Mary Ann,

My husband and I are very happy to support the library! We have a 15 month old son, and the Bartram Trail Library became a second home for me and our son during my husband's deployment. We spent nearly everyday playing in the kid's section and have checked out many many books. We would love if our gift could help support the children's section and programs in the Bartram Trail library to continue to bless other families like it has blessed us. We appreciate all the librarians and staff at our branch. They recognize my son each time we visit, and are such a warm and welcoming group of people.

Sincerely,

Breanna Borchardt

Dear Ms. Gibson,

Our friend and former condo landlord recently died in St. Augustine and my wife and I would like to make a contribution to the St Johns Library in his memory. Could you please advise us the procedure to follow.

Ted's wife Joan was a long time volunteer at the Library and she survives him but unfortunately is in a memory care center now.

My wife Barbara and I were also volunteers at Main Branch for several years when we were snowbirds. I became a handyman of sorts and was involved in many projects there including the "Bookman" display which was by the Children's Section. So we too have a historical relationship with the Library. We are now supporters of our local library here in Carmel, Indiana.

You will, of course, be familiar with my surname. My Gibsons are all from western Pennsylvania with original stock from Scotland. But maybe there are common cousins somewhere.

Thank you for your help.

Richard and Barbara Gibson
