ST. JOHNS COUNTY BOARD OF COUNTY COMMISSIONERS***Deadline for Submission - Wednesday 9 a.m. – Thirteen Days Prior to BCC Meeting***9/15/2026****BCC MEETING DATE****TO: Joy Andrews, County Administrator****DATE: September 1, 2026****FROM: Wade Schroeder, Director, Office of Management & Budget****PHONE: 904 209-0570****SUBJECT OR TITLE: FY 2027 Proposed Fee Schedule****AGENDA TYPE: Consent Agenda, Resolution****BACKGROUND INFORMATION:**

The Board of County Commissioners of St. Johns County, Florida is empowered to set fees relating to the provision of services provided by certain County Departments. Subsequent to the last adopted fee schedule by Resolution 2026-235, a revision to a current fee or additional fee is presented for Commission consideration. Revisions and additions include activities related to Animal Control, Building Services, Fire Rescue, Geographic Information Systems, Growth Management, Library Services, Parks & Recreation, and Solid Waste. For purposes of review, fees that have been revised or added are indicated in red. This item also includes the annual indexing of Impact Fees as set forth in county ordinance 2018-16 and the Utility Rate Tariff as set forth in county ordinance 2022-37.

**RESOLUTION NUMBER 2026 - \_\_\_\_\_**

**RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA APPROVING THE AMENDED SCHEDULE OF FEES FOR CERTAIN COUNTY DEPARTMENTS AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the Board of County Commissioners of St. Johns County, Florida (“BCC”) is empowered to set fees relating to the provision of services provided by certain County Departments; and

**WHEREAS**, Resolution 2026-235, adopted the current County Fee Schedule that County departments charge for specific services; and

**WHEREAS**, from time to time it is necessary to revise the fee schedule to account for increases in the level of service or costs to the County; and

**WHEREAS**, the County Fee Schedule adopted by Resolution 2026-235 (*as previously amended*), has been revised to represent the rates necessary to reasonably reimburse the County for the current cost of providing the services and where appropriate, new fees have been added.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of County Commissioners of St. Johns County, Florida, that;

**Section 1.     Repeal**

Resolution 2024-295, which established the County Fee Schedule, is hereby repealed. Such repeal shall not reinstate or preserve any St. Johns County resolutions (*as amended*) previously passed and adopted by the BCC including but not limited to Resolution Numbers 99-147; 2000-34; 2001-192; 2002-203; 2003-187; 2004-244; 2005-265; 2006-318; 2006-340; 2007-59; 2007-86; 2007-215; 2007-266; 2007-290; 2008-281; 2009-254; 2010-204; 2011-11; 2011-233; 2011-274; 2012-88; 2012-262; 2012-298; 2013-212; 2014-43; 2014-75; 2014-119; 2014-252, 2015-306, 2016-39, 2016-248, 2017-100, 2017-188; 2017-237; 2017-297, 2017-361, 2017-413, 2018-299, 2018-432, 2019-194, 2019-320, 2019-409, 2019-469, 2020-147, 2020-428, 2021-36, 2021-115, 2021-287, 2021-396, 2022-344, 2023-347, 2024-50, 2024-236, 2024-295, 2024-383, 2025-176, 2025-458, and 2026-235.

**Section 2.     Approval of Fees and Charges**

The schedule of fees and charges that are attached hereto and made part hereof as Exhibit “A” are hereby adopted.

**Section 3. Fee Waivers**

If the BCC finds that it is in the best interest of the County and will serve a public purpose to waive any fee(s) described in Exhibit “A”, attached hereto and hereby incorporated into this Resolution, the BCC may waive such fee(s), with the exception of any fee(s) that the BCC is prohibited from waiving by contract or by local, state or federal provision.

**Section 4. Repeal of Inconsistent Provisions.**

Any provision contained in prior ordinances or resolutions inconsistent or in conflict with the provisions set forth above are hereby repealed to the extent of such inconsistency or conflict.

**Section 5. Savings Clause**

Notwithstanding anything to the contrary, and for purposes of this Resolution, all other provisions contained in ordinances or resolutions relevant to Ordinance Number 86-72 (*as previously amended*) are specifically preserved and remain in full force and effect.

**Section 6. Effective Date**

This Resolution shall take effect October 1st, 2026.

