The subject of this Resolution is to set a Public Hearing date of November 3, 2026 at 9:00 am to hear a request for the vacation of portions of Seminole and Owens Avenue right-of-way (ROW). The unopened portions of Seminole and Owens Avenue right-of-way is not used for traffic circulation or access. The petitioner is the only affected property owner, the portions of ROW to be vacated currently segment the owner's property, therefore the applicant is requesting to vacate this portion of right-of-way for a more cohesive parcel. Based on staff's review thus far, no party will be unreasonably affected by the requested vacation. An easement to the utility provider has already been deemed acceptable by FPL.

## SUGGESTED MOTION/ACTION

**APPROVE:** Motion to adopt Resolution 2026-\_\_\_\_\_, authorizing the notice required by Section 336.10, F.S., for a Public Hearing on November 3, 2026 at 9:00am or at a date and time as soon thereafter as possible to hear a request for the vacation of portions of unopened Seminole and Owens Ave right-of-way (VACROA 2026-05 Seminole and Owens Ave ROW Vacation).

## MAP SERIES

**Location:** A petition to vacate a portion of Seminole Avenue and Owens Avenue.

**Aerial Imagery:** The aerial imagery shows a single, paved driveway connection serving the business located on the petitioner's property. Overhead utilities are also visible in this image.

**Flood Zone Map:** A portion of the right-of-way to be vacated and the affected parcel are located within FEMA Flood Zone AE (el. 7'). No portions of this area are proposed for development at this time.

## APPLICATION SUMMARY

The applicant is petitioning to vacate portions of unopened right-of-way (ROW) known as Seminole Avenue and Owens Avenue, intersecting ROWs in the Butler Beach area of South Anastasia. The subject of the attached Resolution is to set a Public Hearing date of November 3, 2026 at 9:00 am to hear a request for the vacation of portions of Seminole and Owens Avenue right-of-way.

## BACKGROUND

The two intersecting segments of right-of-way to be vacated appear to be residual portions of Seminole Avenue and Owens Avenue that were left over after Phase One of the Ocean Palms subdivision was platted (see Image 1, below). The two portions of right-of-way are not used for traffic circulation and contain only a single, paved driveway connection serving the business located on the petitioner's property (see aerial). The petitioner is the only affected property owner and the portions of ROW to be vacated currently segment the owner's property; therefore, the applicant is requesting to vacate this portion of right-of-way to create a contiguous parcel.

The requested right-of-way vacation will have no deleterious effect on the surrounding properties and does not propose to eliminate any actual or legal access to existing or future units on nearby and affected properties. There is an existing overhead utility line that crosses over a portion of the unopened right-of-way. Florida Power and Light has agreed to accept a 20' overhead utility easement. The sketch and legal have been provided

as an attachment to this application. All other existing utilities were notified of this application and their clearances are attached. The abandoned right-of-way has no known drainage facilities and there are currently no known plans to construct or make improvements within this right-of-way.

In summary, the County will be vacating all public interest in the subject right-of-way, if approved. The entire portion of the vacated right-of-way will revert to the affected property owner and petitioner. Staff anticipates that there will be no objections to this request.

I own the property on the southwest and northwest corners of A1A and Owens Avenue in Butler Beach (32080)

I am petitioning St Johns county to vacate Seminole Avenue which lies to the west of my properties and Owens Avenue, which lies between my properties.

I am writing to determine if any of AT&T's lines are present on these right ROWs. If so, I will coordinate the granting of a perpetual easement for the benefit of AT&T.

Attached you'll find a marked up survey. I own the land in red and you can see the small sections of Seminole and Owens Avenue that will be vacated.

Also, I noticed in your email you said FPL does not object to vacating the Seminole ROW. My intention is to vacate both Seminole and the short section of Owens that lies west of A1A. I just want to double check you understood that and that FPL does not object to Seminole AND Owens.

Subject: Vacation of ROW - Owens Ave and Seminole Ave, 32080

Ivan, please see attached.

My understanding is that the county won't reach out to you specifically. They require me to provide proof that FPL wont object to the vacation.

They said an email is sufficient which is why I started a new thread, making it more concise.

Please respond by confirming receipt of attached "Agreement to Grant Easement for Right of Way Abandonment" and please confirm FPL does not object to the abandonment/vacation of the two ROWs.

Thanks!
