their residency and do not have a physical restriction or medical condition, including taking prescription drugs, that will impair their ability to drive a golf cart. SFRD shall provide instruction to all drivers on the proper use of golf carts and will require each individual driver to sign and acknowledge same. SFRD accepts and acknowledges full responsibility and liability for any personal injury or property damage arising from the use and operation of the golf carts provided to SFRD, or if applicable, any employees or independent contractors hired in connection with any services being provided to PGA TOUR, Inc.