**PASSED AND ADOPTED** this 15th day of September 2026 by the Board of County Commissioners of St. Johns County, Florida.

| Note: The building permit fee includes a separately imposed inspection fee based on the actual costs incurred by the County, not the total cost of the project.                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                              |                                                                                                                                              |
| Note: Per HB803, those projects that elect to use private provider inspection services receive a 25% reduced permit fee, inspection and plan review receive a 50% reduction (reduction must be claimed prior to permit issuance). Fees for projects utilizing a private provider shall be administered in accordance with section 553.971, Florida Statutes. No fee shall be charged for initial private provider registration or an update to such registration. Any surcharge required by section 553.721, Florida Statutes, shall be calculated based upon the permit fee after application of the required private-provider reduction. |                                                                                                                                              |                                                                                                                                              |

**Notes:**

- (1) Schedule A is based on flows identified in FAC 64E-6.008.
- (2) Convenience store estimated water and sewer flows shall be determined by adding flows for food outlets and service stations as appropriate.
- (3) Additional flows for food outlets or other occupancies on the same service connections will be added as appropriate.
- (4) All fees listed are estimates and may be subject to rounding or adjustment. Final charges will be calculated based on applicable rates and conditions at the time of payment.

| Block 2 (6,001 – 12,000 per EIC )                                                                                                                                                  | \$4.54  |
| Block 3 (12,001 - Above per EIC)                                                                                                                                                   | \$7.55  |
| <b>Large User All Flows (per 1,000 gal.)</b>                                                                                                                                       |         |
| Pressurized                                                                                                                                                                        | \$2.68  |
| Non-Pressurized                                                                                                                                                                    | \$2.35  |
| Non-Pressurized Disposal                                                                                                                                                           | \$1.19  |

For the purposes of customer classification, reclaimed water customers shall be classified as follows:

1. **Base User** –Shall be all customers other than Large Users with meter sizes 2.00 inches and less ; With respect to Base User meter sizes greater than 2.00 inches, the Utility Director, in his sole discretion, shall determine whether the customer shall be classified as a Base User customer or a Large User; or
2. **Large Users** are customers that satisfy all three conditions below:
  - a. Utilize 150,000 gpd or greater of reclaimed water on an average annual daily basis;
  - b. Connect directly to reclaimed water major transmission mains; and
  - c. Enter into contractual agreements with the Utility, whereby contributions, quantities and methods of delivery are specifically detailed.
3. The Large User customer class is further separated into three subclasses consisting of:
  - i. **Pressurized** – those requiring pressurized delivery to facilitate the customer's distribution needs; and
  - ii. **Non-Pressurized** – those customers taking delivery into storage facilities without the need for system pressure.
  - iii. **Non-Pressurized Disposal** – those customers taking delivery into storage facilities without the need for system pressure and have an interruptible level of supply.

#### SCHEDULE A(4) - Water and Wastewater ERU Equivalency Factors

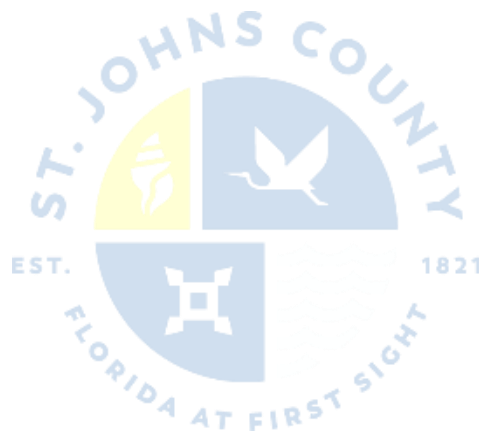

## SCHEDULE A(4) – WATER AND WASTEWATER ERU EQUIVALENCY FACTORS

| <b>ST JOHNS COUNTY</b>                                    |                                  |
|-----------------------------------------------------------|----------------------------------|
| <b>WATER AND WASTEWATER ERU EQUIVALENCY FACTORS</b>       |                                  |
| <u><b>Residential Water/Sewer (Per Dwelling Unit)</b></u> | <u><b>Equivalency Factor</b></u> |
| Single Family                                             | 1.00                             |
| Multi-Family                                              | 0.80                             |
| <u><b>Non-Residential Water/Sewer</b></u>                 |                                  |
| Water Meter Size                                          |                                  |

| 1.0"                                                      | 2.50                             |
| 1.5"                                                      | 5.00                             |
| 2.0"                                                      | 8.00                             |
| 3.0"                                                      | 15.00                            |
| 4.0"                                                      | 25.00                            |
| 6.0"                                                      | 60.00                            |
| 8.0"                                                      | 80.00                            |
| 10.0"                                                     | 115.0                            |

1. The ERUs for a compound or dual register water meter shall be equal to the ERUs of a water meter one size greater than that of the smaller of the two water meter registers.
2. ERCs and ERUs represent distinct measures of residential equivalency within the Utility's rate methodology. ERCs quantify a customer's proportional demand on system capacity for purposes of capital cost recovery, while ERUs quantify recurring service demand for monthly billing; accordingly, multi-family units are assigned 1.0 ERC for connection fee purposes and 0.8 ERUs for monthly service charges.

