Re: FPN#: 447333-2-54-01 Design, Construction and Construction Engineering and Inspection (CEI) of the intersection and roadway improvements on CR 2209 and International Golf Parkway- Grant Agreement Extension Request

Dear Ms. Evans:

St. Johns County request a time extension for the above named FDOT project. The basis of the extension is outlined below.

St. Johns County has made progress with this project. Construction began on December 22, 2023 and the project is currently in the clearing and grubbing stages and as soon as the contractor invoices are paid, the remaining balance will be charged to the grant. Since this grant agreement expires in 3 months, St. Johns County is requesting an additional 12-month extension.

**Future Estimated Timeline**

**Anticipated Construction- 24 months from 12/22/2023**

**Substantial Completion- 11/22/2025**

**Final Completion- 12/22/2025**
