1. **Redistricting 2021 Update.** Every ten years after the Decennial Census, every state, county, city, town, and special district must redraw their district boundaries to reflect the changes in population. The St. Johns County Board of County Commissioners and the School Board have met and reviewed several redistricting options during public meetings held on August 25, 2021 and September 16, 2021. ARCBridge will provide an update to the redistricting process for review and discussion. The final redistricting plan will be presented at a joint Board meeting in December 2021. Advertised Community Meetings are scheduled for November 1, 2021 and November 2, 2021.