## SCHEDULE A(5) - RECLAIMED WATER EQUIVALENT IRRIGATION CONNECTIONS

|                                                                                            |                                                                                                                                                                                                                                                                                                                                                       |
|--------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>EICs for each individual Reclaimed Water connection shall be determined as follows:</b> |                                                                                                                                                                                                                                                                                                                                                       |
| a.                                                                                         | Single-family lots consisting of one-half acre or less are equal to one EIC.                                                                                                                                                                                                                                                                          |
| b.                                                                                         | All other Base User connections shall be equal to the greater of: (i) one EIC; (ii) the parcel/lot size in sf less the sf of non-permeable area times 0.083 gpd/sf divided by 300 gpd/EIC and rounded up to the next higher number; or (iii) the requested amount of service in gpd ADD divided by 300 gpd/EIC and rounded to the next higher number. |
| c.                                                                                         | EIC for Large Users are based on dividing the requested gpd ADD level of service in the Large User agreement by 300 gpd/EIC.                                                                                                                                                                                                                          |

| 3/4"                     | \$ 100.00             |
| 1"                       | \$ 100.00             |
| 1 ½"                     | \$ 100.00             |
| 2"                       | \$200.00              |
| 3"                       | \$250.00              |
| 4"                       | \$400.00              |
| 6"                       | \$600.00              |
| 8"                       | \$800.00              |
| 10"                      | \$1,000.00            |
| ¾" Hydrant Meter         | \$300.00              |
| 3" Hydrant Meter         | \$1,800.00            |
| High Risk Charge (1)     | \$25.00               |

NOTE: A deposit on a fire line meter shall be charged based on the larger of the two meters, as shown above. Above deposits apply to water service, wastewater service, or both water and wastewater service.

1. HIGH RISK CHARGE WILL BE COLLECTED FROM ACCOUNT HOLDERS WHOSE SERVICE HAS BEEN DISCONNECTED TWO OR MORE TIMES IN A TWELVE (12) MONTH PERIOD DUE TO FAILURE BY ACCOUNT HOLDER TO MAKE TIMELY PAYMENTS OF UTILITY BILLS. HIGH-RISK CHARGE WILL BE COLLECTED IN ADDITION TO ANY UNPAID CHARGES, FEES, OR BILLS, PRIOR TO RESTORATION OF SERVICE.

## SCHEDULE C - DEPOSITS REQUIRED FOR OTHER THAN SINGLE USE INSTALLATION BY METER SIZE

Deposits for other than single use installation by meter size shall be as follows:

- 1) In many instances meters of various sizes are used for multiple living units such as: duplexes, triplexes, condominiums, apartment buildings, etc. In these cases, the number of units times \$ 55.00 shall be the deposit charged, unless the amount of deposit calculated (units x \$ 55.00) falls short of the minimum based upon meter size, then the minimum per meter size, as shown in Schedule B, Appendix A, will be charged.

Example: An Apartment building has six (6) units, but has a large lawn and swimming pool. A four (4) inch meter is requested as a large water use is intended. The deposit would be calculated two ways:

|            |                                                                                                      |
|------------|------------------------------------------------------------------------------------------------------|
| First Way  | Deposit = units x \$ 55.00<br>Deposit = 6 x \$ 55.00<br>Deposit = \$ 330.00                          |
| Second Way | Deposit as established in<br>Schedule B in Appendix A -<br>Minimum deposit for 4" meter is \$400.00. |

As the deposit calculated the "First Way" falls below the minimum deposit set forth in Schedule B in Appendix A, the deposit calculated the "Second Way" shall be used, that is \$400.00.

- 2) In another example, a condominium with 80 units requests a 6" water meter. The deposit will again be calculated two ways:

|            |                                                                                                     |
|------------|-----------------------------------------------------------------------------------------------------|
| First Way  | Deposit = units x \$ 55.00<br>Deposit = 80 x \$ 55.00<br>Deposit = \$ 4,400.00                      |
| Second Way | Deposit as established in<br>Schedule B in Appendix A -<br>Minimum deposit for 6" meter is \$600.00 |

As the deposit calculated the "First Way" is greater than the minimum deposit set forth in Schedule B, in Appendix A, and as calculated in the "Second Way," the deposit calculated the "First Way" shall be used, that is, \$ 4,400.00.

## SCHEDULE D - DEPOSITS REQUIRED FOR MULTIPLE USE CASES WHERE ONE METER SERVES SEVERAL UNITS

In Commercial multiple-use cases such as shopping centers where a master Water meter serves several units, the required Deposit shall be the greater of: (i) number of units times \$55.00 per unit; or (ii) the amount pursuant to the Water meter size shown in Schedule B.

**Example:** A Commercial multiple-use has four (4) units and requested a three quarter (3/4) inch Water meter. The deposit shall be the greater of the following two methods:

First Method:                      Deposit = units x \$55.00  
                                            Deposit = 4 x \$55.00  
                                            Deposit = \$220.00

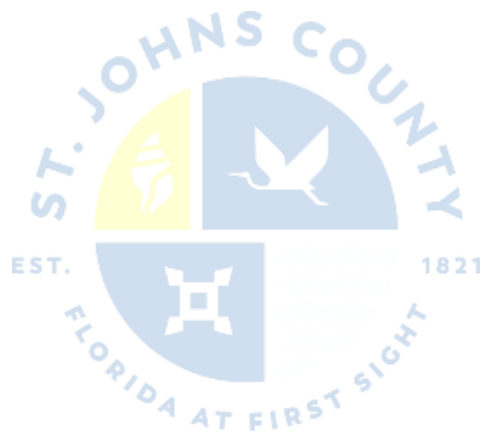

Second Method:    Deposit as established in Schedule B  
                                 Minimum deposit for three quarter (3/4) inch Water meter is  
                                            \$100.00.

As the deposit pursuant to the "First Method" is greater than the "Second Method", the deposit determined in the "First Method" of \$220.00 shall be the required deposit.

**NOTE:** Above deposits apply to Water or Wastewater service or combined Water and Wastewater service.

### SCHEDULE E - DEPOSITS FOR RECLAIMED WATER SERVICE

| Base User                                                        | Amount  |
|------------------------------------------------------------------|---------|
| Per EIC                                                          | \$50.00 |
| Large Use deposit shall be as specified in Large User Agreement. |         |

**SCHEDULE F(1) - WATER AND RECLAIMED WATER TAPPING FEES**

| <b>METER SIZE <sup>(a)(c)</sup></b> | <b>COST</b>                                                      |
|-------------------------------------|------------------------------------------------------------------|
| 3/4"                                | \$1,395.00                                                       |
| 1"                                  | \$1,465.00                                                       |
| 1 ½"                                | \$1,770.00                                                       |
| 2"                                  | \$2,225.00                                                       |
| 3"                                  | \$3,580.00                                                       |
| 4"                                  | \$4,700.00                                                       |
| 6"                                  | \$6,330.00                                                       |
| 8" OR LARGER                        | Cost of labor, equipment, and material<br>plus 25% of such costs |
| Locate/ Right of Way Fee **         | \$75.00                                                          |

**Meter placement services without tapping (pre-run) will be charged the following:**

| <b>METER SIZE <sup>(c)</sup></b> | <b>COST</b> |
|----------------------------------|-------------|
| 3/4"                             | \$240.00    |
| 1"                               | \$310.00    |
| 1 ½"                             | \$620.00    |
| 2"                               | \$1,080.00  |
| 3"                               | \$1,690.00  |
| 4"                               | \$2,900.00  |
| 6"                               | \$4,720.00  |

- (a) For all meters 2" or above, a minimum payment as shown above will be required prior to installing the tap. Should the amount to install the Tap, including labor, equipment, material plus 25%, exceed the minimum, a bill will be issued for the remaining balance and will be payable within 30 days from the date of installation.
- (b) A utility locate/right of way fee will be assessed for all taps made by the Utility Department for the expenses incurred for meter location and detecting underground utilities to conform to local and state regulations.
- (c) Metered services requiring a radio read unit and/or a remote operating valve will be charged actual cost of such devices, in addition to the applicable fees above. Reclaimed water customers will also be charged for a dual check valve.

### SCHEDULE F(2) - SEWER TAPPING FEES

| TAP SIZE                                   | COST                                                             |
|--------------------------------------------|------------------------------------------------------------------|
| EXISTING FORCE MAIN                        | <i>See Schedule H – Sewer Infrastructure Charge</i>              |
| NEW FORCE MAIN ( <i>nonconforming</i> )    | Cost of labor, equipment, and material<br>plus 25% of such costs |
| NEW GRAVITY SEWER ( <i>nonconforming</i> ) | Cost of labor, equipment, and material<br>plus 25% of such costs |
| Locate/ Right of Way Fee **                | \$75.00                                                          |

\*\* A utility locate/right of way fee will be assessed for all taps made by the Utility Department for the expenses incurred for service location and detecting underground utilities to conform to local and state regulations.

### SCHEDULE G - WATER AND RECLAIMED METER TEST SERVICE CHARGES

| METER SIZE | *CHARGE  |
|------------|----------|
| 3/4"       | \$25.00  |
| 1"         | \$50.00  |
| 1 ½"       | \$50.00  |
| 2"         | \$50.00  |
| 3"         | \$100.00 |
| 4"         | \$250.00 |
| 6"         | \$250.00 |
| 8"         | \$250.00 |
| 10"        | \$250.00 |

\* All meter test charges shall be paid to the County prior to the County testing any water or reuse meter at an Account Holder's request. If the test determines that the water or reuse meter does not meet AWWA standards, the meter test service charge shall be refunded by the County.

## SCHEDULE H - WATER, RECLAIMED WATER, AND WASTEWATER SERVICE CHARGES

| SERVICE                                                                                                                                                                                                                                                                                                                                                                                                          | CHARGE                       |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|
| 1) <b>New Service Charge</b> - New, change or transfer of an account pursuant to Utility Ordinance Section 33.                                                                                                                                                                                                                                                                                                   | \$30.00                      |
| a) A new Account Holder shall pay a deposit plus a service charge.                                                                                                                                                                                                                                                                                                                                               |                              |
| 2) <b>Service Charge<sup>+</sup></b> - A charge for a trip made to Account Holder's property at the Account Holders request for a reason other than the normal monthly meter reading.                                                                                                                                                                                                                            | \$50.00                      |
| a) A meter that is changed at the Account Holder's request when the original meter was in proper working order at the time of the change, in addition to the cost of the meter plus 25 percent.                                                                                                                                                                                                                  |                              |
| b) A meter reading that is requested by the Account Holder in addition to the normal monthly reading for any purpose. If it is found by this second reading that the normal monthly reading is incorrect, no service charge will be assessed for the requested reading.                                                                                                                                          |                              |
| 3) <b>Same Day Service Charge</b> – A charge for a same day trip requested after 12:00pm to the Account Holder's property at the Account Holders request for a reason other than the normal monthly meter reading.                                                                                                                                                                                               | \$75.00                      |
| 4) <b>After Hours Service Charge</b> – A charge for an after-business hours trip made to the Account Holder's property at the Account Holders request for a reason other than the normal monthly meter reading.                                                                                                                                                                                                  | \$100.00                     |
| 5) <b>Meter Testing Charge</b> - Meter test as provided in Ordinance Section 30(B) (2).                                                                                                                                                                                                                                                                                                                          | see Sch. G                   |
| 6) <b>Temporary Service Charge</b> – A seven (7) day use service charge shall apply for temporary service requested, such as, for purposes of cleaning or repairing property, plus Water, Wastewater and/or Reclaimed Water usage, as applicable.                                                                                                                                                                | \$90.00                      |
| 7) <b>Damage Meter Charge</b> - A meter installation is repaired or replaced because of damage by the Account Holder or due to the Account Holder's actions. Reasonable costs for material used for such repair or replaced installation shall be billed in addition to the service charge.                                                                                                                      | \$50.00                      |
| 8) <b>Non-Payment Fee</b> - When a past due account has been processed for disconnection of service due to non-payment.                                                                                                                                                                                                                                                                                          | \$45.00                      |
| 9) <b>Collection Fee</b> - When a County water, wastewater or reclaimed water bill remains unpaid for more than 60 days, and the account is turned over to a collection agency or other efforts are made to collect the amount owed. (In such an event, the costs of collection shall be added to the amount of the debt. Collection service charges shall be \$45.00 or 35% of the debt, whichever is greater.) | \$45.00<br><i>Or Greater</i> |
